Chapter 1

Jane's POV

So Run Baby Run~

Finally our performance is finished for the Billboard Music Award.We went backstage and as soon as we arrived backstage the staffs clapped their hands for us and smile at us.We bow to them as a sign of being thankful.

We went to our dressing room and fix our make up the make up artist wipe our tears.After we retouch our make up I grab my Gucci bag and went out to the room.As we were about to leave the backstage I thought about my phone and realized that I left it inside the dressing room.

"Uhmm..you guys go now I just forgot something."I said to my members and they just nodded.

Due to my rush I left my Gucci bag near the stage on the chair since their are staff that saw that it's mine.

I rush towards to the dressing room and grab my phone.As I was walking to go to get my bag a male group was their talking.Until I realize who it was...

Z Clash.

I was walking towards their direction to get my bag but one of their members was holding my Gucci bag.

That made my fist clenched.

No one touches my Gucci!

Theodore's POV

We were now heading to the backstage cause we're preparing for our performance as I went on backstage something called my eye.

"Gucci bag?"I said while raising my eyebrow.

"What is it,Theo?"Justin asked.

"Isn't that Gucci?"I asked him while pointing to the bag.

"Oh come on!This boy really know Gucci."Halse said

I went near the bag and inspect it I saw every detail of it,the lace,the zipper,and the logo.

"Who left this here?"I asked confused.

"Theo,maybe that thing belongs to an artist as well."Jungkook said pointing at the bag.

"Well maybe,but why would they leave their bag specially Gucci bag here?"I asked until a girl came closer to us.

"Sorry but I think you are holding my bag."the girl said and I raise my eyebrow until I realized who it was

Jane Zole From Dark Alpha.

My members eyes widened as they saw her.Well there are some fan cams taken by our fans that me and my members dance to Dark Alpha's songs during award shows.

"Aren't you the girl from Dark Alpha?"Jake asked

"Yes I am,hi I'm Jane."she said then bow her head.

"Is this yours?"I asked while holding her bag.

"Ah yes,can I have it now please,my members are kinda waiting for me now."she said but I just put down her bag and came closer to her.

Jane's POV

He put down my bag and came closer to me.Whats wrong with him?I walked back because he keeps walking closer to me until my back reach the wall.He leaned closer to me and whispers something to my ears.

"Meet me later outside our dressing room and you can get back you Gucci."he said with a husky voice that send shivers to my spine.

And he walked away and moments after his members follow him but one of their members came closer to me while walking.

"He likes Gucci too,your Gucci might be in danger"the short one said and by that I clenched my fist due to piss.

I just decided to leave and went to my members.As I arrived at our seats my members look at me.

"Did you get your phone,Jane?"Laine asked

I just nodded in response.

"But why do you look pissed ,anything wrong?"Rylie asked and I just sigh.

"N-nothing's wrong,I'm fine"I said shuttering.

"As you said,Jane"Rylie said.

Baby come closer,closer,closer to me.

And by that the stadium was filled with their fan's screams.Geez their fans are crazy.Well I can't blame their fans,they are pretty good.

Others idols starts to jam on their song,even Rylie and Laine were tapping their foots yet not showing any facial expression.I look at the big screen and saw the guys who had my Gucci then I realized who it's was.

Theodore Molez.

The playful yet anime they called,I focused on him more while he is on the screen and when his out of the screen I look at the stage following his moves.But I was pretty alert that the time that when the camera is on us I look away.

They finished their performance and Zombies,their fans are going crazy.

Hours past and finally the show is over,finally going home.I'm on my way to the dressing room until I remember something.

My bag!

"Uhm guys I'm just going somewhere,I won't be taking too long."I said.

"Where are you going,Jane?We are leaving in few minutes"Liaine asked.

"Uhmm just somewhere ,nothing importan.t"i said and she just nodded

I went out the room and start scanning the dressing rooms until I saw Z Clash's dressing room before I knock I hear some laughs and noises.Good thing they are still here.

I knock on the door and after two knocks the door finally opened revealing the members of the famous group.

Theodore's POV

Me and my members are talking and laughing about the performance due to some mistakes that we made but not too much to be noticed.Until I saw something on the table and realized that it was the bag that is owned by the Dark Alpha girl.I took and look at it.

"Theo,aren't you gonna give it back to her?"Justin asked.

"Well it's on her if she want it back."I said while smirking.

"What do you mean?"Chris asked.

"I told her to go here if she want it back."I said

"Your so mean"Jake said.

We all laughed until a knock was heard at the door.Chris stood up to open the door and when he open the door a girl was outside our room.

"I knew it."I murmured.

"Hello."she greeted.

"Jane,nice to see you again."Patrick greet back.

"What brings you here?"Jake aksed

"I juts want my bag to be back."she said and my members look at me.

"Theodore,it's seems that you are holding it now,can I have it back?"she asked.

"Sure..."I walked towards her I walked closer and closer to her until she hit the wall I put my left arm on the wall beside her head while my other one was holding her back.

"You want this back?"I asked her while lifting her bag she just nodded in response.

"In one condition."I said.

"Kiss me."I said then smirked her eyes widened because of my words.

"W-hat?W-Why?"she said.

"I said kiss me and then you can take it back."I said but now her expression changes.

"Look I don't want to play any games,I just want my bag back."she said.

"Then do what I said."I said crossing my arms

"I will not!”she said emphasizing her last word.

"Then i will not give it to you then."I said.

"Ugh!What the- she was cut off.

"Don't swear young lady."Jake said,among of us he is the oldest so he get the control about our language.

"Oh sorry."she said then now I was just looking at her action until she grabbed her bag from my hand and I can't take it back anymore.

"Sorry for the disturbing you, I have to go now,my members might be looking at me now."she said then leave.

"Hey!Theo!Why did you do that?"Patrick asked.

"Nothing."I said and chuckled looking at the door.

You are different little kitty.

Chapter 2 🔞

Jane's POV

After the scene in Clash's dressing room I went to our van and I was greeted by my members.We went home at our dorm and started parting as we go to our own rooms. I plop down on my bed due to my tiredness,I went to bathroom and wash myself,I went outside the bathroom and an idea came into my mind,I decided to change into a decent clothes and go to a bar just to relax my mind and forget what happen inZ Clash's dressing room.

I sneak to exit our dorm,making sure not to create any noise that can wake up my members.

I successfully exit our dorm and is 11:30 pm I just decided to take a walk because at this time there's no many people on the street of New York.

I enter a bar and saw too much people inside I just put my mask so no one can recognize me even though they will not due to too much people inside,I went to the counter to order a beer

"What can I have you Maam?"the bartender ask

"Hard Liquor"I said and the bartender nodded

He gave me a glass of alcohol and I drink it while watching the people jamming in the song that is playing.

I order another glass of alcohol and another and another and another until I can't even stand up.

A man approached me

"Look who's here,the Alpha girl"the man said but I can't see his face clearly

Theodore's OV

I enter the bar so I can freshen up my mind,even though the bar is a loud place I can still manage it,I approach to the counter and saw a girl leaning her head on the counter until I can see her face clearly

It was Jane from Dark Alpha

"Look who's here,the Alpha girl"I said she look at me but she looks like she is out of her mind.

"What can I have you sir?"the bartender. ask me

"Just a beer"I said and he nodded

"Here you go sir"he said

I take a sip to the be beer and when I finished I order another and another,I'm not that drunk but I decided to go back home

But before I could leave the counter a hand grab my wrist

"Don't leave me"Jane said

"Your really drunk aren't you"I said raising an eyebrow

"Please"she said

"I'll take you home"I said helping her stand up

"Where's your dorm?"I asked

"I don't know"she said then chuckle

"What?!?How will I bring you home if you don't tell me"I said face palming

"Just bring me to your place"she said while smiling

"Fine but not on our dorm,my members will see you"I said

I pay for her orders and mine,I bring her to my car and drove my car and bring her to my apartment.

I get her out of my car,and lift her bridal style,we enter my apartment and I put her down my bed,I tuck her in the bed.

After I put her on my bed,I went to my bathroom and change on my pajamas and after I change,I lay down on my bed beside her

I look at her face,her eyes,her nose,and her lip.

She open her eyes and I didn't realized that our face is inch apart from each other,I was intimidated by her eyes and lips and I'm little drunk

I attach my lips into her and kiss her passionately until I can't control my hands anymore and roam it on her body,she's in the bottom of me and I'm on her top.I remove her shirt revealing her black laced bra,I roam my hands in her back and unclasped her bra,she gasped when I started cupping her breast,I remove my shirt and continue kissing her,my kisses went down to her jawline down to her collarbone,and I start sucking her nipples that made her groan and moan. I traced down my kisses on her stomach and when I reach her lower body I look at her for permission and she just nodded,I

removed her pants,and put my hands inside her panties and start rubbing my hands on her clit,she moan when I start rubbing my hands inside her womanhood.Until a liquid came out form it.I removed my hands from her panties and lick my finger that is covered with her liquid

"You taste so good kitty"I said

And now I removed her wet panties and unbuckled my belt and remove my pants,she help me while removing my pants,I put some protection before taking her virginity

Moments after I started thrusting her and she's in moaning mess now

"Theo"she moaned

"You know that's not my name"I said smirking

"Daddy"she moaned and because of that I bacame more horny,I thrust faster and faster in the point where she's now crying, but i know the pain was now exchange

"Faster Daddy"she said and I do what she said

And we finished what we do,I saw some blood on my bed which mean I took her virginity,and I smirk.

"Good night kitty"I said while kissing her forehead

Chapter 3

Jane's POV

I woke up in a room but not in my room,someone else's room. It was a modern room,I roam my sight to see if anyone is here.But seems that no one is here.Until I realize I was naked I saw my clothes on the floor,I saw paper in the table beside the bed took it.

Thanks for the wonderful night kitty

Was written on the paper,with a 20,000 dollars

"What the fuck did you do Jane Zole?!"I murmured I'm trying to think what happen last night,I can't remember anything until a remember that gaze that was on the man's eyes and his look

I lay down on the bed once again trying to calm my self,my legs are sore now,and I can't move it properly.Until I receive a text from my phone

Laine:Jane, where are you?

Olivia :Where are you last night?

Rylie:Jane,we're worried,where are you?!

I sigh as I remember I didn't tell them where I am,until my phone rang and saw my manger's name

(Bold Jennie normal manger)

Hello?

Where are you?You have a photo shoot at 8am

Oh ok I'll be there

(End convo)

I put on my clothes and leave the room.I ride a taxi and went straight to the company.

As I enter the waiting area I saw Laine,Rylie ,and Olivia's

"Jane!"Laine shout and hugged me

"Where are you last night,Jane?"Rylie asked,worry plastered on her face

"Uhmm..Just went somewhere,but don't worry I'm fine"I said and gave them an assuring smile

Moments after we start the photo shoot

Days past and we just did another photo shoot for our posters and other endorsement.I am getting pretty tired these past few days.Its like when I move a little I already started sweating

"Ok girls pack up"the photographer announced

"Finally!"Laine said jumping form her seat

"Do you want to hang out?"Rylie said

"What aren't you tired?"I asked looking at them

"Well,I'm not ,I'm planning to go to the new laser thing here in New York ,they said it is a good one"she said excitedly

"Well do you want to go?"Olivia asked looking at us

"I'm fine"Laine said

"It's ok for me"Olivia agreed

"Fine"I said,giving up.I don't want to be a kill joy or something.And I don't want to be alone at the dorm so have no choice.

After we change our clothes we ride a taxi to go to the laser thing that Rylie is saying.

We stopped at a building more like a arcade,it's really dark but it have this beautiful lines that are like lights from outside.

"Hi,may I help you ma'am?"the staff said

"Uhm we are here for the laser play,are we in the right place?"Rylie said

"Yes Maam,there are other players inside,maybe you can play with them,the staff will guide you inside"she said and we went to the staff and give us some gears and of course the gun that shoot laser.

"Ready?"Rylie asked

"Yes!"Laine replied like a kid

We enter the court and our jaw dropped due to its beauty,it's all black yet have some colorful light inside

"Guess we are gonna play with each other"Rylie said but I think she's wrong

"HEY LET GO!WE WILL GET CAUGHT!"

I voice SHOUT.

Theodore's POV

"HEY LET GO! WE WILL GET CAUGHT!"I heard Justin's voice and I smirked because now I know where they are hiding but as soon as I leave my hiding spot 4 girls was in front of me

"Time out!"I shout that made my members leave their spots

"What it is?"Sam asked

"Oh hi"Jake said greeting the girls

"H-hi?"the tallest girl said

"Do you want to play with us?"Patrick aksed

"Can we?"one girl said

"Let us just introduce ourselves "Patrick said and removed his mask

"Hi I'm Patrick Charles leader of Z Clash "

"Hi I'm Jake Lorenz the oldest"

"Sam Jones"

"Hi I'm Halse Conroe "

"Hello,I'm Christian Baled "

"Theodore Morez aka Theo "

"Hi,Justin Zale"Justin finished the introduction

"Now we introduced ourselves,it's your turn"Patrick said and the three girls removed their mask but the one seemed scared,but the tallest patted her shoulder then she removed her mask I was surprise because it's.....

Jane

"Hi I'm Olivia Myler the eldest"

"Uhmm H-Hi I-I'm Jane Zole "

"Hi my name is Rylie Malic but you can call me Ryl"

"Hi I'm Laine please be nice to me"Laine said and smiled

"You are Dark Alpha right?"Hlase asked and they just nodded

"Well I hope you are ready because we're gonna start now”Patrick said and we start to hide at our spots

As I am walking close to the glasses I saw Jane hiding and looking if someone is there but she's unlucky I'm at her back

"Gotcha!"I said while pointing my gun at her back she put her hands up like she is surrendering then she turn around

"T-Theodore?"

Jane’s POV

"T-Theodore?"was the only word that came out my mouth when I saw him

"Why do you seems scared?"He asked

"N-nothing"I replied

"Really then why are you shuttering?"he asked

"None of your business"I irritatedly said

"Why act like brave now,but that night you see like a lost little girl at the bar asking me to take her home"because of his words I was froze

"I knew it,you don't remember anything,your don't remember how to act like a slut that night"his words stabbed my heart

"Oh you are not a slut,you are a whore"

SLAP

"How could you call me those words?!?Not because you are famous international it doesn't mean you can say those words on me!"I said trying not to cry

"Well ain't my problem,but it's true I'm famous everywhere,so it's your problem now"he said

He leave,he leave my broken,because of his word,the way he call me,the way he tell those words to me,I don't know how to face myself now.

Until I feel dizzy and I'm about to vomit so I rushed outside the court went inside the restroom.

After I vomit I decided to go to hospital to check what's wrong with me,but before i go to the hospital I text Olivia for permission and she just agreed.

Chapter 4

Jane's POV

I went to the doctor to check if something's wrong with me.

"Your all fine Jane, nothing is wrong but can you take some test?"the doctor asked me

"No need to take test I just want to know what's wrong with me"I replied

"Jane, are you delayed?"the doctor asked that made me shock

"Well....I don't know"I replied

"Well you at least take pregnancy test Jane ,so we can know if there's something wrong"the doctor said handing me a pregnancy test I just nodded and went to the nearest restroom.

I enter one of he stall and do what I supposed to do,after peeing and testing is still didn't look at it.

"Ok Jane here it goes"I said while slightly looking at the test until

II

"No no no no!It can't be!"I panicked

"What the fuck should I do?!?"I said while ruffling my hair

—

After I went to the restroom I went to the doctor and tell him the result he was shocked but I just told him not tell our manger because I'll tell it myself.He just gave me some advice of how to take care of the baby inside me.Then I leave his office.

But for real,I don't know what to do with this baby,I can't be pregnant at this moment,it's just our 2 years of being a group.

————————

I enter our dorm not knowing what to do,I directly went to my room and took a shower.

As the water flow down my body it relaxes me.

After I finish I put my pajamas and went on my bed,I started caressing my tummy

"What should I do to you?"I said

"I don't want to Abort you because you didn't deserve it,but I was not planning to have you,mommy has her career,specially your daddy"after I said that I sigh,I shouldn't say that

But I think I should tell Theodore about this

"Tomorrow mommy will tell daddy about you,I'm sure daddy loves you from the deepest on his heart but now just let mommy sleep ok?"I said then sleep

()()()()()()()()

I wake up due to light from outside,it was morning and we don't have any schedule today so I decided to wash my body and dress formal yet still Gucci,I will tell Theodore about our baby.

"Going somewhere Jane?"Laine asked while she's eating her breakfast

"Uhmm yes just somewhere"I said

"Aren't you gonna take your breakfast?"Olivia asked from the kitchen

"Maybe not Olivia,I'm in a hurry"I said

I need to hurry up because I may not see him at his apartment due to his schedule.

Yes admit I'm still angry at him due to what he said at me but I can't hide about our baby to him.and I don't want our baby to grow up with out her/his father .

I was now at the building where his apartment at hoping that I see him here,but I have only 10% chance that he's here because maybe he's somewhere or at their dorm,but I think it'll be embarrassing if I showed up at their dorm.

I was looking at the doors until I reach his apartment.His door is already open which made me confused.

I have this little smile on my face until I open the door and see what he's up to.

I saw Theodore with Nillete on the bed,naked.

I don't know what to feel,I'm not his lover,but I'm the mother of his child.What should I do,should I approach him and be angry with him?Or should I juts run and run.

I didn't realize that Theodore was now at my front.

"What are you doing here?"he asked in a cold voice

"I-i u-Uhmm i- he cut me off

"Is 5,000 dollars isn't enough?"he asked again coldly

"N-no I-i Don't w-want-

SMACK!

He cut me off by punching my stomach

OUR BABY!!!

"How dare you to come here at my apartment and interrupt us?!"he said I was holding my stomach due to pain I was feeling

"Now would you mind and get out!"he shout pushing me out and once I was out he slammed the door.

"Sorry for you,you're not gonna meet your child"I mumbled and get out form the the building.

I went straight to the hospital due to too much pain I'm feeling.Hurriedly went to the doctor's room.Luckily the doctor has no patient this time.

