Chapter 1

Nillie's POV

Hi my name is Nillie Smith, I'm from New York, but I recently move in San Francisco for my college,I'm a transfer.I'm studying at University of San Francisco,but today is my first day I'm kinda nervous because I don't know anyone at school but hopefully I can make friends.

"Nillie, get down here now or you'll be late at school."I heard my mom shout from downstairs.

"I'm coming mom!"I shouted back I stand up from my seat and grab my bag.

"Are you ready for school?"my mom ask,I already ate breakfast and I'm on my uniform now.

"Of course mom."i replied,

"Goodluck on your first day of school make some friends." my mom said and I bid her goodbye and went out the house.

<<<time skip>>>

As enter the university there's a lot of student,they were chit chatting,some are running,some are making friends and some are just a normal student.

Entered the room that I'm gonna be in,there's only few students in there and I sit on one of them.

A student came closer to me.

"Hi My name is Mykie Joe." she said while offering her hand on me.

"Hi I'm Nillie Smith, from New York originally."I introduce myself.

"I'm from Chicago."she replied.

"Can we be friends?"she asked.

"Of course we can."I replied.

Kriiiiiiiing!

The bell rang and all the student came on their seats and entered their room.

Our teacher entered our room.

"Good morning class,today we have a new student please introduce- she was cut off by a boy who's entered the room.

"Sorry Maam I'm late.”he said,he's breathing heavily and he has allot of sweat in his forehead.

"It's ok Mr. Yuhan Bale now seat beside Ms. Smith.”our teacher said.

He have a intimidating aura,he's so white,yet not so tall.

Before he sit beside me he look at me

"Does anyone sit here?"he asked

"N-no one."I replied,

Then he put his bag and sit beside me.

"As I was saying we have a new student,please I introduce yourself."my teacher said while looking at me.

"Uhm...Hi my name is Im Nillie,im from New York.”I said then sit again and the teacher start the class.

Ring ring ring!

Finally it's break time,we exited the room and went on the canteen,as me and Mykie entered the canteen we saw a lot of students,they are chit chatting,and of course eating.Me and Mykie sit on the available table and we ordered our food,and start eating.

"So why did you move here in San Francisco if you live in New York,Aren't living in New York is great?" Mykie asked.

"Well you see my mom is sick and we kinda need to save up money if we stay there we might need to spend more money on other things. You know, it’s kinda hard to pay for stuffs,that's why we decided to just go here in San Francisco, since we have a small house here so we don’t have to pay rent."I replied.

"Do you know anyone here except me?"I asked her.

"Well no really,I just know few but we're not close.”she replied.

"You know about the basketball team.”she added.

"What basketball team?"I asked.

"Tiger Wolves,”Mykie replied.

"Oh,how many are they in the team?"I asked.

"There are seven of them,Jake,Nathan, Hanz,Josh,Tyler,Jeff and their leader Yuhan.”I was shocked by the last member of the team.

"Yuhan?As in Yuhan Bale in our class?"I askedz

"Yes,is there problem?Do you know him?"Mykie asked.

"Isn't he too short to be a basketball player?"I asked.

"Cmon Nillie!Dont judge him because of his height,we'll watch their practice when we have a time so you can see how good he is.And they are very popular here in the University." Mykie said while munching on her food.

Untold l we heard screams and squeals from the entrance of the canteen.

We saw them,the Tiger Wolve.

"Isn't that Tiger Wolves?"I asked while pointing at them 7.

"How'd you know?"Mykie asked.

"Duh it's on their jerseys."I replied.

"Their good looking right?"Mykie asked.

"Yeah,"I replied focusing back on my food.

"Specially Hanz." Mykie said while putting her hand on her chin looking like day dreaming.

"What?"I asked her in confusionz

"U-Uhm n-nothing."she replied.

"You like Hanz right?"I asked while smirking .

"Huh?Of course not." Mykie Replied.

"Really?"I asked raising my eyebrow.

"Cmon Nillie, hust eat."she said.

I laugh at her reaction until my attention came back to the boys.

He's handsome though

Chapter 2

Nillie's POV

We're now at the classroom while listening to our Biology teacher.

I don't really find biology interesting.But I though I'm the only who's not interested guess I was wrong.

I saw Yuhan sleeping at his chair,his head was on his arms.

"Yuhan!"I whispered shout to him.

"Yuhan!"this time much louder.

"Yuhan wake up!"I said then kick his chair,finally he woke up.

"What it is bunny?"my checks turned red to the way he call him.

"Don't sleep on the class you sleepy head."I replied to him.

"Don't tell me what to do,I'll sleep if I want."he said.

"Fine but-I was cut off by my words.

"Yuhan! Nillie!Detention after class 2 hours!"the teacher said.

Yuhan looks so pissed of by that,he shot me with his glares that can kill.

After the class,I immediately run out the room and started running on the corridor,until..

"OUCH!"I shout as I tripped on someone's foot then drop on somebody.

"What the fvck."I easily recognized his voice.

"Yuhan?"my eyes widened when I saw his face.

"Duh. Get off me."he said and I immediately stand.

"You're heavy didn't you know that?"It hit my sensitive part. He hurt my feelings,I'm really afraid to be called fat,I'm not used to someone calling me fat even heavy.

I immediately walk away from him and start walking through the detention room.

"No sorry?"he shout but I didn't look back.

As I enter the detention room I sat down on one of the seats and wait until the time is done.

Moments after he arrived then seat beside me.

I didn't bother to look at him nor talk.

I heard him sigh.

"Look I'm sorry I didn't mean to call you heavy,it's just..."he stopped talking.

"No it's fine I'm fat anyways."I said.

"No no,it's not that,don't call yourself fat because you're not."even I can't see my face now I know I blushed because of his words.

"And I'm not just used to too much skin touch that's why I said that."he said while looking down.

"No it's fine,I understand."I replied.

"Btw maybe you don't know me I'm- I cut him off

"Yuhan Bale,basketball player of Tiger Wolves."I said.

"Are you a stalker of mine?"he asked raising an eyebrow.

"What?!Of course not!"I said.

"Really?"he asked.

"Really!"I replied.

"Fine,I have no time to talk too much."he said then lean on the table.

"You still don't have time to talk too much but we already talk too much and your still sleepy you just sleep at the whole class." I said but I didn't receive a reply until I heard his cute snores.

"Cute,"I mumbled.

After 2 hours

Finally we're out of the detention,after we went out Yuhan immediately run.

"Nillie!"I heard Mykie shout.

"What happen?Did you two did something?Or did you do something to him that's why he run- I cut her of by a slap on her arm.

"Ouch Nillie, that hurts." she said while rubbing her arm.

"Why would I do something to him?Its not like we're close,we didn't even talk too much." I said.

"Just asking,I'm just curious why he run."she said.

"Oh wait!I know now,they have a basketball practice now,do you perhaps want to watch?"she asked me.

"Sure I don't mind."I replied then she pull me and we start running.

As we enter the gymnasium there's a lot of students in their but mostly are girls.

They start cheering and shouting for the players.

"GO Tyler Mill!"

"Jefferson You're so Handsome!"

"NATHAN KERL YOUR SO TALL YOU CAN REACH THE SKY!"

"KRIS JAKE YOUR SO HANDSOME!"

"HANZ JAN YOUR DIMPLES ARE DEEPER THAN A DEEP HOLE!"

"JOSH PORLEY YOU'RE SO CUTE TO BE A BASKETBALL PLAYER!"

"YUHAN YOU'RE THE BEST!"

"YUHAN GO GO GO YUHAN!"

I was surprised by their fans,some of them even fake fainted when Jake blew a kiss on their fans.

"Mykie!"I shout but she seems didn't hear it.

"Mykie!"I shouted this time she heard it.

"Yes Nillie ?"she asked.

"Can we go now there's a lot of people in here."I said.

"Can we stay a little longer here?" she asked then pout.

"Fine you can stay but can I juts leave I'll wait you outside."I said

"Sure Nillie."she replied and by that I live the gymnasium.

I walk towards the field,I saw some uniforms in their not just ordinary uniform but basketball uniforms, more like Jerseys.

I walk towards it and look at it,it says Tiger Wolves

"SQUEEEEK!"I accidentally ripped his jersey

It was half damaged,the shirt was ripped because of the net.

"Oh no," I sigh.

Until I hear a shout.

"YOW!WHAT DID YOU DO?!?"

Chapter 3

Nillie's POV

"YOW WHAT DID YOU DO?!" I heard Yuhan's shout from afar.

"Did you know how important my jerseys for me?!"he asked in annoyed tone.

"I-I'm s-sorry I-I didn't-" he cut me off.

"You didn't mean it?!?Did you know what you did?You ripped my jersey and we're gonna wear this at the upcoming game."he shout.

I'm holding my tears from falling but a traitor tear still falls

"I'm sorry I really didn't mean it." I said lowering my head.

Yuhan's POV

"I'm sorry I really didn't mean it." she said lowering her head but I can't still see her tears falling,she wiped it off.

"If you want I'll pay for it."she said now lifting her gaze I can see her now tears eyes.

I sigh before speaking.

"No need to pay for it."I said

"Really?!?!i'm really really sorry for your jersey, promise I won't-" I cut her off.

"BUT! In one condition." I said.

"What it is?"her expression change.

"Starting tomorrow you'll be my servant,you'll hold my bag,my towel,my water bottle and come with me in my practices." I statedZ

"Deal!"she said cheerfully.

"Are you sure?"I confusedly ask, did she just really accept that'

"Yes!"she replied now her expression is no longer sad.

"If you say so." I replied and about to

leave when she speaks.

"Is your practice already done?Maybe we can get some ice cream for my peace offering." she said and I smiled and turn around.

"Sure!I'll get my bag."I said.

And run towards the gymnasium.

Our practice is already done few minutes ago,I went on y team mates and get my bag.

"Bro, Yu, you're leaving already?" Hanz asked,

"Yeah," I replied.

"Going somewhere, Yu?" Nathan asked.

"Not really just gonna eat some ice cream with Nillie Smith." I replied packing my stuff.

"Looks like Yuhan have his new girl now." Jake said patting my shouldersz

"She's not my girl." I said looking at them.

"Really Yu?Then Why are you gonna eat ice cream with her?" Josh asked.

"Because she accidentally ripped my jersey,and this is her peace offering."I replied.

"Your jersey, Yu?Aren't your jerseys are super important to you?Last time I remember you almost get into a fight with someone when he spilled cola on your jersey.Or the girl that accidentally put lipstick on your jersey that you even scared her on the locker room,and now your just gonna accept her ice cream as her peace offering?" Jefferson asked.

"It's not just that,we also agreed on other deal."I replied then put a smirked on my face.

"What it is Yuhan?" Tyler asked.

"You'll see." I replied.

"But I have to go now."I added them run back at the field.

Then there I saw her sitting on the ground,her bag was on her lap.

"Nillie Smith!"I shout,

"Yuhan there you are."she said then stood up.

"Where are you gonna treat me ice cream?"I asked.

"In the ice cream parlor near the school."she said.

"I don't really like ice cream there,I like the ice cream at the mall"I said.

"Uhmm...it's kinda far from my house but..ok.”she said.

"Let's go.”I said then start walking.

As we arrive at the bus stop,we're few inches away from each other and I feel the moment so awkward.

"You’re new here?"I asked.

And she nodded.

"Why did you-“ I was cut off when she speaks.

"Look Yuhan there's a bus already come on."she said.

I just follow her when she ride the bus,but the bus is already full,we just stood up.

A man came at her back,I can feel something wrong at the man because he's too close at her.

And I something came in my mind.

I move at her back so I'll be the one who's at her back and not the man anymore.

"I feel something wrong about the man at your back."I whispered at her.

"I also feel something wrong about him thanks.” she saidz

As we arrived outside the mall we entered the ice cream parlor.

"Good evening ma'am,sir,what is your order?"i waitress asked and started flirting with me,she starts bitting her lips.

Until an idea can in my mind again.

"Uhmm... babe what do you want?"I asked Nillie,the waitress reaction is so funny,while nayeon's reaction was so shocked.

"Uhmmm....strawberry please.”she said.

"I'll also get what my girlfriend ordered.”I said and the waitress walk away form us.

"Uhmmm... I did that because the waitress is kinda flirting with me and it's kinda annoying.”I said scratching my nape.

"Uhm...ok.”she said.

And the atmosphere is so awkward that's why I decided to talk to her.

"Why did you move here at San Francisco? I heard you’re from New York City."I said.

"Uhmm my mom have a disease, and the doctor told us we need to save up money because the bill will be so expensive. And in New York we live in an apartment but here we have a house. So we can save up at least a little.”she said.

My mouth turn into 'O' shaped

"Uhm..-“ I was cut off when the waitress arrived with our orders.

As Nillie got her order she start eating it,I can't help but to look at her and her bunny teeth.

Until some ice cream got on her cheeks

She looked at me and stop eating.

"Is something wrong with me?"She asked

I get some napkins and start wiping her cheeksz

"T-thanks,” she said.

"By he wag sorry for your jerseys again.” she saidz

"Are you sure you want to be my servant?"I askedz

"Yes,I should accept your punishment.”she said.

"But I think my punishment is too much.”I said.

"No it's not,it's fine with me."she said.

"Ok as you say so."I said then start eating my ice cream.

As we finished our ice cream we head out the mall and it's already 6:45pm.

"Sorry again for your jersey Yuhan,I'll go home now.” she said and was about to leave when I speak.

"I'll take you home.”I said.

"W-what?No need Yuhan,I can manage.”she said.

"No I insist I'll take you home,I'm the one who said that we'll eat here but now it's kinda late so I'll take you home.”I said and she nodded.

The whole ride wa awkward and silent.

We reach their place.

"I'm ok now Yuhan,bye."she said and step in their house.

"You’re different."I mumbled.

Chapter 4

Yuhan's POV

As I arrived at school Nillie is still not there,I look at her around.

My neck twisted in different direction.

Until....

"YUHAN MA FRINED!"I hear Hanz shout from the gate.

"Yu, how's your ice cream date with this girl Nillie?"he asked and put his arms on my shoulders.

"Nothing much." I reply lifeless.

"So did something happen to you've?You know the usual Yuhan ,the leader of basketball Team Tiger Wolves,aka the Lover boy." Hanz said.

"What the, Hanz!We didn't do anything,we just ate ice cream."I replied to him.

"If you say so Bro." Hanz saidz

"Let's go now inside." I said and put my arms on his shoulder.

Until there I saw her.....

"Nillie Smith!"I shout running towards her.

"Ready?"I asked.

And she just look at me,confused.

"Ready for what?"she asked

"Your Day one as my servant." I said.

"Oh yeah...sure I'm ready." she said.

"Ok so your first thing you have to do."I said looking around.

"What is it?"she asked.

"Do something so that these girls stop looking and whispering about us."I said to her.

"Uhm...What should I do?"she asked.

"Think,"I said and put my arms on her shoulder that made her flinch.

"Uhm.... Babe lets go we'll be late for our class."she said then pull me I was surprised to what she said.

Nillie's POV

I regret it now,my stupid self!Did I just really said that?

Ugh! Nillie!

"To all things you can do that's really the idea that pop on your mind?" Yuhan asked while we're rushing.

"I'm sorry ok,it's just,I can't take too much attention."I replied.

"Didn't you realize because of that you'll be ok school headline,worse you'll be hate." he said na si stopped at my track.

"What do you mean I'll be hate?"i asked.

"Because you know...you called babe the basketball leader of Tiger Wolves that have so much fangirls."he said.

"I don't care about your fangirls."I said confidently.

"Wow!Strong girl!I like it."he replied with husky voice.

I slap his shoulder.

"What was that for?"he asked.

"Nothing."I replied.

"Let's go know,we'll be late."he said and drag me in the room.

As we enter the room the students look at us...until I realize our hands are intertwined.

I quickly pull it from him.

"Why?"he asked.

"N-Nothing."why did you shutter Nillie?

"Are you faltered?"he asked little chuckling.

"W-what?Of course not!Why would I?"i asked

He just chuckled and walk towards hisfriends,leaving me alone at the door.

(((Time skip)))

It's now lunch break Yuhan immediately pull me and drag me somewhere.

"Where are you taking me?"I asked

"Cafeteria of course,where else?"he ask and I just keep silent

He chuckled a bit.

"Are thinking I'm going to do something to you?"I just keep silent again.

"You thought I'll do something to you?"he asked

And I just nodded.

He chuckled again.

"Do you think I'm that bad?"he asked.

"Do you think I can do that?"he added.

And I shook my head.

"Fine lets get faster they're already in cafeteria."I raised my eyebrow.

Yuhan's POV

As we arrived at the cafeteria,my boys are already there.

"Yuhan the leader man." Josh said waving his hand.

I drag Nillie on the sit beside me.

"Ok guys this is Nillie,she's from New York but she moved here in New York because of her mom please be good to her or I'll cut your dicks off." I said and they just nodded.

"Hi I'm Jake the eldest here."

"I'm Nathan,you can call me Nate."

"Hi, I'm Hanz, we can be friends if you want to."

"I'm Josh Porley."

"Tyler,you can call me T."

"Jefferson,the youngest here."

"Ok so you now everyone,now get us food."I said to Nillie.

"Wait Yu!Why are you making her get us food,we can do it on our own." Nathan said.

"Because she's my servant.”I replied.

"Oh ok,I'll get a sandwich.” Nathan said and Nillie nodded

"Us too," Tyler and Jeff said.

"I'll get sandwich as well.” Hanz dded

"I'll get some pasta ,and juice.” Jake said

And Nillie nodded.

"What about you Yuhan?"she asked

I look at her .

"I like... You," her eyes widened.

"W-what?"she asked confused.

"Nothing I said I like hotdogs,now go we're hungry.” she nodded and leave us 7

"So Yu are you for our game next week?" Hanz asked .

"Yea of course I am.”I replied

"What about your jersey?" Nathan asked.

"I'll do something about it."I replied.

"Why did you made her as your servant?" Tyler asked.

"She looks so innocent." Tyler added.

"Tyler just shut up.”I replied and he nodded.

"Besides that's her punishment for destroying my jersey.” I added

Until we heard a scream...

"AHHH!!!WHAT THE HECK?!?!!AREN'T YOU LOOKING AT YOUR WAY?!?" A girl screamed

We look at the direction where the scream came from

And we saw Nillie siting on the floorZ

"I-I'm sorry.”I heard Nillie said

"Can your sorry fix my clothes?And didn't you realize your fucking Spaghetti is hot?!!"the girl shout at Nillie which made my blood boil

The girl was about the slap Nillie when I stop her.

"DONT YOU EVER HURT NILLIE!!"I shout then let go harshly on her hand.

"She Just spill the spaghetti on you,no need to be that rude." Jake said.

"It's not just that,she spill on my favorite shirt,that girl need to be punish." she said then grab the juice and spill on Nillie. Nillie Just keep looking down.

"HEY STOP IT!!"i screamed and lift Nillie up so she can stand up.

"You can't do that to Nillie!"I shout at her.

"And why?!"she asked

"Because.. because...

She's my girl!"I shout then pull Nillie.

Chapter 5

Yuhan's POV

I'm now waiting outside the girl restroom,waiting for Nillie to finish changing her clothes.

Moments after she came out from the restroom.

I just stare at her,she's wearing my spare polo shirt that I kept on my locker.I look at her from head to toe.

