"What is wrong in doing engagement with him huh? You both are already married and now we are doing this just to show the world what's wrong in that" she said so casually like nothing happened..

"Mom what about me? Am I not deserved to took any decision for myself?" I asked..

"It's not like that why are you saying like this" mom said and about to wipe my tears but I stopped her by showing my palm..

Right now i am standing like a centre of attraction.. oohh damnn It's my engagement my fucking engagement to my wife Myra .. I still can't believe that she is the same girl with whom I fought in the very first day..

Anyways where is my soo called wife..ohh there she is walking towards us with her parents and brother..

She stood infront of me looking down.. why she is not shouting right now? I mean she always shouts whenever she saw me!! Anyways leave it..

"Zain ring" mom forward me a ring..

I took it from her while my wife stood still.. when her mom nudged her she forward her left hand and I slide the ring on her ring finger... unknowingly I shivered when my hand touched hers and I don't know why?

Part 7

Myra's pov..

"Now it's time for dance" said jayant uncle...

"Zain go and ask Myra for dance" why mihika aunty why I don't want to dance with him..

He being obidient mamma's boy came to me and ask me for a dance..ohh okayyy listen there was no sweetness in his voice he is just an arrogant jerkass..

"Aahaaa Mr Kapoor I have better dance partner" I replied and went to dad..

"Dad may I have a pleasure to dance with you" I asked forwarding my hand..

"Why not beautiful lady" he placed his hand on mine and other on my shoulder and we started dancing..

I glanced at my arrogant patidev who is huffing like a mad bull as he is getting angry... come on he is soo self obsessed how could he think that I will dance with him after what he did with my new car..

He freaking broke the headlight of my new baby..

"You also broke the headlight of his car" my heart screamed which I royally ignored..

"Myra see there" dad said pointing towards the direction and my eyes widened.. that jerkass is dancing with my mom.. how dare he?

"Princess are you getting jealous because he is dancing with your mom" dad asked.

Jealous huh? No no i am not jealous he can dance with any other chick I don't have any problem but why my mom..

"No dad ofcourse not because I am dancing with the handsome boy on earth" he smiled and patted my head..

I looked here and there to found rishabh is dancing with mihika aunty and jayant uncle diya all the couples are mismatched here still it's cute.. but that ass is dancing with my mom whyyy..

"It's time to change the partners and get back into the matched partners" host announced and changed the song...damnn it's one of my fav song..

Perfect by Ed Sheeran..

(You should listen this song once guys because the lyrics and the song is just perfect😍❤)

We changed the partners and now I have to dance with the arrogant ass..

He clutched my wrist and pulled me close and I glared at him in return..

I am enjoying the song humming softly and forcing myself to dance with him.. my left hand is entwined with his right one and my right hand was on his shoulder while his left hand was on my waist which giving some jittery feelings..

I looked up to his face and I don't know why but I wanted to punch his handsome face..

Handsome? Umm he is anyway..

Well, I found a woman, stronger than anyone I know

She shares my dreams, I hope that someday I'll share her home

I found a love, to carry more than just my secrets

To carry love, to carry children of our own

He twirled me around and pulled me with a force that my back touches his front sending shivers down my spine..

The song is soo perfect and lovable like the title itself and here we are not a lovable couple freakkk we aren't even a couple or maybe we are we just wanted to fight.. and this song doesn't even matched little bit of us..

I excused myself and went outside to get some fresh air..

I sat on the bench holding my head..

Why God why did you choose that jerkass for me..after few minutes my phone rang.. I took out my phone from my sling bag to found it's mom's number..

I don't want to talk with anyone still I picked the call unwantedly.."yeah mom?"

"Where are you doll?" Mom asked

I sighed and replied"I am outside mom"

"What are you doing outside huh? Come inside your in laws are looking for you" my anger rose..

"What the fuck is your problem mom huh? Why can't you just leave me alone for sometime..you are hell bent to force me in every fucking thing for God sake let me breath peacefully for sometime" I cut the call without even listening her..

Why everything is happening in rush 😭😭😭.. why can't they give me sometime to accept all this!! I just turned 20 and now this engagement drama with my jerkass husband..

Urghhh I shouldn't have shout on mom like that.. I sighed and stood up and wiped my tears..I looked at my phone with the help of front camera.. I set my hair little and plastered a fake smile on my face and started walking only to bumped with something hard and my new phone fell down.. I knelt to pick my phone..

"You just love to bump with me don't you" I heard the voice and my anger rose because the voice belongs to my arrogant jerkass husband urrffff Zain Kapoor..

"No actually you love to bump with me" I replied gritted my teeth..

"It was you who just bumped with me" he relied in attitude..

"Were you walking with closed eyes" I shouted..

"Why the hell you are shouting" he said glaring at me..

"I don't want to talk to you" I said stomping my feet..

"Even i am not dying to talk to you" he said much to my annoyance..

"Urghh why the hell I am wasting my time on you" I said and about to leave but because of my high heels my leg got twisted and I just shut my eyes tightly God I don't want to fall please save me please i will share my chocolates with you please God..

Wait wait wait.. I think this world just stops because i didn't fall my virgin butt didn't kissed the floor..okayyy waittt there is a clutch on my waist ohh myyy Goodddneesss is this some bhoot who is holding me uhh okayyy I think I should open my eyes.. I open my eyes and found that jerkass is holding me..

"What the hell why are you holding me huh leave me now" he just looked at me with smirked still holding me..

"I said leave me you jerkass" I shouted this time..

"You sure?" He asked why the hell he is smirking..

"Yess just fucking leave me" i scowled and next moment my butt kissed the floor..."ohhh God" I winced in sudden pain on my cute ass and back..

"How dare you" I shouted..

"You told me to leave you wifey and that's what I did" I just gaped at his face..

Wait wait..

He called me wifey!! How dare he?

I stood up and shouted "how dare you to call me wifey huh"

In a blink he pulled me with a jerk by clutching my waist making my eyes widened.."because you are my wife"he hold my left hand and kissed my ring finger where the engagement ring was present and then left... while I just rooted at my place..

What the hell has just happened?

"Myra" she replied shaking hands with him..

"If you both are done so let's go" diya said excitedly..

I sat on the driver seat with samar and diya Myra and rishabh sat on the back seat..

"Waise bhai bhabhi is looking beautiful today hainaa" diya said as I started the car..I looked at her through the mirror she was busy using her phone..

Why she has so much of attitude man?

"Say na bro" diya whined..

"Shut up diya" I scolded her..

"Myra you know what zain always talks about you" samar said and my eyes widened..

All the jokers are in my car today..

She forced a smile.."guys please turn on some songs please" myra said..

"Bhai hates listening songs in car" diya said..

"Actually your brother is really boring and old diya" she said smirking..

She called me boring and old..huh? I am just 25 and she is calling me old.. how dare she?

"Indeed bhabhi bhai is really boring" diya said and hi-fied her..

"Diya" I glared at her.. she just give me one of her innocent smile..

She is not innocent...she is a little devil..

Myra turn on the song and samar raised the volume..urghhh how they listen those songs with higher volumes urghhhh.. concentrate on driving zain otherwise you will met with accident..