"Oh Ms.Jane what brings you here?"the doctor asked

"Uhmm can you tell me what to do to endure my stomach pain?"I asked

"Why what happen?"he asked

"Well you see,I was doing something when something hit my stomach really hard"I lied but I can't tell that Theodore punched my stomach I can't even tell the doctor that Theodore is the father of this baby

"Well just take this medicine and rest for a awhile"he said while handing me a medicine

"Thank you"I said then leave his clinic

As I was walking at the street of New York but of course I have mask on,I saw some couples with their child,playing,running,talking with.I can't imagine how to raise our child on my own,well I have my members for me but of course it's different if the father of the child is there.

I didn't realize that a tear fell down from my eyes,this freaking hormones of mine.

I feel my stomach churning so it means I'm hungry and my baby is hungry too,I just got some salad because I'm still on a diet cause I'm a idol so I should maintain my shape but I know I'm few months my stomach will grew big because my baby is developing.I already accepted the fact that I'll be a mom soon,I was scared of telling our CEO about my pregnancy but I'll take what ever he says it is my child and I won't let anyone ruin our relation even Mr.Young G our CEO told me to abort my child I'll never.

Beside I know my child will grow up without his father so I'll make her/him feel complete even without his father

Chapter 5

Jane’s POV

After I eat I went on our dorm to rest,as I enter our door,Laine and rose immediately hugged me

"Jane where have you been?"Laine asked

"We're so worried about you"Rylie added

"No need to worry,I'm fine,I just take some walk"I replied then went to my room.I lay down to my bed and start caressing my tummy

"Please don't be mad at your daddy if he punched us,he just don't know about you,but I know once he find about you,he will love you so much"I said and I take some shower and put on some comfy clothes

After I clean myself I lay down to my bed again and start scrolling on social media.Well nothing too much to see just some random photos of other idols.

I stop scrolling when I saw a photo

An edited photos

It's a photo taken from the past award show,but I knew it's just an edited one cause me and Theodore didn't even come closer to each other except at the back stage.

I was amazed of how he look,his visual,he's so handsome yet behind of that is a brutal one.

He punched me I can't believe it.

I guess I just have to accept it.I put my phone at my side table and I rest for a while

Theodore’s POV

After I push Jennie outside I came back to Nillete and found her sitting at the bed.I sit beside her not looking at her face

"Theo,is everything alright?"she said while holding my face and start giving kisses on me

But I push her away

"Let's stop this for now,I'm not feeling into this"I said and stand up and put in my pants

"Don't you want to finish what we start?"she asked

"Not really"I replied

I escorted her to my door and bid good bye to her.

Nancy's Mind

You Jane!You'll Pay for this!"

Theodore’s POV

After Nillete leave,I take a shower,it's feels good to feel water flowing down my body.Until I felt guilt for what I did to Jane.I know I'm wrong,should I talk to her?

After I take a shower I went out at my apartment and went to our dorm.

As I enter our dorm I saw the usual scenery.

Justin and Chris playing,Patrick and Jake together with Halse doing dance battle and Sam is no where to be seen probably sleeping.I was about to go to my room when Justin called me

"Where did you go,Theo?"he asked while still focusing on their game

"Nothing"I replied

"Oh ok"he replied

I went to my room and lay down on my bed,I really feel so guilty,but she's also bad for interrupting us

After 2 months

Jane’s POV

It's been 2 months since me and Theodore see each other,I don't have time to see nor tell him about our baby.We've been busy for some awards shows.Well,we see each other,in AMA their just at our back,in others they would be in our front.I can't talk to him at that moment because that will cause big trouble to our group.I’m so nervous whenever we're close to them.In AMA we have some eye contact and look at each other,but I remain silent,I didn't even try to talk to him back stage I guess I'm just afraid that he'll do something with me again.

I've been secretly going to my doctor which suggest me to stop performing because it may affect my baby,but I can't I didn't even tell this to our manager specially sajangnim and my members.

We just finish our practice today,I decided to tell them about my pregnancy later.

"Hey guys do you want to eat later?"I asked them

"Uhmm are you sure,Jane?You are kinda gaining weight"Laine said,well I can't blame them my tummy is getting big and I can't hide this anymore that's why I'm gonna tell them first then next to Mr.Young G

"Well I just want to talk to you and tell you something"I said

"You can tell us now,Jane "Laine replied

"I want it more private,so it is yes or no?"I asked

"I'm in"Laine said

"Me too"Rylie said raising her hand

"Me three"Olivia said in a childish voice that made us laugh

After we change our clothes we ride our van and went to our destination.We entered a chicken restaurant requested by one and only Olivia .As we enter the restaurant we smell the savory chicken

"So yummy"Olivia jumped like a child

We went to the table that is on the corner so no one can recognize us easily.after we order we took each other's phone and became silent.I take this as an opportunity to tell them about my situation

"So guys didn't I tell you that I'm gonna tell you something"I said and they all look at me

"Well as you see- I was cut off by loud screaming of girls on the other table

Nillete's POV

We enter the chicken restaurant that me and my girls usually eat.I'm kinda out of mood because it's been two months since Theodore and me talked and see each other,after that slutty Jane came and interrupt us.I saw a familiar figure on the other table and realize it was that Jane.

"Hey Jacky thats the Jane that I've telling you"I said while pointing at her

"Well she's kinda pretty yet kinda look like chubby at the same time"Jacky said

"I know right but I'm better than her, prettier actually"I said

"Well not really she's prettier"Jacky said that made my blood boil,I can't control myself anymore and splash the water on her face

"Hey!Nillete!!Its just a joke can't you take a joke?!"she said

"Well sorry I'm just in a bad mood"I said in a high voice

"What makes you bad mood?That Jane?"she said

"Can we stop talking about her?!"I replied

"You have to stop your attitude Nillete"she said raising a voice at me I can't take it anymore and I grab Jacky's hair and start pulling it,our members came and help us.The attention of everyone is at ours now also Jane.

Jane's POV

We saw Lady Cats fighting against each other.

"Jane,isn't that Momoland?"Rylie asked we all nodded and decided to cake closer

We saw their youngest and the other member pulling each others hairs.I tried to stop their fight until Nillete hit my stomach purposely.

Chapter 6

Jane's POV

I woke up in a hospital it's full of white stuff.At first my vision was blurry until it came back to normal.I roam my sight and saw my members at the side of my bed.

"Jane,you are awake!"Rylie said and lift her head up.

"How are you feeling?"Olivia worriedly asked me.

"Is everything alright,Jane?"Laine asked until my baby comes in my mind.

"MY BABY?!?"i panicky asked.

"What baby,Jane?"Laine asked,confused.

"Is my baby ok?What did the doctor said?"I don't care about what my members will say.I only care about my baby at this moment.

"Jane,what are you talking about?"Rylie asked,confused as well.

"Guys this is what I supposed to say to you last night,I'm...I'm pregnant."I said,all of their eyes widened,I even hear some gasps.

"What?!!"Olivia said,shocked.

"W-What?W-When?H-How?!"Rylie asked shuttering.

"Is this true,Jane?"Laine asked and I just nodded.

"But who is the father?"Rylie asked.

"Do we know her,Jane?Is he familiar to us?"Laine asked.

"Well you know him yet not close to him."I replied.

"Then who is it?"Olivia said,giving stress on her every word.I know she is worried and disappointed at the same time.She's the eldest among of us four.And I can't blame her if she gets disappointed to me.Someone she treats like her younger sister.

"Its..it's Theodore Molez."I replied

"What?!Really?!"Rylie asked,shocked.Her hands on her mouth.

"But Jane,you two aren't even close."Laine said.

"I don't even know that you two talk at each other."Olivia said,disappointment on her tone.

"Well we are not close,we barely talk at each other but one night something happen to us."I replied looking down.

"Does Mr.Young G know about this?"Olivia asked,crossing her arms.

I just shook my head.

"When do you plan to tell him?"Rylie asked

"Maybe when I got home."I replied and they jus nodded.

<<<<<time skip>>>>>

We're now at our dorm.I'm at my room while my members are at the living room.I'm eating some foods now while on my phone.

I went at the bathroom and look at myself.

"You're getting bigger."I said while caressing at my tummy.

"Don't worry mommy will be here when you grow up."I added and went out the bathroom and went on the living room.

As I enter the living room I saw my members on the sofa and watching movies while eating.

"Jane,how do you feel?"Laine asked.

"I'm fine."I replied then smile.

I went on the kitchen and get some glass of water,then I went on the living room.

"When do you plan to tell Mr.Young G?"Olivia asked.

"Maybe later unnie"I replied

"Does Theodore know about this?"Rylie asked and I look down hen shook my head.

"He still doesn't know about this?!"Rylie almost shout and I just nodded.

"When do you plan to tell him?"Rylie asked,concerned.

"Maybe....never."I hesitantly replied.

"What?!?You should tell him Jane!He's the father."Rylie replied.

"I tried to but he just punched me."I sadly said looking down.

"What?!?!He punched you?!But Why?!??!"Laine asked,worried and shock at the same time.

"I was planning to tell him that day but I just caught him with Nillete."I replied looking down.

"That bastard!"Olivia murmured.

"It's ok Olivia, I'm fine now,our baby is fine now."I smile while caressing my tummy.

"Do you think he will accept the baby?"Laine asked.

"I don't know."I replied.

After the little talk at the living I change my clothes and we all went at the company.

As we enter the building and reach the door of Mr.Young G's office my members held my hands.

"Everything's gonna be ok Jane."Rylie said,giving me an assuring smile.

"Everything's gonna be ok,I'm not called Young G's princess for nothing."I replied and they all chuckled.

I enter the office and gulp before I sit in front of Mr.Young G.Minutes pass and he i still didn't say anything I'm afraid to start the conversation yet I'm the one who want to tell him something.Until he cleared his throat.

"So you want to tell me something"he seriously said.

"Well Mr.Young....I want to say sorry"I said looking down.

"Sorry for what?"he did while his chin leaning on his hand.

"I swear Mr.Young it was an accident."I said getting tensed up.

"Don't call your child an accident it may hurt her/he's feeling."he said,my head immediately snap up,my eyes wide.

"H-how Do you know?"I asked,shocked.

"Well your the doctor talked to your manager and your manager told me what the doctor told to him."he said,chuckling a bit.

"But who is the father of the child?"I hesitated to answer.

"It's Theodore Molez."I replied.

"Does he know about this?"he asked,and I shook my head.

"No Mr.Young."I replied looking down.

"Do you have plan to tell him?"he asked again leaning on his table with his elbows.

"No Mr.Young."I replied still looking down.

"Well it's hard to raise a child alone"he said and I slowly nodded.

"I'm not alone Mr.Young.I'm with my members."I said then smile.He started chuckling

"You are right,you're with your members.That will be easy for you,you're child have 3 auntie's."he said then chuckle.

After I talk with Mr.Young.I head out of the building and went on my doctor.

"How are you doing Ms.Zole?"the doctor greet me with a smile.

"I'm fine,just here for checkup."I replied,smiling back.

"Your baby seems getting big Ms.Zole.I really suggest you to take a break on your performances."the doctor said and I just nodded.

"I already told Mr.Young G about this,he's fine with it.I still didn't talk about my break,maybe next time I can still manage."I said and he just nodded.

"Just be careful,and think more about your baby for now.""he added and I nodded

Should I really tell Theodore about this?Will he accept it?Will he accept the fact the he'll be a father soon?I'm afraid that he'll not accept it.I'm afraid to tell him that after what happened to us.I'm afraid that he'll be affected about the news if I'll tell him.Maybe he'll forget his career to take care of our child.But wouldn't that be a good thing,he will take care of our child.So many thing bothers me.Will he accept it and forget about his career,or he'll not accept it and live like he doesn't have a child?

"Looks like your baby got her beauty form his dad."Mr.Young joked again.

"Of course not Mr.Young ,my baby looks like me."I said confidently.

"Oh really eh?"Mr.Young said that made my members chuckle.

"Well,do you have a name for your baby already?"Mr.Young asked.

"Uhm....well....nothing yet"I replied.

"Well you should start thinking now."Mr.Young said and I nodded.

Then we are all silent for a moment.

Until an idea came on my minds

"What about Thane Zole"I said smiling.

"Well 'Ne' from Jane and 'Th' from Theodore ."I said.

"It's ok for me"Rylie said.

"Me too"Olivia agreed as well.

"It's kinda cute name"Laine said smiling.

"So that'll be baby's name,Thane Zole,welcome the the world."Mr.Young said as he caresses Thane's head.

Chapter 8

Jane's POV

Thane is now 4 years old,and this day,she will start her school.Being a single mother is not easy,but because I have my members at my back it's more easier now.I woke up early to cook for breakfast,me and Thane live with our members.Everyday our day was complete because of Thane acting all cute all day.I cook some pancake and make milk for her.After I cook I went back upstairs to wake her up.As I enter my room a saw Thane still sleeping.I tip toe and trying not to make any noise that can wake Thane up.I reach the bed and sit beaside Thane.I caress her head and remove few strands of hair on her face.Moments after she woke up.

"Morning mommy"she greeted while rubbing her eyes.

"Morning baby"I replied happily.

"Are you ready for school?"I asked her and she nodded cutely.

"Come on,mommy prepared pancakes in the kitchen."just we're about to leave the room when Laine shout from outside.

"Morning my lovely Niece!"she shout greeted and enter the room.

"Good morning baby."she said then kiss Thane's forehead.

"Morning aunt Laine."Thane replies.

"Let's go downstairs now."I said

"The pancake taste good when it's still hot."I added and us three get out from the room.

As we enter the kitchen,Rylie and Olivia is already sitting at the dinning table.

"Olivia,you are here already?"I asked surprised.

"After Laine shout,of course we'll be awake."Olivia sarcastically said and we all laugh.

"Let's eat!"I said and I place Thane on her seat and I sit on my seat too.

"So Jane,what are your plans now Thane is going to school?"Rylie asked.

"Well,we will send Thane at school and Our manager will pick Thane from the school then bring her to the company and we'll eat lunch."I replied.

"Thane are you ok with that?"Rylie asked and Thane nodded cutely.

"Like what we said Thane be good at school,don't be savage like your mommy."Olivia said and Thane chuckle.

"And study well."Rylie added

"And be nice and friendly to your classmate."Laine added as well.

Minutes after we're done eating

"Jane,I'll take care of the dishes,prepare Thane for class."Laine said and I nodded.

I lift Jehyung from her seat and bring her in the room and prepare her for school.

"Goodluck to your first day of school baby,if anyone bully you tell it immediately to mommy ok?"I asked and she nodded.

"Come kn now,maybe your aunties are waiting for us."I said and we exited our room.

We saw my 3 members sitting on the sofa while on their phone Olivia saw us and turn around.

"Finally you're here,come on we'll be late"she said and we went in our van.

As we arrived at the school many people look,took pictures and start whispering.I now it's about me sending my child on her school.Its not easy when the public knew about my pregnancy specially when they saw me while on the hospital.I still remember how people react on me.Many press and reporters are always following us asking about my baby and who's the father of my baby but we just kept shut about it.Specially about the father because I don't want to ruin his career.And his management still didn't knew about our baby even him didn't knew about Thane.I came back to my senses when Thane tap my hands

"Mommy here's my classroom."Thane said and I look at her classroom it's nice,it's neat.

"Goodluck baby,follow what your aunties said,okay?"I said and she nodded,she sat in her seat and wave on us.

We walk towards our van to go to the company.

I can still hear many people whispering about me.I can also sense the cameras that took picture of us.

"Don't mind them,Jane."Laine said and pull me inside the van.

Theodore's OV

We're now at our plane,we just finished our tour in Japan.My members are now sleeping,Patrick has his headphone on and busy on his laptop probably busy om doing music.I took my phone out and start looking at social media.I stop scrolling after I saw an article from News saying.

I think deeply and hardly trying to remember what happen to us.It can't be,I used protection that time.It can't be.

I look at my contact and saw Jane's number.I tried to call or text her but there's something telling me that I shouldn't.Its killing me everytime I saw an article about Jane's daughter.Sometimes Chris tease and joked about the baby looking like me at our dorm I just laugh at it even sometimes I think that I'm the father of the baby.But I don't want to claim it as my baby.What if it was others baby,and having a baby is not on my plan now.

I off my phone and start ruffling my hair

"Should I know something?Or should I just forget about this?"I mumbled.

"Everything ok,Theo?"I was startled when I hear Justin's voice from behind.

"I thought you are asleep."I said,surprised.

I gasped "It is baby!It looks so good!My baby is so cute!"I said and she chuckled.

"I'm gonna post this on Instagram,can I Jane?"Laine ask for permission.I smiled and nodded.

After our little photo shoot in the hallway we get back to the dance room.I told Thane to go home with our manager but she said she'll watch us practicing which i agree.

"Baby while mommy and aunties are practicing stay quite ok?"I asked and she nodded cutely.

I walk through my members,they look worried.I don't know why,I just gave them a fake smile.

I felt a pang in my heart,my hand turn into a fist as I feel my blood boil.I feel jealous but I shouldn't.There's nothing between us.We just have a child that's all and nothing more.

"They're dating?Since when?"Halse asked looking around us.

Theodore Molez

Because you're mine.

My eye widened at his reply,is this man drunk or what?Is he out of his mind?

Few minutes later my phone rang.

Before I pick it up I hesitated and think for a bit.

But I decided my mind and I pick it up.

Before I could even reply a 'goodbye' he already hang up.

Is he mad?

Why would he be?

But why would he?

Does he have feelings for me?

Or just because he knew we have a child?

I shook my head to remove my thoughs.

Theodore's POV

After I hang up I let go on my phone and lean on the head board of the bed na starts ruffling my hair.

Of course it's true.

So what if it's true?

It's like you have something to do with it.

Your just the father of her daughter.

You just had sex with her.

You just had a one night stand with her.

You leave her after that night.

You punch her at her stomach when she's pregnant with your child.

You push her away.

You hurt her.

You're not there when she needs you.

When they need you.

All of that came in my mind.

"I'm just nothing to her."I mumbled

I don't why but I feel.....