"Does it look bad?"she asked and I just stare at her face

"Did I said it does?"I asked in a cold tone.

"Thnak you Tuhan for letting me borrow your polo,and thanks you for protecting me from those girls."she said giving me her smile with her bunny teeth.

"It's nothing,I just don't like seeing a girl being bullied."I replied and she just keep staring at me.

"Let's go now."I said coldly.

I began walking and I feel her presence at my back following.

"So Yuhan do you have a practice after school?"she asked.

"Yeah of course."I replied without looking at her

"Will it last till night?"she asked curiously.

"Yeah of course."I replied coldly getting kinda irritated and pissed off.

"Oh...does you always practice till night?"and by her 3rd question she pissed me off.

"Why do you asked so many question??! You don't have choice if we practice till night because you're my servant!!!"I walk faster and faster till I reach the gym.

I sit at the chairs and put down my bag beside me.

I rest my back at the chair and closed my eyes.

Until I receive a call and it's from Jake.I'm too tired to answer it but if I didn't answer it Jake wont cook food for us.

That's why I still answered it.

"Hello Jake."I said in a lazy tone.

"Hey Yuhan!where are you?Class is about to start and you're still not in your classroom."he said shouting that's why I pull my phone away form my ears.

"Chill Jake I just take some rest."I said.

"Rest?! Yuhan it's been 30 Minutes since recess and you still need rest?!"he asked pissed off.

"Ok...ok Jake I'll be back just stop shouting."I ended the call and walk back to the classroom.

As I entered the classroom the teacher is already there.

"Mr. Yuhan?Its been 30 Minutes since class start and you just came this time?!!" the teacher shout at me but I don't give a shit and sit so my chair,I saw Nillie but when our eyes met she look away.

"So I'm gonna talk about the trouble you caused at the cafeteria."the teacher started and I look at nayeon and I saw how her lips tremble.

"Ms. Nillie Smith,I would like to ask you what I happened."the teacher said and the students look at Nillie.

"Uhm....Maam...I didn't do anything bad...it's- Nillie was cut offs

"LIAR!! Maam she's the one who started it." the girl who spill juice on Nillie said.

"Yes Maam Nillie is the one who started it."another girl said I'm assuming it's one of the girl's friend.

"Is that true Ms. Smith?"our teacher asked.

Nillie stayed silent.

"I'll call that as a yes-" i didn't let our teacher finished her sentence and I stood up.

"That's not true Maam, they are the one who started it,Nillie just accidentally spill them the ramen but they intentionally spill her juice and that girl*pointing to the girl who spill Nillie juice*almost slap Nillie but i stop her."I stated.

Nillie's POV

I can't believe Yuhan stood up for me,after he get pissed off and leave me lately I thought he don't care for me but maybe I was wrong

"Let me repeat the question Ms. Nillie is what Mr.Yuhan said true?"our teachers asked me and I nodded .

"If that's the case,girl I need you two later at the principal's office."our teacher said to the girls who said I'm the one who started it.

"Ok now sit down and we'll start our class."Ms.Marlie, our teacher said.

(((((Time Skip)))))

The class is over now and it's 4:30pm Yuhan and his team have basketball practice now.

But Yuhan seemed still angry to me,he immediately leave the room and I just sigh.

I grab my bag but Mykie stopped

"Going somwhere Nillie?"she asked

"Uhm....Yes"I said then smile.

"Where?"she asked

"Uhm....somewhere."I said then smile and leave her.

I can still hear her calling me but I didn't look back.

Until.....

A hand grab wrist.

"Where are you going?"I saw Yuhan in his cold self.

"To the gym,you said you have a practice so I'm going."I said.

"Liar, you thought you can run away form me...no."he said then drag me and start walking

"No I'm really gonna go to the gym,you just leave the room already and I'm planning to straight to the gym."I explained.

"Fine...fine....just faster.."he said then start running.

We keep bumping on students but I'm just the one who only say sorry.

Until we reach the locker area for the basketball team.

"Hey Why did you bring me here?"I asked to him and he just opened his locker.

"Here bring this."he handed me a heavy bag.

"Is this your practice bag?"I asked.

"Yes,"he replied coldly.

"Lock the door."he said and I do what he said not thinking what he mean by that.

but I was surprise when...

He start stripping his clothes,I immediately look away

"W-what a-are y-you d-doing?"I want to kill myself for shuttering.

"Changing clothes duh!"he said.

Chapter 6

Nillie's POV

It's been weeks since I started to be Yuhan's servant...I can't say it's a little bit fun...but not the fun you're thinking.

But basically it's just about Yuhan's silent treatment,cold treatment,ignore treat-you name it!

And basically he's always pissed off..just 3 question then boom!He'll be mad already...

"Nillie Smith!" I snap out of my thoughts when Yuhan screamed from the court.

"Bring me my towel!"he said I immediately find the towel in his large bag and also get some water Incase..

"Faster!"he shout and I run but I accidentally tripped. I'm waiting for my self to drop in the floor but I just felt sweaty arms caught me I look up to see a pissed off Yuhan face.

"Idiot!"he murmured before snatching the towel from my hands...

"Here I have some water for you.."I silently said handing him the water bottle.

"Did I ask for it?"he coldly ask before throwing me his damp towel and run back to the court.

I just forced a smile then turn around...as I was walking..a ball hit my head making me fall...I winced in pain as I held my head..

"Are you okay miss?"I look up to see one of Yuhan's opponents.

"Y-Yes.."I stuttered and he help me to stand up..

"Btw I'm Mark..I'm from Star7 team...."he offered me his hands that I gladly accepted.

"N-Nillie.. Nillie Smith."I said and she nodded.

He was about to say something g when Yuhan shout.

"Yah! Mark !Dont Mind that idiot there!Lets start!"he shout and Mark nodded.

"See you around Nillie."he smiled and I nodded.

"See you around to Mark."as he heard that word he smile before running towards his play mates...

I return back to my previous sit and waited.

Until I heard someone gasped...

"Nilliei?"I look up and saw Mykie hands on her mouth.

"M-Mykie, what are you doing here?"I asked...she's doesn't still know that I'm Yuhan's servant...even others...because I know they warned me about their group but it's just my piece offering for Yuhan's Jersey.

"Nillie didn't we told you that stay away from TigerWolves? But now you're Yuhan's assistant,servant or what?Are you insane?"she sat down beside me.

"Look it's a long story but it's just my peace offering to Yuhan...cause I ripped his jersey.."her eyes widened.

"Are you serious Nillie?Because The last time I remember someone destroy his property he got called to the principal office for breaking one of the students jaw." Mykie said and I chuckle a little bit.

"I've been hearing that as well...but maybe he only does that to boys.."I replied.

"You know Samantha?" Mykie asked.

"No,"I replied innocently.

"She broke Yuhan's Jersey due to her too much fangirling.."she started.

"Then?"I replied

"She leave this school.." Mykie said.

"Why?"I asked confused.

"She got threatened...she got bullied and got some accidents...and as she leave we just knew that Yuhan is the mastermind.." Mykie explained and my jaw dropped.. Mykie looked at her wrist watch.

"I gotta go Nillie..I don't want to be home late.."she said and I nodded.

As she leave I didn't realize Yuhan is already in front do me until he flick my forehead.

"What the- oh Yuhan you're practice is finish?"I asked while caressing my forehead.

"Duh!of course.."he said before making an eye roll.

"Bring my bag..and lets go to the locker room.."he said and I nodded lifting the very heavy bag and started following him..

We started walking through the locker...and can I just say this..it smells like dumpster...ughh!

I covered my nose with my hands until we reached the part where it doesn't smell that bad anymore..

"Wait here.."he said before leaving me near the bench...I sat on the bench...I heard some water splashing here and there.

Some boys walk in front of me..I earn some stares but I don't care.

"Hey, quit fantasizing."I look up to see a new bathed Yuhan ,water dripping from his hair...and his upper body is visible since the towel is only covering his lower body.

I felt my cheeks heat up and immediately look away..

"Give me my clothes.."he said sternly

"Where?"I asked

"Inside the bag of course you idiot!"he said and I open his bag and got him a t-shirt and a pants..

"Boxer,"he said

"Huh?"I asked confused

"Boxer!of course I need it"he exclaimed and I immediately find a boxer inside his bag..I don't care what i fit but I immediately handed it to him..he just let out a 'tsk' sound before leaving.

I waited for some minutes until a felt a presence in front of me..

"Are we going- oh Mark!Hi!"I said as I realize it was Mark.

"Hey Nillie..What are you doing here?" asked

"Uhm...waiting for Yuhan.."I replied shortly my.

"Because you are his... girlfriend?"

"What?!No!"I immediately answered.

"Then what are you to him?"he asked.

"Uhm...servant.."I replied he's mouth turned o shape.

"Because?"he asked.

"Because I ripped his jersey.."I added and he nodded.

"Gladly you're still alive because-

"Because he beat up people who destroy his property.."I finished his sentence he nodded awkwardly.

I admit is a little awkward but at least he's answering my questions.

"You know-

"What are you doing here?"he look up to see a Yuhan with black expression.

"Ugh... Yuhan I'm just talking-

"I don't care..let's go!"he grab my wrist and started dragging me out the locker room.

"Wait!"I screamed and snatched my hands away fork him.

"Why are you like this?!I'm just talking to him!I just want some new friends!"I screamed.

"You don't need friends...their just all gonna leave you at the end.."he exclaimed.

"What are you so bitter?!Stop talking as if you know what real friendship is!With that personality of yours no one will like you!"I shout.

"I know.."he said sarcastically.

"You what friends? Fine! Youre allowed to have some friends but your not allowed to flirt with my opponents nor my members!"my jaw dropped.

"You think I'm flirting?"I asked.

"Isn't that what you are?A flir-

*SLAP

He's head turned to the other side..he laugh bitterly while I didn't notice my tears already escaping my eyes..

"I agree to be your servant to pay for my mistake.. but no one give you a permission to call me a flirt or sh*ts.."I said dropping his bag on the floor and running away.

3rd Person's POV

As Nillie leave Yuhan standing there..he felt a little pang on his chest..he felt guilty for calling Nillie a flirt..he didn't really mean to say that..it's just he can't believe that he's developing a feeling for the girl..

"Too sweet.."I said.

"Jewelry?" Josh said.

"Too expensive,"I said.

"Date?" Nathan said.

"Too fancy," I said.

"Ahhhhhh!!"I scream as I brush my hair in frustration...

"Why does this seems so hard?!?"I said as I can't write any song or poem for Nillie..

"Maybe because you can't focus at the moment?"I look at my door startled when Jake spoke...

"Jake. don't scare me like that.."I said

"Yuhan I know you've been writing and producing song since you were 14...now that you're older I know you can do better...but it seems that you're not on focus that's why you can't write one..."he exclaimed and I nodded.

"Maybe Jake you're right..but I don't know why I'm by focused.."I said and he nodded.

"What song re you really planning to right?"he asked then sit on my bed picking the scrambled paper at the floor and start reading some.

"Well basically apology song Jake ..."I said and start working again.

"But it seems that you're not writing an apology song...instead you're writing a love song." my eyes widened and snatch the paper from his hands...and it is..there's some sweet words and cringe words at my work... fuck.

"Aish!!!"I brush my hair with my hands

"I can't do this Jake.."I said and he looked at me then nod.

Where did I see him again?

Right!at the bar..I saw him at the bar when I pass by it..I grab my phone,wallet and house keys..I sneak out our dorm..gladly everyone's asleep..

"What happened?!"I saw some bruises in his face..

"Come on!I'll bring you to your dorm.."I said..I called another taxi I ask the driver to help me carry Yuhan inside the taxi.

"Jake, where's the first aid kit?"I asked Jake.

"In the bathroom.."he pointed and I nodded I went to the bathroom to get the kit then I also got some dipper with warm water and a towel.

When I got inside the room which I think they share it's empty except Yuhan who's laying on his bed..

I first cleaned himself..form his forehead,face,neck,then his chest,I slowly unbuttoned his polo then wipe his chest and stomach..fvck!His well tone rock abs!if I don't stop looking I might be drooling.So I shake my head and remove my dirty thoughts towards the drunken boy..after I clean him up I put some medicine on his bruises.

When I'm done I ask for some clothes and put him one..as I'm stroking his hair he started grunting and murmuring something..

"A-Are you saying something Yuhan?"I asked and I leaned closer to him.

"I'm serzhns"he murmured and I squinted my eyes and..

"What Yuhan ?i can't hear you.."I said then lean to him again..

"I'm sorry.”

Chapter 9

Huge time skip

Nillie’s POV

Years passed and I ended school,I'm now a office worker at a company here in New York .Me and Yuhan are now just nothing,our last interaction is when he's drunk which is almost a decade ago.

"Mom,I'll be going.."I said to my mom who's preparing breakfast..

"Here take this..I don't want you to be hungry.."she said and gave me the lunch box. I kissed her cheeks before leaving.

I rode a taxi reach my destination..I'm used to this,to a boring life,I'm back in New York as you can see,that means no more friends and more expenses .Another crowded surrounding.

"Good morning Ms. Smith."our guard said,our guard is almost on his 60's and he would always smile which always brighten up my day..

"Good morning Mr. Rial ..are there any news?"I whispered,what we mean by news are some gossips,don't get me wrong it's actually fun talking to this old man here..he's so cute while telling some gossips he's been hearing.

"Oh my Ms. Smith wait till lunch break and I have a lot of things to tell you.."he replied and I chuckled,I love oldies,grandmas and grandpas.

I went to my cubicle table,you know those table that looks like cubicles.Mine is far from the reality I mean,mine is almost at the last section.

So it will at least take me one and half minutes to reach that because before I could even my table people already starts giving me papers. Some application papers,of trainees.Im working at a agency where we find future idols.Or just some producers.

When I reach my table I immediately start sorting papers which have the marks that who will be rejected or accepted,I'm used to this.I feel bad for the one who got rejected,one time there's only 3 accepted.

And sometimes in a lucky batch of trainees almost all of them got accepted which makes me happy.But in today's case,i barely see a accepted mark.

"Finally!"I sighed when I saw a mark..

"Ok who do we have here.."I prepared my computer to type,cause my job is to insert the names of the ones who are accepted then we will pass it to the CEO.

"Nathan and the surname ..September 19,19...97."I said while typing...

"Jake and what's his surname? Oh here!December....17, 19..96?!" I stopped typing...I put the paper in the other side..I'm gonna ask my co workers if they got this own right cause..no offense this one's a little too old too train.

I checked the profile..no sign of music producing..but a acting and modeling is at his profile.Oh okay I get it.I put it in the folder back.

"Next.. Hanz and surname ?1997....February 24." I sighed..it seems like a lot had been accepted now..I know 3 is already a lot to me...is really once in a blue moon to accept this a lot..as I said one time no one got accepted..

"Josh Porley..October 23 ....1998." I typed

"Tyler and blah blah ..December.. 13, 1995." Oh they're the same age..how cute.

"Jefferson and another surname ...September 22 2000." A young one...maybe he'll train.

I grab the next paper..The fvck?!The name is almost unable to be read.

"Yu...Y-Yoa...-Yoan..ughh!!! I gave up! I'm gonna ask this one.."I stand up to my desk and walk over to my co worker who gave me this paper..

"Hey.. uhh can I ask...who's this? I mean I can't read his name.."I said and he look up, he's also busy,he's like the smart one in our office,he fixed his glasses before looking at the paper.

"Yuhan Bale..March 18,1993 easy,you should really wear glasses.."he gave me back the paper..I froze..Y-Yuhan?!

I run back to my desk and checked the names I typed.

"Nathan , Jake , Hanz , Josh, Tyler ,Jefferson and Yuhan ?!?"I read its them,,no way

"Nillie...are you done already?The boss need the report of yesterday's audition.."someone ask and I looked at their direction..

"Be there.."I replied and immediately typed Yuhan's name..

I gave them the file and went to the cafeteria to drink a cold water..I need one..

I sighed while holding the cup..he's here..they're here.

Chapter 10

Nillie's POV

I put down my bag and sigh...it's a long day from work..but at least Mr. Rial our guard is there to cheer me up.Lunch was fun for me since we are talking about some gossips..today's gossip is not really good for me but while Mr. Rial is talking we would smile and laugh..

"Have you seen the new trainees?"he asked then much into his lunch

"7 guys?"I said not sure because maybe he's talking different from what I'm thinking

"Yeah...they're a little bit oldie heheh."he laughed..he barely have teeth but it's cute

"You know Nillie they are very loud.."he said excitedly as if he really wants to tell me how noisy they were I'm excited too even I don't what to hear about them anymore...but we can't control things.

"Their is this one trainee..out of them seven he is the loudest and a little bit tall.."I narrowed my eyes...it could be Hanz but Hans's is a little bit small back in highschool...is it Jake?

"Have you heard what his name?"I asked then he look away as if he is thinking.

"I heard the coconut head one say Jake..so let's assume his name is Jake.."he said then took a bite of his lunch.

"Ahhh.. Jake."I said and he looked at me.

"You know them?"he asked confused.

"All of them seven..are my classmates from highschool.."I said an dhis eyes widened.

"Wow!Thats Good!You eight will reunite!"he cheerfully said but I could only laugh forcefully.

"You don't like them do you?"he said and I widened my eyes.

"Why do you mean?"I asked...

"You're smile is forced so that means you guys have problem...tell me..one of them is your ex right?"I chocked on my water the moment I heard his question...he even laugh when I started coughing.

"No!Why would I?i don't like anyone at them.."I fight..I'm not defensive.

"Really eh?I don't believe you!"he said and I laugh

"Welll if that's the case it's okay..I know to myself I'm not involve in any of them seven.."I said and he laugh.

"Nillie you've been here for a bit of years and you still don't have a boyfriend.."I choke once again.

"Grandpa..I don't like some.."I said and he give me a 'are you kidding me' look.

"You're a beautiful Nillie..I know someone will like you.."he said and my tears started to threaten to flow.

"You know grandpa let's finish our lunch...I have some works to do.."I said and he nodded we finish our lunch and bid goodbyes to each other before I return back to my cubicle.

But as I'm doing some works in my computer someone tapped my shoulder.

"Hey Nillie.."she called.

"Hey Jessica ..what's up?"I asked

"You know same old same old shits.."she replied and rolled her eyes I laughed at her

"Don't say those someone might hear you.."I said and she rolled her eyes again..

"By the way..boss said the new trainees will arrive later. You go help them.."she said and I furrowed my eyebrows.

"I'm confused...help them?Help with what?"I asked and Jessica rolled her eyes again.

"You know what Jes you're my best friend but if you keep rolling your eyes on my I will pull those out.."I threaten and she laughed.

"Ok ok chill...you go fetch the trainees at the with g area...bring them to the dance studio,vocal studio,they dorm,and last if the boss's office okay?"she said and I nodded she left and I work back but the. Her words sink in

I have to meet them,talk to them and be close to them?!?Noo!!!!!'

"They're here!Nillie!"Jessica screamed and my eyes widened.

"Uhm..Jes I have to go to the bathroom I'm feeling bad.."I lied I don't want to see them.she eyes me form head to toe.

"Liars go to hell.."she smirked and I give up.

"Ugh! I don't want to meet them.."I said and create a little tantrum.

"Nillie Smith you're not a child anymore.now go!"Jessica pushed me but I stopped.

"No!"I said sternly.