Found you when your heart was broke

I filled your cup until it overflowed

Took it so far to keep you close (keep you close)

I was afraid to leave you on your own

They started singing those lines shouting their guts out...Ohh God I did a mistake of coming with them..

I said I'd catch you if you fall

And if they laugh, then fuck 'em all (all)

And then I got you off your knees

Put you right back on your feet

Just so you could take advantage of me

I just tolerate their nonsense while concentrating on driving..

I turned off the song and stopped the car they groaned in frustration..

"What the hell" I palmed my ears as they shouted in unison..

"We have reached" I said..

"Yayyyyy" diya squealed stepping out of the car...so did rishabh..

I also stepped out with samar where is myra.. I turned and looked at myra .ohh yeahh she was clicking pictures sitting on the backseat..

Samar laughed patting my back and went behind Rushabh and diya..

"Are you planning to come out of the car or not" she made a face and stepped out of the car..

She was about to fall because of her long skirt but I hold her bare shoulder and made her stand properly..

"You just know how to fell down " I said and she just glared at me in return..

She clutched my collar making my eyes widened.."listen Mr Zain Kapoor am not in a mood to fight today we are here to enjoy so let's just enjoy"

My hand went to her waist as I pulled her more close now it's her time to get shocked "it's you who always started the fight not me"

"You broke the headlight of my new car' she said much to my annoyance..

"Even you broke the headlight of my car and you were drunk that night"I said..

"That's none of your concern if I was drunk or not" she said gritted her teeth..

"But that's wrong and you were also doing race" I said sternly..

"Listen you..." her sentence was cut by diya's loud voice..

"Maine kuch nahi dekha (I didn't see anything)" and there she was standing her hands on her eyes..

We both straightened ourselves.. shiitttt she thought we were romancing...

I cleared my throat and said "diya it's not like that..." She cut me off.. "it's ok bro apko you don't need to explain anything you both carry on I am going" she said and ran to samar

"Urghhh I hate you" myra stomped her feet and walked away wearing her sunglasses..

Why everyone is mad here?

"This is soo beautiful" diya squealed clapping her hands as she saw the bollywood sign..

"Not more than you" rishabh said looking at her dreamily but she didn't heard it..

"Control rishabh don't behave like a roadside romeo" I whispered in his ear and he smiled sheeplishly..

She clicked the picture of the hollywood sign..

"Let's click some selfies"diya said and we clicked some selfies..

"Zain you can smile it won't cost you money" samar said to him and I chuckled..

He can't smile he is an arrogant jerkass..I shouted in my mind..

"Bhai and bhabhi will pose together and I will click the picture" diya said and my eyes widened..

"Diya no we are fine like this" zain said..

"Come on yaar zain she is your wife only" cabir said..

"I am fine baccha how is your dad" she asked..

"He is fine mom he is out of danger" rishabh replied and mom nodded..

"How did this happen?" I asked..

"I don't know doll how it all happened your dad was driving the car and then suddenly our car bumped with the tree" I rubbed her back.."it's ok mom don't panic everything is fine" I said..

Mihika aunty and Jayant uncle started talking with mom.. just then nurse stepped inside..

"Mr Reddy got his concious back" nurse said and I stood up..

"I want to meet him" mom said..

"Mom you aren't fine you should take rest you can meet with dad later" i said softly..

"No doll I want to meet Tushar" she said impatiently..

"Mom you aren't fine please take rest please" I said softly and made her lay down..

After calming mom down I went to dad's room with rishabh..

I rishabh and Kapoor's met with dad and he is fine now..

I sighed and thanked God million times for making them fit and fine..

Right now i am sitting in hospital canteen with rishabh and Zain's family and aunty is forcing me and rishabh to have atleast a sandwich as we didn't had lunch..

I ate little bit and drank my filtered coffee..

I requested the hospital staff to shift mom and dad in private ward together and they agreed..

"I will stay here tonight" I said..

"Me too" rishabh said..

"Myra you should go home I will stay here" Zain said why he is behaving so awkward today..

"It's ok zain I'll manage thank you" I said..

"Myra baccha (baby(you aren't fine let zain stay here" mihika aunty said..

"I am fine aunty please let me stay here"I said politely I really don't want to go home leaving mom dad here..

"Ok then zain stay here with myra" jayant uncle said to him and my eyes widened..

"Uncle I'll manage" I said to jayant uncle..

"No myra not a word zain will stay here with you tonight and we are taking rishabh with us" jayant uncle said sternly..

"Dii I want to stay here with you" rishabh said..

"Risshh baby mom dad is fine.. and now be a good baby and go with jayant uncle and mihika aunty" I said to him cupping his cheeks..

"Ok fine" he said shaking his head..

"It's pretty late we should leave now and about the dinner.." I cut mihika aunty off..

"Aunty it's ok you don't need take tension about dinner we all just had sandwich" I said holding her hand..

"Yes mom you don't need to take tension we will eat something from canteen ok" zain said and they agreed and left taking rishabh with them..

I went inside mom dad's private ward it's a big room with all the facilities and also a big couch was placed in the opposite of the bed with the curtains in the middle..

I made them had their dinner and nurse gave them medicine and they slept due to sedatives...

Such a tiring day.. sighing I sat on the couch resting my head back..

I closed my eyes and pressed my forhead.."myra" suddenly I heard a voice and I opened my eyes..

"Yes" i looked at zain as he was the owner of the voice..

He passed me the burger "I didn't got anything except this veg burger at this time"

"It's ok I am not hungry" I said softly..

"It's late myra have this otherwise it will got waste" he said..

Unwantedly I took the burger from his hand.."I am outside now just have this and sleep" he said..

"You can sit here with me I don't have any problem" I said as I know there is not a single a/c in corridor and it will be very difficult for him to spend a night..

'Are you taking tension for your husband' my heart asked with a smirked..

"Shut up" i yelled at my heart..

"You sure?" He asked..I nodded.

He sat beside me maintaining a good distance..I took my hand sanitizer and squeezed it on my hand then passed it to him..he looked at me and I nodded..

After using it he passed it to me..I stuffed it on my bag.. unwrapping the burger I started having it in silence..

Silence? Nope actually an awkward silence because he is sitting beside me..

'come on myra he is your husband' said my heart and I ignored but my eyes travelled to my left hand where the ring of his name was present..

I chucked my thoughts and concentrate on my veg burger..i stood up to dump the wrapper in the dustbin but my leg got tripped and I fell on zain..

Whatta filmy scene😌😌..his hands were on my waist while my hand was on his shoulder...I looked at his face and he was already looking at me.. he is indeed handsome..he is looking at me with soft expression..

Zain's pov..

I told mom dad that I will stay here in hospital.. myra said that she I'll manage but dad didn't let her do that..

Right now i am sitting outside the ward while myra is inside..

I checked it time it's 11.30 pm so freaking late..I stood up and went to canteen.. I bought two veg burgers yes that's what I got at this time..

I went inside the room to found her sitting on the couch leaning her head back... she was pressing her temple..

I called her and passed the burger to her which she denied politely..what the hell? Why she is denying? Isn't she hungry?

Control your anger zain don't shout don't shout..

I took a deep breath and then said..

"It's late myra have this otherwise it will get waste"

She took it and I said "I am outside now just have this and sleep" now I have to spend whole night in corridor without a/c yes zain you can do this..