Bad

Jealous

And....

Sad

For the fact that I'm just nothing to her.

*KNOCK KNOCK

I was taken back on the reality when I heard a knock.

I open the door and saw Justin outside my room.

"Theo,would you-Theo are you crying?"his eyes widened as well as mine I didn't even realize that I'm crying.

"Then what did she said Theo??"he asked like a curious kid.

"I asked her if it's true between her and Kris."I said and he nodded.

"And is it true Theo?"he asked and I shrug.

"She said if what's wrong if it's true?It just hurts for me.I don't know why,I'm just the father of her daughter I'm nothing to her.I'm nothing but a bastard who took her first that night and impregnated."I said starting to get teary.

"Ok Theo, that's a lot of information now,but no matter if it's true or not you have to accept it,but there is one thing you can do."he said and I lift my gaze.

"What is it?"I asked confused.

"Ask her out,show her that you like her."he said and my eyes immediately widened.I shake my hands in front of out faces.

"Who said I like her?!"i protest.

"Then if you don't like her why are you jealous?"he asked.And my eyes widened once again.

"Well you have a point,maybe I like her,but how should I asked her out?"I asked trying to find answers.

"Duh!Call her Theo,text her"he said rolling his eyes.

"And maybe when you show her that you love her,she'll trust you and love you back,she'll even let you see your child."he said and my mood immediately lighten up.

And about our daughter it just make me smile knowing that i have daughter.

I may not be there when she was born but know that I know about her I'll make sure I'll be there for her.

"Thanks Justin,it will help."I said then patted his shoulder.

"W-what?!?Its not true,I promise Mr.Young.There's nothing between us!”I said paranoid.

"I'm sorry Ane but me and His entertainment already talked about this."he said and my brows furrowed.

But a traitor tear still flows down my cheeks.

"Why are you crying?"he asked releasing my hands .

"N-nothing."I replied then wipe my tears.

"What do you mean nothing?"he asked.

"I told you it's nothing!"I replied raising my voice.

I woke up with a hands wrapped around my waist.I want to sleep more but there's something lingering on my head.

I slowly open my eyes and met someone's eyes.My eyes widened at the sight of him.

I try to get up but he tightened his hug on my waist.

"Theodore,I have to go home."I said trying yo get off from his grip.

"What trouble would I make,Jane?"he asked raising his left eyebrow.

I shook my head."Nothing,lets go."I said.

We fix ourselves and exited the his apartment and the building.

The whole car ride is awkward and silent.

That's why I decided to start a conversation

"Would you like to know things about Thane?"I asked smiling,lighting up the mood a bit.

"Are you sure you want to tell me something about Thane?"he asked raising another brow.

"Uhm....maybe....well you're her father so...."I just smile at him.

"Ok...so tell me something."he said sighing.

"Like what?"I asked confused.

"Uhm....her favorite ice cream flavor."he replied while turning the wheel.

"Well,her favorite ice cream flavor is milk like me."I replied smiling.

"Oh...past few days ago I met a little girl in the ice cream shop and she ordered a milk ice cream as well,and she's so cute but her face is a bit covered."he said.Making me tensed up.

"She's really cute."he said once again.

"Oh...past few days Thane ate some ice cream too."I said as if I don't know what's happening.I know they've already met.

Theodore's POV

I'm really excited to see Thane,my daughter.I can't help to think to what could be her reaction,or what could be her look at home.I want to introduce myself as her father but I can't.I'll do that when Jennie is ready,but what is important to me now is to see her.

"Theodore turn left here."Jennie said pointing at the left.

"Ok."I said then do what she said.

After few more buildings we arrived at our destination.

"Theodore,we're here now lets go."Jane said.

I quickly got out from the Car and opened her door.

"Thank you."she said and I just nodded and give her a small smile.

We walk towards their dorm and she knock on the door.

"Jane wait!Is Thane here?"I asked nervously.

"Well it's already pass 7 am so maybe she's not or maybe she's still here."Jane replied and I nodded.

How I wish Thane is still here.

"Jane,glad you're here now!Thane-Rylie wasn't able to finish her sentence as she looked at my back eyes all wide.

"Oh Mr.Molez,nice to see you here."Rylie Greet And I smiled at her.

"Uhm...Rylie is Thane still here?"Jane asked.

"Jane,that's what I was supposed to tell you,Thane wouldn't go to school because she want you to send her to school,glad you're here now."she said.

Until we heard Thane screams.

"MOMMY!!"Thane screamed running towards Jane.

"Baby why wouldn't you want to go to school?"Jane asked and I'm here just looking at the scenery.

"Mommy he's Dore!"she repeated and I smiled at he reaction.

"Y-yes baby."Jane said.

"Let's go?"Jane asked Thane and she grab he little girl's bag.

"Mommy can Dore send mo to school too?she said and Jane's eyes widened.

"Baby I think Dore is busy-I cut Jennie off.

"No I'm not,I'm not busy."I said then Jane glared at me.

"Yehey!Come on Dore,Mommy."she said then hold Jane's hand and my hand.

"We can ride at my car if you want."I suggested pointing at my car.

"Mommy let's ride Dore's car please!!"Thane said pouting and also pulling Jane's hands towards my car.

"O-okay."Jane said shuttering.

I opened the door at the back seat for Thne then opened the car door beside me.

"Wow!Dore's car is beautiful!"Thane said at the back seat.

"Do you like it?"I asked.

And she nodded cutely.

Thane have a cat eyes just like her mother but have a boxy smile,when she smile her gums is also visible just like her mother.But her visual is like mine.

When we arrived at her school which Jane told me the direction,we didn't get out from the car first.

"Thane,Mommy will send you to your room okay?Dore will stay here."Jennie said and the little girl's face immediately dropped.

"No!I want Dore to send me to my room also!"Thane exclaimed.

"Baby,we cant,mommy and Dore are artists people can't see us together."Jane expalined.

"But mommy!"Jehyung just pouted.

Until I got an idea....

"Thane,what about mommy will send you to your classroom today and Dore will send you to your classroom tomorrow how's that sound?"I asked and her expression brightened.

"You promise you'll send me to classroom tomorrow?"she asked and I nodded.

"I promise."I said then smile.

"Yehey!!"she said putting her arms up

I look at Jane who have a confused expression.

After Jane sent Thane to her classroom she looked at me.

"Why did you do that?"she asked mad.

"Did what?"I asked confused.What did I do?!I stayed here while she sent her!

"You promised her to bring her to school tomorrow!"Jane said raising her voice.

"What?Theres nothing wrong about it."I replied.

"What if you have a schedule tomorrow?And you didn't came,she'll be upset!"Jane said her forehead scrunch up.

"Don't worry Jane I promise that I'll send her to school tomorrow."I said and Jane nodded but rolled her eyes.

After the little argument at the school parking lot.We drive back to their dorm.

The atmosphere in my car is so awkward due to Jane and I not talking.

That's why I started I conversation just like what she did this morning.

"Uhm...Jane I want to say thank you."I suddenly said her head snap up.

"For what?"Jane asked raising a brow.

"For letting me meet Thane."I said smiling a bit.

"Oh it's your right as her father."she said and there's like something that made me stop the car.

"Why did you stop?"she asked confused.

I didn't reply and hugged her.

"Thank you thank you thank you Jane!!"I said while hugging her.

"Yeah yeah your welcome but can you let go now maybe someone sees us and I can't breath."she said then i released from the hug.

I sent her home and I get back to our dorms

As I enter our dorm I saw Patricj on the couch while Jake is in the kitchen.

"Theodore, where have you been last night?"Jake asked holding a pan.

"I'm at my apartment with Jane."I said then Patrick's eyes widened and he immediately sit up.

"What's wrong?"Justin asked coming out from the gym room.

"Is everything alright?"Chris asked coming out his room.

"Guys you wouldn't believe what Theodore did."Patrick said his eyes still wide.

"Bought a Gucci store?"Justin asked making us all glare at him.

"Why?What did Theodore did?"Halse asked.

"He met his daughter"Patrick announced.

"WHAT?!!?!!!!!!"they screamed I'm unison shock on what they just heard.

"That's our reaction too when he told us."Patrick said.

"What?!!When?!Where?"Sam asked his brows furrowed.

"Lately,we sent her to school."I replied all proud.

"We?"Sam asked confused.

"Yes,me and Jane sent her to school."I replied

"You and Jane?How did you met?"Halse asked.

"Jane slept with me at my apartment."I replied smirking a bit.

"Jans slept with you?I thought she's dating Kris?"Justin asked confused.

"Well that's what I know too,that's why I drag her with me."I said chuckling a bit.

"What did you do?"Sam asked as if he's scolding me.

"When I saw her at the mall I drag her with me until we reach my apartment then we kinda have a small talk or small argument.Then we slept together then we sent Thane to school that's all."I explained.

"Oh ok."they said in unison started walking away.

"Tomorrow I'll send her to school again,and her classroom."I said then in a blink of an eye they all turn back at me.

"What?!?Can we come?"Halse asked.

"Uhm..I don't know maybe you can come with me when I pick her up but maybe not when I send her to her classroom."I said and they nodded.

"It's ok we just want to meet her."Chris said.

"Oh ok come with me tomorrow make sure to wake up early because we'll be there early,and Jake?"I asked looking at Jake's direction.

"Yes?"Jake asked his arms crossed.

"Can you cook for Thane tomorrow morning?"I asked

"With pleasure."he replied smiling.

"Thanks bro."I said.

"What is her favorite food anyways?"Jake asked.

"Uhm...I don't know I just know she loves milk."I replied not also knowing what she lieks

"Ok maybe I'll make her something with milk"Jake said walking towards back in the kitchen.

"I'll go to my room now guys."I said then leave them .

Chapter 17

Theodore's POV

It's now 5am and we're already awake and ready to go to Dark Alpha's dorm.

"Is everything ready?"Patrick asked while fixing his bag.

"Just few more things,Pat."I answered.

Yesterday I actually went to Gucci store,I make sure that people can't recognize me because I'm buying a dress for a little girl.And if people saw me buying little girl dresses it'll be sure to be a scandal,and people will think why I bought little girl dresses.

"Theodore do you think your daughter will like this milk pasta(carbonara) I made?"Jake asked while preparing the foods.

"Jake,its just carbonara why do you call it milk pasta?"Chris asked who is watching Jake from the dining table.

"Hey!!The little girl like milk ok..Just tell her that this is milk pasta!"Jake scolded making Chris Shut his mouth.

"Jake,I think she'll like it,you're foods taste so good."I said giving Jake a smile.

"Jake,did you only made carbonara?"Halse asked approaching the kitchen from the living room.

"Nope,I also made some Salad and Beef Steak."Jake replied.

"Yeah!Beef Steak!Laine likes it."Justin said from nowhere.

"Ohh....Justin How'd you know about that?"Halse asked chuckling a bit.Justin eye's widened.

"Uhm....s-she u-Uhmm....s-she s-said it to one of their...v-videos...right she said it."Justin said shuttering too much.

We all break into laughter

"Why are you laughing?"Justin asked getting irritated.

"Justin,isn't it obvious?"Sam asked.

"Obvious What?"Justin asked dumbfounded.

"Hayst!This kid....nevermind."Sam said while shaking his head and walk out from the kitchen.

"Guys,can we go now?"Patrick asked Jake who's still preparing the foods.

"Just....a...little....more..OK DONE!"Jake said then lift the food containers.

"Let's go!”Jake said.

"Oh Justin!”Jake called,Justin just hummed I'm response.

"Could you please bring my bag?"Jake asked and Justin just nodded.

We ride the van and everyone settled in their sit.

"I'm really excited to meet your daughter."Chris said,just by thinking of me and my daughter made a smile on my face.

"Aww...Theodore is so happy today."Halse teased and I chuckled.

"He's so excited to meet his daughter again and send her to school."Patrick added.

"Theo,why are you so happy like that?"Justin asked confused.

"Justin,you'll not understand why Theodore is happy until you undergo what he's feeling now."Sam explained.

"What do you mean,Sam?"Justin asked.

"That means you have to be a father so you'll understand why Theo is so happy now.”Chris replied to Justin.

"Ohh.”Justin said as realization hits him.

And we all chuckled.

"How does it feel to be a father,Theo ?"Justin asked and I shrug.

"Justin,I still don't know because my daughter still doesn’t know that I'm her father."I said to Justin.

"But when do you plan to tell her,Thero?"Justin asked.

"When Jane is ready.”I replied then smile and look at them.

Our sitting arrangement at the van is this...Jake is the driver,while me is besude him.At the second row is Chris and Justin.Last row is Patrick,Halse,And Sam.

"Why do you depend on Jane?"Justin ask.And it made me froze a bit.

"Because Justin, She's the mother of Thane.Sshe's the one who carried her for 9 months,and took care of her for 4 years without me so she have a right to decided when I'll tell Thne."I explained.

Justin looked confused.I sigh realizing he still doesn’t get it.

"Justin..I respect Jane's decision because she's the mother of our child.And she have a right to decided for our daughter,so I'll wait whenever she's ready for me to tell Thane the truth."I added and now Justin just nodded

"Theodore,where is their dorm?"Jake asked we're now at a familiar place.

"Uhm.....turn left here Jake."I remember when Jane guided me in this place a smile appeared on my face.

"Theodore!!"Chris called me and I look at him.

"Do you already fell for Jane?"Chris asked I became silent for a moment.

"I-I don't know Chris."I replied looking down.

"Hey!Theodore!Don't worry you're just in the start.I'm sure if you like Jane she'll like you too soon,just show her the good side of you and of course show love and care to her and your daughter."Patrick said form the back.

"Thank you."I said then smile.

Moments after we arrive at Dark Alpha's dorm.

"Oh crap!!I'm really excited."Halse said smiling.

I was about to knock on the door when I remember something.

"Uh guys you knock on the door I'm sure they'll accept you I'll just get something at the van ok?"I said and they nodded I run back to the van and start searching.

"Where is it?"I asked myself while looking at the front seat.

"I remember I put it here."I mumbled .

I move at the back and start searching again.

"Finally!"I said when I found the bag that contains Thane's dresses.

I walk towards the dorm when I heard a sobs and screams.

I peak at the door and saw Thane on the kitchen table crying.

"NO HE PROMISE!!"

"HE SAID HE'LL SEND ME TO SCHOOL!"

I entered their dorm quietly but still they feel my presence.

"DORE!!"Thane shout smiling and wiping her tears.

I walk towards her and hug her.

"Why are you crying?"I asked while rubbing her back.

"The small man said you're not gonna send me to school."she said and I pull bag form the hug

"Small man?"I asked confused

"Him."she pointed at Chris and we all burst into laughter.

"Thane.calling man small is bad."Jane said walking towards us.

"Sorry mommy,sorry Mr."she said smiling a bit

"No,no..it's ok."Chris said and we hear Rylie chuckled and we look at her but when she felt our stares she stop laughing

"Aunt Rylie kept watching your videos and I saw her laugh when she watch your videos.And she call you the small man that's why I call you that."Thane explained and we all look at Rylie who's eye widened in shock that have red face now.

"You watch Chris's video?"I asked not thinking properly.I just asked her in a way I asked my members.

"No Theo...I-it's Just it appear on my news feed."she explained and I look at Chris who's now smiling.

"Then this is for you,hope you like it."I said then give her the bag.

When she opened it her lips almost ripped when she smile brightly.

"Wow!!This is pretty Dore!Thank you!"she said happily.

"Can Dore have a hug?"I asked opening my arms she's still in the dining table.

She just attacked me and hug me tight.

"Thank you Dore!"she said sincerely.

I can't help but tear a bit just by thinking that my daughter is hugging me now.

She pull form the hug and look at the dress again.

"This is really pretty"she said looking at the dress.

"I pick the best for you."I said pinching her cheeks.

I glance at my members and they're are looking at us.

Jake his hands clasped with each other while smiling.

"I-..Uhmm..going on a date."she said and it's like there's a pang in my heart.

"With who?"Justin asked adjusting his position.

"Uhm....with...

"Jane can we talk?"i asked and she looked at me all confused.

"Alone."I added and her members look at her as well as my member look at me.

"Thane,why don't we go in the living room..let's take a look at the foods made by Uncke Jake."Olivia said.

"But Auntie, Aren't foods supposed to be here in kitchen?"Thane asked.

"You're a smart little girl..but we have to go now let's give you mom and d- I mean Dore some space."Jake said and they all left.

When we're now alone,I approached towards her.

"T-Theodore what are you doing?"Jane asked with a shaking voice.

"Noting."I replied then smirk.

Jane's POV

After he smirk I feel shivers in my spine.

"So you and Kris are really dating?"he asked while still slowly walking towards me.

"Uhm....yes."I replied stalking back.

But I cursed under my breath when my back hit the fridge.

"Tell me Jane.are you just doing this to make me jealous?"Theodore asked in a deep voice.

He put his hands beside my head and lean closer to my ears.

"Because if you're just making me jealous,it's working."he said,and I moan when he bit my earlobe.

"T-Theodore lease stop~"I said and he pull away.

"Now sweetie,why don't you say to your boyfriend that you're property of someone already and break up with him."Theodore aaid sexily.

"I-I can't."I said shuttering.

"And why not kitty?"he asked starting to kiss my neck.

"Because...ahhh~"I cant continue my sentence when I moan due to kiss kiss.

"Because..?"he said waiting for an answer.

"Because.....

"What do you mean kitty?"he asked.

"It's just a publicity dating because when people saw us in Park.Our companies decided to tell that we're dating and when a perfect time comes,we'll break up soon."I replied my hands on his chest trying to stop him from getting closer to me.

"Oh so it's not true that you two are dating?"Theodore asked seductively

"Is there something wrong Thanw?”I asked her.

"I wish I could meet daddy,I want to see and meet him already."she said pouting and it's so cute but I feel bad for her because I can't tell her the truth.

"Thane,I'm sure your daddy want to meet you too.”I said In a comforting voice.

"But why isn't he showing his self to us?"she asked.

"Because maybe your daddy has a reason.I replied giving her a smile.

"What do you think is the reason Dore?"Thane asked.