"Why don't you want to meet them?!?"she askedz

"Because...they're my highschool classmates..and I don't want to see them anymore.."I explained and she looked at me with 'the fuck' face.

"Bullshits!Go!!"she pushed me so hard then I almost fall I got no other choices than to go. I fixed myself. I don't want to but I need it's my job..as I became closer to the waiting area I heard they voices the familiar laughs and voices.

As I saw them at the couch talking and laughing...every memories came back.

Chapter 11

Nillie's OV

"Nillie li! Nillie!!Wake up!Its morning!"I scrunched my nose at the sudden noise.

"Five minutes Liehan .."I said and hugged one pillow

"No Nillie!Im hungwy!!"he said while shaking me

"Fine fine.."I said and sit up,he looked at me with big doe eyes..

I smiled at him.

"Did you sleep well?"I asked and he nodded.

"Let's go?"I asked and he jumped of the bed.

"I remember you have school today.."I said and reach his hand to help him walk.

"What do you want?"I asked.

"Uh...panackes!"he cheerfully said I smiled at his cuteness and laughed.

I made a pancake mix and start cooking it.

Liehan is like my sibling.Mom had him when I was graduating.Since I'm old that time and mom and dad is old too we didn't expect him to come.But here he is,living with me in New York,I insisted to mom and dad that I will be the one taking care of Liehan,I'm also the one who bring him to school and afford his education.

Time passed and I'm done cooking...I put some syrup and fruits on top of Liehan's pancake and serve it to him.

"Pancake's ready!"i cheerfully said,he almost jump on his sit in excitement and clapped his hands.

"How does it taste?"I asked and he only hummed.

"YUMMY!!!!"he raised the fork and screamed..I closed my eyes in little annoyance but he look so cute!

"Finish it up cause you'll take a bath okay?"I said and he nodded.

Minutes later he finished the food..I cleaned the table but only put the dishes in the sink. I lift Liehan up and walk towards the bathroom to give him his bath.

I change him into his school uniform and fix his hair.

Now time for me to get ready!

I closed the door of our apartment and held Liehan's hand..but it's a little hot.

"Are you okay Lie?"I asked and he pale looked at me he only nodded.

"Are you sure?"I asked worried,he doesn't look fine.

"Yes Nillie.."he replied and I nodded.

We rode a taxi to get into his school..I sent him to his classroom and talked to his teacher.

"Uh..Ms.Edward..if Liehan feel bad please call me immediately.."I said and the teacher smiledz

"Sure Ms. Smith ..are there anything else?"she asked and shake my headz

"That's all..thank you Ms.Edward."I thanked her and leave the school but making a glance at Liehan who's writing in his notebook.

I rode another taxi to reach up the company.As I enter Mr.Rial as usual smiling at me.

"Goodmorning Ms. Smith.."he smiled while checking my bag.

"Goodmorning too Mr. Rial..any news?" That's really gossips.

"Not yet..maybe later hehe.."he laughed at I smiled then entered the company..as usual..going to my fat cubicle and checking the auditions.

It's lunch break and me and the girls are talking..about you know some girls stuffs..cause at my age 24..girls are having some serious relationships,getting married etc.

But me,not having anyone in particular.So all I can do is listen to their stories about how lovely and perfect their relationship here.

Don't get me wrong I'm not a bitter person but it's just that I'm not interested in relationships,yet.

"Hey Nillie your phone is ringing!"my neighbor in cubicle said..I immediately run towards my cubicle and pick up the call..

"Hello?!?Ms.Edward?"I panicked answered.

"Ah yes Ms. Smith could you fetch Liehan here..he's been having stomach ache.."as long as I heard those I ended the call and rush to Liehan's school.

When I arrived there Liehan is at his teacher's lap crying..that has been his habit whenever he feel bad or sad he likes to cuddle or just be with someone.

"Hey Liehan..Nillie's here..don't cry.."I caressed his head..as long as he felt it he immediately faced me and cry.

"You can take him home now Ms. Smith..it's better is he's with you."Ms.Edward said.

"Thanks you Ms. Edward..Where's his bag?"i asked,Gladly Ms.Edward already prepared it and just get it from his side..she gave it to me and we bid goodbye to her.

As we're riding the taxi trough our house I remembered that my bag is at the office but gladly I have my wallet..but I still need to get it.

"Uh.. Lie is it okay if you come with me in the office?"I asked Liehan who's laying his head on my shoulder and his cheeks being squished ..he only nodded.

I told the driver to change the direction. Gladly it's still okay to make a u turn.

When we arrived at the company I immediately rushed inside with Liehan in my hands.

"Omg!Nillie What happened?"Jessica asked.

"He have a stomach ache..I need to get him home.."I said and fixed my thing.

"But Nillie..the boss said we have to finish our work today.."Jessica said and I looked at her..

"What do you mean?"I asked confused.

"He said that if we didn't finished it today there's a big chance that we'll get fired.."she replied..I looked at Liehan..

"Are you done already?"I asked..she slowly nodded.

"Uh..can you take care of Liehan while I'm doing my work?"I asked and her face light up..

"Of course Ni! Id love to!"she said,I laughed and smiled at her.

"Liehan stay with aunt Jes okay?I'll just do something.."Gladly Liehan is already closed with my co workers.

I'm making my coffee cause I highly need it when someone bumped to me.

"Oh sorry-

My word were cut of as I saw who I bumped to.

"Nillican we talk?" Yuhan asked and my mood suddenly darkens,he held my wrist.

"There's nothing to talk about Yuhan.."I snatched my hands off his hands and started walking.

"Please Nillie.."he chase me but I fasten my pace but he still caught me and held my wrist tightly.

"Ah! Yuhan get off me!"i tried to take my hands back.

"Don't act like the angry one here Nillie!You left me!You're the one who left me in San Francisco and I should have be the one to bee angry!"he said and raised his voice.

"I don't want to talk to you Yuhan!Now let me go!"i tried to fight back again.

"Yuhanget off!"I screamed.

"No Nillie!I want answers why did you leave me?!"he asked gritting his teeth.

"You don't have to know!"I screamed taking attentions from others.

"Don't hurt her!"I heard Liehan screamed..when I looked back I saw him running towards me and Jessica chasing him.

"Don't hurt my Nillie!"he pushed Yuhan's legs and stared punching it.

"No.. Liehan that's bad!"I stopped him..

"Don't hurt her!I'll fight you!!"he screamed and started squirming.

"Jessica take him.."I gave him to Jessica

"There's nothing we should talk about.."I said and finally left Yuhan.

Chapter 12

Months later

Nillie's POV

I was walking outside the company when someone suddenly grab my wrist and start dragging me somewhere.

"Get off me!"I screamed and try to escape the man's grip.

I can't tell who is this man because he is facing his back at me.

He's a bit tall and muscular.Thats why I can't get away from him.

He stopped dragging me at the parking lot..but he still didn't let go of my hands.

"She's here!"he screamed..then six other boy's walk towards us.

I started to shaking his in fear,who are they?!?

"We'll leave you two.."one of the man said,they leave me with the short guy.

He is wearing a face mask so I can't see his face,but few moments he finally removed it and my eyes widened.

"Yuhan?!Why did that man drag me here?!Are you trying to kidnap me?!"I shout but he kept silent

"I want to talk to you.."he coldly said.

"I already told you!I don't want to-

"But I want to!I need to!I need to know why you left me?!Why you suddenly disappeared?!"he shout and I shut my mouth.I started to feel guilt.

"I was a cold hearted boy back then,but when I met you you've changed me,you've changed the Yuhan Bale who is supposed to be a cruel boy.But whenever I saw you with Mark it breaks my heart. It breaks my heart into pieces.But now that we've meet again,I want my questions to be answered..why did you left me?Did I do something wrong?"his eyes are full of tears threatening to fall.

"I'm sorry Yuhan...but you really done something wrong.."I said.

"Then what is it?!I hope I can still fix it in order for you to come back to me.."he pleaded

"We can't be together again Yuhan...you're a trainee.."I explained he shook his head in disapproval.

"Then I'll stop..I'll stop in order for us to be together again.."his tears started falling to his white skin.

He held my hands tight.

"But please answer this question...w-who is the child from the last time?"he asked and the world stop.

This is the question I don't want to hear.

"He..h-he's my child.."I said..all this time whenever people will ask me about Liehan I would say that he is my brother..

"W-With who?You're married?!"he surprised asked...

"Y-Yes Yuhan...I'm sorry.."I removed his grip on my hands and started running.

I rode a taxi to pick up Liehan from school.

When we arrived home I shut the door and left Liehan at the sofa.

"Nillie what's for dinner?"I stopped my steps in the middle of the stairs when Liehan asked.

I poorly looked at him...

"I-I'll think about it okay?Just wait Nillie here.."I said and smile he nodded and continue to play..

I shut my door and rolled down the door.

I cried and cried my heart out.

"I'm sorry..I'm sorry Liehan.. mommy is sorry.."I sobbed..my parents didn't get that mad at me the time they knew I was pregnant..but it was me who can't believe that I ruined my life.

It was all my fault.. Yuhan was drunk that time,and we did it.And the product is Liehan.

At first I really can't believe it and want to abort Liehan so I can continue my study.

But the thought of regret haunting me everything I will sleep that I killed an innocent soul will kill me.

That's why I left San Francisco .Without Yuhan knowing,without Yuhan knowing that I'm carrying his off spring.

"Nillie? Nillie are you crying?"when I heard Liehan’s voice I just can't help but to cry again.

"Nillie please open the door..it's dark in here!I can't reach the lights.."he mean switch..I wipe my tears but I heard some loud cries so I immediately opened the door to see Liehan sitting at the floor crying..it is really dark.

"Oh please stop crying.. Nillie is sorry..stop now please.."I lift him up in my arms and started rocking him.

In Liehan's age he is a bit small,but the doctor said maybe because he got his father's gene.

"What does Liehan want for dinner?"I talked in baby voice to at least ease his sadness.

He stopped crying and look at me with a pout in his face.

"Pasta.."he replied cutely

"Then let's cook what my baby wants.."he is used on me calling him my baby,even though he only addresses me as his sister.

I guess I'm not still ready for the people who'll judge me

But now I have to think about Yuhan,I lied to him that I was married.

Chapter 13

Yuhan's POV

"Uhm...hi miss.."I smiled at the girl the Nillie usually is with.But she just rolled my eyes on me and walk away..i chased her.

"Where's Nillie?"I immediately asked when I get to stop her.

"Somewhere..."she coldly said and walked away but I chased her.

"Please where is she?"I plead I haven't seen Nillie this morning and now it's almost lunch time.

"At her house..she's day off,now leave me alone"she harshly pull her hands from me and I nod.

"Yu, where did you go?" Tyler asked me and I came back at the dance studio.

"I asked the girl that always with Nillie. "i shortly answered and grab a bottle of water

"Jessica ?" Tyler asked and I confusedly look at him...

"Why do you know her name?"I asked and she smiled at me showing his boxy smile.

"I asked her hehe."he said while scratching the back of his head.

"You're early dismissal today..there's something I really need to do..you can practice on your own if you want"our dance instructor said and leave.

Us seven just look at each other confused.

"Yeyyy!Lets stroll at the city Jeff!" Tyler cheerily said and grab his bag.

"That's a great idea T." Jeff said agreeing to what Tyler said and they both leave.

"I'm going home..I miss my pets." Jake said,I remember they're rich and they have a house at New York .

"What about you Yu? Any plans" Nathan asked me,I stood up and shrugged.

"Maybe stroll as well...I'll be going bye."I said and leave the dance studio.

"What do you want Yuhan Bale?" Jessica coldly asked.

"Uhm...can I ask Nillie's address?"i shyly asked,this girl is really getting on my nerve,if I just don't need something from her I'll probably snap at her for being cold like me.

"No...we're not allowed to give our co-workers address to some strangers."she said and fix the stack of papers at her desk.

"But I'm not a stranger to her,I'm her high school friend."I said and she eyed me from head to toe.

"Still no.."I took a deep breath and message my temples..what should I do to this girl?

"What if I treat you lunch?"I asked hoping for a yes.

"Uhm....no."she said without even looking at me...

"But you something.."I said and she finally looked at me.

"I want the limited edition Gucci bag"she said and my jaw dropped...G-Gucci?!L-Limited Edition?

I can't even buy a cup of noodles or buy a bus ticket to go home and she's asking me a Gucci bag?Oh hell no!

"No thanks.."I said and leave..that girl is out of her mind.

"Good morning."the guard greeted me with a smile on his face,I was already outside when I got an idea.

"Hey Uhm...are you close to Nillie Smith ?"I asked with a smile on my face.

He smiled at me brightly.

"Ah yes Ms. Smith ...why did you ask?"he said then took a sip of his coffee.

"Uhm..can I ask her address..I'm her friend from high school...uh I want to talk to her and ask if How is she doing because she's busy when she's here so I thought if visiting her."I think I have explain too much that he might get suspicious.

He didn't answered and eyed me for a while,I'm getting nervous and sweat started to form at my forehead.

"Sure here is her address"he grab a small paper and write something on there before giving it to me..I'm so shock for a moment before thanking him and leave.

"This is the place right?"I asked myself while looking at the door and at the paper that the guard gave me.

I rang the doorbell and minutes later I heard the locks clicking.

Then the door opened revealing a small boy.The boy that Nillie said her son.

"Hello Mister!"he cheerfully said.

"Nillie is it your uncle Mar-

Nillie's POV

Me and Liehan are making cookies when the doorbell rang.

"I'll get it" Liehan volunteered and I washed my hands.

"Hello Misten!"I heard Liehan. said and I went to him to see who it is.

"Liehan is it your uncle Mar-

My words were cut off when I saw Yuhan's posture at the door,my eye widened and pull Liehan back.I was about to close the door when he clogged his foot so I won't be able to close it.

"Please Nillie..I'm here to talk and visit you."he pleaded and I keep on pushing the door but he is also pushing it.

"We've already talked..there's nothing more to talk about."I said loosing strength he is very strong.

"Nillie Stop..I want to play with Mr. Super White skin." Liehan shook the hem of my shirt making me lose control and losing grip of the door.

"Hi Mister ..." Liehan excitedly said to Yuhan ...

"See..he wants to see me." Yuhan said and entered the house.

"I see..you have..a small house for a family"he said while looking around...

"Liehan go to your room.. Nillie and Mister will talk."I said to Liehan ..he immediately run upstairs leaving me with Yuhan.

I took a deep breath, "I didn't lie to you Yuhan !Now get out my house!"I screamed.

"No Nillie !I won't go until I know he truth..and that is you're not yet married!"he shout back,I was taken a back for a moment.

"How are you so sure about that?"I asked raising my eyebrow.

"First of all,you only have one adult slipper for adult and one for kid,second,you don't have any picture of with any man inside this house nor a wedding picture,third you only have few utensils and plates,now tell me I'm right Nillie." he spat out,my tears are threatening to fall.

"He's my brother..now go...leave!"I emphasized the last word and pointed at the door..he nodded and started walking away but before he open the door he looked at me.

"Incase you need something..I'm here for you"he said and leave..I sat down at the sofa and cry,cry and cry and cry.

It pains me lying about Liehan ,but I don't want him knowing about Liehan.I don't want to be selfish .But I just don't want him near me nor Liehan .

"Nillie~ don't cry... Liehan hate Super white mister now..he makes my Nillie cry.." Liehan hugged me tight making me feel comfortable.

"I love you Liehan .."I kissed the top of his head

"I love you too Nillie "he said and smiled..I wish you can call me Mommy...but no..

"If that's all Mr.Barber I'll get going now.."I said and once again bowed and I was about to leave when he called my name.

"Ms.Smith?Uh..can you please be the MC at my daughter's birthday later?Please..I'll increase your salary.."I stopped for a moment and looked at him..

"Sure Mr.Barber..what time is it?"I said with a smile on my face..

"7pm..wear something fancy but comfortable okay?"he said and I nodded..I excuse myself and went out..when I'm finally out I took a deep breath.

What should I do?What about Liehan?!Ughh!!But I'll feel bad if I refuse his offer,I badly need money now.. Liehan is growing up,and I'm also paying at the kindergarten his now at.Ugh!

Then I pass by the cafeteria to get a coffee..I badly need one.I ordered Iced Americano and waited.While I'm waiting suddenly a noise entered the whole cafeteria.

"Hey! It's Yuhan's fault that's why I tripped.."my eyes widened and I immediately knew where that voice is coming from.

"Coffee for Ms. Ni-Ni.."I hissed a little regretting why I chose that nickname for my coffee.I awkwardly walked through the counter to get my coffee trying to hide myself.But faith say no!

"Nillie?Hi!"I harshly shut my eye before removing my hands from my face.

"H-Hi Tyler..hello.."I said to the other boys..

I was about to leave when an idea popped in my head..

"Hey at least answer me.."I pushed his chest which I immediately realized..

"Oh I'm sorry.."I said..I realized we're not the same anymore,we're not high schoolers anymore..we're not kids anymore to play and act like that.We're adults now,adults that are supposed to be responsible.

"Why are you sorry? Did you do something wrong?"he asked still cold expression

"Uh-..I-...Uhm..just answer my question"I stuttered..for Pete's sake Nillie!Why are you stuttering?!!!

"Leaving Liehan..?To party again?I don't think so Nillie.."he said and my expression dropped.

"Hey it's not just a party okay!!?Its like still a work cause I'll get paid."I said and he nodded.

"Fine..I'll go there by 6pm."he said and I squealed

"Perfect!Thank you see you later!"I said and waved him goodbye.

"Nillie who will I be with while you're gone?" Liehanasked who's sitting at the bed while I fixed my shoes.

"Uh..you'll see hehe.."I replied and minutes later I heard the doorbell rang..

"Oof..he's here.."I said and run downstairs Liehan following me from behind..

"Thank you sooo much for coming!Come in.."I said and open the door wider for Yuhan able to enter the house.

"This is better than last time.."he joked and I just laughed.

"Mister Yuhan!" Liehan run down stairs and hugged Yuhan's legs..weird.

"Okay..some little rules,no running of course,he can have some snacks but just get biscuits,and he should be at bed by 7:30pm okay?"I said and Yuhan nodded not even glancing at me but caressing Liehan's head.

"Nillie will be back okay?Behave..Byee!"I kissed Liehan's forehead and leave the house.

"Ms.Smith you're right on time.."Mr.Barber said there's a lot of people here.It makes me a little uncomfortable but gladly Jessuca came.Moments later the party started.

Yuhan's POV

I tried my best for my eyes not to close,it's been like an hour and Liehan is still watching Ben Ten.Its kinda annoying tho.

I looked up at the click and saw that it is already 8pm.Shit! His bedtime is thirty minutes late.

"Hey Liehan..it's your bed time..enough watching.."I tried my best to Be gentle while turning of the tv.Cause I've saw some kids throwing a tantrum whenever they got interrupted but gladly Liehandidn't utter a word.

When I turned off the tv I stood up.And there I saw Liehan already pass asleep.I chuckled a little at his cuteness cause his cheeks are being squished.I slowly lift him up and delivered him to their room.

It's a pretty simple yet comfortable room,it's like you'll really feel that at home vibe and you'll easily sleep.And that's what happened I fell asleep beside Liehan.

I groan as the doorbell rang continuously.I get up from bed and brushed my hair.I went down as opened the door to see a wasted Nillie.