"You can sit here with me I don't have any problem" did she really said that?

"You sure" I asked unsure by her statement..She nodded.. I sat silently beside her maintaining a good distance...

She passed me hand sanitizer..I used it and gave back to her..

I started having my burger as I was really hungry..

All off a sudden she stood up.. I looked at her with corner of my eyes ohh she is going to dumped the wrapper in the dustbin..

And then her leg tripped and she fell on me..wow whatta filmy scene..my hands were on my waist and her hand were on my shoulder.. I looked at her keenly for the first time .. she is pretty I mean really pretty...her big doe eyes..her chubby cheeks I soo wanted to pull her cheeks but I know if I did something like that then she will kill me for sure.. her lips those pouty lips I wanted to kiss...

Shit shit what the hell I am thinking? I think I am getting mad..

She tried to stood up but no she fell on me once again her nose touched mine sending shivers down my spine.. her hairs spread on my face..my left hand went to her hair while I was holding her firmly from my right hand..

I tucked her hair strands behind her ear and she closed her eyes..I felt her sighing..shittt this is not the right time to romance.. my in laws are here in this room what if they woke up and saw us like this..

I help her to stand and she hastily went inside the restroom while I sat there holding my head...what the hell I was thinking? I was fucking planning to kiss her? Shame on you Kapoor.. damnn I need to control my hormones..

Part 12

Next morning..

Rishabh and diya stepped inside the hospital room and was shocked seeing zain and myra's state as they were sleeping closely to each other..

Zain was leaning back on the couch while Myra's head was on his chest his hand was wrapped around her shoulder..and Myra's hand was on his waist..

"Don't watch their private moment" rishabh said placing his palm on her eyes..

She slapped his hand and whispered yelled at him "stupid they are just sleeping"

"Let's wake them up because it's mom dad's time to wake up..what if they sees them like this it will be very awkward" rishabh said and she nodded.

Rishabh was about to wake them up when diya hold his hand.."just a min let me click their picture first" she said..

"No no diii will kill us" rishabh said being scared...

"Shut up" she said glaring at him and then took out her phone from her pocket.. she clicked two three pictures of them and then smirked..

"Bhai wakeup" diya said softly shaking his shoulder..

"Dii wakeup" rishabh said..

"Let me sleep yaar diya and go back to your room" zain mumbled in sleep..

"Diii wakeup na please" rishabh said shaking her hand..

"Bhai wakeup" this time she shake his shoulder tightly.

He stirred in sleep and she too and both opened their eyes and got shocked seeing their position.. they stood up with a jerk looking here and there while diya and rishabh were trying hard to control their giggles..

"Shit this soo embarrassing" she thought..

"So freaking embarassing" he thought..

"Woh.. woh.. what you both are doing here?" Zain asked..

"Woh bhai actually na mom sends breakfast for uncle and aunty" she paused "and sorry bhai and bhabhi we didn't mean to broke your beauty sleep but it's already morning" she said in teasing manner and zain glared at her in return..

They turned and saw tushar and shweta was already up and listening their rants..

"Good morning mom dad/ aunty uncle" they wished them.. and Tushar and shweta wished them back..

"Are you both fine now?" Myra asked and they nodded happily..

"Dii go home and freshenup" rishabh said .

"Yes doll go home we are fine now" shweta said..

"Bhai you also go home I am here with rishabh ok we will manage" diya to zain..and he nodded..

"Rish give my car keys" Myra said checking something in her phone..

"I don't have" he replied shrugging his shoulder..

"What? Yesterday I gave you the keys right" Myra asked..

"Yes but right now the car is in Reddy Mansion" he said looking down..

"This means you drove the car" Myra said angrily and twist his ear..

"Aahh dii it's hurting" he said and she twisted it more..

"I told you not to drive right you aren't even 18 rish" Myra scolded him..

"Diii I am sorry but it was urgent that's why I had to go to Reddy Mansion and then Mihika aunty and Jayant uncle picked me from there" rishabh and she looked at him angrily..

"Ab main ghar kaise jaungi (now how will I go home)" she looked at him angrily..

"Don't take tension bhabhi bhai will drop you" diya said with a smile..

Myra's pov

"Yes princess zain will drop you!! Hainaa zain ?" Dad said to me and asked the last part to zain and he nodded looking down something on his phone..SOO RUDE!!

"It's ok I'll manage I'll book a cab" I said..

"No doll go with zain" mom said..

"Fine" I bade them bye and went out of the hospital with zain..

"Excuse me i am not your driver sit in front" he said rudely as I was about to sit on the back seat..

I muttered some curses and sat on the passenger seat while he sat on the driving seat and drove off..

His car stopped in the traffic and my phone beeped with the message and the same time his phone also beeped with message..

I unlocked my phone and saw the message it's from diya.. I opened it and my eyes widened it's mine and zain's sleeping pic.. his hand was wrapped around my shoulder and my hand was on his waist and head was on his chest.. shitt it's soo embarrassing..I looked at zain and he was already looking at me with same embarrassed look means he also got the picture..

_____

5 days later..

Previous day mom and dad got discharged from the hospital and now they are doing well... I need to talk to zain.. not actually me we need to talk like a mature person rather than fighting...

I checked the time it's 11.30 am.. i freshenup and got ready in crop top and high waist ripped jeans..I combed my hair.. and did minimal amount of makeup...

I talked with mom dad and then went out of the mansion grabbing my car keys..

"Yes nandini you can do it" I took a breath standing outside the Kapoor Heights..

I stepped inside and went to reception.

"Yes miss?" The girl looked at me politely..

"I want meet with Zain Kapoor" I said..

"Do you have any appointment" she asked huh appointment my foot..

"Tell him that Myra Reddy is here" I said glancing at my watch..

"You can't meet with him like this.. first come with the appointment" she said much to my annoyance..

I took out my phone and showed our engagement pictures "see this he is my fiance Zain Kapoor" I said and she looked at my mobile screen with wide eyes..

"I am so sorry mam I don't know you are Tushar Reddy's daughter" she said apologetically..

"I don't have time for your sorry and all now tell me the direction his cabin" I said rudely..

She showed me the direction and I stepped inside the elevator which stopped infront of 20th floor..

And right now i am standing outside his cabin..I was about to knock but then one thought came in my mind..why will I need to knock huh? I mean comeon he is my husband.. I barged inside without knocking and he looked up his expression was worth watching..my eyes travelled to his left side and my anger rose there was a girl standing beside him literally sticking with him and showing him some files.. her dress literally stuck with her like a second skin urghhh this slutty outfits..

"Don't you have manners how could you step inside without knocking" she said angrily like she is the boss..

I smirked and started walking towards them "don't you have nice outfits in your closet" without answering her I questioned back..

"Excuse me" she looked at me narrowing her eyes..

"Excused you miss...the man whom you are sticking with is my fiance and now it will be really good if you maintain some distance with him" I said angrily and she gasped moving back..

I went to zain and he stood up..all off a sudden I hugged him and he stiffened..I smirked and broke the hug my thumb caressed his jaw"how are you baby?" I asked lovingly and he looked shock with my behaviour..