"I don't know,but I'm sure your daddy want to be with you and he love you so much."I said then she smile.

"Really Dore?You think he love me?"she asked and I nodded

"Is that even a question?There is no parent that doesn't love their child."I replied.

"But I heard Mommy and Aunt Rylie talking before and they says what if my daddy don't like me."she said loosing her smile again.

"Hey don't be sad,I'm pretty pretty sure your daddy loves you."I said eye on the road.I should be careful,I'm with my little princess.

As we arrive at her school I make sure to put a mask and a cap.

"Dore,why are you covering your face?You're Handsome no need to hide your face."Thane said.

"Because Thane,If people saw Dore with you in the public there will be a lot of scandals."I replied.

"Is it forbidden for Dore to be with me?"she asked then pout.

"What?!No..Dore is not forbidden to be with ThaneIt's just it's not allowed to be seen with you,so when you want to meet me.I'll go at your mommy and Auntie's dorm so we can be together."I said caressing her head.

"Let's go now?"I asked and she nodded.

I quickly get out my door and opened

Thane's door.

"Thank you Dor- I cut her off my 'sshh'

"Sweetie are you ready?"I asked Thane who's sitting on the bed while I'm fixing my bag.

"Yes mommy."she exclaimed cutely.

"Oh really?Did you know that your son hurt my daughter yesterday,he even verbal bullied my daughter."I said and crossed my arms.

"Who told you that?"she asked and crossed her arms.

"Jane, I know the reason why you and Nillete had a fight but I think for that kid to stop bullying Thane is to tell Jehyung about her father."Mr.Young said and I started to get teary

"But Mr.Young What If Thane will love Theodore more when I tell her the truth even now that they're just met.Thane is being too close to Theodore what more if she found out that he's her father?"I asked getting emotional.

"But Jane ,Thane love you so much I'm sure she'll love you and Theoy equally"Mr.Young said.

I arrived at the building and immediately went to Mr.Young's office.I'm really nervous because when you're called to Mr.Young's office there's a serious thing to talk about.

Before I entered I knock on the door I sigh.

As I entered the room there's our manager and Mr.Young.

"Oh Jane you're here now we can talk."Mr.Young said and I sit in front of him.

"Congratulations Jane!Kris's company And Our company talked about you and Kri's breakup and the article will be out soon.And we talked about that there will be no interview for you two to answer some questions."I smile widely showing my gums.

"Thank you Mr.Young!FINALLY!"I happily said.

"Now Jane I think there is something you need to do."Mr.Young said in a serious tone making me tensed up.

"W-what is it Mr.Young?"I asked.

"Many people saw you,Dark Alpha,with 7 guys and many people think that they're Z Clash.Is it true Jane?That you've been hanging out with Z Clash's members?"Mr.Young ask,at this situations I really get scared of Mr.Young.

"Uhm...Mr.Young it's not really we're hanging out with them it's just they visit us.And sometimes Thane wants to see Theodore."I explained.

"But when your manager called you where are you lately?"Mr.Young asked.

"I'm.....me and Thane is at Z Clash's company building."I said and lowered my head

"What?!Why are you in their building?"he asked.

"Thane...Thane really wanted to see Theodore."I saidz

"Ok Jane...by the way where's Thane ?"Mr.Young asked.

"She's with Z Clash,Mr.Young."I said.

"Oh I think you have to go now Thane might be waiting for you and I believed Z Clash will have their comeback soon so I think they're busy go get Thane...oh and Jennie tomorrow get ready you'll have a comeback stage."Mr.Young said and I nodded and bow at him.

I bid goodbye and exited his office and soon the building.

I arrived once again at bighit building to get Thane .

But as I was walking at the corridor I heard some whispered

"Isn't that Jane Zole?"

"I believe she's with her daughter lately"

"They asked for Z Clash's dance room a while ago."

"Is one of the Z Clash members is her daughter's father?"

I just shook my head and fasten my pace to pave the corridor.

I entered the elevator and immediately leave it when I arrived at the 7th floor.

I was about to knock on the door when I heard sobs and scream.

"NO!I HEARD YOU SAY IT!"

"THANE CALM DOWN JAKE JUST JOKED ABOUT THAT!"

"NO!UNCLE JAKE SAID DORE IS MY DADDY!"

My eyes widened.

It can't be...it can't be they accidentally spill the truth to Thane.

I entered the room and Thane immediately run towards me.

"Mommy is it true Dore is my daddy?"she asked while sobbing hugging my legs.

I lift her up.

"What do you mean baby?"I asked nervous.

"Uncle Jake said to Dore to stop teasing her daughter,but Dore is only playing with me who else Uncle Jake called Dore his daughter?"she asked crying.

"Then why are you crying baby?"I asked and willed her tearz

"Because...because they said it just a joke..but mommy I want Dore to be my daddy I don't want Uncle Kris to be my daddy!"she said and tantrum on my hug.

"Ok..ok baby...mommy and Kris is not together anymore ok?Thats why mommy leave you here...Kris will not gonna be your daddy because he's really not.”I explained.

"So Uncle Kris is not gonna be my daddy?"she asked and I nodded.

"Who's my real daddy mommy?"she asked I looked at Theodor.

"Uhm....baby.- I wasn't able to finish my sentence when Theodore speak.

"Jane is think it's better if we tell her the truth."Theodore said in a serious tone.

"I think Thane is ready now"he added and I just nodded.

"Thane,Come here to Dore."Theodore aid cutely.

I put Thane down to go to Thane.

"Thane,aren't you asking for who's your daddy right?"Theodore asked and Thane nodded.

"What if I tell you.....I'm your father."Theodore said And Thane’s eyes widened.

"I will be very happy Dore!"she said.

"Really?"Theodore asked and Thane nodded cutely.

"Thane...Dore And Mommy need to tell you something."Taehyung signaled me to sit close to Thane.

"What is it Dore?"Thane asked.

Z Clash’s members are standing looking at us.

"Dore is your...

Daddy."Thane started crying again.

"Why are you crying Thane ?Aren't you happy?"I asked rubbing her back.

"No mommy I'm just happy that now I have my daddy."she said.

"Daddy where are you all this time?Why are you not there when I was born?"

Theodore’s POV

"Daddy where are you all this time?Why are you not there when I was born?" I look at everyone specially Jane.

What should I say to her?

Should I tell that her father is a piece of shit and didn't know that he have a daughter?

Should I say that her mommy keeps her away from me?

Of should I lie?

I don't know anymore!

"Uhm..Thane I think you don't-I cut Jane off her sentence.

"Because....because I didn't know anything about you...your daddy is bad Jehyung...your daddy is a piece of shit that time...I'm bad."I said feeling about to cry.

"Don't call yourself bad daddy...I'm sure your not that bad."Thane said that made me smile.

"No baby you don't understand daddy,he's bad to you and mommy."I said more tears fell form my eyes.

"No daddy I'm sure you didn't mean it."Thane said getting closer to me wiping some of my tears.

"Thank you baby."I said and hugged her.

"Hey!Can I join the hug?"Jane asked.

"Of course mommy!"Thane said and Jane hugged us.

"I love you Thane."I said and kissed her forehead.

"I love you too daddy,and mommy."she replied

"I love you my family."i said and tears stream down my cheeks.

Yes family,they're my new family now...I may did something bad at the past with my new family...I promise that I will pay for those mistakes before.

Because they're my family

Chapter 24

Jane's POV

It's been days since Thane knew that Theodore is her father.Theres really no conflict it's just the public still didn't knew about Thane and Theodore being related to each other.But there's rumors about Thane because these past few days Theodore and Thane started hanging out with each other.Even Thane is wearing a face mask some people still recognize her as My daughter.

While Theodore has been also rumored the father of Nillete's child.Which getting on my nerves.Past days ago Nillete said to fan signing that once Theo and her dated which give the public an idea of Theodore being the father of her son.

That's why we don't let Thane listen to showbiz news because she any heard about it and get jealous.While me it's fine with,as long as Nillete and her son don't bother my daughter again.

"Mommy,daddy is here."I look at our door and saw Theodore standing there while Thane is smiling at him.

"Hi Thane."Theodore aid and lift her up.

"Daddy where are we going today?"Thane asked.

As I told you they've been hanging out.

"Uhm...what about to our dorm is it ok?"Theodore asked.

"Why not we go to the mall?"Thane said and pout.

"But Thane,Daddy can't go to the public right now."Theo said and put her down.

"But why Daddy?"Thane asked pouting

"Uhm.....because daddy's comeback is close be daddy can't let the public see he's hair color."Theodore aid and touch Thane's nose.

"Why Daddy?"Thane asked again making us chuckle.

"Because daddy's hair color is surprise for the fans."Theodore said.

"Oh ok Daddy,can mommy come with us?"Thane asked and look at me.

"Of course if mommy is not busy."Theodore aid and look at me.

"Baby mommy need to go to Jimmy Fallon today because mommy and Auntie's have a guesting stage today."I said and pat Thane's head.

"Ok mommy."she said and pout.

"Oh baby please don't pout on mommy,you know can't resist your cuteness."I said and pinch her cheeks.

"Ok mommy I'll not gonna pout."she said and smile.

"That's better,ok behave with Uncles ok?And watch mommy in the tv ok?"I said and she nodded cutely.

"Bye mommy!"she said as she and Theodore leave our dorm.

Theodore's POV

Me and Thane are now at the van.My manager volunteered to drive so that me and Thane could talk at the back.

"So Thane What do you want to do at the dorm?"I asked her.

"Uhm....I want to eat Uncle Jake's milk spaghetti."she said and giggle.

"Oh ok we will ask Uncle Jake to cook that for you."I said and text Jake to prepare the stuffs for milk spaghetti also known as darikolara what I mean is carbonara.

"Daddy can I look at your closet later?"Thane ask suddenly.

"Why would you like to look at daddy's closet?"I asked.

"Because yesterday's saw mommy's closet and when I said that her closet is full of Gucci she said you also have lots of Gucci,please daddy can I Look aT your Gucci closet?"she pleased hand clasped with each other.I giggled at her cuteness as well as our manager.

"Sure you can look at daddy's closet."I said and rub her head.

"We're here."our manager said.

I helped Thane to get our from our van.

"Daddy I'm so excited."she said while jumping

"Thane,you're here!"Halse said and run towards us.

"Hi Uncle Halse."Thane said.

"Where Jane?"Jake asked.

"They have a guesting stage today."I replied not looking at Jake only at Thane who's now playing with Chris and Justin and Halse.

"Theodore,can we talk?"Patrick said and signaled me to come with him at the sink.

"What is it,Pat?"I asked,he looks so serious.

"Theodore,here's a lot of rumors that you're Nillete's son's father."Patrick said.

"Don't worry Pat, I'm sure nothing happened to us before."I explained.

"Are you sure Theodore?"Patrick asked and I nodded.

"I'm sure,Pat."I replied giving him the 👌 sign"

"Fine go to your daughter now."he said and I thanked him.

I entered the living which Thane and my members playing.

"Uncle Justin,Auntie Laine is beautiful isn't she?"she asked looking at Justin.

But Jungkook just give her a confused expression.

We burst into laughter.

"Why are you laughing daddy?"Thane asked.

"Because Thane,your Uncle Justin has a crush on your Auntie Laine."Chris said that immediately earn a punch to the arm from Justin.

"Oh no problem I heard Auntie Laine And Rylie talking about Uncle Justin and Chris too."that words made the two stop from fighting.

"What did you say Thane?"Halse asked.

"I heard Aunt Rylie teasing Aunt Laine about Uncle Justin.Then Aunt Laine teasing Auntie Rylie to Uncle Chris." "Thane said focused on the tv.

Christian And Justin only made a 'O' shaped mouth.

"Look daddy they're performing now!"Thane printed at the tv and we all look at the television.

And with that Jehyung started clapping.

"Mommy And Aunties made great job to that!"she said like a proud manager.

"Thane, did you know that your daddy and us is having a comeback soon?"Sam asked.

"Yes Uncle Sam."Thane replied.

"Really?"Sam said surprised.

"Are you excited for the milk spaghetti,Thane?"Jake asked And Thane nodded.

Chris gave each of us plates while Jungkook give forks.

"Is it good Thane?Jake asked and Thane just nodded.

"Thane,did you know that there's other call for that?"Justin asked.

"What is it Uncle Justin??"Thane asked.

"It's called carbo-Justin wasn't able to finish his sentence when I spoke.

"darikolara."I said and they all laugh.

Justin just look at me while Chris shot death glare at me .

"Hey!Theo!what are you talking about!?"Chris asked and we all burst into laughter.

"Why?Whats wrong Daddy?"Thane asked

"Oh nothing Thane, it's because your uncle Chris mistakenly said Darikolara in our whisper challenge.""Jake said.

Thane just nodded and continue eating.

Until we heard the television turn into news.

"NO YOU CHEAT ON MOMMY!!""

Chapter 25

Jane’s POV

After I heard that my eyes widened.

"Chris, What happened?"I asked in panick because I'm sure it's Thane the one who shouted.

"Uhm..Jane.Thane heard about the rumor of Nillete’s son,and now she's mad at Theodore because she think Theo cheated on you."Chris explained in the other line.

"Ok...ok Chris, thank you I'll be there soon."I said and ended the call.I started fixing my stuffs

But my eyes caught how he slowly held Laine's hand.

Jehyung all this time didn't even talk.

"No!You still cheated!"Thane seemed didn't understand any Theodore's word.

She walked out the living room and my members followed her.

I can clearly see how Laine let go of Justin's hands and Chris held Rylie's hand but Rylie just pull her hands.

"Theodore'll explain to her ok,I'm sure she just didn't understand what you said,she'll understand it soon."I said and followed Jehyung.

Theodore's POV

I fucked up!

Now my daughter is mad at me!

What if she don't to see me again?!

What if she hate me forever!!?

"Theo,I'm sure Thane will forgive you soon."Justin said and rub my back.

"Theo,everything's gonna be ok."Chris said and hug me.

"Theo,just rest at your room,soon it'll be ok again."Jake said and I nodded.

I walked to my room and let down on the bed.

I put my hands on my eyes and started crying again.

I regret it!

I wish I just didn't make out with Nillete that time.

So that there's no reason for the public to make rumors!

I cry and cry..my bed sheet and now wet with my tears.

I turn around and now my face is facing the bed sheets and I cry and cry.

I just want to forget what happened lately.

I don't know why I acted this,but I made a mistake to my daughter.

And now she's hating me.

"Theodore can I come in?"I heard Sam's knock.

"Come in,Sam."I said and get up form the bed and wipe my tears when he entered the room

"Theodore,stop crying soon your daughter will forgive you again."he did and sit beside me.

"I don't know Sam,I fucked up,what if she hates me forever?"I asked and sob again.

"Theodore just like what Jane said,Thane will forgive you soon"he said and rub my back.

"I just realize Sam..this is how it feels.When you made a mistake to someone special to you,specially for me..I made a mistake to my daughter."I said and wipe my tears.

"Theodore is there even a chance that you and Nillete can have a child?"Sam asked.

"No Sa'x we just make out,but we didn't do anything."I explained.

"So there's nothing to worry Theodore "he said.

But it's by thinking of Thane being mad at me made me cry again.

"Hey!You cry too much you'll make me cry too!"he said and I laugh.

"Hey!come here!"he said and hugged me.

"Everything's gonna be alright.Everything's gonna be ok"he said and rub my back.

"Ok Jane, lets go."she stood up and grab her bag.

"Aren't you changing your clothes?"I asked.

"Laine is already ready."Olivia said.

"Jane,me and Olivia are coming too."Rylie said.

I look at their clothes and realize it's already decent.

I chuckled at them.

"Fine...fine lets go."I said and they all run like.....I don't know anymore.

Olivua Who look serious lately is now running like a kid.

If you didn't know today Thane will say sorry to Theodore.Because yesterday she became mad at Theo because of the rumor with Nillete.

Thane thought Theodore cheated on us but the truth is.... I don't know.Who knows?

"We're here now."our manager said and we head out the van.

Before we knock on the door Thane hold my hands.

"What's wrong baby?"I asked.

"Mommy do you think daddy is mad at me?"she asked innocently.

"Why would Daddy be mad at you?Of course he's not."I said and she smiled.

Olivia is the one who knocked at the.

But at our surprise...

Jake is the one who opened the door.

Due to Olivia closeness to the door her face and Jake's face is inches apart.

I can clearly see how Olivia's face turned red and Jake's war turn red too.

"Oh...Olivia.."it's seemed that Jake is out of word.

"Hi uncle Jake is Daddy there?"Thane asked and Jake Look away from Olivia and Olvia did the same.

"Ahh yes, he's at his roomI think it's really better if you check on him,he's still not eating his breakfast."Jake said.

He stepped back so we can enter.

Until I heard a knock and a call....

"Daddy wake up now!!!"my eyes widened and I immediately get up.

I opened the door and met my daughter with the dress I gave her.

There's nothing to came up with my head and I immediately hug her.

"You really like that huh?!" Chris asked sarcastically and rolled his eyes,Rylie rolled her eyes too

"Gosh!These two!"Patrick said and we head to the kitchen.

"Sam,that's all a lie,trust me."I said.

What the heck Nillete?

"Fine...I'm sure this news already reach the company let's go there and explain."Sam said and leave.

"Yeah that's right,let's go to the company."Patrick said l

I sigh I look at Thane who's still crying..and Jane who's shooting death glare at me.

I touched her hands.

"Jane I'll fix this,I already said that you and Thane is my one and only family.”I said

"It's ok Theodore ,just make sure to explain it to Thane ,it's nothing to me,Thane is your daughter,and me?...I'm nothing to you so no need."she said and stood up.

Her words stab my heart,how she say the words he's nothing to me.

It not true.

We arrived at the building,we decided to bring the girls.

So that they'll hear what I'm gonna say.

"What do you want to do now Theodore ?"Mr.Big asked.

"Now I'm planning to do a conference to explain that everything that come out form that Nillete mouth is a lie."I said irritated.

"Are you sure Theodore."Mr.Bug asked and I nodded.