"See this coming.."I blow an air then Nillie chuckled.

"You know what you're cute!"she pointed at me and pouted.

"Oof," she almost fell but gladly i caught her.

"Why are you here?You should be taking care of Liehan..you bad bad daddy.."

Chapter 17

Nillie's POV

I was walking through the hallway of the company,I just brought some papers to the President and I decided to walk through the hallways.

I don't really have much stuff to do so why not visit the surrounding of the building.Cause these past few days except today,there's a lot of things to do since there's a project at our company.

So I kinda miss strolling through the company,I stopped by the dance room 3.Its very noisy in there as if there are kids playing and running.

I know that some of our artist have childish behavior but they are cute tho.So I knocked on the door,Aren't they suppose to be training?Its still training hours.When they didn't open the door cause clearly they wouldn't be able to hear me cause they're noisy I opened the door.

Then two boys are in the middle of the dance room playing and the other member sitting at the side watching the two.

Then I recognize them,my high school friends..ughh..I forgot that they are assigned in Dance room 3.But why aren't they practicing?

"Oh? Nillie..good afternoon.." Nathan greeted and I looked at him and nod.

Then I made a head don't using my eyes only and not letting them know I'm counting..

My brows furrowed..aren't they suppose to be seven?I remember there's a rule in that if it's training hours they shouldn't leave the dance room if it's urgent or needed.Theres a bathroom in the dance room if they need to use it,there's water dispenser if they want.Foods?Its prohibited to eat at the dance room.

"Aren't you supposed to be seven?"I asked them they looked at each other.

"Uh..." Tyler didn't utter other word except for that..then Jefferson raised his hands as if he's gonna say something but put it done anyway.

"Who's missing?"I asked,I looked around and try to remember their names and faces. Yuhan !

"Where's Yuhan?"I asked and their eyes widened..my brows once again furrowed.

"If you don't answer me I'll tell this to the CEO and there's a chance he'll get eliminated..as well as you guys.."their eyes widened and they all looked panicked.

Yuhan is sneaking during training hours?Thats wrong,if the CEO finds this out they'll get scolded,or worse they'll get eliminated.So it's better if I'm the only one who'll know.

"Uh..in the janitors room.." Tyler said and they all looked at him as if they're killing him with their eyes..

"What is he doing there..?!"I asked and then the room set into another tension.

"Fine..I'll find it out myself.."I said and leave the dance room to go to the nearest janitor's room.

As I became closer the more nervous I get.But why am I nervous?!As if something's wrong-

My thought where cut of when I arrived in front of the door.My eyes widened in shock as I heard some noises inside.Se heavy breathings and pants.

My blood started to boil and within a second I pushed the door hard opening it and revealing a shock Yuhan and a girl,they're kissing but I ended it,the girl was shock but Yuhan only look at me cold.

"Leave this janitor room now!"I roared and the girl run outside..I follow her with my eyes but when she's totally gone I put my gaze back to Yuhan.

"You know this could ruin your training!"I said and he bitterly chuckled.

"Are you sure just my training?Or is it because you're jealous.."he smirked and my jaw dropped,what is he talking about?!

"Why would I be jealous!?Im just concerned about your training....this could affect you and your friend..didn't you even think about them before you do this?!"I angrily said and he once again chuckled..could he stop chuckling?!?

"Don't worry Nillie ..I know you wouldn't tell this to the CEO..I know you.."he said and pass by me and leave there,I'm still shock to whatever he said.

"Ugh!!!"I said and ruffled my hair and lean on my cubicle.

"What's wrong?" Jessuca popped out of no where and asked.

"I hate Yuhan sooo much!"I said without looking at her and still leaning my face at the surface.

"Yuhan who?The trainee?"she asked and I nodded.

"What?!Why?why do you hate him?"she curiously asked

"Nothing.."I said and I heard her snort.

"You're weird...but I love that you're weird..."she said and leave probably doing her work.

I can't even focus because of that Yuhan fucking Bale !Ugh!!why would I be jealous?! As if! I'm basically prettier to that girl,I'm more sexy,smarter,more talented,my skin is smoother than hers!Im taller than her!My hair looks better!My lips is more plump!Im just better than her!

Oh god..am I...jealous?

Chapter 18

Nillie's POV

I hardly type on my computer,this company is really getting on my nerves.Bunch of trainers,MV's,concert,comeback stages,photo shoot,ugh!!!!!

Is already past 5pm,heck it's almost 6pm and Liehan is still in the kindergarten!He's probably crying by now!I remember the last time I fetch him late he's already crying.

I looked at the clock,heck!Its quarter to six!I should ask someone to at least fetch him!Ugh!!

I look around,everyone is really in rush and work,no one seems to be available!Heck even the guards and other staffs!Fuck!

I look at the pile of paper works in my desk,it's just goes on and on!It feels like it's not ending!I stood up in my chair which made everyone looked at me.

"Hey Nillie ,we're in a rush..what are you doing?" Jessica asked.

"I need someone to fetch Liehan!He's probably crying by now.."I said panicking,I am really panicking right now and I don't know what to do!

I look around at least to see someone I know that can fetch Liehan..heck no one!That leaves me only for one choice, Yuhan.

As much as I don't want,all my friends are busy as well.Jackie,Mark,All of them!Just great!

I rush through the dance room 3,as I opened it,all the trainees are passed out to the floor,but when I entered they all sat up and greeted me.

"Hello Nillie.." Nathan greeted and I nod,my brows furrowed scanning the room..then I saw him.On the couch sleeping.

I walked towards him and his members followed me with their gaze.

"Yuhan!"I pat his legs.

"Yuhan wake up!"I shook him which made him grunt and move but still asleep.

"Yuhani said wake-

"Fine!What do you want?"he blankly asked and his eyes half closed.

"Please fetch Liehan at the kindergarten...he's probably crying by now. I'll tell you the address and give you money as well."I said and he scratch his nape and nodded..

"Where's the address?"he held his hands and I grab the small paper and pen at the pocket of my blazer.

"Here.."I handed the address and get the money from my front pocket.

"And this as well, if he asked for food, buy him. If you want you can take him to the park, but before the sky turns dark please comeback.."I instructed and he nodded,he stood up still half asleep and grab his jacket and cap.

"I'll go get him,return to your work."he said and my eyes squinted..is he..ordering me?

Ugh whatever!I rush outside the dance room and return to my fucking work!

Yuhan's POV

I sleepily rode a taxi and gave the driver the address. I looked at my wrist watch and see that it's 5:55pm..isn't kindergarten closing at 5pm?

I arrived at the kindergarten and payed the driver.There are still some lights at the kindergarten but it seems quiet already.

As I entered someone immediately hugged my legs.

"Nillie why are you late again?! You said you-oh?You're not Nillie.." Liehan said confusedly looking at me.

"I'll be the one who'll fetch you bub.."I said and lift him up.

"Uh.. I'm sorry mister but we still need to call Ms.Smith to confirm that you'll be the one who'll fetch Liehan.."the lady said and I nodded..she called someone on her phone and asked my name.

"Yuhan Bale.."I replied and she nodded..then the call ended.

"Ms. Smith confirmed that you're the one fetching Liehan ,thank you sir."she said and I noddded,I get Liehan's bag and leave the kindergarten.

"Why are you the one who fetch me?" Liehan cutely asked and poked my nose which I immediately chuckled,if it's other person who'll do that I'll probably break their fingers..but if it's this little hub her I'm soft.

"Because your Nillie is busy in her work.."I replied and he nodded. I was startled for a moment when he suddenly laid his face on my shoulder..he's a small boy for his age..I wonder why.

"Hey bub..you want something to eat?Or go somewhere?"I asked patting his back..

"I want...fries..and..sundae."he sleepy said..I know for little while he'll be falling asleep at my shoulders..

"Okay bub..let's get some of those.."I said and hurriedly walked to a fast food restaurant..

As I enter the fast food chain a cold air from the air conditioner passes through me. I immediately got worried that Liehan might be cold cause he's basically only wearing a t-shirt and a short for kids.

I approach the counter and order what Liehan wants.I didn't bother ordering for myself cause the money Nillie gave is for Liehan and not mine.

Gladly the order isn't that heavy so I can carry it with one hand only.I placed the tray at the table and gently patted Liehan.

"Liehan?Liehan your order is here.."I said and he squirmed at my arms.

"Down," he mumbled and I put him at the chair...

He picked up a fries then dip it on the sundae which made me surprise for a moment but understand it. Jefferson said it really taste good with that.

I watch as Liehan slowly eat his food,his eyes almost totally closing.He's so sleepy,I can tell.He sure cried at the kindergarten that's why he's sleepy.

"Hey Liehan ..you might fall asleep while eating.."I joked and he laughed which made me laugh as well.I just realized, Liehan gums would show up when he laugh or smile.Just like mine and Nillie's .

I was shock for Ive just said in my mind.Im basically getting out of my mind,she basically have someone special already but not telling it.Why would she even tell about her relationship status to me,we're not even close.

"Mister.."I looked at Liehan who's raising a fries with sundae on top giving it to me.I was about to get it with my hand when he pull it away

"No, say ahhh.."he said and I chuckled before doing what he said..he smiled as I bite the fries..it's not only once..if he took a bite..he will give me next..and that's how his fries finished.

Chapter 19

Yuhan's POV

When Liehan finished his fries,we immediately went back to the company since it's getting late.At the taxi Liehan would just talk and talk and talk.Then he fell asleep.I couldn't stop laughing even the driver once we realized Liehan stopped talking.

I pay attention to him tho its just some words he says doesn't really make sense.So I would just nod and say 'Yes'.He fell asleep at the other side of the taxi which made his cheeks squished.So I pull him closer to me and put his head on my lap.

When we arrived at the company of course I didn't wake him up so I had no choice but to carry him.I already said it but I'm saying it's again,he's a very light kid.

I went to the workers place,they confusedly looked at me,because basically they know me just a trainee and now I'm here.But when they saw Liehan at my arms they would stop looking.

"Hey..."I called out Nillie tapping her shoulders with my fingers.She looked up but her eyes are still at her computer and her hands are still typing.

"Could you at least pay attention to your sleeping brother for a while?And stop working?"I irritated asked...she could have looked and stand up to get his brother.

"Oh sorry.."when she finally removed at all attention to her work she stand up and snatch Liehan out of my hand.

"Thank you and I'm sorry...by the way here's the cash-

"No...it's fine..you don't need to pay.."I said and she nodded,I put my hand at both of my pocket and saw how she snatch two mono block chair and out it at her side.

"Wait..."I stopped her when she was about to put Liehan there.

"You're gonna make him sleep there?"my brows furrowed at her action.

"Erm...yes..cause basically I can't work while Liehan is in my arms.."she replied back.

"Wait!I'll take him.."I stopped her again..she squinted her eyes.

"You?Taking him?Where?"she asked and I bitterly chuckled.

"We'll stay at the dance room first..my members already left but it's fine. I'll just lay some nap bags there so he'll be comfortable..not like here.."I replied and she rolled her eyes.

"And how can I be sure that you're not gonna kidnap my brother?"she asked and I was taken for a moment.

"What?!Do I look like a kidnapper to you?If I'm planning to kidnap him I would have done that a while ago.."I replied and she nodded,giving up and slowly and carefully handing Liehan to me.

"I'll pick him up there later.."she said and I nodded. I left the worker area and went to our dance room..as I arrived there I immediately saw that the light are off since the door is glass.

I entered and open the lights,with Liehan in my arms I put the sleeping bags that Tyler and Jefferson brought since sometimes they also sleep here.

I gently put Liehan ay the sleeping bag,I sigh as I successfully put him there without him waking up.

Few hours and it's almost 9pm, is she kidding me,how hard is their work actually?!That it's reached this time?I yawned and looked at Liehan..he looked like...like..he's really in deep slumber.

I flinched when my phone ring,I pull it out form my back pocket and saw that it was jin hyung.

[Hello?]I answered,

[Yow! Yuhan! Where are you?!Its almost midnight!] Jake said from the other line

[relax Jake, it's just 9pm..and also I'm still at the dance room taking care of Nillie's brother..]i replied.

[okay fine..just go home straight when you're done.]he said,

[yes,]i replied and ended the call.

Then I yawned again,I guess it's really time for me to sleep already.I laid down beside Liehan and put my arms at my eyes before drifting into heaven..when i say heaven it's sleep.

I woke up with the sound of heel clicking,when I looked up I saw nayeon already took Liehan.

"Hey" i sleepily called out.

"You could have woke me up when you get him,what if I woke up and didn't saw him here..I'll be crazy here thinking he got kidnap."I irritated said.

"I'm sorry..you look really tired so I didn't bother.."she replied and was about to leave.

"You're going home already?"I asked and she nodded

"Can I come with you?"I asked and her brows furrowed.

"I just want to confirm you two are fine.."I said.

"We're gonna be okay Yuhan.."she replied and I shook my head.

"No..sit down I'll just fixed the sleeping bag and I'll take you home.."I said and she just sat down.

When I finished I grab my bag and we went outside the dance room,we went out the building and waited for taxi.

"You know you'll just gonna spend a lot of money since when you go to our house you'll pay then you'll go back to your dorm.."she said and I chuckled.

"It's fine..as long as I make sure you two are okay.."I replied but she didn't utter any word anymore.

We rode a taxi and it feels like hell,I mean,no one dared to talk,it's pretty boring.When we arrived at their house I paid my own ride.Then I waited for them both to enter the house.

"Bye.."I said and she looked like she's shock to my sudden goodbye.

"Ah yeah..bye..take care on your way home.."she replied and I nodded..then she closed the door and I started walking.

Little did she know that my house is just few houses away from them..she just don't see it's cause when they will leave their house their looking at the different direction.

When I entered our dorm it's really quite so I went upstairs and throw myself at bed.

Chapter 20

Nillie's POV

It's been weeks since we stopped being hectic at work.Not really stopped but just take a break.Also some trainees have once again arrived at the company.

The more the trainees the less the chance some trainees have to debut.But look like our break is over after the meeting a while ago.

The president said that the next thing we should work for is the concert of one of our artist.Means we have to focus more on the financial of the company.

That's not really my field but there's still things I need to do.So it's the start of another hectic days,or weeks,worst is months.

"Hey Lie,more..." Jessica awkwardly smiled at me,I tiredly smiled at her and make some space at my desk for the papers.

"Hey,I know it's another series of hectic work but this is our work..we chose this,it's our decision so we're not allowed to complain.."she said and I chuckled.

"Are you just referring to our work or there's another thing you want to tell?"I said and he laughed.

"It's up to you if you think there's another meaning of that...bye bye..."she said and waved her hands..I shook mu head and laughed before going back to work.

I looked at my wrist watch.Shit!Its almost 5pm!Liehan!Ugh!I stood up and went to Jessica only to see her working as hell.I was about to leave when she speak.

"Hey.. Lie?Something wrong?"she asked and I shook my head.

"Liehan.."I only said Liehan name but she looked panicked as well..she look at the clock at her table.

"Shit!Its almost 5pm,Lie!He might be crying again..but I can't pick him up.."she said and I nodded.

"I understand...I'll just ask someone to pick him up..."I replied.

"Who?Looks like everyone here is busy.."she said and looked around

"The trainee.."I replied and she stopped typing.

"You give trust to just a random trainee, Nillie. Liehan is your brother..what if that trainee kidnap him?!"she panicking asked.

"Don't worry I'm close with this trainee.."I said and she nodded.

"I'm telling you Nillie..If my nephew got kidnap..I'm telling..I'm gonna yeet your ass away.."she joked and I laughed before leaving her and going to dance room 3.

As I arrived there I heard the music in means they are still practicing.I opened the door but they didn't stopped dancing.I wait until the music stopped and they fall on the floor.

"What's up Nillie." Nathan said I bowed and the members looked at me...it look like Yuhan already why I'm here so he stand up and walked towards me.

"Hey...Uhm.."he scratched the back of his head when he stopped talking.

"Erm...it's almost the monthly elimination..we're kinda practicing really well..sorry.."he said.

I immediately understand what he said and I nodded.

"I-I understand..I'll just call Uhm.Mark..yeah I'll just call him to pick Liehan up.."I said and then my back at him..I was about to open the door he talked.

"Fine..I'll get him.."when I looked back at him he was already getting his black backpack and walked outside the dance room with me.

"Hey I thought you guys are practicing for the elimination?"I said but he kept silent.

"Yuhan...you should practice for it..if not there's a chance you'll get eliminated..what about your dream?!"I said and he clicked his tongue

"Well at least you wouldn't ask that bastard to pick up Liehan.."he replied and bitterly chuckled...I looked at him and squinted my eyes.

"Who are you calling bastard?Mar-

"Go back to your work,just call the lady at the kindergarten that I'll be the one to pick up Liehan again..."he said and went to the other direction to leave the company..I turn back to my cubicle and talked to the lady at the kindergarten and go back to work.

Yuhan's POV

I sighed as arrive in front of the kindergarten..I found out about a shorter route to the place so I wouldn't have to ride a taxi.

It's a little expensive if I'll till ride a taxi to the kindergarten,but if I take the long route I'm sure it'll be already dark once I arrived at there.

"Good afternoon.."I shyly greeted the lady at the kindergarten.

"Oh.. Yuhan Bale right?"she said and I nodded..she walked to Liehan direction who's at the corner.

"Hey Liehan,Mr. Bale is here.."I heard her says and Nagi looked up only for me to see his tears eyes,

"Mister Yuhan !"he screamed and run towards my direction and hugged my legs..the lady gave me his bag and smiled.

"May I ask sir...are you..perhaps..his father?"I froze at her question..I looked at Liehan who's tightly hugging my legs while I caressed his hair.

"Uh..No..why?"I asked and smiled.

"You kinda look a like.."the lady awkwardly chuckled and I looked down at Liehan.

"Let's go?"I asked and nodded,we bid goodbye to the lady and I lift him up.

"Where's Nillie?"he asked and I looked at him..we are now walking to wait for a taxi..

"At the company.."I replied and he nodded..he pout and looked around..so I looked around as well..

"Why?"I confusedly asked him..my lips form a little pout as well

"I want ice cweam..."he said with a pout..

I grab my wallet and look inside of it,if I buy him an ice cream we can still afford to ride a taxi if we walk for few meters..but there will be no money left for me.

I sighed and looked him who's looking at me with doe eyes.

"Okay..let's get you ice cream..but try to pronounce it the right way.."I said and he smiled.

"Ice cweam!"he shout and I shook my head..

"Again.."I said while we are walking through eh streets of New York finding an open ice cream shop.

"Ice cwream.."he said again.

"So close.."I said and he pout.

"Ice cream."he finally said and said a little 'yay' before entering an ice cream shop..

"What flavor do you like?"I asked and he looked at the menu.

"Vanilla,"he said and I nodded.

I ordered one and give it to him..

"While you're eating that we'll start walking okay?"I said and he nodded..I just gave him the ice cream yet he already have some at the side of his lips..I grab the handkerchief at my back pocket and wiped his lips.

"Yuhan,aren't your legs and arms hurt?I can walk"he said and I shook my head.

"You're not heavy so no.."I replied and he nodded continue to eat his ice cream..when we pass two intersections I already call for a taxi..

Chapter 21

Yuhan's POV

As we arrived at the company Liehan is already pass asleep..gladly his ice cream is already finished.I paid the taxi driver and entered the company..I walked through the workers section and stopped behind Nillie..