"What happen baby? Are you angry on me? Why aren't you answering to my question" I asked pouting..

I turned and looked at the girl she was shocked and her eyes were wide.."Miss it will be really good if you give us some privacy" I said and she put the file on the table and turned to leave but stopped listening my voice..."and yeah maintain some distance with my fiance otherwise the consequences will be the worse" I literally shouted and she left without uttering a word..

I turned to zain and looked at him he was already looking at me with mouth open and shocked was written on his face..

_____

Part 13

"What was that?" Zain asked narrowing his eyes as soon as the girl left..

"What what?" She asked acting innocent..

"Don't pretend Myra you aren't innocent" he said and she smirked..

"I don't think I did anything wrong that girl was sticking to you so I just said the right thing" she replied rolling her eyes at him..

"Do you care if she stick to me or not huh?" He asked seriously walking forward.. she took two steps backward..

"Nope I don't care about anything but we are bounded by marriage right and you are my husband also" she replied looking here there..

"So you finally accepted the fact that I am your husband" he asked with a smirk tucking her hair strands behind her ear...

"Sometimes we have to accept the bitter truth of our life" she said with a sad expression making him shocked...

"So you don't have any problem of me being your husband?" He asked and she moved backward once again her leg tripped and she was about to fall but before that he hold her by her waist..he pulled her close making her breath hitched..

"I asked something" he mumbled tucking her hair strands behind her ear and she wriggled in his grip being nervous while he was enjoying her situation..

She looked at his smirk plastered face and idea popped in her mind..she encircled her hands around his neck making his eyes widened..

"I don't have any problem" she whispered her one hand was on her nape while the other one was on his jaw..He was shocked by her move..

"Why will I have problem you are my husband my patidev" she whispered leaning close to him while her thumb caressed his stubble jaw..

"So now you tell me do you accept me as your wife?" She asked caressing his arm..

"What are you doing?" He moved back as she was about to remove his blazer.. she laughed out loud seeing his face he was actually nervous..

"Zain your face" she laughed out loud and zain made a face..

He went close to her and pulled her to himself once again making her gasp " don't think that I am nervous I can do so many things with you but I am controlling myself because I know you won't like all those now" he whispered in her ear kissing it lightly and left her..

Now it's her time to be shocked..she was rooted at her place..

"Back to earth Mrs Kapoor I haven't did anything yet still you are getting lost in my thoughts.." he said with a naughty smirk and she punched his arm murmuring "asshole"

He moved back laughing and she muttered some curses and sat on the couch..

"So now tell me aap yahan achanak se?(so now you tell me you here all off a sudden)" He asked sitting beside her..

"What's this aap thing I am not oldie for God sake that you are addressing me with aap" she asked glaring at him..

"I was just giving you respect but you are a gone case" he said and she glared at him..

"Now tell you here all off a sudden" he asked..

"Were you expecting someone else?" She questioned wriggling her eyebrows..

"Nope but I didn't expect you either" he answered truthfully..

"We need to talk" she stated looking at him..

"You mean fight?" He confirmed and she actually wants to punch his handsome face..

"No I said talk means talk like a mature person" she said..

"Mature person woahhh but you aren't mature I mean you are toh teenager" he said shrugging his shoulder..

"Teenager are you out of your mind? I am 20 and i am mature ok" she shouted angrily..

"You said you want to talk but you are fighting very bad" he said and she stomped her feet..

"Stop pulling my legs" she said pointing her finger towards him..

"I didn't even touch you and you are telling me that I am pulling your legs" he said as matter of fact..

"Urghhh" she groaned in frustration..

"Ok ok chill let's talk" he said seriously..and she nodded..

"We just can't fight like this" she said and he looked at her with raised eyebrow..

"I have so many things to do with you rather than fighting" he said and she hit him with the cushion..

"You aren't getting my point" she said sighing audibly..

"Hey listen I've got you..you want to give our relationship a chance right?" He asked this time seriously..

"Yesss" she nodded...

Just then they heard a knock "come in"

Jayant came inside with a file.."what a pleasant surprise this beautiful lady is here" Jayant said with amused expression..

"Hii uncle how are you" she wished him..

"I am fine!! How's your parents" he asked..

"They are doing well now" she replied softly and he nodded..

"Yes dad anything important?" Zain asked..and Jayant nodded and discussed a file with him and then he left in 10 mins..

"Don't you think you should apologise to me?" She asked and he looked at her with questioning eyes..

"For what?" He asked..

"For breaking the headlight of my new car that day" she said..

"Don't you think you should apologise to me too you also broke the headlight of my car and you were drunk that night" he said and she just give him

'I don't care look'

"You said you are mature right but you behave like a kid a teenage girl.. drink and drive isn't good what if something happens to you then.. you have a family they loves you.. doing parties going clubs are okay but doing race in the highway in a drunken state isn't good" he said softly trying to make her understand that she was wrong..

"That was first time I did something like that I mean that guy was challenging me so " she blabbered..

"That's ok you don't need to explain just don't that again okay?" She nodded understanding his point of view..

"What about coffee?" He asked..

"Yes please" she mumbled leaning her head back on the couch..

"Wait I am ordering" he said and her eyes snapped at him..

"Let's go out Starbucks is just opposite to your office" she said and he nodded in agreement..

She stood up picking her phone and backpack and he buttoned his blazer and picked his phone..

They stepped out of the cabin and found Jayant instructing something to the staffs..

"Where my kids are going?" He asked turning towards them..

"Starbucks" myra replied with a smile..

"Dad I'll be back as soon as possible" zain said and Jayant nodded..

"Progress" jayant mumbled to himself looking at zain and mayra as they walk away..

_____

She didn't take his words seriously and shut down her laptop. putting it aside she slept turning off the bed lamp.

She closed her eyes as sleep was just few metres away from her eyes just then she heard a voice and sat down on the bed with jerk.

"Hiiii Myra" she looked here and there but didn't found anyone.

"Who's that" she thought as the beads of sweat started forming in her forehead.

Myra'ss pov.

I think I am thinking too much there is no one.. sleep Myra sleep I started chanting in my mind.I laid down on the bed and closed my eyes.

"Hiii Mrs Kapoor" someone whispered in my ear I was about to shout but something rough was placed on my lips..ohh myy God I don't want to die I am just 20..I still have so many things to experienced in my life.

Wait wait Mrs Kapoor?

Is it Zain?

Fuckkkkkkkkk

Means it's his palm on my lips.

Urghhhhh this boy..I tried to shout but my voice muffled due to his palm on my lips being frustrated I bit hardly on his palm and he winced in pain pulling his hand back.

I turned towards him and glared at him hard while he was busy blowing air on his hand.I pushed him and sat on him taking the pillow from my side I started hitting him.

"You asshole how dare you to pull this stunt on me" I continue to hit him with the pillow while he was trying to save himself.

Zain's pov.

She is not letting me speak she is just blabbering and hitting me with that fucking pillow my poor handsome face.

"And who give you the permission to enter in my room at this time huh" this time she pulled my hair okay this is enough.

I changed the position and sat on her.. not really my weight was on my knees otherwise she would've died by my weight.

"Shut up just shut up and let me speak" i said pinning her hands on the either sides as she was hitting me.