"If that's it...I'll tell the press and we'll arrange the conference,would you Jane come and tell about Thane?"Mr.Big asked.

"No Mr.Bug ,I'm kinda busy and I think I'm not ready to tell about Thane to the public."Jane said still avoiding to make eye contact with me.

"Ok Theodore just be ready we'll just call you If when is the conference."Mr.Big said.

We bid goodbye to him and leave his office.

Jane's POV

We're about to leave when Theodore's grab my wrist.

"Jane are you mad at me?"Theodore asked.

"No..why would I?"i asked and smiled.

"Sorry Theodore but I have to go now."I said and leave.

(Time skip)

I'm at my room,Thane is sleeping.

I decided to meet someone.

"Olivia can you look for Thane for a while?Im just gonna go somewhere."I said.

"Sure Jane,be safe."she said and smiled Olivia is watching a movie.

Before I leave I kissed Thane at the forehead.

I leave our dorm and texted her number.

From Me:

I'm leaving our dorm now Be ready!

I smirked and ride a taxi.

Soon I arrived at our meeting place.

We got a private room at the restaurant.

I saw her already there sitting.

"What took you so long?"she asked her arms crossed.

"Oh nothing,just you know take care of my daughter."I said.

I sat up at her front.

There's already some food on the table.

"Would you like to eat?I ordered it for you."she said And smile.

I hate her.

"No thank you,maybe you poisoned that food."I said

"Now I'm here to talk to you about the thing you said to that interview,Nillete."I said.

"Oh about what?Theodore as the father of my son?Why Jane are you jealous because- I cut her off

"Why would I be jealous?if...

"What do you mean your child?"she asked.

"Oh nothing nothing.....I think you Nillete should take back what you said about your son of bitch!"I said with an you know.....bad bitch attitude

"Yah!Don't call my son bitch or else-

"Or else what?!Oh cmon Nillete,you'll tell the public about me and Theodore,tell them,at least Theodore love me and our daughter.Not like you,you just spread a fake new about your son."I snapped

"Ugh!!Fuck you Jane !"shout and try to slap my but ddaeng!Im good her slapped miss.

And I take the opportunity to slap her hard.

Her face turned red.

"Oh is it too hard?I just slap you hard like how Theodore fuck me hard!"I said and leave.

Nice Jane!

I praised myself and smirk.

Chapter 28

Theodore's POV

It's been 3 days since Nillete confirmed the news about her son.Which is a complete lie.I can't believe she's that desperate,she literally said that.Does she think that I'll buy that lie.No!I already have Thane and Jane and I'm happy with them.

Today is my press conference,I'm gonna state the truth.So that the problem that Nillete's started will be fixed,we're glad that no one from Nillete's side call us and all with us.No one knows about the conference except it was reported today that I'll have conference.We make sure no one form Nillete's side know about it.Because if someone knew about this they might talk to us and say to us to don't continue the press.

"Ready,Theo?"Justin asked.

We're now at our van,the whole Z Clash will join me to the conference yet I'm the one who can they only ask questions.But my members can also answer.

"Of course,Justin."I said and give him a smile.

"Just remember Theodore,we're here for you,if you can't handle the question just give us a nod."Patrick said.

"Thanks,Pat"i said and give him smile as well.

"Are you nervous Theodore?"Chris asked.

"Why would I be?"I said and look at him who's at the last row of the van.

"That's It's Theo."Halse said and pat my chest.

I give them another smile before we leave the van.

As we exit the van there's a lot of reporters,cameras,mics,and phones.Of course we have our body guard.The conference is not yet starting but there already lots of questions.

Mr.Molez is the news that Ms.Nillete confirmed is true?

Mr.Molez is Noco really your son?

Mr.Theodore Molez do you know about your son?

Mr.Molez why didn't you tell the public about your son before?

Do you not see your son as your real son?

As much as I want to answer those questions,and tell them it's all a lie I can't.

I still need to wait for the conference to start before I answer their questions.

We arrived inside the hall.The reporters who's outside a while ago is now inside.

We sat at the chairs that are arrange for us,I drink the bottle of water that is infront of me.

"Good mornnng everyone now we're here for Mr.Theodore Molez's conference.I hope we respect what he answers to our questions,and let's don't pressure Mr.Molez."

The seemed MC announce.

"Mr.Molez shall we start the conference now?"the MC asked me and nodded.

"Ok you may ask Mr.Molez now."

My hands are on my lap,Chris who's at my right and Justin is at my left.

(Sitting arrangement)

Jake,Pat,Chris ,Theo,Justin,Sam,Halse.

"Mr.Molez is Noco really your son?Is the news what Ms.Nancy spread is true?"the first one ask.

"Ok so I want to clear things here,we call a conference so that I can defend myself to what Nillete told you.Noco is not my son,in fact me and Nillete's had no sexual interact,yes we see each other before,in fact we had a make out session.But there's no sex happened to us so what she told you is all lie?"I stated after I finished my statement I give them a smile.

"So Mr.Molez are you telling us that Ms.Nillete lied about her statement to us."the second reporter asked.

"Exactly!"I said .

"Mr.Molez what is you reaction when you heard about the news?"another reporter asked.

"Well there's a person which is special to me that became mad at me.That's why I'm very opposed to what Nillete said."I exclaimed.

The reporter who asked me just nodded.

"And who's that special person for you Mr.Molez?"another reporter asked.

"Uhm...-someone cut me off by my words

"I think it's fine for now if Theodore don't reveal that special person for him now."i look at Patrick who stated those words.

"Uh...yeah,but that person is very special for me,there's nothing more important than that person for me."I added and the reporters.

"Can we ask the members if what is their reaction when they heard about the news?"one reporter asked.

"I think there's a statement that we said that you can only asked me questions."I said.

"No Theo, it's fine with me."Justin said.

"Yes,you can ask me question."Chris added.

I can see some reporters nodded.

"So what is your reactions?"The Who ask that question asked it again.

"Well for me I'm kinda surprise,because I know that Theo already have that special person that he's taking about,and I also didn't knew anything about Theo and Nillete having relationship."Justin explained the reporters nodded.

"What about you Mr.Baled?"the MC asked.

"Well for me,I've been with Theo since high school and I know him well.When I heard about the news I don't believe it at first,because I know Theodore can't chea-I mean make mistake to his special person he's talking about."Jimin said with hand gestures

"How about the others?"one reported said

"Well for me,I don't believe it at all,I didn't wait for Theodore explanation all I know is that is a lie.I'm not being rude but I don't really like Nillete ,at all."Sam said with cold expression.

"For me,even its true or not,I'll be with Theodore's side."Patrick said.

"Yeah me too."Halse said.

"For me,not also being rude but I don't like Nillete.It's like she have that dark aura or what,but I really have a bad feeling about her,that's why when I heard the news I kinda think for a moment."Jake said.

"Ok does anyone have more questions?"the MC asked.

"Mr.Molez what about the rumors that spreading about you and Ms.Jane Zole?Some people saw you two with her daughter,what is you connection with her?"I kinda lost it with that question I

badly want to tell the public and the world that Thane is my daughter but I respect Jane's decision to not tell it for now.

"Oh that's a mistake,it's not me who's with Ms.Zole,yes I've see her on the award shows back stage but what your saying is not true."I said and smile trying to hide my true expression.

If Thane is watching this she's gonna be mad at me again.

But I guess Thane is actually mad at me when she heard the news.

I hope Jane explain this to her.

"Ok the press conference is now over,thanks Mr.Theodore Molez and Z Clash."the MC said

We stood up from or chairs and bow.

We exited the hall and again ride our van.

"Woo!That is an intense conference!"Halse said wiping his fake sweats.

"Shut up!you just said "yeah me too"agreeing to Patrick's statement."Sam said and we burst into laughter.

"You didn't even explain to much."Jakw asded that made us laugh more.

"You are mean,Jake."Halse said acting like a kid and we laugh even more.

I hope Thane and Jane is fine at this time.

Jane's POV

I stopped at an article that catch my eyes.

Theodore Molez spotted with a little girl holding his hands.Many people suspect that the girl that is with Theodore Molez is Jane Zole's daughter.

My eyes widened in shock,I told Theodore to be careful but still many people saw them.

I look at Thane who's playing with her dolls that Theodore gave.

"What do you mean?"I asked.

"People start asking question and start taking pictures of us,that's why one time daddy lift me up and he carry me while he's running.I asked him what's wrong and he said it's nothing."she replied and pout in sudden.

Chapter 33

Theodore's POV

It's been what 3 weeks after that night happened with me and Jane .And this past few weeks she's kinda spacing out yet she still let me see Thane but when I'm at their dorm she don't look even glance at me.When I'm at them she would leave me and Thane at the living room,or when Thane is asking her to come with us she just refuse to come which I kinda understand.

But the silence and awkwardness between us too is killing me,did she regret it?But she told she didn't.

"Theo, lets practice already!"I was taken aback to my thoughts when Halse screamed my name

If you didn't know our comeback Live With Love has been released and we're now at our dance room to practice because we already performed at SNL.I still remember how Thane always call me at phone just to ask me how I'm doing and also asked me to get her some dolls.

"Yes Halse...Coming."I said and stand up form the floor.

"Theo,you okay?"Justin asked concerned.

Yes...why you ask?"I asked at him while fixing my shirt.

"Nothing....I just saw you sometimes spacing out,did you and Jane had a fight?"he asked and I smiled at him.

"No Justin,we didn't have a fight.It's just maybe she wants some space between us that's why she wouldn't talk to me."I replied and ruffled his hair.

"Theo,stop I'm not a kid.And Jane wouldn't talk to you?...why?"he asked fixing his hair.

"I don't know,maybe as I said she just want a space between us."I said.

Soon we started practicing and practicing for straight 3 hours.Tiring right?If you want to be like us you have to be ready and aware to that,.But if you love what you're doing you'll not feel any tiredness as long as you enjoy what you're doing.

We took a 30 min break to gain the energy we need to practice for another hours.Were all sitting on the floor down are laying down when our manager entered the practice room.

"Manager?What brings you here?"Patrick asked.

"I just want to inform you that there will be an award show coming and you'll have attend that."he informed us.

"Is that all manager?"Patrick asked.

"Yes..now I'll leave you guys so you can continue your practice."he said and when he went out we all flop on the floor again.

"Why didn't I know there's a award who's coming?"Justin asked.

"I hope before the award show me and Jane is ok again."I mumbled to myself.

Jane's POV

We're at the building because a while ago,our manager Called us telling we need to be in the building because there's something they'll tell us.

Moments after or manager entered the waiting room that made us fix ourselves.

"Good you're here now."he said and sit at the chair and faced us.

"I want you to know that there will be an award show coming and you'll attend it.So you have at least practice for your performance."he said and we all nodded.

"Yes manager we got it."Laine said and bowed

Soon our manager left and we went on the dance practice room.

"Jane,can we talk for a moment?"Laine asked pulling me at the corner.

"What is it Laine?"I asked.

"Are you and Theodore had another argument?"she asked and I looked at her.

"No...we don't have any argument."I said and smile.

"Then why did Justin told me that Theodore has been spacing out because you ignore him?"she said and I raised an eyebrows

"You talk to Clash's youngest member?"I asked and she immediately redden.

"Jane,don't change the topic,are you mad at Theodore,again?"she asks.

"No...I'm not."I replied and she nodded.

"I think Jane, you two should talk so at least you two are ok during the show."she said and I nodded.

We started practicing and practicing

Until we decided to take a break.

My phone buzzed and I immediately look at it.

Theodore Molez:

Can I fetch Thane later?

I look at my surroundings Thane is with our manager right now.Because when we're busy our manager is the one who took care of her.

Jane Zole:

What time?

Theodore Molez:

Uhm....what about 5:30pm?

Jane Zole:

Fine but we're at the building ,pick her here.

Theodore Molez:

Ok I will:) oh and Jane .

Jane Zole:

What?

Theodore Molez:

Can we talk later?

Jane Zole:

Then what?..we'll end up having sex again?No!

Theodore Molez:

No Jane ,I just really want to talk to you about...us

Jane Zole:

There's no us Theodore.

After that he didn't relpy but just seen my message.But I guess I'm expecting a father of my daughter later.

~~~time skip~~~

We're done practicing and Thane is now here.It's almost 5:30 and I told our manager that Theodore is coming to fetch Thane .

Soon we heard a knock from the door and Laine opened it revealing Clash's Vocal Line.

"Oh Jake,Chris,Justin,Theo,nice to see you again."Laine said and move back for the vocal line to enter the practice room.

"Daddy!"Thane said running towards Theodore and hugged his legs.

"Miss me Thane?"Theodore asked and lift Thane up and kissed her cheeks that made Thane giggle.

"Now Thane,go to Aunties first I'll just talk to mommy."Theodore said and put Thane down.

"Daddy should we leave again?"Thane asked and the others laugh.

"No sweetie just go to Aunties."Theodore put her down and she run to my members that now with Clash's members.

Me and Taehyung went on the corner of the dance room that have a couch so we can sit down while talking.

"So why do you want to talk?"i asked trying to hold my blank expression.

"Uhm...Jane I just want to ask if why are you ignoring me when I'm at your dorm?Is it about what happened to us?"he asked and I didn't react but speak to him.

"I think I just need space,Theo ,that's all."I replied and put a smile.

"I understand,but Jane I kinda like us to be ok before the award show.So we don't have bad feelings with each other."he said innocently with a little pout.

"Fine..."I said giving up and rolled my eyes

"Yehey!!"he said like a little child I smiled at him until I feel something weird....

The next thing I knew is that.....

Chapter 34

Jane's POV

We're now at the backstage,today is the awards show that people are talking about and idols are preparing for.We're at the backstage ready to enter the stage for some kind of roll call or the introductions of the idols.

But since our group name starts with D but Clash's is Z we just stood there at the backstage next apart from each other.This past few days me and Theodore is doing fine.I don't ignore him anymore yet,because we're at an award show and many idols are here specially Lady Cats that includes that shitty Nillete ,I ignore Theodore .But I can still see him glancing at me but I ignore it.

But one thing I'm scared of is Thane ,she's with our manager and I told her not to call Theod daddy but she just wouldn't listen.I just told our manager not to let Thane come close to Theodore.

~~~~~~~~~~~~~

We're at the idol area,place we're idols are siting with their members.But this set up is different there's tables at each group.

But the worst part is Clash's is just beside us.I can see how Chris look at Rylie and how Justin smile when he caught Laine glancing at him.

Candy Love,a girl groups as well,is at our back,me and Yllona,the eldest of Candy Love are talking when I saw her looking at Sam and how she blushed when Sam caught her.And I can see as well see how Sam smile after looking away.

Halse being the sunshine smiled when he look at Michelle.The main dancer of Candy Love.Michelle being shy just smile at him back.

And I clearly saw how Patrick gave Hailee the water bottles that are served for Candy Love that is accidentally given to them.

They're so cute...

"Oh I just notice,the no.1 Handsome Man in is here!"the Mc said looking at Theodore who stood up and wave his hand that made the fans go crazy while I'm there smiling secretly staring at his cuteness-....wait Jane stop!