"Hey.."I gently tapped her shoulders.

"Oh.."she stood up and get Liehan from my arms..as she get him I stretched my arms and winced a little..

"Did you carry him in your arms the whole time?"she asked and I shyly nodded before scratching my nape.

"We also kinda walk few intersection since I run out of money cause he ask for an ice cream.."I shyly said and she let out an 'on my god before putting Liehan at her chair and reaching for her wallet..

"No no...it's fine..I have a job so I have a source of income."I tried to stopped her..

"No...I'm paying you.."she said and I defeatedly nodded..she handed me a cash which is a bit bigger than I thought.

"Hey..it's..Uhm...a lot." I said and she shook her head..

"No..it's fine."she said and got a mono block chair for her to sit on since Liehan is at her chair..

"If you want I can take Liehan at the dance room.."I shyly said.

"No he's gonna be fine here..your members are still at the dance room..you should catch up.."she said not looking up at me..

"Uhm..are you still busy at the next few days?"I asked and she stopped typing..

"If you want I'll be the one picking up Liehan starting tomorrow if you're busy.. you don't need to ask me anymore..5pm right?"I asked and she looked shock for a moment..

"Are you sure about that?"she asked and I nodded..she smiled revealing her bunny teeth and her gums.

"Thanks,I'll just pay you again..no buts Yuhan Bale!"she warned and I nodded..I return to the dance room and practice getting scolded by Jake and Hanz who is the one who is best at dancing among of us.

And as I said..I would always pick up Liehan before 5 pm..he doesn't ask for ice cream anymore maybe because Nillie told him to.

But the result of that..I need to catch up so much.In the performance day..I must say I didn't do that bad..it's just..I had some mistakes that I think the trainers didn't see.

Then the results came out..some were happy and some were crying so much since they got eliminated.I started to tense up..my members have already looked at it.. Hanz even topped the dance category, Jefferson topped the vocal and Nathan topped the Rap.

I used to top the rap but now...as I looked at it..I'm ay 8th place..in vocal I am not included to that..but in dance..my legs started to shake as I look at it..I almost got eliminated...I'm second to last.

I return to the dance room to see my members there all silent.I put down my bag and sat at the couch.Then I heard someone fake coughed.

"Have you seen the results, Yu?" Nathan asked and I nodded.

"You almost got eliminated at the dance category..you were also far from the rap category." Hanz aid and I nodded..I know he's a little bit pissed off but he can't raise his voice at me..

"Yuhan, listen..."I looked up and saw Jake looking at me while his arms are crossed..

"What were you up to those past few days?You would always leave the practice at before 5pm then return before 6?"he asked in serious voice..

"I'm just...doing something.."I replied my head bowed down..

"What is that something that is more important than our group?Have you realized that if one of us got eliminated,the less the chance of us debuting?!"he said already raising a voice..I nod since I know about that..

"You know?Then what is that something else-

His words were cut of when the door opened revealing a shock Nillie ..

"Oh..sorry.."she was about to leave when I stand up and stopped her.

"I'll just talk to her.."I said and Jake looked at me.

"Now I understand.."he said and chuckled bitterly.

"It's not what you think Jake...we're not dating.."I said and Nillie looked at me confused.

"I'm sorry..I know you know that Yuhan had been missing at certain time at your practice..but when I saw the results..I need to talk to him and clear things up.." Nillie said and my brows furrowed before following her outside the dance room.

As I closed the door I confusedly liked at her..

"Uhm...first of all..sorry.."she said and I just got more confused..

"And thank you for what you've done.. picking Liehan up whenever I'm busy..but I'm ending it now..you're not obliged anymore to pick up Liehan.."she said and I squinted my eyes.

"What are you talking about?"I asked and she looked up at me.

"Yuhan...you're chance of debuting is getting less. I've checked the reviews of the trainers, you almost got eliminated if I just didn't asked them to not to and explained why you're being like that.."she said almost crying.. I bitterly chuckled.

"Now I owe you another one.."I said and her eyes widened.

"Yuhan no..that's not what I meant. It's just..I don't want you getting eliminated because of Liehan-

"Don't put Liehan here..the kid is innocent okay?Its my fault..but I'll still pick him up-

"Yuhan no!You have to focus more on your training-

"But I also want to focus on Liehan!"I cut her words..she looks surprised with my sudden out burst..

"W-Why? L-Liehan is just..no one to you.."she said stuttering. I bitterly chuckled before punching the wall beside me making her flinched and scream.

"I'm not sure to what you are talking about that Liehan is no one to me..but Nillie..whenever I'm with him..I feel this different kind of bond....I feel like...

I feel like he's mine."

Chapter 22

Nillie's POV

"No he is not..."I gently said at him trying to calm myself.

"He is my brother,his father is my father as well..you are no related to him.."I added...I heard him chuckled before directly looking at my eyes..

"Fine..he's not..okay I get it.."he said and remove his hands on the wall near my head.

"From now on, Yuhan Bale ...you will not gonna fetch Liehan from kindergarten. I'll have my friends to pick up for him, the thing you need to focus on right now is your training and career.."I said before completely leaving him standing there.

Jina said that her schedule change cause she got promoted and she'll be free by 5pm. So I decided that she'll be the one picking up Liehan.

"Hey... anything wrong?" Jessica asked as I arrived back at my seat..

"Yeah.." I replied and continue to type on my computer, Jina already texted me saying she already picked up Liehan..

And it went for a year, school returns and it's the the routine since Liehan's school ends at 4:30pm he just need to wait for 30 minutes.

But sometimes I would be the one the pick him up if I'm not busy.And about me and Yuhan ,we barely see each other,cause as I said to him,he should focus on his traning.And that's what he did.

"Hey..have you heard the debuting group of the company?" Jessica asked..I looked at her and nodded..

"The seven member group?Yeah I know.."I said and she nodded..

"Hey uhm... Ms. Jes, Ms.Nilli,the president want to see you at the dance room 3.."one of our co-worker said..my brows furrowed..dance room 3?That's where Yuhan and his member are at.

"Why do he want us to be there?"I asked,our co-worker looks down trying to find answers.

"Uhm...for you to give your opinion for the outfits,choreography and songs of the group.."he replied...Jessica looked at me and smiled.

"Fine...we'll be there.."I said and he nodded,me and Jessica at least cleaned our tables before going to the dance room together.

"Gladly you're here Ms.Jessica and Ms. Nillie...sit down.."our president said..we both bow and nodded before sitting down at the seat he pointed at.

I saw how chaotic the dance room is,there's bunch of clothes at the other side hanging.There bunch of shoes,then there's the seven man debuting in front of the large mirror in the room make up artists doing their make up.

"I can't believe they are debuting.."Jessica whispered at my ears,I confused you looked at her.

"Why?You don't like them?"I asked and she shook her head..

"No,cause most of their members are playful..I thought the company wouldn't like it but it turns out that they like that kind of behavior.."Jessica explained and i nodded.

The make up artist return to the side leaving the seven man in front of the mirror.I saw they're clothes,it was all black.Its a hip hop theme and like a bad guys look.

I mean it suit them tho,even Josh who's a cute type person suit the bad guys style.

"Okay everyone..the final rehearsal will be starting please leave the center of the room.."the instructor said and the people here started going at the side.

The group starting stretching up and going at the center going to their starting position.

The dance started,both me and Jessica are looking at the performance.There's nothing wrong in the choreography tho there's just some dangerous parts.

"What do you think?Ms.Nillie?Ms.Jessica?"our president asked both me and Jessica looked at each other..

"There's nothing wrong with it president,they just have to be careful with the dangerous parts.."Jessuca said and I nodded in agreement.

"And also..I think. The one with the bandana have more emotion.."I stated,they know I'm pointing out at Yuhan since he's the only one wearing a bandana.

"It's his personality Ms. Nillie, j think it's fine..it's suits the bad boy theme.."the president said and I nodded.

"Why do you act as if you're not used to it?You know me.."My eyes widened with Yuhan’s sudden words.

I see that the staffs are also shock but I shrug it off.

"Okay as you say.."I said and they nodded..

"The final rehearsal is done... thank you for your cooperation..good luck to the group.."our president said..me and Jessica return to or tables,we are no longer in the cubicle things..we got promoted month ago and now we are next by each other.

"The guy with the bandana you pointed out earlier is doing some death glare to you.."she said,I looked at her and laughed.

"Don't mind that asshole..."I said and I saw how shock she is.

"What are you talking about?!Am I missing something.."she asked and I laughed again.

"Oh my sweet sweet Jessica ..if we have a day off..I guess a whole day is enough for the full story.."I said and she look so shock but we return to work.

Am I ready to tell the full story?Or should I leave the climax of it and just tell her the prologue?

Chapter 23

Nillie's POV

"And winner for the BBMA is ... Zone Z!"

The whole company staff jumped with joy as the mc announces that Zone Zwon the BBMA.It was their fifth 7th year.There's no really a surprise for us that they won but we're still happy about it.

We watched them through the tv screen from backstage.We watched how they walked through the stage and receive their award.They have they speech where they also cried.

Some of us shed tears specially Jessica who watch as his celebrity boyfriend cry on his member's shoulder.Jessica and Tyler are in a 2 years relationship.They started dating when Tyler is already comfortable with his job which happened in their fifth year.

"You're boyfriend is a little cry baby.."I whispered through her eyes..she immediately slap my arms and I laughed.

"Stop...your baby daddy is crying as well.." She joker, my eyes widened and immediately shushed her..

"Someone might hear you! "I scolded her..she chuckled before motioning zipping her mouth.

"Aren't you planning to tell him?"my eyes widened with her sudden question..I immediately grab her arms and drag her outside the room.

"We already talked about this Jes. Yes he look like Liehan's father. And yes he became a father like to Liehan, but what the heck? He is not the father of Lie."I said,

"And you know that's impossible. I wouldn't let that happen. And if ever that's true, it will be ridiculous, he is a worldwide idol. It will ruin his whole career." I added and Jessica slowly nodded.

"How do you think a child will ruin his whole career?" Jessica asked..I sadly looked at her before shrugging.

"See, you don't know. No one knows how the world will react if their fans one day find out one of the members have a child. "she asked,

"But still, a lot won't be able to take that kind of news. Any fandom of any idol wont be able to accept that easily. "I replied..

"I don't think that works like that. "she said.

"It works like that, trust me." I said and she rolled her eyes at me.

"I won't, if ever me and Tyler unexpectedly have a child, I think the world won't react like that." Jessica said with smirk on her lips.

I chuckled, "You're just excited to do it with your man."I asked..Jessica massage her temples.

"Shut up, I'm just thinking in advance. That's where we will end up anyways. So I'm just preparing myself. "she explained and I chuckled.

"Give space!Give space.."we are both take a back when body guards starting rushing and even staffs.

We move to the side since Zone Z member are already here backstage.Member have been crying which the make up artist need to wipe their tears off.As they enter the room..we followed them inside since we volunteered to help.

"Tissue please for Josh.."I immediately run through the table where are the tissue and other supplies are placed.I handed it to the make up artist who's helping Josh.

"Tissue for Nathan!"I was about to grab one when Jes already run..

"Tissue for Yuhan!" I hesitated for a bit..I pursed my lips when I heard another call for a tissue for Yuhan..

"Here.."I handed the make up artis who's helping Yuhan the Tissue..I accidentally looked at the mirror,or eyes met which made me surprise.

I immediately look away and do other things..

"Okay everyone please kindly pack up your things.."one of the staff announced..

Me and Jessica packed up our things since we are not included to some staffs who'll be left out for a while since they still need to clean.

We leave the room and went to the parking lot.As we arrived at the parking lot where our company rented the place so it'll not be crowded once Zone Z go there,I suddenly froze when I saw Yuhan leaning at their van directly looking at me.

"Why did you stop?" Jessica asked and shook my arm where her rams are clinging.

"Do you want to talk to him?"she whispered..I swallowed the lump inside my throat before shaking my head.

"No..let's go to our van.."I said and she nodded..

Inside our van I see how Yuhan shook his head and entered their van.I bow down my head before taking a deep breath.

I entered my apartment,the lights where on but it's already quite.Meaning Liehan is already pss asleep.Its almost midnight tho.I took a bath before tugging myself the bed beside Liehan.I kissed his forehead,he squirmed In bed which making me froze cause I thought I woke him up,I blow an air when he's still sounded asleep.

The next morning I wake up first to cook breakfast.Its my day off today and I'm planning to bring Liehan at the amusement park and maybe have some fun.Cause basically I have been busy these past few days because of the award show and because of the number of our artist that performed last night.

I was in middle of frying pancakes when I heard footsteps going down the stairs.

"Nillie.."I smiled and turn to look at Liehan who have just wake up..

He is rubbing his hands to his eyes and sleepily stand there.

"Sit down Lie.."I said and he sleepily nodded before going to take a sit.

I placed the pancake in front of him which made him smile.

"Thank you Nillie.."he said before digging in to his pancakes..

Liehan is in forth grade now,but he is small for his age.But not that small for big kids to bully him.He is close to the average size of his age.

"Lie.."I called him,he lifted his head but still looking at the food..

"Hey look at me.."I chuckled and tapped his hand..

"Yes Nillie?"he finally looked at me and smiled.

"Do you wanna go to the amusement park?"as I asked him he immediately smiled and jumped in joy..

"Yes Nillie!Yes yes!"he screamed and I smiled..

"Finish your food already then we'll take a bath."I said and he nodded,once he's finished I gave him a bath and put some new clothes before taking my own bath.

We locked the door before going to my car and droving off to the amusement park..

As we arrived there Liehan jumped in joy and starting swirling in happiness.

"Look Nillie!Its so cool!I wanna ride that.."he pointed at the roller coaster.

"You're still a kid Liehan..they wouldn't let you in.."I said and he pouted..then he looked at the teapot ride.

"How about that Nillie?"he pointed at it..

"That's the ride for you.."

We ride the teapot,followed by the carousel and other kiddie ride.We were both exhausted from too much fun so we decided to take a seat.

"Nillie..I'm hungry." Liehan said with a pout on his lips..

"Okay..let's go let's get some hotdogs you want?"I asked and he nodded.

"But I don't wanna walk anymore.."he said,

"I can't leave your here.."I replied,

"Don't worry Nillie, I'm not going anywhere,I'm not gonna talk to strangers,I'm a big boy now.."he said and I hesitantly nodded before leaving him..

I bought two hotdogs on stick and a choco milkshake before going back to the bench.As I arrived there Liehan is nowhere to be found,I started panicking.I put down the foods and started looking for him.

I almost checked the whole bench area when I saw his clothes.

"Liehan?!?"I shout at him,he looked at me and I confirmed it's him..

"I'm was so worried to you!"I said as I hugged him tight..

"Sorry Nillie..the kitten is so cute so I chased it..but Mister told me don't chase it anymore "he explained.

"Don't ever do that again to Nillie..you almost gave me a heart attack.."I said and pull from the hug...I realized what he said and looked at the man behind him..

"Thank you for-

My eyes widened when I saw the man who is Liehan talking to..

Chapter 24

Nillie's POV

I stood there shock,looking at the man who helped Liehan.Its him, Yuhan.

"H-How can you be here?"I asked stuttering,I saw how he chuckled a bit and looked around before looking back at me.

"I'm just a normal person like you Nillie,I have my right to go to an amusement park if I want.."he replied,I pursued my lips and nodded.

My question was actually kinda dumb.He can do whatever he wants since he's a total adult now and the management are no longer strict to them since they've been active for years.

"What I mean is..what about your fans? Paparazzi?Do you have your manager with you?Body guards?"I asked by course...but he didn't reply at first and just laugh..

"Calm down Nillie..I'm with my manager,and yes I have a body guard with me,it just happened that...I kinda escape from them.."my eyes widened at his answer..

"You can't do that Yu- Ysmael!People might recognize you.."I almost shout his name,and if I wasn't able to control myself..people around us might have chased us already because of Yuhan.

"Ysmael huh?I see...well..I just saw your brother you know..I don't remember the last time I saw him,so when he pass by me a while ago while chasing the cat. I didn't hesitate to stop him from chais g the stray cat and escape from my manager and body guards.."he explained..I message my temples before nodding.

"Nillie.." Liehan called and shake our intertwined hands..

"Isn't he Yuha-hmmpqhz."I covered his mouth and signaled him to keep quiet.

"He's name is Ysmael, Liehan.."I said and faked a smile..he looked at me confused before looking at Yuhan...then it hit him..he made a face that means he understands it now.

"Oh..It's mister Ysmael..I remember him when I was a kid..he used to buy me ice cream right?"he asked..I can't help but to smile.

He remember those things,he remember the time where he used to have a bonding time with Yuhan,with his father.

"Mister Ysmael...do you want to play with us?" Liehan uddenly asked..I tried to shush him but he only looked at me with doe eyes..

"Sure why-

"Hey! Yuston!"Us three looked at Yuhan's back as someone screamed,it isn't his name but when I saw his manager running towards him..

"Why did you escape from us?I swear Yuston the next you'll do this I'll definitely tell this to get management.."his manager said as he and the body guards run out of breath..

"Relax Mister..I'm with Nillie here,she's an employee at the agency.."when Yuhan said those words,their manager looked at me before taking a deep breath.

"Good thing it's Nillie who saw you..or if it's your fans, this amusement park would blow up with you fans.."his manager joked, Yuhan laughed as well as me.

He gave a face mask tho this whole time,but it is lightly pulled down showing his nose and little bit of his lips.

"Uhm Mister manger ..can I asked you a question?" Yuhan said,their manager looked at him confused.

Yuhan signaled his manager to come closer for him to whisper something.I wasn't really able to hear what was he saying but I saw how his manager continue nodding and nodding then stopped and looked me directly to my eyes,I feel a little uncomfortable with his stare but as time passes by it turns soft.

"Oh, okay I understand..you want to follow what Tyler has been doing?"their manager said as Yuhan finished whispering.. Yuhan laughed but I didn't really get it.

I'm confused as their manager and body guards started leaving,he remain at his place,not leaving or following them only looking at them to walk away.

"Hey!Why Aren't you going with them?"I asked..

He looked at me,then looked down at Liehan and return his gaze at me..

"Didn't I said to Liehan that I'll be playing with you guys?"he replied with an sarcastic tone..then it hit me..my eyes widened..

"You can't do that Ysmael or Yuston...what if your fans recognize you?!No!"I reply,panic is audible in my voice...

"No buts Smith..let's go..."he pulled up his mask and grab Liehan's other hand making me follow them two..

"Ysmael!I wanna go to the haunted house!" Liehan said while jumping pointing at the haunted house.

Yuhan looked at me as if he is asking permission.

"He's a scaredy cat..he can't take it.."I said. Liehan looked at me with a pout on his lips and continue to walk.

"Hey..cheer up bub..your Nillie called you scared cat?Well you know what?..our fans call me cat, we are both cat." Yuhan cheerfully said as if he's a little kid as well.

I saw how Liehan smiled and laugh making me smile a little,at least they're both happy,even tho they don't know their real connection with each other.

"Do you want those cat ear headbands?" Yuhan ointed at the souvenir shop where different kinds of animal ears headbands are available.

Liehan smiled and nodded, Yuhan lead us the way and entered the shop.It is a beautiful shop tho,if Yuhan didn't come with us I would not bring Liehan here.

He's a kid who wants to buy everything he like,but I'm kinda teaching him that not everything he like he'll get.