"Stop struggling you can't win over me" I said as she was struggling to come out of my grip.she shot me a glare and muttered some curses under her breath.

And then my eyes travelled to her body.. fuckkk what is she wearing?

'a night dress' my mind said in duh tone.

'she is looking so fucking hot' my heart said jumping like a teenager.

Indeed she is looking so fucking hot wearing my favourite colour red..damnnn my hands were grinning wanting to touch her and that sleeveless top is actually looking so good on her damnnn her collarbone and her perfect cleavage with hidden treasure inside.

Shit shit shit what the hell I am thinking? I never think something like that for other girl then why she?

'she is not the other girl she is your wife' my heart said and my brain agreed.

Fuckkk I wanted to do so many shameless deeds with her.

No no no zain control yourself what am I thinking? I think I am drunk..no no it's been so long i didn't drink.

Did someone drugged me?

Is diya drugged me?

Yes yes diya did this with me because I was with her and we were having Oreo shakes together.

'Zain stop behaving like a kid no one drugged you it's just your attraction towards your wife' my mind said slapping me..

Oohh mannn I did a mistake of coming here at this time.

"Where are you zoned out just leave my hand and get the hell off me" she shouted and I looked at her.

She is looking so beautiful underneath me under my mercy..I am fucking out of my mind today.

'don't just don't put all the blame on me Mr Zain Kapoor your mind is at control but your pervert hormones doesn't' my mind shouted at me.

I left her hand and she pushed me and sat on the bed.

_____

Part 15

"What are you doing here?" She asked as she stood infront of me..

My eyes travelled to her slim waist to her sexy legs and tonned thighs..why she is looking so hot?

"Urghh back to earth" she clicked her fingers bringing me back to reality.. I blink my eyes couple of times then looked at her clearing my throat..

"Zain Kapoor speak up" she shouted she is looking so sexy..

I stood up infront of her and my hand slide into her slim waist as I pulled her close making her breath hitched..

"Wh- what are yo-u doi-ing" she stammered badly feeling me close to her..

I raised my index finger of right hand tracing her forehead down to her nose and i lazily stopped my finger at her parted lips.. she was breathing heavily..am I affecting her?

Am I really?

She looked at me biting her lower lip nervously.. don't bite girl that's my job.. I pulled out her bottom lip with my thumb and rubbed her lower lip making her shiver..

Her hands were placed on my chest..she can feel my heart beating erratically..I can feel her hands travelled upwards to my shoulder to my nape.. she pulled me close and I bent on her level and in next moment she fused her lips with mine taking me off guard..

Is she really kissing me?

'yes she is' my heart and mind said in unison..

I wasn't expecting this..

I was actually zoned out and was not responding to her kiss..she was about to broke the kiss but I kissed her back passionately pinning her on the wall..I fist her hair from one hand tilting her head to get more access..her fingers played with my hair and my fingers traced her neck going downward to her collarbone and stopped at her cleavage..she moaned in between the kiss and my tongue dived inside her sweet mouth..

We broke the kiss only to slammed our lips once again after catching some breathes.. she hold me tightly by my nape while my hands were busy caressing her waist as our tongue fought my hard body pressed against her while she was sandwiched between me and wall being breathless we broke the kiss breathing heavily..

I looked at her and she was already looking at me..."you are a good kisser" she said and I chuckled..

"You just surprised me" I mumbled looking at her..

She clutched my collar and pulled me more close to her "what you think of me that I am some kind of sanskari (innocent) girl then you are totally wrong mister" she whispered her breath fanned on my face..

"Glad to know that you aren't like those sanskari girls" I whispered with a smirk tucking her hair strands behind her ear..

"I am going back" I said and she looked at me..

"Really? Damnnn I am so happy" she squealed happily and my face fell..

"You are happy that I am going back" I asked disappointment and sadness were dripping from my tone..

"Yes ofcourse I am happy that you are going back to your home because I am feeling so sleepy I want to sleep" she said yawning and i want to bang my head on the wall..

"Dumb Myra" I slapped her head slightly and she looked at me angrily..

"You called me dumb huh? You are dumb you asshole" she shouted and I placed my palm on her lips to stop her from shouting..

"Shut up just shup up" I said glaring at her..

"I am going back means I am back to india" I said clearly and my phone vibrate in my pocket.. my eyes travelled to wall clock which shows 4.am..

I pulled my hand back and turned leave as my packings are still left but stopped feeling a soft clutched in my hand...

"Tum sach me jaa rahe ho (Are you really going)?" she said cutely it's rare to listen hindi from her mouth..

I turned towards her and bobbed my head.."i have to go because there are so many work lined up in india"

"What about tickets?" She asked and i chuckled..

"Dad's private jet" I said and she made 'O' shape mouth..

"We were planning to go next week but we have to go in evening only because of the important work" I said and she nodded understanding..

"Day after tomorrow I have farewell in my college so I thought I'll introduce you to my friends but it's ok" she said shaking her head..

I sat on the couch and pulled her on my lap making her eyes widened...

"Aren't you getting too much touchy Mr Kapoor?" She asked encircling her hands around my neck..

"Me no no it's you who kissed me and now you are telling me that I am being touchy very bad Mrs Kapoor" I said making innocent face and she just shook her head in disbelief..

"You are impossible" she muttered..

"Do you want me to do romance with other girl?" I asked with a smirk dancing on my lips..

"Do you want me to slammed your lips on the wall?" She asked with a tight lipped smile making me scared..

"If you don't want me to pleasure you with my lips in future then yes slammed my lips on the wall but" I took a deep breath and continued "it will be really good if you slammed my lips on yours..you know passionate kisses burns 5-26 calories in a minute and I can kiss you for more than 20 mins and you already gave me the tag of good kisser" I said mischievously winking at her and she just gaped at my face with her big doe eyes..

I couldn't control anymore and laughed out loud seeing her expression damnnn it was worth watching...

"You are very bad" she made a face and slapped my shoulder..

"Accha now tell me who is Kriya Khurana?" She asked once again curiously..

"Why are you so interested in her? Pyaar hogaya kya usse?(did you fall in with her or what)" I asked giggling and she just glared at me making an angry face..

"Don't be angry na.. she is just my friend nope actually best friend" I said with a smile..

"Zain Kapoor broke up with Actress Kriya Khurana and got engaged with Myra Reddy in Los Angeles" she said showing the article in her phone..

"Zain Kapoor The Billionaire ditched Kriya Khurana after being in relation with her for more than 5 years" she read the another article..

I snatched the phone from her hand and put it aside..

"Are you believing in all these shits?" I asked calmly

"your oh-so-cute couple goals pictures with her are actually making me beleive in all this" she replied gritted her teeth..

"It's nothing Myra..she is just my friend and these are all the fake articles about me.." I said softly caressing her hair..she just shook her head..

"Accha i am going back so will you miss me?" I asked with hope..

"Miss no no i will not going to miss you at all" she replied and I just looked at her face with shock filled eyes..

"Do you want me to miss you?" She asked brushing my hair..

"Yes I want you to miss me so much that you can't take this anymore and come running in my arms" I said and she made a face..

"It's a real life Zain not a film" she said giggling and i made whatever face..