When Z Clash won an award of course showing respect we bow at them.I try not to make any eye contact but because I thought Theodore already went on the stage when I look up I met Theodore's eyes and he smiles at me. Like....
~~~~~~~~~~~~~

Which made fans go crazy specially the shippers they called.

When Z Clash are at the stage I accidentally,unintentionally glance at Lady Cats and I can see how Nillete glare at me but I just give her a shit smile that made her rolled her eyes. Then I look at Theodore who's about to speak but the back ground music played so he Just said Hi' that made everyone broke into laughter specially Star7 who's known for being their good friend.

But what happens next made me lose my shit....

"DADDY!"Thane shout while running towards Theodore who's coming down from the stage.

Theodore looks so dumbfounded as well as me.I glance at my manager who tried to catch Thane but too late.Thane already spill the tea.

She just called Theodore out loud as his father.

I heard gasp and whispered from the idols,and fans started screaming.

Some just call it cute but immediately take back what they said when Theodore lift Thane up and say these words.

"How's my daughter?Is she doing great?"I heard more gasp and I just want the ground to eat me nowI mean I'm not ready to tell the public about Theodore and Thane but now it's spill in the public and soon we'll have to deal with this matter now.

"Oh looks like Ms.Jane Zole's daughter is also Theodore Molez's daughter?"the Mc said almost like asking.

But Theodore just nodded which I almost face palm.

He knows I still don't want to but...ugh!!!

"Wow they're so cute and she's very beautiful!Visual Family."the other Mc said.

I see Nillete walked out that made me smirk.

Theodore brought Thane at their sit that beside us and put Thane on they table.

I can see how his members smile and play with Thane but there's still worries in meI'm pretty sure after this award show we have to work with this.

****

The awards show is now over.We're at the dressing room while Thane is at Clash's dressing room.Theo told me that they're just gonna bring Thane at our dorm which I first doubt but soon I agree.

CLICK

FLASH

Cameras,questions,cellphones.

Those are what we saw when we leave the stadium and about to go home.Our manager and other staffs started protecting us but seemed it's not enough because Laine is still being dragged by the fans.

While others ...

"Ms.Jane is Theodore Molez really the father of your child?"

"Why didn't you told that to the public sooner?"

"Did you just know about this just know?"

It's irritating me!

I can't take it anymore!I immediately rude our van and plugged in my headset.

"Jane,you okay?"Laine asked in worry.

"Yes Laine,I'm fine."I said na give her a smile.

"What's your plan now Jane ?The public knows about it."Rylie asked.

"I don't know anymore.."I said and sigh.

We arrived at our dorm,when I entered our dorm I smell a...Ugh! Not good smell and the next thing I knew is that I'm ....

Chapter 35

Jane's POV

Hands around the toilet bowl,members rubbing my back,a worried Thane ,member holding a glass of water,and me throwing up.This is the 3rd time is throw up since I woke up just a while ago.Ive been throwing up since what?2-3 weeks?,this usually happen when I woke up in the morning or when I smell anything bad for me.

I also throw up before the award show and after the awards show.My member suggested me to visit the doctor but I just don't want to.I'm sure nothings wrong with me.Right?

"Jane,please visit the doctor we're worried to you."Laine said while holding the glass of water.

"No need,I'm sure there nothing wrong with me,maybe I just eat bad food that's why."I replied and get the glass of water form Laine and drink it.

"Mommy please visit the doctor I don't want mommy sick."Thane said worriedly too.

"Fine...but we have a practice today."I said.

They look at each other before Rylie Speaks.

"Jane,we'll just tell manager that you visit the doctor."Rylie said and smile.

"And mommy I'll just be at daddy's dorm."Thane said and smile.

"But wouldn't that be more problem to cause because now the public knew about our secret."I said.

"Don't worry about it now,just go to the doctor and we'll send Thane to Clash's dorm."Olivia said and smiled I smiled back at her.

We fixed our selves,and I also dressed Thane with the dress that Theodore gave her.Soon we leave the dorm and drove to Clash's dorm.

Laune knocked greeted by a sweaty Justin while wiping his sweats at his forehead.His eyes immediately widened.

"Hi uncle Justin!"Thane said cutely

"Girls?,w-what are you doing here?"he asked shuttering and I'm trying to hold my laugh.

"Can you look for Than e today.I'll visit the doctor and my members will go to the company today."I said.

"O-oh ok Jane, we'll take care of Thane today."he said and Laine gave Thane to Justin .Laine is the one who's carrying Thane all this time that's why she the one who gave Thane to Justin.

"Bye mommy!"Thane waved her hands.

I kissed her cheeks and waved her goodbye.

Soon we leave the building and they drove me off to the doctor.

Theodore's POV

I walked out form my room only to enter the living room,but in my surprise I saw Justin playing with Thane together with,Jake ,Halse and Chris.

"Theodore ,come here,Thane is looking for you since she arrived here but we said that you're still sleeping."Jake said.

"Daddy!"Than eshout and I walked towards her.

And sit beside her.

"What are you doing here?Where's mommy?"I asked while playing with her.

"Jane asked us to look for her today because she'll visit the doctor and the others will go to their company."I raised my eyebrow to what Justin said.

"Why would Jane go to the doctor?"I asked.

"I don't know."Justin shrugged his shoulder still playing with Thane.

"Thane,do you know why mommy will visit the doctor?"Halse asked in a cute voice.

Thane laugh before answering Halse.

"I don't know the main reason uncle.But mommy has been throwing up everyday and we're worried for her that's why we suggested for her to visit the doctor."Thane replied without looking at us.

"Why is she throwing up?"Jake asked.

"I don't know uncle,mommy always say that maybe she just eat bad food that's why she's throwing up.And she told us that she's okay but she's really throwing up every minute."Thane replied cutely while still playing with her toys that she brought.

I'm still dumbfounded,why would Jane be throwing up?Is there something wrong with her?

"Theodore let's talk."I look at Jake with confusion.

He just stood up and walk to the kitchen,I just followed him to the kitchen to talk.

"What's wrong,Jake?"I asked when we reach the kitchen table.

"Did you and Jane used protection?"he directly asked and my eyes widened.

"W-wha?-W-Why-?!what do you mean Jake?"I asked shuttering because I don't know what's happening.

"I'm asking you if you and Jane used protection when you did what you did."he said and crossed his arms.

"Jake I-

I was cut off by my words when Patrick entered the kitchen.

"What's wrong here?"he asked and walked towards us.

Now I feel like a child getting scolded by my parent.

"Jane will visit the doctor because she's been throwing up and now I'm asking Theodore if they used protection when they did 'it'."he said and look at Patrick.

"Did you used?"Patrick asked.

I looked down and slowly shook my head.

"Hayst!Theodore you should at least used one.What if.....what if Jane is pregnant?"he asked and I looked at them both with teary eyes.

"B-but she said she's on pills."I said.

"Theodore ,you can't really trust that.You should still used!"Jake said scolding me.

"Jake is right Theodore what if you get Jane pregnant again?What will you do?"Patrick asked and now I can feel my tears falling,bit by bit.

"Will you leave them again?"I look at Jake who said that.He looked to pissed now,I got pissed of by that way he said those words.And that just hurt me because it's like he's making me feel guilty again by leaving Jane while she's pregnant.

"Of course not Jake!I'll take responsibility for Jane and Thane as well as if we'll have another child."I said and leave the kitchen.

As I entered the living room I saw Thane now sleeping.

"She's asleep?"I asked and sit beside Justin.

"She fell asleep Theo,she said she's kinda sleep."Justin said.

"What did you talked about?"Halse asked.

"N-nothing,Halse."I said and smiled while caressing Thane's head.

"You sure Theo?You looked like you cried."

Justin said worried

"It's nothing,promise."I said and smiled at him.

Jane's POV

I'm now at the doctor,facing him,he's the doctor that took care of me when I'm pregnant with Thane.

"Whats wrong with me?"I asked hands on the doctors table.

"Ms.Kim you're....

Chapter 36

Jane's POV

I'm here,walking,towards the practice room.Still cant registered what the doctor told me.What should I do?Help..!

"Jane,you're here now."Laine said and run towards me.

"Jane,What did the doctor told you?"Rylie asked.I can hear her worries in her voice.

"Uhm...n-nothing lets just talk about it later"I said and smiled.

I put my bag on the couch in the practice room.

"Come on Jane,this steps is little hard you need to move a lot here."Laine said joyful.

I hesitated to do the steps because,it's not just little,but you need to move a lot in that step,means it's hard.

What if....Ugh!

"Jane, you okay?"I snapped in the reality when Olivia tapped me in my shoulders

"Yes Olivia,I'm fine."I said and smiled again.

We start practicing and practicing for straight 3 hours that made me super exhausted.

"Jane,let's fetch Thane."Laine said while wiping her sweats.

"Wait!Z Clash is not in their dorm."Olivia said while holding her phone

"What do you mean,Olivia?"Rylie asked.

"Jake, texted me and they said that they're In the building."Olivia explained,I raised my eyebrow.

"You and Jake text each other?"I asked in a tease tone and crossed my arms.

"W-what?We just have each other's number,and he just informed me about that,nothing more."she said and look at the other way.

I heard the Laine's laugh but I controlled mine.

"Jane,let's go to the their building maybe Thane miss us now."Laine said.

We bid our goodbye to our i instructors and our staffs.We Rode our van and drive off to the their building.

But when we arrived in front of the building we're very surprised that there's a lot of reporters and press in front of the building.

That's why our manager told us that we're gonna use the back entrance.

We hurriedly entered at the back but still there's some reporters that followed us.

Now the their building is a disaster,it's so noisy,we started running and running until we reach the elevator.

We all sigh when we entered the elevator but in our surprise...

"Where is Laine?"Olivia asked and we look at each other.

"Oh no."I said.

Laine's POV

I don't know where I'm now!I got lost when we started running.I'm doomed when the reporters see me.And I'm also not familiar to this building.

I started looking around,my eyes immediately widened when I saw the reporters and I'm sure they also see me.I'm wearing a face mask but they still recognize me because of my hair and my eyes.

I was running to I don't know where.Still the reporters chasing me but in my surprise someone pull me and pushed me to the wall and he leaned closer to me,he looks like he's kissing me.

"W-what..Who are you?"I whispered to him.

"Don't talk just go with the flow,they'll not gonna notice you to this."he said.

I saw the reporters but when they saw us looking like 'making out' they immediately leave that made me sigh.

He move back but I immediately punched him in the stomach

"How dare you do that to me?!Dont you recognize me?!I'm doing boxing you bastard!!You want me to punch you in the face!Huh!?!"I shout at him ready to punch him again Incase he do that to me again.

"What are you talking about?I helped you to get away from those reporters."he said while holding his stomach,I immediately recognize his voice...no he can't be..

"Justin Bale?"i asked and hold my mouth.

"Good you recognize me."he said and chuckled

"Omg!I'm sorry Justin!I thought it's just a stranger,I'm really sorry!"I said.

"Are you hurt?Where does it hurt?"I asked trying to find if there's a wound or scratch.

Looking like a pathetic girlfrie-I mean pathetic girl.

"Here."he said pointing at his lips and and pouting faking like he's hur.

I slap his face slowly,slap that wouldn't hurt him.

"I'm just joking,now why are you here?"he asked and fixed himself.

"There's a lot of reporters at the entrance and they chase us but I got lost when we started running."I explained

"Ohh..where are you planing to go?"he asked again.

"To the dance room."I said.

"Let's go I'm also going there."he said and hold my hands I can feel my cheeks getting burned because of that.

As we arrived at the Dance room we can see...disaster?

Jane crying at Theodore's arms?

Jane's POV

We didn't look for Laine anymore because she texted Rylie that she's fine now.

We arrive at the dance room greeted by sweat Z Clash members and a sleeping Thane at the couch.

"Jane are you gonna fetch Jehyung now?"Sam asked.

"Yes Sam...did she became a disturbance to you?"I asked.

"No...no Jane she actually so cute and she started dancing with us,your daughter is a good dancer,Jane."Patrick said.

"Thank you,Pat."I said and I know I blushed from his compliment to my daughter.

"Uhh Jane,can we talk?"i look at Theodore who have a serious expression.

"Again?!You two always talk!"Chris whined like a little boy.But a smiling rose can't get away from my sigh .

"S-sure."I wanna kill myself for shuttering in front of the father of my daughter.

We walked to the corner of the practice room to talk there.

"Jane,Thane said you visit the doctor.What did you do to the doctor's?"he asked.

And now I can feel my eyes getting watery.

"Uhm.....n-nothing- he cut me off by my words.

"Don't say nothing,you always say nothing even there's something wrong,what's wrong?"And with that I break into tears.

"Jennie why are you crying?Im sorry,I didn't mean to shout at you,please don't cry."Theodore said in panic.

His members and my members come closer to us

"Jane,please tells us what's wrong?You're being weird these past few days"Rylie said.

"Jane, what's wrong?"Theodore asked again

I look at his eyes before telling the truth

"Theodore ....

I'm pregnant"

Chapter 37

Jane's POV

Me crying,worried members and worried daughter,this is the scenario after I told them I'm pregnant.

"Jane,why are you crying,aren't you happy that you'll have another child?"Rylie asked.

"I-it's just I-I'm scared."I confess and maybe it's also because of the hormones

"Scared about what,Jane ?"Laine asked.

"I'm scared of....- someone cut me off.

"Of Theodore leaving you again?"I looked at Jake who's arms are crossed.

"Jake..."Theodore called,but Jake just eyed on him.

"Jake is right,I'm scared of that."I confess and cry more.

"Mommy please don't cry."Thane said and hug me.

"Jane I promise I'll never gonna leave you again,I promise."Theodore aid and hugged me and kissed the top of my head.

"Really?" I asked while sniffing.

"Yes,so don't worry."he said and hugged me together with Thane.

But our little family moment got interrupted by a staff.

"Theodore!There's a lot of reporters outside and they want to see you so bad that they entered the building and they're such a mess now.I think it's better if you held another conference together with your family."Why do you I feel myself getting hotter and hotter,oh I know because their staff just called us Theodore's family.

"Ok tell Mr.Bug that I'm ready for a conference anytime."Theodore said and the staff nodded and he leave the practice room.

"Jane,I hope you don't mind but we really need to tell the public the truth because if not many more reporters will come chase us.So please agree to come with me in the next conference together with Thane."Theodore said while holding my cheek.

"Ok I agree."I said and slowly nod my head.

"Really?Thank you Jane."he said and hugged me again.

"Mommy you ok now?"Thane asked.

"Yes baby,mommy Is fine now."I said and hugged her

We decided to leave the building and go home since Z Clash is going to practice.But I guess leaving the building early is a bad idea.

As we exited the building the reporters started chasing us.

"Ms.Zole why did you visit Z Clash's building?"

"Ms.Zole did you meet Theodore Molez here?"

"Ms.Zole what is your relationship status with Mr.Molez?"

"Ms.Zole why did you visit the doctor awhile ago?

I stopped at my tracks,how come they heard about that?

"And let's go!"I heard our manager shout but it's too late,people already grab me and pull me.They started to get messy and annoying,they're surrounding me.They started to squeeze me they asked so much questions that made me annoyed.

But soon I feel dizziness and about to vomit.I kept shouting to let me go but they just don't listen to me.

Soon darkness took over me.

Theodore's POV

We're now practicing our comebacks,our staff said that Dark Alpha already exited the building.

"The,you ok?You're spacing out."Halse said that made me snapped to reality.

"Is it about Jane's pregnancy?"Patrick asked.

"I'm telling you Theodore ,if you leave her again I'm gonna cut your dick off so that you can't fuck anyone again and impregnated them and leave them."Jake in and crossed arms.

"Jake,I already told you I'm.Not.Gonna.Leave.Them.Ever.Again."I said kinda annoyed.

"Just reminding you".he said and shrug.

"But Theodore When do you plan to tell about Jane's pregnancy?" Chris asked.

"Maybe on the press too.I think it's for the best if the public is aware of my family."I said and smiled.

"Wow...Theodore is being a father material here."Halse said while patting my back.

"Of course Halse.I have a daughter and another one on the way,so I should be matured now."I said and give them my signature smile.

But soon my smiled fade when our staff entered the room rushing.

"Dark Alpha is in trouble,they got chased by the reporters and now- I didn't let our staff finish it and I run outside rushing to the ground floor.

Jake,Chris,and Justin is running while following me.

As we reach the ground floor I saw Jane in the middle of the reporters while the others are at the van already and Thane is now crying but Jennie.....she looks...uncomfortable she looks irritated.....they're squeezing her.

I tried to enter the repeaters but they just keep pushing me out.

But when Jane collapsed I tried my best to push them and I succeed.

I lift Jane and rush towards their van...My Members are already there?...How?

It doesn't matter now...

"We have to bring her to a hospital!"I said and their manager nodded.

He started driving.

As we arrived at the hospital,Dark Alpha's members talk to the nurse in the counter while my members manage to get stretcher already.

I put Jane on the stretcher and soon doctors and nurse came to us.

They bring Jane in a room and they started to check on her.

I look at Thane who's holding Justin's and Laine's hand.But when she looked at me she let go of the youngest hand and walked to me.

"Daddy,is mommy gonna be fine?"she asked while wiping her tears

"Of course baby,your mommy is brave."I said and hugged her.

When I look at the glass I look so messy,hairs sticking in my forehead,and my clothes is so sweaty.

"Can I ask who's with Ms.Zole?"the doctor asked.

"Uhm....we're all with Ms.Zole."Patrick said.

"Oh if that's the case,please all of you come with me inside."the doctor walked inside Jane's room and we followed him.

"Ms.Zole is fine,just don't let her stress out or get too exhausted it's bad of The babies."the doctor said.

"Babies?"Rylie asked and we look at each other.

But soon we heard Jane waking up.

"Where am I?"she asked while looking around.

"Jane,you passed away when the reporters surround you,and you're in the hospital."Rylie explained.

"My baby?!?Is she or he is ok?"Jane asked and Laine hold her arms because she started to panic.

"Correction Ms.Zole, babies."the doctor said and Jane looked at me in wide eyes.

"W-what do you mean?"Jane asked.

"Congratulations Ms.Zole....

You're having a twins"

Chapter 38

Jane’s POV

We are all shocked at what the doctor announcement.We can't believe it specially me.

"So If you may excuse me I'll leave now."the doctor leave the room leaving us 12 shook here.

"Mommy is having twins?Does that mean I'm gonna be a big sister?!"Thane asked in shock.

"Yes Thane are you happy?"Halse ask and lift Thane.

"I'm very happy!"she said cutely while her hands up.

"Jane,you okay?"Laine asked.

I just realized I'm staring at the blank wall all this time.

"Yeah I'm fine."I said and look at Theodore who's smiling brightly while looking at Halse and Halse.

"Theodore..."I said and he immediately look at me.

"I'm scared.."I said and I feel a tear drop.

"About what?"he asked and fixed his position so he can face me properly.

"I don't know.."I replied and cry more.

"Theodore...it's just normal,it's called pregnancy hormone.It usually happens at pregnant ladies...they usually get so emotional."Rylie explained and Theodore just give a 'O' shape mouth.

"You don't know that right?"Jake joked and Theodore just glare at him.

This past few days I can say that Jake and Theodore didn't really go well with each other.

I roam my eyes but there's someone one missing.....but not just 1 but 2 person.

"Where's Laine and Justin?"I asked and they look around.

When they didn't find then they look back at me.

"I don't know Jane."Rylie said.

Laine’s POV

When Jane started crying again...we took this as a chance to leave the room.

"Where do you want to go?"Justin asked

"Uhm....I don't know I'm just really hungry now."I said and walked.

I'm wearing a pants and a crop top together with some rubber shoes with mask and cap.

While Justin is wearing a jean pants and a white shirt with timberlands and also a mask.

I'm guessing this is enough for people to not see us.

"Ok...so do you like Steak?"Justin asked suddenly.

"Yeah..."I replied while looking around.

We just leave the hospital building and when we found any restaurant I'll call my members.

"Then let's go!"he suddenly grab my wrist and we started running like idiots.

"Hey!Where are we going?"I asked.

"To the best Steak Restaurant here in New York!"he said while pointing somewhere and looking like a kid.

We entered a seat restaurant and we took a Private room for us to eat.We ordered Seatk of course and some rice and other foods.

All I just want is to eat now.

"I'll just call my members ok?"I said and he nodded.

I dialed Rylie's number and after 3 rings she finally picked up.

"Hello..?Laine?Where are you?!"she sounds worried I kinda feel bad for leaving without permission.

"Rylie.I'm just gonna eat here at the Steak Restaurant."I saidz

"Oh ok...did you see Justin..?He's also missing."I look at Justin but he also looked at me So we made an eye contact but I immediately look always because if I stare longer I'll meet in hotness

"Uhm...Rylie...h-he's with me."I said and Justin lift his gaze like he's surprise to what I said

"Oh ok...just be careful...I'll hang up now."she said and I bid her goodbyes and as well as her.

I put down my phone but what I saw next makes me want to drool.

Why does he look so handsome while pushing his hair back?

I didn't realized that I'm staring at him until we made eye contact.

I immediately look away and drink water that is serve to us.

I looked at him when he clears his throat.

"I...I just want to say sorry to what I have done a while ago."he started and I look at him with shock eyes.

"What do you mean?"I asked.

"To what I've done when you're being chased by the reporters.I know it's inappropriate."he said and look away but his side feature is killing me.

"Oh...Uh- it's okay,no need to say sorry."I said and smiled.

"Really?"he hold my hands that is on the table and pout...is he flirting at me?

"Uh-yes."I said and removed my hands under his.

We were surprised when the door swung open because of the waiter

I immediately look at the other side an covered my face while Justin is looking down.

We thanked the waiter that soon leave.

"Hooo!thats close...let's eat."he said and grab the utensils.

I just get some little food because I don't want him to see me eat a lot now I don't to be fat.

"What are you doing?"he asked while his mouth is full with food.

"You should eat a lot,because I'm pretty sure you are tired."he said and put more food in my plate.

"Justin,I don't want to eat a lot."I said while stopping him.

"Why?you're afraid to gain weight and the public will hate you?"he asked

And I slowly nodded.

"Hayst!Dont worry about that,eat and I'm sure you'll lose weight when you dance now eat."he said and give me a spoonful of Steak that made me widened my eyes.

Now my mouth is full of food and I'm sure I'm really ugly now.

"You know you're cute when your mouth i full."he said and continue eating.

I smiled and enjoyed my food.

Well I guess I'm not ugly while eating.

And he's right sure I'll lose weights again when I do practice.

We started laughing and laughing until he almost spit a water on the floor which made me almost fell on the ground.

We share each other's stories on how we made on our entertainments or how w survive the 'trainee life'.

And how we survive getting apart from our parents.

We don't know what time is it but I only know own thing.

I'm falling for him...

Chapter 39

Olivia's POV

We decided that someone needs to go get some foods because we personally don't like foods in the hospital.Jake volunteered that he'll cook but he said that he need someone to help him cooking....but his members just..

"Jake you know I'll just destroy everything."Patrick said.

"Ahhh Jake, I'll go somewhere later."Chris Said.

"Jake,I want to be with Thane and play with her."Halse said.

"I'm tired."Sam said.

We look at Theodore.

"I have to take care of my daughter and Jane."he said pointing at the two.

"Well...that leave me no choice..."Jake said and looked at me.

"You're coming with me Olivia."he said and face me.

I can see how Halse covered his mouth while controlling his smile.

And how Rylie smiled as well as the others.

"Why me?!"I asked.

"No one wants to come with me."he whined like a kid.

"And I know you can't resist this handsome face."he said and winked at me.

"Ugh!Fine...just please stop winking at me."I said.

And he jump like a little boy,he grab his bag and looked at me.

"Aren't you gonna get your bag?"he asked.

"Oh-ah Yes."I said and walked towards my bag .

I looked at Rylie who's smiling at me but I just glared at her.