"Ysmael, we look like twins!" Liehan cheerfully said as him and Yuhan wear the same headbands.

"Nillie try this!" Liehan i handed me a bunny ears which I hesitantly get and put on my head.

"Nillie I want this!"Nagi pointed at a mini piano set..it wasn't really just a simple mini piano that is like a toy,it is a real piano that are for kids.

And it's expensive..

"Liehan, Nillie can't buy that for you for now,next time I'll promise,I'll get that for your birthday.."i kneeled in front of him..

"But Nillie.. what if someone buy that already then it's not there anymore on my birthday?"he sadly asked..I sadly looked at him and caressed his cheeks.

"Don't make the kid cry, Nillie..I'll get it.."my eyes widened and stood there shock in front of Yuhan.

"No ni Yuston..you don't have to..I'll just get that for him in his birthday.."I immediately replied.

"Hey..the kid wants music. Why don't you just support him to it, don't worry you don't have to pay for it..."he said before asking a staff for the piano.

Liehan jumped in happiness as he started playing the displayed piano. Yuhan also started playing simple notes making Liehan jumped.

'He's your son anyways,and you're rich.You should pay for the years you're gone.'

My eyes widened, bad Nillie!Its your decision not to tell him..

'But you've been raising Liehan for eleven years without him,he should just be buying those expensive things for his son.'

Okay now, devil Nillie be gone!

We leave the souvenir shop, Nillie asked for some ice cream which I didn't stop Yuhan from buying him one.And I think Liehan has been being practical cause he really asked for an expensive one.

And my devil Nillie really won this turn cause I didn't even stopped him.

"Let's go to a photo booth.." Yuhan nodded,I didn't protested anymore and eat my ice cream..

We enter one,he put a money before us started taking pictures..we started laughing as Liehan stared putting some ice cream on our faces..

"You look weird in this one.."I said pointing at the one picture that was stolen

Yuhan is avoiding Liehan finger which have an ice cream on it making the picture blurred..

"You look like a retired old bunny on the other one.."I immediately hit his arms.

"What does that even mean?"I said as I put the other pictures at my bag and handing him 2.

"Thanks.."he said and keep the pictures..

We just finished wiping our faces and we are at a part of the amusement park where there's no much people. Yuhan's mask isn't even on..

"I think we should go home now.."I said and he nodded,he lift Liehan up and was about to put his mask when we both froze..

Bunch of girls,fans rather,looked at us shock..before..

"OMG YUHAN BALE IS HERE!"

"Shit!"

Chapter 25

Nillie's POV

Me and Yuhan stood there in shock,in a blink of an eye the fans started chasing us.Gladly Yuhan is the one carrying Liehan.Cause if it's me,I'm sure I won't be able to run that fast. Liehan is already 11 years old and I can't carry him anymore.I'm a small girl as well.

It's like a dozen or two bunch of fans that are chasing us.But as time passes by as we pass by other teenagers the more fans are chasing us.Cause the ones who are chasing us from the start non-stop screaming Yuhan's name.Causing other fans to notice us and chase us as well.

"Nillie!" Yuhan alled while we are running..

"The van is near the waiting shed..I can see it already..the doors are open...you get inside first.." Yuhansaid and I nodded...we are like running for minutes now since the area we stopped by inside the amusement park is far from the entrance.

"Nillie Go!Go!" Yuhan aid and pushed me to give me force to enter the Van..

"Nillie! Liehan!" Yuhan hout and handed me Liehan who's already crying...

"Shit!" Yuhan ursed as he finally closed the door..

"Yuhan what happened?" His Manager worriedly asked.

"I don't know what happened there, we were just talking at the side and we were about to leave when they started screaming my name.." Yuhan explained then push his hair back..

"This is trouble.." His managed said..I looked at him and I understand what he mean.

"Maybe they didn't recognize Nillie.." Yuhan silently said..

"Maybe they didn't...but the kid, Liehan ...they'll be started making rumors why you're with a child and Nillie..or a girl." The manager said with a hint of annoyance with his voice.

"We need to go to the management immediately." His manager said,I can also recognize the street we are at.

"Okay, let's take Liehan and Nillie home first.." Yuhan said..

"No, we'll be taking them to the management first,I'm sure this issue is already in the internet. We need to make a statement about this and we need Nillie's statement as well.." His manager said..

"But the kid! Liehan doesn't have something to do with this!" There's a hint of annoyance in Yoogi's voice as well.

"But Yuhan-

"No!Can't you see the kid is already crying from all that running and screams awhile ago?!" Yuhan irritatedly said..

"Fine.." His manager defeatedly replied.

His manager told the driver,I saw how the route change leading to our apartment.

"I'll be back.." Yuhan said as me and Liehan entered our apartment..I was about to ask what does he mean but he immediately turn his back and entered the van,before he could even close the door he give me a last glance before smiling and close the door.

I was left there dumbfounded, Liehan is already asleep in my shoulders probably tired from crying.

I went straight up to the bedroom and lay Liehan at the bed.Its too early for him to sleep and he still haven't ate dinner. I went down to the kitchen and make some dinner.

As I was waiting for the noodles to be cooked I grabbed ng phone and scroll through my social media feed.

My jaw dropped as I saw every article about what happened earlier.Everything that they say to the news are all false.Except one thing that me and my late parents only know.

Yuhan Bale of the famous boy band group Zone Z said to be a father of a little boy.Caught in an Amusement Park with his said son and a girl who is suspected to be the mother of the child.

Almost everything article have this kind of rumor, some said it's just his relative. But little did they know that Liehan is really Yuhan's son.But even Yuhan doesn't know about it.

I still doesn't have the courage to say it to him,cause I know he'll be asking me why didn't I told him in the first place.Why didn't I told him when I'm still pregnant and struggling on my own.

I know he'll get mad at me,and I know if I don't tell it now it'll just get worse.But I don't know what to do,but I have this one thing I don't want to happen.My nightmare,that he'll be filing a case as Liehan's guardian.

I know he have the power to do that,and that's why I'm scared.I'm confused cause I don't know what to do,it's like now or never.If I'll tell him now or never.

"Nillie!"I let go of my phone and immediately run upstairs,sometimes Liehan does this,whenever he would wake up without me by his side,he would screams and cry.

"Nillie's here,sssh don't cry." I said and I hug him and caress his back,the thing is he's 11 years old now and he still does this,but my parents once told me that I do this even when I was 12.

Maybe because of what happened earlier..maybe he's a little bit traumatized,he's still a kid afterall,and he is small for his age.

"Let's go..let's have dinner." I said and he nodded,he went down the bed and we walked down the stairs..

"This is so yummy Nillie!"he said as he munch on the food..

"Thanks Liehan!"I cheerfully said we both fall into laughter

"Nillie ...why are those girls chasing us?" Liehan innocently asked..

I pursed my lips before answering

"You know Liehan, Yuhan is famous..they are their fans that's why." I explained and he nodded.

"I want to be famous too!"he cheerfully said.

"That's hard Lie..you have to deal with those kind of situations."I said,

He shook his head "I can deal will that Nillie.. I want to make music too!Like Yuhan!"

My mouth part a little,is this a sign already?That Liehan is having his father instinct and liking music.

Beside of being sleepy he also like music.

"Oh! Yuhan bought me piano right?I want to use it Nillie!" Liehan excitedly said.

"Finish your food first." I said and he nodded,in just few minutes later he is already done,I can't do anything except put the plates in the sink and get the box of the piano.

"Wow! Nillie!" Liehan cheerfully said as I opened the box,we stared to assemble it and play with it..

"Nillie how do I read this?" Liehan handed me the small book containing some chords.

'How do I do this?'

I asked myself..

'I'm sorry Liehan but your mom failed music class,go ask your dad he's a pro at this."

I mentally said,I stared at the music notes..

Until the door bell rang..

"I'll get it.” I said and stand up..

The moment I opened the door,my eyes immediately widened..

Looks like I don't need to stressed about the chords Liehan is asking about...

Chapter 26

Nillie's POV

"Yuhan!"

Liehan immediately screamed and throw himself to Yuhan. Yuhan could handle his laughter and immediately carry Liehan to his arms. Liehan put his head on Yuhan shoulder while Yuhan caressed his hair.

"Hey little bub,did you have fun today?"he asked, Liehan looked at his face and nod.

"Hey,don't treat him like a kid anymore,he's already 11 years old may I remind you Mr. Bale,don't treat my brother like a 4 years old."

I sarcastically said and started picking up the boxes of the piano which are on the couch for Yuhan to have somewhere to seat.

"Sit down,he's a little heavy." I said and Yuhan nodded while Liehan is still in his arms..

"I see you already opened the piano.."he said while looking at the assembled piano in front of him..

"Yuhan, put me down now." Liehan said, Yuhan look a bit startled but put him down like what he said.

"Yuhan look!"

Liehan started playing random keys,it doesn't really sound that good but as a sister,but for real his mother.Of course I'll always tend to support him and say that he's doing good even sometimes not really.

Moms are the best liars they say.

"Do you want me to teach you how to play, Liehan?" Yuhan asked, Liehan gasped and nod his head in excitement..

"Look.."

Yuhan rotate the position of the piano making it face him,he started playing a song.

That's song,it's one of their songs.I could only watch him playing,I am mesmerized on how skillful he is.

"Woah!!Thats so cool Yuhan!" Liehan said as he clapped his hands, Yuhan chuckled and ruffle his hair.

"Yuhan,do you want noodles? Nillie made some a while ago,there's still more,you want?"

Liehan asked, Yuhan once again chuckled and nodded his head..

"I'm getting you some.." Nilliesaid and run to the kitchen.

"Careful!"I shout and I heard a 'yes' as his answer,me and Yuhan both laughed but became silent in few moments.

Then it became awkward..

"Do you remember that song?"

He suddenly asked,I slowly turn my head at his direction and my brows furrowed..

"What song?"I confusedly asked..

"The one I played a while ago.."he simply replied..

"Uhm, that's one of your groups song,why?"I replied,I saw how he purses his lips and look down before nodding..

"Nothing.."he replied,moments later Liehan return with a bowl in his hands..but before he could even pass by the door of the kitchen he tripped making the bowl shutter into pieces.

"Liehan!"

"Liehan!!"

Me and Yuhan both stand up rushing towards Liehan helping him stand up.

"Sorry Nillie, sorry Yuhan."he sadly mumbled..I pitied looked at him before hugging him tight.

"Did you get hurt?"I worriedly asked,he looked at my eyes and shook his head.

"You go with Yuhan I'll clean this up.."I said..

"Are you sure Nillie ?You might get hurt,I'll do it." Yuhan said,

"It's fine,it's our apartment,you're a visitor. I'll do it.Go with Yuhan first, Liehan."I said and slight push Liehan to Yuhan , Yuhan immediately lift him up to avoid pieces of plates.

I grab the broom and dustpan to clean the plates.I heard Yuhan and Liehan playing the piano,and I also hear bunch of giggles and laugh.They are enjoying.They would have enjoyed more if they know their real connection with each other.But I can't..

I was picking the bigger pieces of plates when my finger accidentally hit the other one..

"Ah!"i hissed,I grab my pointer finger and pinch the wound for the blood to come out..

"Are you okay?I told you I would clean it.."I got started when Yuhan came out of nowhere..

"But.."I can't continue what to say,my finger hurts,fuck!I'm not gonna cry, not gonna cry, not gonna-shit!

"Wait..are you crying? Nillie ?Are you crying?" Yuhan asked holding his laugh,he looked at Liehan who's busy playing the piano..

"Where's your first aid kit?" he asked..

"In the bathroom.."I replied looking down..

"And that bathroom is in...?"he asked waiting for me to continue..

"Uhm..in the kitchen.."I added,he nodded.

What made me shock is when he suddenly grabbed my wrist and enter the kitchen..

"Wait here,and stop crying.."he said..

"Hey! I'm not!"I denied..

He entered the bathroom and moment later he came back.

"Let me see he wound." he said reaching for my hand,I give it to him and he just stared at it for a moment.

"This is just like a an ant bite but you still cry?"he joked..and started treating it

"Hey!It hurts okay?"I irritatedly replied..

"Still, you haven't change."he suddenly said,I slowly looked at him with confusion in my face..then our eyes meet..

"You're still my Nillie back in San Francisco I met ,the girl that used to be my slave because she accidentally ripped my jersey,my bubbly Nillie.."he sadly said..

"What are you talking about?"I tried my best not to stutter and holding back my tears..

"Oh come on Nillie !I know you didn't have an amnesia to forget those things.."he replied tears starting to form in his eyes..

"It's in the past Yuhan -

"Then let's start over again! This time I'm not gonna make you suffer but I'm gonna make you feel the luckiest woman in the world.."

He said,I looked away and gulp..

"What about your fans?They'll get hurt when one of you guys started a relationship.."I said.

"We have the right to have a relationship, Nillie. We're just humans as well.We can love who we want to love.They are our fans yes,but we have our own heart to tell who and when to love someone."

He said with ears streaming down his cheeks..

"What about Liehan?What are your plans about him?"I sternly asked,

"I'll treat him like my own child.."he replied which made me a bit taken.

"But he's just my brother Yuhan-

"Then I'll treat him like my real brother.."he cut my words.

"Please Nillie..let me be the man in your life once again.."he pleases holding my now bandaged hands.

"Guys Yuhan's phone is ringing."

We were both startled when Liehan entered the kitchen,we both stand up and looked at him..

"Who is it, Lie?" Yuhan sked..

"It's says Nathan Guy." he replied.. Yuhan nodded and looked at me..

"I'm gonna prove it to you,I don't know what I've done for you leaving me,but I'll promise. I'll be a better version of myself. I'll be a better Yuhan Bale for you, Nillie Smith."

Chapter 27

Nillie's POV

After that night me and Yuhan haven't spoke with each other for few days.Its because of their heavy schedules and of course about the issue.Tho it already went low but there's still some rumors about it.

But the rumor that Yuhan is the father of

Liehan is still there.Alive and active,our company already made a statement about that.But it seems that they need a direct statement from Yuhan,such as a conference.

"Yow Nillie,someone gave you this."

One of or co-worker said,my brows furrowed and looked away from my computer to look at what he's saying.

When I looked up I was startled because of the large bouquet in front of me.

"O-Oh...who is it?"

I asked and took the flowers from his hands..

"I don't know,tho there's a card." he said pointing at the bouquet.

"Oh..okay,thank you,I'll read it."

I said,he nodded and leave..

I pull the bouquet closer to me and smell it.

"Woah,"

I mumbled,it's smells so good!Then I looked at the card and took it.I opened it..

I wasn't able to do this to you back then,And I'm doing it right now..

Tiger Wolves Captain Ball

93

My eyes widened,it's from Yuhan!

Fuck!

I immediately put down the bouquet and continue to work.

I actually forgot about the bouquet after few hours,I got startled when I heard a tap at my table.I looked up to see Jessica with a teasing smile.

"Looks like Nillie Smith have a suitor~”

My eyes widened and immediately shushed her down.

"No he's not!"

I silently shout,but she only laughed to it..

"Who's this 'he' you're talking about?Mind telling me Miss Smith?"

She teasingly asked before grabbing a mono block chair and sitting beside..

"Okay first of all,are you done with your works Jessica?"

I asked raising a brow..she chuckled a bit before answering..

"Yes,and what are you gonna do about that?"She asked raising a brow and crossing her arms.

I sigh "Nothing,just asking,and second!I don't know this 'he' I'm talking about.”

I replied,she nodded her head and grab the bouquet,I tried to steal it from her but she's damn fast and already thrust it away.

"Uhuh,no no no.”

She said shaking her pointer finger,I sighed in annoyance and give up sitting back down at my chair.

"Who's this 'Tiger Wolves Captain Ball 93?"she asked while looking at the card..

"I don't know.”I replied and went back to my computer,tho I just play with the mouse.

"Everyone listen up!"

My eyes widened when Jessica shout and stand up.Everyone looked at her with confusion and annoyance.I mean who wouldn't be annoyed?If you're stressed at work then someone will scream to listen up.What if it's another work or what?

"Does anyone of you know about Tiger Wolves?"

She asked,some employee shook their head and some just stay there like a mannequin still staring at Jennie

"Maam!The Zone Z members are all the members of the basketball team back in high school,according here, Yuhan Bale si the captain ball.”

One of or smart co-worker said,Jessica looked at me with a disbelief expression before looking back at everyone.

"Thank you,go back to work!"

She shout before sitting down,I face palm the moment she sit down.

"So it's Yuhan Bale huh?"

She teasingly asked shaking her eyebrows up and down.

"It's not him.."

I denied and rolled my eyes..

"Oh wait yeah,so it's Zila uh?"

I blew a big amount of air before once again rolling my eyes. Zila is Yuhan's stage name.

I grunt and roll my eyes. "Fine,I don't care tho."

I said and return back to work,now it's legit going back to work.

Like what happened, Yuhan would continuously give me flowers.With different design and different flowers used.Sometimes it'll even have some chocolate or bares.One time he gave me this teddy bear that have a black Bandana on its heads.

But I would give some chocolates to Liehan of course,cause he see me carrying those once I fetch him from school.

It's from his dad after all..he just doesn't know.

"Hey Lie,someone gave you this."Jessica handed me a piece of paper.

I opened it and saw a message..

Parking Lot,5pm,YOU BETTER GO!

My brows furrowed,the fuck?

"Who gave me this?"I asked raising the paper

"I don't know.."

Jessica said and stared looking around,avoiding eye contact.

I sigh and put down the paper..

"Jess freaking Ica ,who ask you to gave me this paper?"

I sternly asked,I'm not angry tho,and she knew that.I barely get angry,I only get angry because of some idiot employees that are under my supervision.

"Uhm..It's basically the Tiger Wolves boy.."

My eyes, Yuhan?!Why does he want to meet me?!

"Ugh!Fine!Its almost 5pm Tho,I hope this is quick."

I irritatedly said,I grab my bag and stomped my feet to the parking.As I arrived there I saw a black van,the door of it is opened and three men are out.

It's basically them,I walk towards it,seems like one of the men outside the van noticed me and patted the other one at the shoulder.Those two entered the van closing the door leaving the other one outside,which is basically Yuhan.

I stopped at his front,he just stare at me,soon he removed the black face mask covering his face.

"What do you want?"

I tried to make my tone clam as possible,I can't just blew up here.His members and probably Manager are inside the van.

He didn't answer,until his head just fall at my shoulders.At first I was shock,and then annoyance take over me.

"Yuhan!Remove your head on my shoulders!"I exclaimed pushing his head up.

But the moment I saw his face my angry expression turn into worry and guilt.

"I'm happy that you're liking the flower,chocolates and teddy bears I've been sending to you."

He said with a small smile on his face,but he doesn't look happy tho.He looked sad and blue.

"Who said I like it?"

Darn it Nillie!Cant you see his face?He looked sad!

He bitterly chuckled and look down,look around and return his eyes at me.

"It doesn't matter if you like it or not,as long as I'm doing my side of courting you.."

My jaw almost dropped because of what he said..

"Courting me?Pfft!Funny Bale."

I said sounding sarcastic.Darn it Nillie!He's in pain okay?Or problem?

"I'll be having a conference in few days to give them direct statement about Liehan and You."

He suddenly said,I slowly looked at him and raised my eyebrows..

"Good luck then."I shortly replied..

Then his next statement got me..