"It means tum mujhe miss nahu karogi(it means you won't gonna miss me)" I asked and she chuckled..

"Tum mujhe miss karoge?(will you miss me)" she questioned back...

Just then we heard a knock on the door and we looked at each other in horror..

"Who is here at this time" she mumbled making a shocked face..

He broke the hug and whispered "sorry for distrubing your sleep" he pressed another kiss on my forhead..

"Don't go from there come with me" I said as he was about to exit from the balcony..

"Good morning" I wished mom dad..

"It's afternoon" mom corrected and I mumbled a sorry and started sipping orange juice..

"Kapoor's are going back today" mom said..

"I know" I mumbled and served myself breakfast..

"How do you know? I mean they just called me now and told me that they are going back but how do you know?" Mom asked suspiciously..

Shittt how can I utter those words...I don't want mom or anyone to know that manik was there in my room at night..

"What I don't know anything!! I just got to know about you only that they are going back" I said hastily mom nodded..

_____

"I will miss you bhabhi (sister in law)" diya said hugging me as we were standing outside the private terminal..

"I will miss you too baby" I said as she broke the hug...her lips wobbled and she cried awwwee my cutieee..

"Stop crying diya" I wiped her tears and she hugged me once again..

"Aap bhi chalona hamare saath please(please come with us na)" she pleaded cutely..

"I will come to meet you ok" I said softly..

"Promise?" She asked

"Promise" she nodded happily..

"By the way diya you still don't want to do friendship with me? I am not a bad guy" rishabh said and i chuckled he is trying very hard..

"Okay friends?" She forward her hand.

"Friends" he shook hands with her..and i smiled seeing them..

I looked at mom dad they were talking with uncle and aunty..i went to them..

Zain's's pov..

Wow like wow she have time for everyone except me..she actually forgot that she have one handsome husband...

I looked here and there mom dad were busy talking with uncle aunty while diya was busy talking with rishabh..

"What the hell Zain? What are you doing? What if someone sees us like this" she said and i placed my palm on her lips..

"No one is there" I said softly pulling my hand back from her lips..

"Close your eyes" I said and she gave me look..

"Close na" I said once again..she sighed closing her eyes..

I took out the pendant which I bought for her...I put her hair on one shoulder and made her wear the pendant just then my eyes fell on her tattoo behind her ear..it was looking so hot and tempting..I placed a kiss there and moved back..

"Zain" she gasped touching the diamond pendant..

"Don't you dare to open it ok" I said sternly..

"But zain it's too expensive" she said and i made a face..

"I am gifting this to my wife not some other girl" I said making faces and she laughed

Lowering my head I pressed a kiss on her pendant and she clutched my t-shirt..my lips moves upward as I left a kiss on her jaw to her chin..I placed a kiss on her corner lips..

"I'll miss you" I whispered pressing a kiss on her left ear.. I enhaled her jasmine scent and she wrapped her hands around me hugging me tightly..my arms immediately wrapped around her petite frame...

"I'll miss you too" I heard her saying this in inbetween the hug her lips moved on my heart due to my hold her voice muffled..

I broke the hug and looked into her eyes..her eyes were glassy as her tears were threatening her..

"Don't cry Myra make-up kharab hojayega tumhara(otherwise your makeup will destroy)" I said giggling and she slapped my shoulder..

She cupped my jaw and pressed a tight kiss on my cheeks making me smile.."bye Myra" she whispered..

"Humne kuch nahi dekha(we didn't see anything)" and here comes diya and rishabh standing shutting their eyes..

Now diya will tease me..

Part 17

3 months later.

Sunlight peep inside the room and straightly fell on her angelic face making her frown.. she turned to other side digging her face on the pillow..

Her phone started ringing..she sat on the bed with a jerk and took the phone from the side table hoping it to be his call.

Her face fell seeing the call id..it was a call from her friend.

She picked it up and her friends were forcing her for shopping which she was denying then something popped in her mind.. why she will ruin her mood for the person who doesn't care for her?

"I'll be there on time" she hung up the call and went to restroom.

After taking a shower she wore one comfy casual outfit and went downstairs.

She wished everyone and completed her breakfast..she went to shopping with her friends and shopped for some t-shirts and jeans.

They went to food court as they were hungry..she took out her phone and turned on her insta account.

Seeing something her blood boiled.. she put her phone aside and stood up picking her car keys without eating anything.

Her friends tried to stop her but she didn't listen to them and went out of the mall picking her shopping bags.

She dumped her shopping bags in the backseat of the car.. sitting on the driving seat she drove off.

She drove like a mad girl and stopped the car in the deserted highway..she punched the steering wheel.

Myra's pov.

I took out my phone and started recording

What you think of me Zain Kapoor huh that I am a type of girl who is always behind your back.. first you were here we fought then suddenly you become oh-so-goody goody with me.. those romance and that pendant.. that fucking pendant you gifted me like you owned me.

And now you don't have time to talk to me.. it's been 10 days you don't have time to reply to my messages..I am not like those girls who are dying for your attention.. It was you who wanted a chance a fucking chance and now huh you forgot everything after going back to india.

You have time to put story with your best friend but you don't have time for your wife you know what Zain urghhh why the fuck I am saying all this to a person who doesn't care for me..You are Male bitch urghhhh dog ko hindi mein kya bolte hai..jo bhi bolte hai tum wahi ho.. now go and fuck yourself no actually fuck your bestfriend.

(Writer's pov: 😂🤣😂🤣 Zain is Male bitch 😂😂😂🤣🤣😆😆)

I sent the recording to him and threw my phone on the backseat.

My eyes fell on the pendant which he gifted me..his words rang in my ears 'don't you dare to open it' urghhh I hate you Zain Kapoor.. I opened the pendant with great difficulty and put it inside my bag.

I drove to Reddy Mansion.

"Where is mom?" I asked the butler stepping inside the kitchen.

"Mam is in her room" she said and I nodded.

I took out the bottle of beer from the refrigerator and went upstairs picking my shopping bags.

Don't give me those looks I don't drink much but sometimes I need it.

I opened the bottle and took a sip and stared outside..I took two sip more just then I heard a knock.

"Doll open the door" shitt mom I am so gone.

I hide the bottle and took mouth freshener and sprayed it in my mouth then I opened the door.

"Doll when did you came?' she asked stepping inside the room.

"15mins ago" I replied.

"What happen?" I nodded in no.

"Mom see na today I bought so many outfits for myself" I said excitedly and started showing her all the things.

"I also bought this wallet for you" I said giving her the box.

"It's beautiful doll" she said smiling.

"You liked it?' I asked

"I Loved it" she said happily.

I am proud of myself for making my mom happy.

"See mom I got this wallet for dad" I said showing her wallet..and she smiled.

"Rishabh abhi bhi college se nahi aaya na?(Rishabh didn't came back from college right)" I asked mom and she nodded in no.

"Mom today is Rakshabandhan so bought a gift for him also" I said.

"You know mom he want this sneakers for long time but it was stocked out so he was sad and finally today I found this in store so I got this one for him" I said showing the sneakers.

"I see you spent so much money today hum toh bohot jaldi road par aajayenge" mom said and i made a sad pout..l

"Ohh comeon mom you are wife of The Tushar Reddy you don't need to take tension about money" I said proudly.