~~~~~~~

Me and Jake is at their dorm now...he started cooking while I'm just here looking at him.
~~~~~~~

"What are you gonna cook,Jake?"I asked while my elbows on the kitchen counter.

Did I mention their dorm is huge.

"Carbonara because Thane love it....and Steak because Justin said Laine liked it.Uhm...Salad because who doesn't like it?Chicken barbecue,Smoked salmon,Sushi.What do you like Olivia?"he asked.

"M-me?"I asked pointing at myself.

"Is there anyone here Olivia ..?Its just you and me."I'm gonna die because of the way he say his last line.It's like he's planning something that-stop!Olivia stop!Dont think any further

"Uhm....I like..pork chop ?"I'm not even sure about that but I just like pork for some reasons.We are close to Candy Love members and Michelle just said that she'll marry pork one day.

"You're not even sure about that."he said in blank face.

"But nevermind...I promise you that you'll taste the best pork chop ever."he said and walk back towards the stove.

I just watch him on how he stir the foodHow he put a pinch of salt like a total chef that made us both laugh because of his extra moves

I think he just finish carbonara and no his on to Steak.

"Olivia,can you find the salt I forgot where I put it."he said and I nodded.

I walk towards the cabinets and start searching.

I look at the lower cabinets but it's not there.And I look at the upper cabinets and it's there.

But the problem is....I'm too short the reach it.I can't blame them...they're tall that's why their cabinets are high here.

I started to struggle to get salt jar.

"Hayst!"I said as I stopped to try.

But I try and try and try but not until I succeed.

Until I feel someone at my back...and a hand reach the cabinet.

I look at my back only to face an handsome chef at my back.

It just feels like everything stopped,the time,the air,and my heart.

I just froze there until he looked at me...that made our face inch apart.

I can see his plump pink lips and his face.

I faced him but it just made it worse he started to lean closer and closer to me while his right hand is at the cabinet that supporting him not to fall.

He just keep on getting closer and closer but I just keep on moving back and back until I feels there's no use.I just close my eyes when I felt his breath on my face...but I was wrong.

"You know you're cute when you blush."he whispered at my ear.

He pull away and walk back inches apart form my until I realized what he said.

I immediately covered my cheeks in embarrassment.

"Don't cover you face...its cute."he said and smiled.

He walked back to what his cooking leaving me to there's.

Time skipped and he's finished cooking a lot.And every time he finished one he made me taste it...and let me tell you it's the best.

"Olivia,you think they'll like it?"Jake asked me.

"Yes Jake...your dish taste so good."I replied while helping him fix the containers.

We exited they're dorm and went back on the hospital.

When we arrived at Jane's room they're all there expect someone....I mean some two people...

"Where's Chris And Rylie?"I asked and they look around.

"Olivia,if your looking for Rylie and Chris ...they said they'll go somewhere."Laine said.

I just shrugged my shoulders and put the bag that contains the food on the table.

"Wow!Olivia this looks so good!"Laine said.

"I didn't made that,Jake did."I said and look at Jake.

"Laine,I assure you that will be the best steak you'll try."Jake said.

"How do you know that I like steak,Jake?"Laine asked.

"Justin told us."Sam said from nowhere.

"How'd you know I like it?"Laine asked facing Justin.

"Uhm....Hehehhehe...I watched your videos."Justin did while scratching his nape.

They started eating but Laine and Justin refused because they said they already eat.Which made Jake sad but they promised him that they'll eat it later.

I just get a little amount of food but Jake stopped my hands and grab the spoon on from my hands.

"You need to eat more...I'm pretty sure you'll not gain a lot of weight when you eat just a little more and my food taste so good."he said and put more on my plate.

I kinda have this feeling in my heart

It's kinda feels like...

In love..?

Chapter 40

Rylie's POV

It's been 3 days since Jane got in the hospital.But it's also been 3 days since they decided to held another Press Conference and tell the public about Jane and Theodore.

Us 12 are in the waiting area in the hall,Theodore and Jane will be the one who'll show up in the conference.Then their manager Will just send Thane Incase they want to show her in the press conference.

We just told you it manager that if Jane needs us just call us because we're just gonna stay at the waiting room and wait until they finish the conference.

I'm scrolling on my social media when I feel someone in front of me....I look up and saw.....

Chris..?

I raised my eyebrow and put my phone down.

"What is it,Chris?"I asked in an annoyed tone.

"I'm not yet asking something and you're already annoyed?"he asked and I just rolled my eyes.

"What's the matter?"I asked in maybe a sarcastic tone?

"Ok....I'll just ask if you can come with me in the mall....I'll just- I cut him off.

"You want me to come with you in the mall?While our members are there trying to answer questions?"I said sarcastically.

"I just need someone to come with me please!!!"he said cutely.

Why is he this cute.??

"Chris,just try to ask your members."I said and reach for my phone but failed when he get it first.

"You'll come with me or I'll not give this to you."he threatened.

"Oh come on...you'll still give that to me even I don't come with you."I said full confidence

But i guess I was wrong.

He just walk on the other corner of the room and look at his phone....but why does he look so fucking good in just looking at his phone?

I rolled my eyes before sigh.I look at the surrounding and saw some of his members laughing maybe saw what he did.Then I look at my members and they are also laughing.

Sometimes being in the young line isn't a good idea.

"Hayst!"I said and walk up his direction

He look up at me while my arms are crossed and expression is really getting pissed off.

"Give.My.Phone.Back.!"I stated giving stress in every words.

"I told you Rylie ....I wouldn't give this phone to you until you come with me. "by just calling me by my name send shivers to my spine and he just sounded so sexily just pronouncing my name.

"I will not!"I said and he just hide my phone.

"Then I'll not give your phone."he said and look back at his phone.

If he's just not really god damn handsome I'll not give up...but I need my phone.

"Ugh!Fine!"I said and he looked at me in amused and surprised face.

"What do you mean?"he asked with an 'oh' reaction .

"I'm coming with you but give me back my phone please."I said and reaching my hands forward and asking for my phone.

"Yes!Lets go!"he said and immediately stood up excitedly.

"Wait!Where's my phone?"I asked.

"Oh didn't I mention?I'm giving you my phone after you come with me and when we're finish.Maybe you'll just scam me and run when I already give you your phone"he said and grab his stuff and walked towards the door leaving me dumbfounded.

"What are you waiting for come on!"he said while at the door.

I just rolled my eyes and grab my bag.

I don't know why I'm agreeing and just going with the flow with this man.

Theodore's POV

After Rylie and Chris leave the staff to us that in 3 Minutes we'll be starting.

I glance at Jane who's seems nervous.

"Jane, is something wrong?"I asked.

"Nothing...I'm just thinking of what could be the possible questions that the reporters will ask later."she replied and I just nodded.

"Theodore ..."she called and I look back at her

"Thank you."she said and I got confused.

"For what?"I asked.

"For not leaving me again that now I'm pregnant with your children."she said and I smiled at her.

"Listen Jane I will never ever ever gonna leave you again."I said while cupping her cheeks.

"Thank you."she said and her cheeks redden I fine it cute that's why I don't know why I kissed her so sudden that made her cheeks more blush.

I mumbled "cute"before letting go of her cheeks.

Soon the staff called us and our members cheer for us telling us it's gonna be fine.

As me and Jane entered the stage the camera start flashing and flashing..

I saw Jane getting irritated by it.

As we sat on our chairs the MC stood on the stage and greet.

"Good morning everyone,we're all now here to attend the press conference that Mr.Theodore and Ms.Jane Zole called.Too every question your going to ask them I hope you accept and respect their answer...so Mr.Molez,Ms.Zole shall we start?"

The MC looked at me but I looked at Jane.When she gave me a smile it's the cue that she's ready

So I nodded at the MC and the MC smiled at me.

"Ok everyone,you can ask questions now."

As the MC said that the hall became so noisy and you can hear lots of words coming out from each mouth.

The staff just pull someone from the audience to ask question.

"Mr.Molez is it's true that Ms.Zole's daughter is also your daughter?"

I look at Jane and smiled.

"Of course..she is...and I'm very proud with it."I said and smiled.

The staff pulled another reporter.

"Mr.Molez why did you hid you daughter from the public?"

I look at Jane for a longer time before looking at the reporters .

"It's because me and Jane aren't still ready for the public knowing about Thane."I simply replied.

Then another one ask.

"Did you knew about your daughter just now or you know about her since she was born."

That's question kinda feel like a stab in my heart.My expression drops but Jane held my hand which made me look at her.

When I look at her she smiled and nodded at me signaling that I should tell the truth.

"Well the truth is...I've become an asshole.I didn't knew about my daughter since then.I just knew about her when me and And meet again.Before,I didn't knew that And is pregnant after the night that 'it' happened to us there's one time that Jane come to my apartment but she came on a bad timing.I can't really tell you the main reason why but I still didn't knew that she's pregnant and when I got pissed of I....I hurt her..and our daughter.I punched her stomach that is carrying our child and..."I stopped in my words when I feel my eyes getting teary.

"And I told her to leave and that is the time that Jane is supposed to tell me about her pregnancy.But I made a huge mistake in my life...I wish...I wish I let her talk.And after four years,I just knew about our daughter now and now I promise them I'll never leave them again..now that there's 2 more angels on the way."I said and give them a smile even I'm already crying I look at Jane who have teary eyes as well.

"2 more angels Mr.Molez?Ms.Zoleis pregnant?"

Jane held my hands before she smiles.

"I think Ms.Zole should answer that question."I said and smiled at Jane before Jane held her mic.

"Well as you heard...there's to more 2 angels in the future.So I hope you look forward for our angels."Jane said and smiled.

"Mr.Molez what is your relationship status now with Ms.Zole?"

I basically don't know what to answer...even Jane don't know based on her expressionBut even I don't know I still held the mic and answered.

"For now me and Jane don't have a label but only thing I knew is that they're....

My Family."

I said and smiled looking back at Jane and she smiled back at me.

After few more questions..the press conference is done.

We walked back in the waiting room and greeted by our members.

"Good job Theodore!"Patrick said and hugged me.

"You did It Theo!"Justin said and hugged me as well.

"Woah!Our Theodore Molez is a man now!"Jake joked

"Jake,I'm already a man since then."I said and he just laugh.

I look around and notice that Chris and Rylie is still not here.

"Chris is still not coming back?"I asked.

"Yeah...even Rylie."Jane said while playing with Thane.

What could've that two doing?

Rylie's POV

"Chris, I swear if you can't choose between the two why just buy them both?You're rich enough to buy those two!"I complained.

We've been here in the men's section for 30 min just to look for a suit and Chruab can't decide which one to buy.

"Could you just shut up I'm trying to choose."he said while still looking at the suits.

I looked at my social media thanks god Chrua gave my phone back again even tho we're still not done maybe just being grumpy made him realize I can't hold some hours without my phone and my eyes widened.

"Look!Look!The press conference is done and they also announced about Jane's pregnancy."I said to Chris pointing at my phone.

"Oh really?!Thats great!"Chris said and I smiled.

"That's it!I'm getting it both!"he said then put the two suits in the basket.

"I told you!We should be in the other stores now but no!You stayed choosing here then you just choose both!"I exclaimed.

"Fine...fine...I'm sorry ok?Now let's go I'm goona pay for these."he said and walked to the counter.

When we arrived at the counter the cashier kept on looking at him .

Until she recognized him.

"You Christian Baled form Z Clash right?"she asked.

"Uh....yeah!"dumb!He shouldn't admit that he is.

The cashier squealed!

"Omg!!!Can we have a selfie later?"she asked and Chris just nodded.

"Who's her Chris?"the cashier asked pointing at me.

"Her?Uhm.....she's....my assistant yes she's my assistant."I swear I'm gonna kill this dwarf later.

He gave me the paper bag which made my eyes widened.

Him and the cashier took selfies and after that she thanked him.

When he walked back at me I throw the paper bag at himself.

"Assistant Huh?!!Maybe you forgot you hostage my phone so that I'll come with you and now I'm your assistant?!!?"i asked pissed off.

"I'm sorry ok...I can't tell her 'Oh she's Rylie from Dark Alpha and she just come with me because I hostage her phone' is that what you want me to tell her?"he asked.

Well he has a point...but still!

"Ugh!Whatever!Where do you want to do next?"I asked

"Well probably eat...I know a good restaurant here in the mall let's go!"he said and held my wrist while started walking.

I feel myself cheeks burn because of his moves.

We ended our walk in a chicken restaurant...

Ed's Chicken?

I've never been here before....maybe it's new?

He ask for a private room so that we can eat without hiding our face...because who can eat with face mask on?

After we ordered some..fried chicken,hot chicken wings,and chicken barbecue the waiter leave us and we removed our face mask.

I'm just focused on my phone and trying not to look at him.

Until I feel pair of hands in my left hand.

I look at Chris who's pouting like a kid in front of me.

"What?"I asked and raised my eyebrow

"Please don't be mad at me."he said with puppy eyes.

God if I can't control myself I'll forget that he called me as his assistant and pinched his cute cheeks and kiss his- what?!?!What are you thinking Rylie?

"After what you have done to me?No!"I said and removed my hand under his.

"Please!!!"he did some cute faces which is OMG!so cute!i just want to keep him in my pocket and bring him anywhere.

"Ugh!!Fine!"I said giving up.

Like who could resist his cute face...but sometimes I kinda think if the person in the stage performing.

We've been staring at each other for long time.

Until we heard a knock on the door indicating that the food is there.

We covered our face and told the waiter to come in.He put the food on our table and leave.

We started eating but I can't help myself looking at him.

He's...

Cute!

????? POV

"So Jane is pregnant again with Theodore's children?"I asked

"Well that's what they said in the press conference"??? Said.

"I have to do something with that Jane and their little angels inside her!"I exclaimed.

Chapter 41

Jane's POV

After the press conference people started talking about me and Theodore in the internet.They started making false news,but some news they spread are most of it were right.

But there's this one news that catches my eyes every time I saw that news.

It said that....

The reason why Theodore didn't knew about my pregnancy before is that Theodore dated Nillete before.And some people knew about that and they make it the reason why Theodore didn't knew.

They even made me a slut or whore because they said Theodore and Nillete are together before but I ruined it?!?

What?!?!Liars!Fake News!Ughh!

I don't know whatever happening in me right now.Maybe pregnancy hormones because if you didn't know I'm 5 weeks pregnant now and me,Theodore and Thane is loving it.Even Laine and Rylie are complaining because they said I become more moody.And if we're having practice the company told me to take it easy on practicing specially I'm carrying two angels.

I'm watching Thane playing with my members as well as the youngest of Clash when my phone buzzed.

I look at it and saw a message.

Unknown:

Be careful Jane Zole. Be careful with the 'angels' inside you

I look at the surrounding before breathing heavily.My eyes got teary for I don't know reason.

Then my phone buzzed again.

Unknown:

You made a wrong decision of letting Theodore fuck you again.Because I'm telling you..No!Im warning you...you'll lose those angels.

With that I broke into tears.My hands are covering my mouth while crying.

Laine,Justin,Chris,and Rylie looked at me

"Jane,what's wrong?"Rylie asked while rubbing my back.

"Jane,What happened?"Laine asked her face getting worried.

"Mommy why are you crying?"Thane asked fans I hugged her.

"What's wrong here?Jane what happened?"because of my crying I didn't realize that Justin immediately run towards Theodore that is in the kitchen together with Jake and Patrick.

To tell that I'm crying.

I covered my arms around Theodore waist and he secured me around his arms and I continued crying.

"Jane,tell me what wrong?"he asked me while he lift my head and made me face him.

I reach for my phone and showed him the text.

Theodore's POV

As soon as I read the text my eyes widened and my blood boils.

"Who's this?!?Who did this?!?"I asked in Jane.

"I-i don't know."Jane replied while crying.

"We need to find out who's this!"I said while my hands are shaking while holding the phone.

"Let me look,Theodore."Sam And Halse also came to us.

Sam reach for the phone and I gave him the phone.

It took for a moments before Sam spoke

"Theodore,do you anyone that could hate Jane?"Sam asked and I looked at Jane.

"Do you know anyone Jane?"I asked her.

"I-I d-don't know."she said while still crying.

It kinda break my heart when she's crying

Thane is there hugging Jane from the back while Jane is facing me.

Olivia's POV

I feel pity for Jane.It's just look hard for me when I saw my members crying or getting hurt because I'm the oldest and being the eldest isn't really easy.You have to be brave and be cheerful so your members won't feel down.