"Are you sure Liehan is not my kid?Cause fuck, Nillie!I'll scream to that fucking conference that Liehan is my child and I'm proud of it,only if you say he's mine,please say he's mine,I can feel it."

Chapter 28

Nillie's POV

I stared at Yuhan in shock,not knowing what to do,not knowing what to say.I just stood there frozen.

Slowly walk towards me before holding me in my both arms..

"Nillie, there's no way Liehan can be just your brother,nayeon,the last time I remember your parents were old already to have another child. Liehan isn't just your brother Nillie,he could be your child.."

I froze at his words,where does this conversation going?

"Nillie... tell me I'm right,tell me Liehan is your child,our child.No,scratch that,even Liehan isn't my child as long as he's yours I'll announce to that conference that he's my child.."he said looking directly at my eyes..

Tears started building up at my eyes..

"Nillie, I'm willing to be the father of your child,I'm willing to be a father for Liehan. I'll treat him as my own child, heck Nillie!Even back in our trainee days I already treat him as my son,cause I feel like we have a different bond,but know it doesn't matter if I am his father or not,just tell me he's your child and I'll claim him mine as well.."

He said tearing up,I did nod even realized my tears already flowing.I immediately wipe it and pull away from Yoongi's grip making him shock.

"How many times to I have to tell you, Yuhan? Liehan is JUST my brother,what kind of brain do you have to think that I'll have a child at such young age. Yuhan...I'm not a slut!I'm not a slut to let's someone fuck me and impregnate me.I'm not that dumb, Yuhan!"

I exclaimed more set of tears flowing down my cheeks..

"If you think your words,you saying that you'll claim Liehan as your son is making me feel at least a little bit good...no!You're wrong!You're offending me, Yuhan!"

I screamed,he pursed his lips and looked down.

He started nodding and looked up to me..

"I understand,I'm sorry,I shouldn't have anticipate like that. I'm sorry for wasting your time,goodbye."he said and open the door of their van.

I saw how his members looked at him with pity and some looked at me and shock.The van isn't probably sound proof of course.They probably hear what he said and I What I said.

They drove off,and I stay there looking at their moving vehicle.Then I remember Liehan.I need to pick him up already.

Me and Liehan arrived at home,he happily went upstairs to change clothes probably.I went directly to the kitchen to prepare dinner.On our way home I bought some chicken wings, Liehan said he want some barbecue chicken wings,and why not?

I started preparing the ingredients,I also prepared the pans and the stove of course.

—

While I'm waiting for the rice to be cooked I heard some piano playing.My brows furrowed as I follow where it's coming from,it turns out it's coming from our room.I slowly walk up to the stairs and peek inside the room.

To see Liehan holding up a booking looking at it directly before pressing some keys.

"Why does Yuhan's sound better?"I heard him said then press the key once again..

He looked at the book which contains notes,I guess.

"Oh!Its the wrong key!"he said and looked at the piano..

"Here!"he said and press the right key,now it sounds better..

Then he started playing,I was shock to hear him play a lullaby song.He didn't finished it and fold the book before putting it ay his school bag.He turn around and was shock the moment he saw me.

"Nillie!How long have you been there?"he asked walking towards me..

"Uhm, just now..come on let's eat"I said giving him a smile..he Nod and we both went downstairs to eat.

While eating I can't stop looking at Liehan's direction.

If every time I lie I lose a hair,I'll probably look bald already because of how many hair I've lost.

I just lie again to Liehan a while ago,cause if I told him I've listen to him playing he would have probably feel bad.And I don't like that..

"Nillie,can i have some water." he asked giving me his glass..I nodded,I reach for his glass and put some water to it and gave it again to him.

It's supposed to be 'mommy' not just Nillie .But I lied to him.

"Where do you learn playing Lie ?And where does that chords came from?"I asked..he looked up and chew on his chicken and swallow it.

"Yuhan, Nillie.He gave me the chords and teach me.."he replied..

It's supposed to be 'Daddy ' not just Yuhan.But I lied again to him.

Then I realized what he said, Yuhan have that to him?When?

"When does dad-I mean Yuhan gave that to you?"I asked.

Because I just thought about Yuhan being Liehan's dad.I almost call him dad as well!Ahh!

"Remember that one time Jessuca fetch me from school cause you were in a meeting?I walk through the halls then I entered a dance room cause there's a song playing..when I opened it,it's Yuhan and his members.."

He happily said,I can't help but to smile at his cuteness..

"Is Yuhan being nice to you?"I asked,

What kind of question is that Nillie?!Of course Yuhan is!He even think that Liehan is his kid.Which is true so how come Yuhan wouldn't treat him good.

"Yes Nillie,but one of Yuhan's member said that I am the only one who can make Yuhan talk too much.."he said and laughed..

Yuhan really barely talk..

"Then another one said I look like Yuhan's son,do we look like each other Nillie?"

Chapter 29

Nillie's OV

I froze on my spot as Liehan asked that question.What does those men are saying to Liehan?Are they nuts?!

"N-No Lie..you don't look like Yuhan .."I said stuttering.I'm nervous right now..what if Liehan got curious about that.

He's eleven already,he's not just a kid anymore.He can already think and realize things.

"Wait Nillie .."he said as he go down from his chair and went inside the living room.

I waited for few moments in the dining table,soon he comes back with something that looks like a paper.

"Nillie look,J-Ja, Jaf,Ah!Jefferson took a picture of me with glasses and and printed it.Look!I look like Yuhan!"he happily said as he gave me the two pictures and pointed at it.

Tears started forming inside my eyes a I stare at the two pictures.The one picture is a picture of Yuhan in glasses and the other one is picture of Liehan,with same glasses and same pose as Yuhan.

And they do really look alike.

"See Nillie?I look like Yuhan.."he said with a smile on his face

"A-And what do you t-think about it, Liehan?"I asked him holding back my tears.

But a traitor tear fall down.As he saw ng tear his expression immediately dropped.

"Nillie?Why are you crying?Did I do something wrong?"he asked also tearing up,I shake my head,put down the two pictures and pull him closer to me.

"I'm sorry Liehan,I'm sorry.."I cried on Liehan's shoulder..

"Nillie?Why are you sorry?"he asked confused,I pulled back and wiped my tears.

"Tomorrow we will go to San Francisco okay?We will visit Mom and Dad." I said,his eyes widened and started nodding his head.

"Yey!!I miss Mom and Dad!"he excitedly said and throw himself to mine.

I hugged him and wiped the remaining tears on my cheeks.

Liehan is already sleeping beside me,but I can't seem to sleep.I sat down on my bed and looked at the digital clock on the nightstand.

11:25pm

Great.

I picked up my phone and went outside to our small balcony.I scroll through my contacts and saw Jessica's .I'm sure that girl is still awake.

[Hello? nillie?Why did you call at the middle of the night?]

She asked as she accepted the call..

[I'm sorry,but are you sleeping already?] I asked,

[Uhm..but almost tho,so why did you call?]

She asked,tears started flowing down my cheeks

[Jes,I have to tell you something.]i said as I sobbedz

[what?!Are you crying Nillie?!What happened?Is it Liehan?!What happened to him?]

She asked worriedly,I started shaking my head as if she can see it

[Nothing happened to him,it is really about Liehan.]i said

[Why?What's with Liehan?]

She asked

[Jessica ,I've been lying to everyone,even to him,I'm sorry.]i cried even more..

[w-what?Why?What are you talking about Nillie Smith?You're making me nervous.]she said from the other line.

[Jessica.. Liehan is not my brother,he's my son.]

My voice cracked at my last sentence,I sobbed more and covered my eyes with my other hand.

Jessica kept silent for few minutes,then I heard her create some sound that I can't understand

[I'll go there tomorrow morning-

[No need Jes,me and Liehan will be going to San Francisco tomorrow.]i cut her off

[What?!?Why?!?You're leaving New York?!]she asked.

[Nowe will just visit my parents,his grandparents. It will take days, yes.]i said,

[Oh okay,text me when you come back okay?We'll talk,just remember Nillie,I'm not judging you okay?I'm here for you, heck, I thought we were just joking about calling Yuhan your baby daddy!]she said with a soothing voice,I nod my head.

I chuckled a little, [thanks Jes,love you.]i said,

[no problem,love you too.]she replied and the call ended.

Morning came,I wake up early and prepared breakfast.And also a packed lunch Incase Liehan geg hungry at the bus.

"Morning Nillie .."he said while rubbing his eyes.

"Morning,Sit down,we'll eat breakfast."I said and put down the glasses of water.

We ate breakfast quick and take a bath.At 8am we were able to leave the house.We waited for the bus stop,at maybe quarter to 9 we were already at the plane.

It was around 2pm the time when we arrived at San Francisco, but of course after days. Gladly there's food at the plane and I also brought some snacks caused Liehan got hungry at the plane ,like what I expected.

"Nillie?We will be going first to the cemetery?Not in the house?"he asked as we entered the cemetery.Gladly there's few people here so it wouldn't be that creepy.

"Yes Nillie,we'll not stay here for too long,soon we will go back to New York. "I said and he nodded.

We arrived at the place..Mom and Dad's grave.

Yes,they dues when Liehan was six.I cried almost whole day that time,But Liehan didn't know I cried that much.Cause he's with Jackie .But he know they died.

It's just he's too young that time to adapt everything.The moment he saw me crying when I got the phone call from the hospital,he just stare at me while rubbing my back with his small hands.

"I miss Mom and dad,Nollie "he said staring at the grave while I set the candles.

I took a deep breath.I'm gonna say it to him now,in front of mom and dad.Cause I feel like it'll make me feel stronger while saying to the truth to him.

"Liehan, Nillie have to tell you something."I said and crouch to level with him.

He only stare at me..

"Mom and dad,aren't really your parents.."I started,I immediately saw how his expression dropped.

"What do you mean,Nillie?"he asked and tears started forming in his eyes,even mine.

"They are..your grandparents.."I said and tears started falling down my cheeks..

He still looked confused

"Liehan, Nillie..is your Mom ..you're my son Liehan.."I said and new batch of tears started flowing down my cheeks.I looked down to cry.

As I looked up back at him,my hearts started to break into pieces as I saw his nose turning red and tears tarted flowing down his cheeks.

I pull him to me and hugged him tight.

"Mommy is sorry Liehan ,I'm sorry,if mom lied to you..I'm sorry."I cried while kissing the side of his head.

I heard his soft cries which make me cry even more.

"Why didn't you tell me before mom?Why did you lie?"

This is the question I've been scared of.What should I reply to that?I know it's wrong,because why would you lie about your child?

"Cause..cause mom is scared Liehan , mom is just a teen when I have youI'm so sorry Liehan.."I explained..I pull form the hug and looked at him..

"is sorry for lying okay?But always remember that eomma love you always.."I said and kissed his cheeks..

We wiped his tears and looked at me before asking a question that I'm most scared of.

"Mom,where's my dad?"

Chapter 30

Nillie's POV

I wasn't able to answer Liehan's question.I am searching for a right answer.How should I tell him that he's been with his father already but he didn't know.

That I'm just hiding the truth that Yuhan is his father.And it's my decision for not telling them both.

That I've been very selfish.

"Liehan...Uhm,daddy is busy,okay? But I'll try to talk to him." I said with a smile,he slowly nodded.

"But Mom,I'm asking who is my father.It's okay if he's busy or not,I just want to know him."he said.

I pursed my lips and looked down.

"I'll tell you when the right time comes, Lie. "I said and looked at him.

"But when is that right time, mom?"he asked I chuckled a bit realizing my son is a smart one.

"Someday.."I replied,his brows furrowed.

"When is that someday mom?Give me a specific time and date." He said.

I pursed my lips and think.Basically a week isn't enough.Even a two.Then Maybe three?I can finally have the courage to tell Yoongi.

"Give Mommy three weeks okay?"I asked and he nodded.

We stayed in the cemented for few more minutes.Then we decided to roll inside the town and eat some foods.

"Mom, I also want that.." Liehan pointed at the chocolate croissant.

We just had chicken barbecue and pasta .He's still hungry?

"Are you sure?Aren't you full already?"I asked raising my eyebrow he shook his head.

"No mom,I want that,just one, pleasee!"he pleaded cutely I can't help but to chuckle.

We both only one fish cakes cause I'm already full.We went to other places such as some malls and stores.We also brought a take out food Incase Liehan get hungry on Or way back.

We decided not to go to our old house.Since there's no reason anymore.And Me and Liehan doesn't really have enough clothes to say in San Francisco.

We once again took the palbe.At 5pm, the other other day we we're able to get back at our house.It feels new and nice that I can finally call him my child.There's no fear and worry anymore.

The only thing I need to worry about is Liehan calling me Mom In front of Yuhan .Cause if Yuhan find out that Liehan is really my child.He'll get suspicious and start investigating.

"Mom?Why do we have lots of food?" Liehan asked while I'm cooking some bulgogi

"Auntie Jes is coming over,we will have some adult talks,so while we are talking,go stay upstairs okay?Play with your piano."I said and Liehan nodded,he started preparing the table while I started playing the food.

Moments later the doorbell rang.I immediately run through the door.And once I opened it and making sure it's Jessica ,I immediately hugged her.

"Oh!What did you ate in San Francisco and you're like this?"she joked,I hit her arm and we both laugh.

"Come inside,my son is waiting."I saw how her brows furrowed

"Son?You have-

I didn't let her finish her sentence and drag her inside.

"I don't remember you getting pregnant-oh what?!"her eyes widened as she saw Liehan with the foods.

"You mean? Liehan is really..? I was a bit drunk that time so I didn't really believe you. It still feels new-"she didn't finished her sentence and just looked at me,I slowly nodded my head and she immediately hugged me.

"We'll talk more later,there's some Beers in the fridge.."I said and she nodded.

We ate and it wasn't really that exciting.We didn't talk about Liehan yet and just talk about our visit in San Francisco .

"Mom, I'll go upstairs." Liehan said and I nodded,he run through the stairs.As I heard the door closed I sigh.

"Start asking question.."I said and looked at Jessica ,it seems that she's not even paying attention and just eating some foods.

I laughed when she looked at me with big doe eyes.

"Yes?Whatcha sayin?"she asked and I laughed,I put down the dishes and bring two bottles beers to the table.

"I said start asking question.."I said and she nodded,she lift her phone and start reading.

"First..who's the father?"she asked and my brows furrowed.

"Did you write questions?"I asked and she shyly nodded,I laughed at her.

"Okay okay,be quiet okay! Liehan and the father still doesn't know."I said and she nodded

"Yuhan, Yuhan Bale of Zone Z."I whispered,her eyes widened and started making some inaudible noises.

"What?!Really?!"she asked and I chuckled and laughed

"Best question,When does 'it' happened and why?"she asked I stared thinking..

"Back in high school,it was the time where they lost a basketball game,then he went to our house,gladly my parents aren't there,then it happened."I explained and she nodded

"Next,how did you found out you're pregnant?And what is your reaction?"she ask and took a sip of Beer.

I put down my bottle "Well,I've been feeling sick for two weeks,and in that two weeks I should have my period that time,but it's got delayed for a week already,that's not normal cause I'm basically regular.One afternoon after school I bought some pregnancy test far from our house,and of course I didn't let them recognize me.Then when I went home I immediately took the test."I said and stopped for a moment taking a sip of my Beer.

"Then the moment I saw its positives immediately cried silently not knowing what to do.Of course I'm just a high schooler that time,I'm scared."I explained and she nodded.

"You must be really scared that time.."she said and i nodded .

"Okay next, when and how did you tell your parents?And how did they react?"she asked,I took a deep breath and looked at her

"It's was a month after I find out,I'm basically craving for what is mom cooking that time,and my stomach is getting big.Then she asked that I should slow down eating,then it just slipped out my mouth. "I'm pregnant so it's normal for me to eat a lot" mom dropped her spoon that time and that's when I realize I spill it.Dad is ready to kill whoever got me pregnant.But I didn't tell them that Yuhan is the father at first."I stopped talking and took a breath.

"I kept on telling them I don't know,so they decided to bring me here in New York back.Without Yuhan knowing why I left and that I'm carrying his child."I explained some tears streaming down my cheeks.

"I'm just scared that time Jes .I'm scared in everything,judgements,my parents,and what if I became a bad mom.And of course Yuhan,What if he tell me that he doesn't want it,it'll just hurt my feelings,Jes.That's why I kept it as a secret."I said and she nodded.

"I may not experienced those,but I'm totally not judging you Lie.I'm still your friend and no matter what happen,I'm here for you okay?"she said and walked towards me and hugged me.

"Thanks Jes,Thank you a lot."

At least there's someone who understand me,and someone who's by my side.

Chapter 31

Nillie's POV

"Hey Lie?Have you talked to him already?"Jessica asked popping out of nowhere.

I sigh and faced her turning my back at my computer.

"No..and I only have 10 days left.."I sadly said..

I heard Jessica clicked her tongue and rub my back.

"It's okay Lie,10 days is still plenty of days to talk to him.."she said,I slowly looked up at her and smiled.

I started fidgeting my rubbing my palms to my legs. Zone Zhas been busy in America these past few days.That's why I wasn't able to talk to him.

One time they're here at the company but attended a meeting and practices,even recordings.His schedule is pretty hectic.His conference few weeks ago went pretty well.The issue is totally gone now.

Since his facial expression in that conference is as cold as an ice.He even answered harshly some offending questions.Which made the media shock.

"How is Liehan doing?"Jessica asked and I turn back to reality.I sigh a little and smile

"He's doing well In school,almost fifth grade.."I replied and she nodded.She grab a mono block chair and sat beside me.

"It's not hard anymore right?"she asked and I nodded

"Is he asking about his father?"she asked and I nodded

"Nonstop,I thought he'll get Yuhan attitude of being silent,but there are time he's really...active."I said and we both chuckled.

"I think it's normal for a kid.."she said and I nodded..

"I'm just glad I already said it to him.Before,it feels like I always have this weight on my chest.Maybe because of guilt or what."I said and she nodded..

"Have you heard when is Zone Z coming back?"she asked and I shook my head.She looked at her phone and her brows furrowed

"Tyler right?Still not texting?"I asked and she slowly nodded..

"I'm sure they are fine.."I said and she smiled.

"Yeah..I know they will.Its just I want to see him so bad already.."she whined and I laughed.

Gladly there's no other employees here.Or else they will probably hear what we are talking about.

Few more days passed and I still haven't talked to Yuhan.I only have a week left!

"Mommy?Have you talked to Daddy?"I pursed my lips and slowly looked at Liehan.

This is it again,after a long day of work.He would always ask about his father, Yuhan. But of course he still doesn't know it.Even Yuhan.

"Is Daddy busy, mommy ?"he asked while munching in his rice.I awkwardly smile and nod.

"What is Daddy's job, mom?"he asked with innocent eyes.My mouth open a bit as if I'm gonna day something but it closed afterwards.

"H-He's..he's multitalented."I forced a smile,he looked at me with confusion all over his face.

Is it even right?Multitalented?As a job?I mean,he's a rapper,dancer too,song writer and producer.Talented.

I saw how he roll his eyes,but I'm small a small way.

"Mom..I'm asking for a job,not a characteristics."he said and I shyly laugh and scratch my nape.

"He's..a music producer.."as those words leave my mouth..his eyes immediately widened.

"Woah!He loves music too?!Me too! Mommy I want to see Daddy so bad!"he excitedly said and I nodded.