"I bought this for you all..I haven't bought anything expensive for me I just bought two t-shirt and one jeans" I said and she pulled my cheeks.

I made a face rubbing my cheeks.

"Did I ever tell you not to spend on yourself"i nodded in no.

"Then?" She asked.

"I have all the things kuch din pehle hi toh shopping kiya tha so yeah" I said and she nodded.

"Kapoor's invited us for wedding of Zain's cousin and we don't have time" mom said all off a sudden and i looked at her curiously.

"Don't have time means?" I asked her.

"Your dad is going UK for business deals for 10 days rishabh have exams so I can't leave rishabh alone and as far as I know you don't want to go india because you don't like that place" mom said and I quickly stood up.

"What are you saying mom? I love India mera bha- bha- " I stammered what was the line I started thinking while making faces.

"It's mera bharat mahan" mom said laughing and i nodded copying her "haanjii mera bharat mahan I want to go india mom my birth place

Mom was just gaping at my face with shocked expression because I was never been this excited about going to India..well I just want to punch Zain that's why I want to go there and also I want to show that kriya khurana that Zain is mine and always be.

"Doll are you sure? You will be alone there hum sab nahi honge wahan pe (we won't be there for you)" mom said and I bobbed my head.

"I want to go mom please and i can handle myself all alone and my In laws will be there na and you know na Mihika aunty is such a sweetheart and diya she is my cutieee.. she called me everyday mom" I said .

"What about Zain ?" She asked with raised eyebrows.

'I want to kill him mom' I screamed in my mind.

'Vidwaa hojaogi tum (you will become widow)' my heart said making me confuse.

'what is vidwaa' I asked my heart making confuse pout.

'vidwaa means widow' my heart said and i nodded.

"Yes mom zain is also a sweetheart.. he will be there na to take care for me please mom let me go and you know na I never enjoyed Indian weddings so please" I said showing my puppy eyes.

"First let me talk with your dad ok" I nodded.

Okay so let me tell you all one thing..after sending the recording to him he is calling me and messaging me continuously but I am not replying because I want to talk to him face to face.

Mom dad told me that they will come to India after 10 days..I nodded.

Mom gave the long lecture of behave properly to talk politely with everyone.. not to get angry on small things and blah blah blah after all I am the daughter in law of Kapoor's.

I nodded like a obidient kid which I am not.

Early morning flight sucks 😶😶.

Part 18

Myra's pov..

And finally my flight landed in india..

Myra Reddy welcome to india..

I checked the time it's showing 6.am..

My flight was late..

I clicked a picture and uploaded it in my story...

I walked out of the airport only to get engulfed in a hug..I was taken aback with such intensity..my branded bag fell down from my hand.."I've missed you soo much" the words reached my ear with ever so husky voice I know the owner of this tone it's Zain..

I looked here and there to found media is capturing us..I hate being a celebrity right now urghhhh..

"If you are done with your shitty PDA then kindly leave me"I spat harshly..he was taken aback he broke the hug and looked at me confusedly..I picked my bag which fell down due to his hug..

"Hiii Myra Kriya Khurana here" I heard a voice I turned to saw the bitch..I know her she is bollywood actress and her insta feed is full with Zain..

"Hiiii" I forced a smile and shook hands with her..

"Let's go" zain said grabbing my hand..

"I am not a kid I can walk alone" I jerked his hand and wore my sunglass..

His bodyguards were there to help us.. they dumped my bag in his car trunk..

I was about to sit inside the passenger as manik was sitting in the driving seat but kriya sat there..

I stomped my feet on the ground and stood there crossing my arms across my chest..

"What happen myra why are you standing there comeon get inside" kriya said faking innocence..

I just stood there without replying to her..

Zain stepped out of his car and stood infront of me "why are you behaving like a kid myra" he breathed out "get in" he said calmly..

"I won't" I replied looking into his eyes after opening my sunglass..

"Wait what? Do you want to stay here whole day" he asked and i just glared at him..

"I won't sit on the backseat" I said angrily..

"Mere sarr par par baithoge (you want to sit on my head)" he asked being irritated..

"Sarr means head right?"I asked and he nodded in yes"no i don't want to sit on your head but I don't want to sit on the backseat either" I said angrily and he looked at me.. his expression was like he is getting confused..

"Why she is sitting on the passenger seat?" I asked pointing towards his so called bestfriend..

"Damnn myra you are angry because she is sitting there..come on myra you can't be this much jealous she is just my friend" he said and laughed a bit..

Can I punch this man right now?

No right? Because we are standing here in public place and medias are all around..

I took out a phone from my pocket and dialled a number..

"Hello princess" I love you dad thanks for picking up my call..

"Hello Dad I reached" I said smiling..

"Dad actually I need a car right now in 5mins please arranged it for me"I said casually while zain was just gaping at my face..

"Why princess? I mean zain called me he told me that he will pick you up from the airport" I heard dad saying from another side..

Before I could reply dad started once again "wait did you two fight"

Firstly I am tired after a long hectic fight and then seeing kriya I am angry.. I just lost my calm and shouted "dad you are millionaire for God sake can't you just arrange a car for your daughter and I already told you that I'll need a car reaching India then what's the need of asking those questions now"

"Princess you will get the car in 10mins ok just wait there baccha (baby) I am arranging" dad said softly from other side..

"Thank you and I am so sorry dad I shouldn't have shout on you like that I am just tired" I said softly apologizing for the mess I did..I am feeling guilty right now.

"It's ok princess you don't need to say sorry just wait 10 mins there you will get the car" dad said and hung up the call..

"What is this myra why are you behaving childishly" he asked grabbing my arms in tight grip..

I jerked his hand and ignored his question..

Kriya stepped out of the car and said "zain she is behaving like this because I am with you she is pissed off seeing me here..I am so sorry myra" she wiped her invisible tears..

"Listen bitch I am not here for your sorry and all..and girl one more thing you badly need acting classes you tears aren't coming out I have hand sanitizer in my bag if you want then I can put two drops in your each eyes then your eyes will flow like a waterfall" I said angrily and she was shocked..

"Enough is enough myra you are really out of your mind you just called her bitch" zain said taking her side which irked me more..

"She is bitch and you are male bitch" I said rolling my eyes at him..

Before he could reply i saw the man of my dad's age coming out of the car with a board in his hand where it was written Reddy's in bold letters..and I also saw the Reddy's mark in the car.

I ran to him and greet him politely..

"Uncle please help me with luggage" I said softly and he nodded..

He helped me to took out the luggage from zain's car trunk and put it in my car..

"Just a min uncle I am coming" I said driver uncle and went to arhaan

"Bye fiance see you in your home" I said and placed a tight kiss on his cheek and pulled back..

I looked at his face he was actually shocked with my behaviour but he didn't utter a word..

I sat inside the car and passed him flying kiss and told the uncle to start the car.. I waved at them with a smirk on my face..

_____

Part 19

The big gate of Kapoor Mansion got open and my car enters followed by Zain's car..

Wow they have nice mansion..it was decorated beautifully because of the wedding function..

I stepped out and the same time zain also stepped out of his car with the bitch..