I feel my eyes getting teary maybe because of the sight of Jane crying until a traitor tear drops from my eyes.

I just can't really help crying while seeing my members crying.

I walked to the kitchen and grab a glass and pout some water in it.

I drink the water and closed my eyes before I sigh.

Until I heard someone spoke that almost made drop the glass.

"Eldest problem?"I look at the kitchen table and saw Jake asked while resting his palms in the table.

"I don't know how to act when I saw my members crying.I'm the eldest and of course I have to be strong for them."I said then sigh.

He walked towards my direction and rest his back in the kitchen counter that I'm leaning on.

"We feel the same...when Theodore cried when Thane got mad at him because of Nillete he cant stop crying and he don't want to eat."Jake said while feeling comfortable on his position then smile and shake his head.

"Hayst!Im being too emotional,we should go back to them."but before I could even walk he grab my wrist that made me swirl and turn around him.

It's like it turned slowmo that made me close my eyes because I don't know where will I end.

But when I opened my eyes..I only meet the most beautiful eyes in the world.

Our faces are inches apart I could feel his breath on my face.

He lean closer that made me step back..but he leaned closer and closer until I felt his lips on mine.

This is my first but it feels like this is the best kiss I will ever had.His soft plump lips in his pictures tasted and feels so soft.It feels like I'm already addicted in it.

Our kiss got heater and heater...we started tilting our heads...I felt his tongue aka for entrance in my mouth...I try to not let it pass but he won.

His tongue roamed every part of my mouth.

But before our kiss could go any deeper I stopped him by pushing his chest.

"I-I'm- I cut him off.

"No...it's fine...it's just...it's my first."I said and hid my face in embarrassment.

"Let's go back to them."I said and walked first leaving him in the kitchen.

Jane's PIV

After our little drama in the dorm we decided to walk for a while.My members just took care of Thane while me and Theodore went outside.

We didn't really need to hide anymore since the public knew about our little 'family' but still we need to hide our faces because if we don't we'll be chased after some fans.

I asked Theodore for an ice cream because it feels like I'll die if I didn't eat ice cream today and gladly Theodore agreed.Well he doesn't have choice.

"What flavor do you want?"Theodore asked while looking at the menu.

"You know it!"I said and smiled.

He nodded and ordered 2 ice cream...chocolate and milk...it's feels like we have a couple ice cream.

We walked in the table and start eating our ice cream until he talked.

"Jane ..?"he called me and just 'hmm' in response.

"What is our label?"he asked that made me stop from eating.

"You know...we have a family...Thane and our 2 more angles...so what's our label?"he asked again while fidgeting with his fingers

"It's ok if- I cut him off by his words.

"Boyfriend and girlfriend."I said and continue eating my ice cream.

"What?!?Really?!?"he asked surprise.

"Well it's at least what we can call...we're not married yet."I said in sarcastic tone.

"Yet?Why do you want to get married,Jane?"those words made me stop.I just realized what I've said and now regretting it.

"Well....I don't know."I said and shook my head while looking like pretty much enjoying my ice cream.

"I love you."he mumbled almost like he doesn't want me to hear it.

"I love you too."I said and he looked at me in surprise but I just smiled.

When we finished eating we stood up from the table but someone bumped into me....everything went slowmo...i feel myself getting out balance.I feel myself about to fall but a pair of arms catches me.

"You ok?"Theodore asked and I just nodded

"Watch where you're going!"Theodore said in the girl who bumped into me that is wearing a hoodie and covering her face.

I touched my stomach and think about my angels.

???? POV

I almost make her drop!

If Theodore just isn't there!

Chapter 42

Rylie's POV

Jane and Theodore leave.The youngers are playing with Thane.The Rap line they called of Clash is....somewhere?I don't know.Olivia and Jake?They acted weird when they disappeared when Jane is crying.

They came back and become weird so weird.

They help with little stuff but don't look at each other.You can say it's weird.

Wonder what happened.

"More!"Chris said while placing the plate in the sink.

I'm cleaning the plates they used to eat some snacks.I'm almost done if he just didn't put that another one.He's sucking his finger getting rid of the small amounts of foods in his fingers.

I looked at him like I'm killing him in my imagination.But he just keep sucking his fingers while leaning close to the sink and smiling like an idiot when he taste some foods in his fingers.

He slowly look at me and remove his fingers from his mouth.He wiped it with the tissue and fixed himself.

"What?"he asked emotionless.

"Nothing!"I rolled my eyes and continue washing the plates.

"You wash so slow."he demanded.

I rolled my eyes and ignored him.

"If i were you- I cut him off.

"Then do it!Wash the plates!"I demanded.

I wiped my hands and march out the kitchen.

"Rylie!"

"Rylieeee!"

"Rylie Malic!!"

"Rylie Malic of Dark Alpha!"

I heard him shouts my different names.How come he know about that?I didn't look back and match inside my room.

I plop down on the bed and covered my face with pilllow.And there...I scream.

"AGHHH!!!!UGH!!!!!CHRISTIAN BALED!!!!!!!!!!"I shout in anger

"YOU LITTLE DWARF!!!YOU'RE SHORTER THAN ME!!!!!!YOU SMALL MAN!!!!!!!"I shout again until I heard a knock.

"Pasta?"I looked at the door and sit on my bed.

I raised my eyebrow.

"Pasta...please let me in...I'm sorry if I pissed you off."now I know who's this..

"Go away!"I shout and covered myself in sheets.

"Please....I'm sorry...don't be mad at me."he pleased.

"I said go away!"I shout again.

"If you don't let me in I'll sit here!"he said

I got really pissed and I stood up and walked towards the door.

I opened it and saw him standing there's looking so....adorable?Handsome?Hot?Worry?Sad?

I don't know.

He immediately stood up brush the back of his pants because of the dusts in the floor.

I can sense worry and surprise in his face.

I rolled my eyes and walked back to my bed and he just followed me.

I sat down on my bed.

"Jane....it's been 2 years already.Forget about it!"Theodore said and I can sense his worry and through his voice.

"Jane.....just please accept it...it'll be gone soon."I heard Olivia said.

We are all taken back when we heard the cries.....

Of the twin.

"Omg!They're awake!"I said and rushed towards the twins room.

When I entered the room Thane is already there trying to keep the twins stop crying.

"Mommy they won't stop crying."the almost 6 years old Thane said.

"I'll handle it."I said an smiled I lift Timothy up and surround her with my arms.

"Theodore,please handle Matheo."I said.

I heard Theodore chuckle before walking towards Matheo's crib and lifting him up.

"Sshh~"I said while slowly bouncing Timothy in my arms.

"Gglglglglgl~"I looked at Theo who's making those noises he's trying to make Matheo stop.

"Glglglshseaeayscha~"Theodore continued.

I stopped rocking Timothy and look at him.

Theodore is rubbing his nose together with Matheo's nose....he's smiling like an idiot.

Trying to Stop Matheo from crying.But it seemed working.Timothy also stop crying and drift to sleep as well as Matheo.

We slowly put the twins in the crib.When we finish Theodore dusted his hands like he do some work and put his arms in his waist like he did a very good job.

Then he slowly look at us that all looking at him like judging him.He put down his hands and his seemed confused his mouth turned 'O' and he blink continues.

"What?"he ask dumbfounded.

"You really make those noises and face to stop Matheo form crying?"I asked.

"Uhm...yeah!Is there something wrong with it?"he ask with a little pout.

"Nothing....definitely nothing."Sam sarcastically said and scratch his nape before chuckling and leaving the room followed by Patrick and Halse with the others.

When they leave he looked at me and pout before making the 'tsk' sound.

"Is there wrong with that?"he asked again with pout but now more cuter.

"They told you...nothing."I said before turning around to face Timothy and fixed him in the bed.

"Whyyyyy???"he whines cutely.

Is this man in my side is really a 23 years old?The man that have a deep voice?The Gucci king?The Visual king?The living anime?And the father of my children?

"Because.....you act weird when you're making Matheo stop crying....that's why."I said.

He just made an 'O' shaped mouth while nodding.

"And what's wrong with that?"he asked again

Seriously..?

"Because.....it's weird ok?"I said running out of explanation.

I started fixing the twins stuff because it's messy.

"Jane ..?"he called and I just 'hmm' in response while still fixing things.

Until a pair of arms surrounds my waist.I looked at Theodore who put his head in my shoulders.

"What wrong?"I asked

"Nothing."he replied and I just nodded and continue what I'm doing.

"Jane..?"Theodore called again.

"Yes?"I replied.

"Can we go out later?"he asked.

"Where?"I asked.

"Let's go to the Grande Luxury Restaurant."he said.

"Isn't there....kinda expensive?"I asked.

Ok...I'm an idol...both we are.He's famous all over the world and I'm sure he have that amount of money to eat there as well as me.Nut I don't really kinda like going to too much expensive restaurant.I like just simple burgers and fries.

"Pleaseee!"he pleaded

I chuckled a little bit before nodding and facing him.

"Fine.....what time are we going there?"I asked.

"Later....7:30pm....leave Thane and the twins with our band mates."he said before kissing my forehead.

(Time skip)

Theodore' POV

Gladly Jane agreed to go with me.And Chris and Justin has been planning all this since the twins is born.But both of our group seemed too busy this past year that's why It takes me a long time before I can finally do our plan.

"You can do this!"I said to myself in the mirror while fixing my suits.

A knock on the door was heard.

"Wow!Theo, you seemed ready."Justin said.

"Our Theodore is finally a grown man now."Chris teased.

"Chris,I've been grown man since....uhhhhh....I don't know...hehehhehehe."I said and we all laugh.

"Good luck,Theo."Justin said then give me a little punch at my back.

"Yeah goodluck!"Chris said before leaving my room.

Jane's POV

I wore a simple black dress with a gold belt and little showing my shoulders.What could actually happen tonight?I hope it's not a major thing because I'm just wearing a simple black dress.

"Mommy are you sure I can't come?"Thane ask while sitting in the bed.

"Baby...daddy said that you'll stay here with aunties and uncles."i said calmlyz

"Ok.....but can I invite someones?"she ask

"Who?"i asked

"I'll call auntie Yllona,Michelle ,And Hailee."she said happily.

"Ok.....but if they're busy don't be stubborn and just play with your aunties here ok?"I said and she nodded cutely before leaving the room..Maybe she'll play with the twins again

I'm fixing myself when the door opened

"ThaneWhat- I can't able to finish my sentence when I didn't see Thane on the door and I saw a beautiful man..Theodore ...my boyfriend.

"You look so beautiful."he complimented.

"Thanks....you too."I said and smile before standing up and walking towards him.

"Let's go?"he ask and I nodded.

I grab my purse and we head outside the room.

As we entered the living room everyone looked at us.

"Wow,Jane...you look great!"Laine said before giving a thumbs up.

"That's dress really suit you,Jane."Rylie said before looking back at the twins.

"Theodore,you look good in that suit."Patrick said and smiled.

"Thanks Pat...we'll leave now."Theodore said.

I kissed my twins on the forehead and kiss Thane on the cheeks before biding goodbye to them.

Me and Theodore rode their van with someone driving.Theodore sat beside me.In the middle of our ride Theodore intertwined our hands that made me look at him.

"You look gorgeous."he said and I know I blushes through that.

"Thanks."I said.

Moment after we arrive at the restaurant.

We are greeted by the waiters....they guided us to,I assume Theodore reserved table.

Another waiter approached us and gave us the menu.

After we gave our orders me and Theodore started a conversation.

"So Jane ....Uhm...what are your plans in the future?"he ask.

"Uhm.....I don't know...maybe opening my own fashion line?"I said not sure.

"Oh...what about our future?"Theodore ask and I got confused.

"What do you mean?"I asked but he just smiled.

He clicked his finger looking like signaling something until a cake was served in front of us.

My eyes immediately widened to what is written on the cake and the next thing I knew is Theodore on his knees in front of me.

"Jane Zole ...I know I've been an asshole in the start.That I made a mistake to you and our daughter,Thane.But I promise you....now that we have 3 children I'll be e good father,good lover,and a good husband to you....so Jane Zole.....

Will you marry me?"

My eyes turned immediately watery.The sudden proposal made me emotional.My hands covering my mouth while my eyes keep producing tears and Theodore who's standing in front of me holding a red velvet box with beautiful ring inside.

My head started nodding.

"Yes Theodore !Yes I'll Marry you!"I said and hugged him.

He stood up and reach for my left hand and put the ring in my ring finger.

Then we kissed passionately....the audience start clapping and cheering for us.Soon we pull from the kiss and he connect our forehead while we're both crying.

"I love you Jane Zole."

"I love you too,Theodore Molez"

Chapter 44

Jane's POV

How about that?!

Finally our performance is finished for the Billboard Music Award.We went backstage and as soon as we arrived backstage the staff clapped their hands for us and smile at u.We bow to them as a sign of being thankful.

We went to our dressing room and fix our make up the make up artist wipe our tears.After we retouch our make up I grab my Gucci bag and went out to the room as we were about to leave the backstage I thought about my phone and realized that I left it in the dressing room.

"Uhmm..you guys go now I just forgot something."I said to my members and they just nodded.

Due to my rush I left my Gucci bag near the stage on the chair since their are staff that saw that it's mine.

I rush towards to the dressing room and grab my phone.As I was walking to go to get my bag a male group was their talking,until I realize who it was

Z Clash.

I was walking towards their direction to get my bag but one of their members was holding my Gucci bag.

That made my fist clenched.

No one touches my Gucci.

Theodore's POV

We were now heading to the backstage cause we're preparing for our performance as I went on backstage something called my eye.

"Gucci bag?"I said while raising my eyebrow.

"What it is,Theo?"Justin asked.

"Isn't that Gucci?"I asked him while pointing to the bag.

"Oh come on'!This boy really know Gucci!"Halse said laughing a bit.

I went near the bag and inspect it I saw every detail of it,the lace,the zipper,and the logo.

"Who left this here?"I said.

"Theo,maybe that thing belongs to an idol."Jungkook said.

"Well maybe,but why would they leave their bag specially Gucci bag here?"I asked until a girl came closer to us.

"Uhm,I think you're holding my bag."Jane said.

"Oh is this yours?"I ask while looking at her bag.

"Yes.""she said and smile.

I know now she's just holding her anger...

Because even she's now my wife she still don't want someone touching her Gucci.

"You want this back?Meet me at our dressing room later."I said and walk away from her and my members follow me.

"You're Gucci is in danger."I heard Chris said which made me chuckle.

By now I know Jane will be mad at me.But I know I'll make it up to her again....by the power of love.

Jane's POV

If I just don't love that bastard.I'll probably kill him .But hold yourself you can't shout at him in the middle of the award show even you two are married now you still can't...that will be ridiculous.

"Jane,why took you so long?"Laine asked.

"Oh nothing...you know some little problems."I said and smiled.

Soon after Z Clash performed their song.

Oh Baby just bring it on!Bring it,bring it on!

And with that the crowd turn chaotic and you can only hear screams of their fandom.

When their song started my eyes immediately caught by my husband.

He looked so good in black hair.....and his clothes.

My eyes caught on how Ryeli cheeks turn red when Chris is in the screen smiling.And Lisa who secretly clapping when it's Justin part while Jisoo unnie is clapping while smiling on

'Why don't you come with me?'

Which is Jake's part.

Weird...

Let's bring this On.

The crowd turn animalistic specially when Chris stick out his tongue out at the ending.

Rylie is there in blushing mess while covering her face.She didn't knew it'll be more obvious.

The awards show is finally finished and of course I immediately rush to Clash's dressing room.

I knock first of course before entering and when the door opened they are all ready...it's like there expecting me to come.

"Where my bag?"I came directly to the point.

"Oh not so fast baby."Theodore said before walking towards me with his eyes being so...attractive?

He step forwards approaching me....but I just step backwards....until the wall hit my back.

I heard his members said 'Ohhh'.

"Theodore,I'll Go somewhere"Patrick said.

"Yeah me too."Sam said leaving the room.

"Me too."Halse said.

"I'll go somewhere."Chris said.

"Gonna go somewhere,Theo."Justin said patting Theo at his back.

"Me too."Jake said before they leave the dressing room that only me and Theodore inside.

"So since my members aren't here..shall we..?"he ask in a husky voice.

But I just push him.

"Yah Theodore Molez!We already have 3 children....so shut up!And what if that Nillete attack me again!!?"I exclaimed.

"Jane,Nillete is already in the cell she'll not gonna attack you again."well you heard it...after me and Theodore got married one of Nillete's members,Jacky reported to the police that Nillete is the one who's behind the crime which lead me to having scars on my stomach.

"Still..!"I said.

"Now give me my bag!"I said while giving him the sign by pushing my hands in front of him.

"Fine.."he said giving up.

He handled me my while pouting...I smiled at his cuteness before I kiss his cheeks.

He's mood immediately lightened .

"Thanks."I said before living their dressing room.