After we ate we both took a bath and prepare ourselves.

After I sent Liehan to his elementary school I,of course directly went to the company.

"Hey Nillie !"Jessica immediately greet when I arrived.

"They're here.."my eyes widened and almost speak loudly but Jessica immediately shushed me..

"But they're still busy,wait till 6pm..then they're free.I heard all of the members are leaving after 6.But your man is staying here.."my eyes widened and hit her arms which make her laugh.

"Shut up Jes!He's not my man!He's just...-

"Your baby daddy?"she asked again so I hit her again.

"Shut up!!"I whined and she laughed.

The pass by without me seeing any signs of Yoongi.Is that cat girl playing with me?I sigh as I looked at the clock.5:30pm.I ask Jessica is she could pick up Liehan and bring her home.

She agreed to it but she ask if she can bring Liehan to Jackie.So I have no choice but to agree.

I sigh and pack up my things.Going to the practice room is one of my chances.If not then I'll get courage from deep inside me to talk to him.

I nervously walk through the corridor of the company.Every step I make feels so heavy.It's like as I step closer to the door the floor is getting sticky making me walk slowly.

I took a deep breath before knocking to the door.No one answered.I knocked again.Still no.But the lights are on tho.

I finally opened the cold door knob and push the door inside.There I saw a figure laying down the sofa inside the practice room.He's tired,I know he is.I slowly walked over him.His face is covered with his jacket.

I slowly lift the jacket up..and..

"What the-

"Oh my so sorry!" I immediately apologized and now before rushing outside the door.It wasn't him.Its a staff or back up dancer.

I blow an amount of air.That was embarrassing.From my spot I see a door.With a sign on it. It says..

Magic Lab.

I,again,took a deep breath and quickly walk to it.As I arrived there I try to peek inside.My eyes widened when I saw someone moving inside.Sitting on the swivel chair.I know it's him..

This time I'm sure it's him.

I ring the doorbell.And I saw how he ruffle his hair and stand up.It feels like my heart skipped a beat as the door is the only one making us separate.

Then it opened,I can see how he got shock for a moment but his expression immediately fall down.

"What do you need, smith?"his voice feels so cold.As if he doesn't care into anything anymore.

I took a deep breath.

"We need to talk.."I finally spat out..he squinted his eyes at me before bitterly laughing..

"About what?"he seriously ask raising his brow

I looked down and took a deep breath "Liehan.."I nervously said,I looked up at him again and his brows furrowed..

"I don't care about YOUR brother anymore.You may now leave"

"No Yuhan wai-

The door closed.He slammed it,right over my face.Its like..

The table turns.

Chapter 32

Nillie's POV

I put down my fifth bottle of Beer.I lean on the table and ruffle my hair.

"Ugh!I hate you Yuhan Bale!"i said while my head is on the table.I heard Jessica let out a small shush before patting me back.

"Liehan might hear you.."Jessica soothingly said..I looked up and fixed my hair.

"I only have three days left Jes!And that fucking won't even let me utter one word!One word!He would always walk away or ignore me!"I said hot tears already streaming down my cheeks..

"You still have three days tho..I know you can do it." Jessica said,I shook my head and chug the remaining beer.

"I think no..that man..is cold as fuck!"I said and wipe my tears.

"Just try Nillie..I know he still have that a little amount of softness inside him.."Jessica said I looked at her and sigh.

"That was him before..he's very soft towards Liehan.Sometimes inside the dancing room back when they were trainees I would caught him sleeping with Liehan on top of him sleeping as well."I said and smile a bit remembering that scenery. I want to cry.

"They really look like each others Jes, Liehan's cheeks is even squished on his chest.I just wish they could enjoy those time knowing they are father and son..I'm so selfish Jes!And now I'm suffering.."my voice cracked on my last sentence..new set of tears stream down my cheeks.

"Don't worry Jes..I'll talk to Tyler..and I'll ask him if he could talk to Yuhan.." Jessicasaid with a cheerful voice.

I looked at her and smile

"Thanks Jes, I really hope that works.."I said,

Yuhan's POV

"This is a piece of shit!"I ruffle the paper and throw it somewhere inside the studio.We have a new album coming and we still need few more songs.

Me, Nathan ,And Hanz are the ones who are assigned to do the remaining songs.But Nillie bothering and trying to talk to me everyday isn't helping.

Why does she kept on bothering me asking if she could talk to me?!What is that something we need to talk about?!There's nothing for us to talk about!

I sigh and look at the notebook in front of me..I need few more verses.And tomorrow night we have a flight to Japan.We will be having a fan meeting there.

I closed the notebook and stand up.Its pass 12pm and I need to go home to get some sleep.As I was fixing my stuffs picking up the scattered papers around me.Someone ring the doorbell my brows furrowed before opening it.

"Oh?Tyler..why are you still here?"I confusedly asked as I saw Tyler at my door step.

He scratched ehh back of is head..

"I'm actually practicing my solo Yu..then I got a call from Jessica asking for help..and it involves you.."as he said those my eyes squinted..I ruffle my hair and move a side so he could enter my studio

"I think we can still talk.."I said and he nodded..he entered the studio and I closed the door..I sat down on my sofa while he's hey one who sits at my swivel chair.

"So what is it?"I asked and lean on the sofa.

"It's about Nillie-

"Even you?!Why does that girl always bother me?!"I cut Tyler off getting irritated..

"Listen first Yu, Jes told me that Nillie has been really stressed these past few days.She badly wanna talk to you but you wouldn't let her.."he said and I chuckled bitterly..

"Why does she even wanna talk to me?There's nothing for us to talk about.."I said smirking a bit..

"She said it's important Yu..very important.It's so important that it could change your life.."my brows furrowed and fake chuckled

"That could change my life?Why is that a genie or something?Long lost relatives or family? About the rumor before that I am a relative of one of the pass President!?"I joked,I've been seeing those post from our fans saying I'm in the blue blood line which my parents mentioned none.

"No Yu...it's more important than that.."he said and my eyes squinted..

"Can you just say it to me..I don't want to talk with that girl.."I said, Tyler mean back in the chair and shook his head.

"I think it's better if Nillie is the one who tell it to you, Yuhan.." Tyler said,he stand up and pick up his bag..

"Let's go home Yu..we still have a flight tomorrow afternoon..."

Nillie's OV

I sigh and looked at my computer's clock.It's almost 4pm and Zone Z is nowhere to be find.They have their flight at 5pm going to japan.And the They they'll be back is the same day my three weeks is ending.

I sigh once again losing hope.I guess I'll tell about Yoongi without Yoongi being there.I think it will be sad for Liehan.Since he always ask about his father.

I want him to know who his father is with his actual father there.Not just me telling him that Yuhan is his dad.

I push myself a little bit far from the desk and started spinning my chair.From my position I can see the entrance of the company.And there I saw five men in face mask entering the company.My brows furrowed and I stand up looking at the five men.

Then two men followed.Just by the skin tone I can recognize the one in black shirt and black pants.I rushed outside our office and chased them.

"Yuhan wait!lI scream in the hallways.The other six guys looked at me and stopped walking.. Yuhan stoped as well but didn't look at me..

"Please I need to talk to you..I'm begging you,please."I beg,the man beside Yuhan which I guess is Josh,hit Yoongi slightly on the arm.

The tallest which is Nathan even pointed at me..I saw how Yuhan head nod which gave me a little hope.

"Just be fast Yu..we'll be leaving in few minutes.."I heard Nathan say.

The other members of Zone Zstarts walking again while Yuhan is still facing his back at me.When the other's finally entered a dance room. yuhan turn his face on me.

My eyes widened and walk closer to him..

"Finally you agree to-

"Just tell me what is it.."he cut me off with his cold voice..I swallowed the lump in my throat and nod

"It's about Liehan..you and him are..connected.."I finally said...I saw him removed his face mask and looked at me confused..

"What are you saying? Liehan and I are connected?Does that mean we are siblings as well-

"No! Liehan is...your son."I said tears forming I my eyes.I'm ready for his anger,for his questions and other kinds of being mad at me for keeping Liehan away from him.

"What?Now you're saying that Liehan is my son?After you deny that?!After you deny that for years?!Did you forgot that during my trainee days I already asked you that?!Huh?!" I saw how his jaw tighten..I just stood there silently crying while still looking at his reaction..he started moving in different direction then kick the nearest wall which make me flinch.

"Listen Nillie Smith!"he pointed at me..

"After our Fan Meeting in Chicago..we'll talk again,and I bring Liehan !don't you dare keep him away from me this time.."he angrily said and walk away entering the same room his members entered..

I immediately run away from that hallway..I don't want anyone seeing me cry anymore.

Chapter 33

Nillie's POV

"Your contract end tomorrow, mom.I'm finally gonna meet dad.." Liehan excitedly said as we are eating our dinner.

"Contract?I don't remember me signing any contract.."I joked, Liehan's face dropped.

"But Mom!"he whines and I laughed.

"Just kidding Lie, mom remember it.You'll meet dad tomorrow,promise.."I said and smiled.. Liehan pouted..

"I don't like promises.."he mumbled and my brows furrowed..

"Why?Why don't you like promise?"I confusedly asked..

"I just don't mom..I don't like promises that will just be broken.."he sadly said.

How come this 11 years old boy already knows that?

Maybe because he's a son of a Yuhan Bale , Nillie.So basically,he's brainy.

I don't know what to reply to that until my phone beep.I look up at it and my eyes winded.

Yuhan:

Tomorrow,8am,my condo.Here's the address ****** building.10th floor,room with brown door and gold doorknob.

I immediately stood up from my seat and walk through Liehan.

"Here Lie Look,it's dad..he texted me saying we will meet him tomorrow." I cover Yuhan's name and showed Liehan the text.

His eyes widened..

"Really Mom ?!Can we call him?!Please mommy .."he begged with puppy eyes hands clasped with each other..

I looked at my phone and glance at the time.

It's pass 7pm,basically their fan meeting is about to start.

"Maybe lets just meet him tomorrow, mom is busy okay?And isn't it more fun of it's a surprise to see who is your dad tomorrow?"I asked, Liehan pouted and smiled.

We finished dinner,I was washing the dishes when I hear Liehan playing the piano.

He really like that,he got the genes from his father.

I do love singing.But wasn't able to pursue my dream since Liehan came.I envy Yuhan a bit.Cause he was able to pursue his dream.

And that's the thing,I didn't told Liehan about him to pursue his dream.So why do I even envy him?

I wipe dum hands to the towel,grab my phone and went upstairs to have a bath and sleep.

Morning came and Liehan was beyond excited.He was the first one to wake up and wake me up.

6am we are already preparing breakfast.I took a day off today for this special day for Liehan.

At 7 we are preparing ourself such as fixing Liehan's hair and me putting some make up on.

At 7:30 we were able to leave the house and ride a taxi.Gladly the building wasn't that far. Liehan is so excited that he can't relax to his seat.

"Finally mom !Im gonna meet dad!"he excitedly said as we were walking through the lobby of the condo.

We used the elevator since Yuhan's unit is on 10th floor.Inside the elevator Liehan and I couldn't stop giggling for some reason.But for real,I'm very nervous.

We walked through the hallways and find Yuhan door.It was easy to find since most of the door here are grey.

"Mom knock!" Liehan excitedly said.

I pursed my lips and knock,then I realized there's a doorbell so I ring it as well.

I ring the doorbell for the 3rd turn since it looks like no one's gonna open it from inside.

"Wait.."

My eyes widened as I heard Yuhan's voice.I pull Liehan in front of me who can't relax at all.

When the door open I heard Liehan gasped.

"Yuhan?"he asked..I saw how Liehan's eyes widened and looked down.

Then he looked up again and our eyes met.

"A-Ah..come inside..I'll just change clothes.."he said and open the door wider..

I slightly push Liehan so he could walk since the kid looked stunned.

We close the door and Yuhan entered a room which I supposed his bedroom.

Me and Liehan sit down at the sofa.His condo is...big.For a super star this condo really fits him.

I glance at Liehan who's silently sitting beside me.

"Hey..are you okay?"I asked ..

He looked at me..

"Is Yuhan ..my dad?"he asked..I sigh and smiled.

"Me and Yuhan will talk for a moment first okay?Then you two will talk.."I said and he nodded..

We heard the door opened again.We both looked at Yuhan's direction who is now wearing a shorts and a black shirt.

I saw how he messages his temples..

"Liehan..come here for a bit..me and your.. Mom?Will talk, stay at my studio,first can you?"he asked.. Liehan looked at me then look at Yuhan and nod.

He stand up from the sofa and walked towards Yuhan.I bit my lower lip as I saw how Yuhan reach for Liehan's hand and guided him inside his studio.

I waited for 3 minutes and he comeback.I just sat there all silent.Until I felt his presence few feet away from me standing.

"Start asking.."I mumbled..I heard him hiss and groan.

"That's my child Nillie?!All this time he's my child?!?And you didn't even let me know.Just now!"he burst out ..I swallowed the lump in my throat and nod.

"Eleven years Nillie !Fvcking eleven years!?And you kept him away from me?!Fvck!That's my child you hid from me!"I saw him walked towards the sofa at my side before breaking down in tears.

I can't help but to cry as well as I hear his soft cries.

"How could you do this to me?!What did I do wrong to deserve this?"his voice cracked on his last sentence triggering my tears to fall down.

"It's for your own good too-

"Fvck!How is it for my own good?!"he cut me off making me flinch.

"If I told you the moment we met again..will you be in the position you're at now?"my voice cracked,I looked at him and saw how his eyes are covered with tears.

"Nillie..I can provide for my son while I'm training as well.."he said gritting his teeth

"No you can't Yuhan.."I answered..

I flinch as he stand up..

"Forget about that..now I can fully provide for my son..can I talk to him already?"he asked..I took a deep breath and nod.

He stand up and walk towards his studio.

The next thing I knew is Liehan running towards me,crying.

"Mom..why are you shouting?"he asked and my eyes widened..

Isn't music studio usually sound proof.

"Don't worry about it Liehan, dad is Here.That's what important now right?"I asked..he looked up at me and it almost break my heart as I saw how his nose turn read from crying.

He look back at Yuhan who's standing few feet's away from him.In a blink of an eye Liehan rush towards Yuhan.

As Liehan arrived in front of him Yuhan immediately lift him up and cried.

"Dad is here..don't cry.." Yuhan cried on Liehan’s shoulder.

I can't help but to cry at the scenery as well.It was like all my fear is no longer to be found.As I saw them together already.

There's nothing to be afraid of anymore.

This time,it will be just happiness,no fear and doubt.

Chapter 34

Nillie's POV

"Mom!Look!Its dad and uncles!" Liehan pointed at the stage as Zone Z started their concert.I chuckled a bit and covered Liehan's mouth.

"Sush!Fans might hear you already..it wouldn't be a surprise for them later.."i whispered through his ears.

He look at me with wide eyes and chuckled..

"Okay Mommy.."he said and continued to watch Yoongi and his members perform their intro.

Yuhan talk to the management and ask if he can announce Liehan through the crowd of their concert here in New York.Surprisingly the management agreed which make us

happy specially Liehan.

Cause he said his dad fans will know about him.And he's excited to meet his father's fans.

Their intro ended and they were just on the stage smiling and looking at their huge crowd.Some are drinking water and some are wiping their sweats.

Then there's Yuhan.Secretly glancing at Liehan,which Liehan is waving at him making Yuhan chuckle a bit.

Then Nathan started talking and introducing themselves thanking fans for coming and loving them non stop.

"Hi guys.." Yuhan greeted making fans sreams even Liehan making me laugh..

"I won't say like what my members say. I'd like to introduce two important people in my life.." He said making fans go wild..one staff call us and remove the fence for me and Liehan.

I can feel the stares of the fans at the both of us but I don't care.As me and Liehan were stepping on the stairs the fans started screaming.When me and Liehan arrived on the stage Liehan immediately run towards Yuhan hugging his legs while fastened my pace and followed Liehan.

"Everyone..remember them?These two were rumored before,saying that this girl right here is my girlfriend and this cute little boy right here...is my son?" he said,the fans went silent.

"And I denied it before,having a conference saying those rumors were all wrong.But now..I'm proud to introduce to you...please give them love and support as well. Liehan Bale ,and Nillie Smith,my son..and my girlfriend." Yuhan announced..the fans went wild waving their army bombs and posters.

Liehan hide behind Yuhan's legs making the members fall into awe and even the fans.

"My name is Liehan Bale, I'm 11 years old, and..and..I'm.. uhm.." Liehan stopped speaking looking backwards to us.. Yuhan laughed and signaled Liehan to go on encouraging him.

Liehan nodded and look in front again.

The concert continued with of course me and sign at the crowd.One staff carried Liehan to his shoulders so Liehan could watch them properly since Liehan is just a kid and still small.

When the concert ended,the staff immediately guided us at the backstage. Liehan started running through the hallways.Excited to see his appa.

When he entered the room I immediately heart him scream 'dad' which make me laugh.I started running as well to follow him.

When I entered the room their eyes immediately fall at me which made me smile and they smiled as well. Liehan is already in Yuhan's arms.Eating some bread.

"Mom!Look!A cake!"he pointed at the cake that is at the table.

"Mommy!Look!Its dad and uncles.."he pointed,the cake is actually printed with Zone Z picture.

"You want that Nillie?You want a cake?" Tyler asked and Liehan nodded...

Tyler got a plate and cut the cake and given Liehan.

"You want chocolate Liehan?" Jefferson asked giving Liehan a cake already.

"How about candy, Liehan ?" Josh asked offering Josh a bag of candy.

"Hey! My son will have tooth ache because of these three." Yuhan said facing Liehan away from the three.

"Dad!Can I look at your mics again?" Liehan asked..my eyes widened.

"Liehan I think it's not okay if you-

"No it's fine Nillie..can someone please get my mic?" Yuhan asked looking at the staffs.

One of the make up artist handed Yuhan his black mic and he immediately gave it to Liehan.

"Ah..ah hello?" Liehan said through the mic..but it's not turned on.

"It's not turned on Lie..it will only turn on if Its in stage.." Yuhan said and Liehan pouted..

"Dad..I want to be like you too!" Liehan excitedly said..our eyes widened even his members..

"Well..we can try that." Yuhan replied.

8 years later

"Mom!Did you see us?Did you?!" Liehan asked as we entered backstage..me and Yuhan chuckled and nod our heads.

"You did great there Lie.." Yuhan complimented and smiled..

"Lie!Come let's eat!" One of Liehan's members said..

Liehan debuted under the same company as Zone Z debuted.They are an eight member boy group and Liehan is the leader which make Yuha proud.

We were both watching them have fun eating.Then Yuhan looked at me.

"Thank you.."he mumbled and my brows furrowed.

"For what?"I asked..

"For bringing Liehan into this world.."he said and I chuckled..

"Oh it's nothing..the cravings,morning sickness and labor isn't that hard.."I sarcastically said and he laughed..

"Would you like to experience all that again?"he suddenly asked and my eyes immediately widened.

I hit his chest making him laugh.

"You know what If I just didn't accidentally destroy your jersey,maybe I'm not in this situation." I said and he chuckled.

"Yes..this all happens because of your clumsy accident ,but I'm not complaining at all..I like this Accident of ours."

The end.

Blurb: "If I just didn't accidentally destroy his jersey, maybe I'm not in this situation." -Nillie