Ignoring them I walked ahead to found my sweetheart sasumom (mother in law) was standing on the door with a smile.. she was holding a plate which contains all the holy thing.. maybe she will do my aarti..mom also does this in our home so I knew about it..

There was a another lady standing beside her..I don't know who is she?

Okay myra now you have to behave..mom told me to touch their feet to took the blessing and also told me to do namaste by joining my palms..

"Why did you came from another car myra?" Sasumom (mother in law) asked she was confused..

"It's a long story aunty I'll tell you everything later in detail ok" I said winking at her and she nodded chuckling..

"Okay first let me do your aarti then you can come inside" I nodded rubbing my palms..

She did my aarti lovingly and I smiled..

Okay now I have to touch their feet right?

I touched mihika aunty's feet then the other aunty.. both blessed me and I went inside with them.. mihika aunty handed me a glass of water which I gulped in a go..

"She is zain's badi mom" aunty said pointing towards the other lady.. I nodded and passed her a smile..

"Aunty one minute I am coming" I said and ran outside..

I found the driver uncle standing there I went to him..

"Uncle I am so sorry to trouble you at early morning" I apologized..

"It's ok mam it's my job" he replied smiling..

"Uncle please don't call me mam I am just like your daughter call me myra" I said and he nodded..

"Tushar sir told me to give you the car keys" he handed me the car keys..

I took out some cash from my purse and gave him..

"I don't need it myra mam" he politely denied..

"Uncle please take it..you helped me so much today please uncle" I said like a baby..

He smiled and took the cash and left not before patting my head...

I turned only to bumped with something hard and I fell down.. ouchhh my sexy ass and my cute elbow..

"Ahh mama" I rubbed my elbow because it hurts..

"Are you ok?" Ohh it's my jerkass husband..he knelt down infront of me and asked he was concerned

Concerned my ass..

"I was fine 1 min ago but right now i am not and the reason is you" I grumbled angrily and tried to stood up but not able to..

Urghhh why God?

"Let me help you" he said softly and I shook my head in no..

"I can help myself" I said and prayed to God in my mind to help me to stand up without his help..

And guess what? God listened to my silent prayers and I stood up without his help..

Thank you God you are the best..

I picked my purse and went inside without his help fumbling a little..

"Bhabhi" and here comes my cutieee.. she ran down the stairs and came to me..

"Hiii baby" I wished her and she hugged me tightly..

"I've missed you soo much" she said as she hugged me..

"I missed you too baby" I patted her head and she broke the hug..

"Today is saturday and madame wokeup early morning just because of you" mihika aunty said and i smiled..

Diya is the cutest of all..

"Diya go and show her the room" mihika aunty said and she nodded..

"Myra you go and freshenup and then come for breakfast" she said to me..

"Aunty I don't want to have anything right now i am not feeling well I want to rest for sometime" I said to her softly..

"What happen myra? Anything serious" mihika aunty asked in concerned..

"Aah nothing aunty just a jet lagged" I said smiling..

"Okay baccha go and take rest" I nodded and went upstairs with diya..

She showed me the room and Butlers placed my luggages there..

"Bhabhi now you rest we will talk later ok" diya said and i nodded..

She left and i looked at the room it was big and nice..

I laid down on the bed sighing..

I need to take shower..I stood up and took out my bathrobe and essential things I went inside the restroom..

I stood under the shower as the water cascade down my body and my tiredness also washed away..

I stepped out wearing my bathrobe which hardly cover my thighs..

I unzipped my luggage and searched a comfortable outfit..

"Nice view huh" I turned only to get a shocked..my jerkass husband was sitting on the bed like a king and staring at my body shamelessly like i am standing stark naked infront of him..

What the hell I am thinking?

"Who the fuck give you the permission to stepped inside the room?" I shouted and he get off from the bed and in a sec he stood infront of me.. his cologne hit my nostrils..

"It's my house and I don't need anyone's permission" his grin got wider as he uttered those words..

"You.." before I could utter more he placed his finger on my lips..

"Ssshhh just ssshh" he sushed me and his other hand went to my waist as he pulled me close making me gasped..

"Not a word" his tone got huskier as his finger which was on my lips travelled down to my chin..he traced my throat and stopped at my neck my eyes were closed as I breathe out..

"Where is the pendant?" He asked tracing my neck..I didn't respond..

"I asked where is the pendant myra" he asked once again his voice was stern..I opened my eyes and glared at him..

I didn't reply and muttered some curses under my breath..

"I told you not to open it right then why you did this?" He asked as he jerked me more towards himself..

"I am not answerable to you" saying this I pushed him and started taking out my outfit..

"Where is the pendant?" He asked once again calmly as if he was trying to control his anger..

"Fuckk off" I showed my middle finger..

"You know what myra you just love to test my patience" he stated his jaw clenched.. while I just give him 'i don't care' look

"Fine then let me check it" he said and picked my bag..

"What the hell zain give my bag back" I said angrily as he opened the chain of my bag..

"It's bad manners Zain Kapoor you just can't open a girl's bag" I said trying to stop him..

He turned my bag and shake it and everything fell down..my earings some makeups clips my airpods and a bottle of hand sanitizer and other things also..

He find the chain and picked it up..

"Why did you open it?" He asked walking forward..

"I am not answerable to you" I said as I move backward..

Can I just admit the fact that this scene is soo filmy because my back touched the wall and he was standing so close to me..

"Zain don't" I tried to stop him as he was trying to make me wear the pendant..

He placed my wet hairs on one side of the shoulder and made me wear the pendant.."don't you dare to open it this time" his breath fanned on my neck and my body erupted with goosebumps..

"Why are you so angry?" He asked and pressed a kiss on my ear..

"Zain leave me"I said trying to push him..

"What if I won't?" I can feel him smirking..

"Then I will puke on you" I said and he immediately moved back..

"What the fuck you are saying?" He asked confused..

I didn't reply and ran inside the restroom and puke everything I ate in the plane..

Jet lagged sucks😩😩

"Hey are you ok?" He asked stepping inside the restroom..

I splash some water on my face and turned towards him..

"No i am not fine I am pregnant with your child" I said glaring at him..

"What the fuck" he literally shouted..he was shocked

"Jet lagged idiot" I replied..

"Ooh God" I threw up once again and he rubbed my back to calmed me down..

I splash some water and said "it will be really good Zain Kapoor if you get your ass out of my room I need some privacy I want to change my dress"

He didn't utter a word and left..

I took the new brush which was placed on the counter and brushed my teeth..

I changed into comfortable outfit and laid down on the bed closing my eyes just then I heard a knock..

"Come in" I said from inside..

"Mam lemonade for you" the butler came inside and forward me the glass..

"But I didn't ask for it" I said being confused..

"Zain sir told me to give you this" I nodded she placed the glass in the side table and left..

My phone started ringing flashing Zain

Why he is so annoying ughhhh..

I picked the call and about to shout on him but he started before me "drink the lemonade and sleep we will fight later" and he hung up the call..

Sighing I drank the lemonade and laid down on the bed and soon darkness engulfed me..

Part 20

I woke up and found unfamiliar surrounding oops I was my in laws house..

'I am hungry I am hungry' my stomach said..

'few minutes baby I will fill you up' I replied back to my stomach rubbing it softly..

My eyes went to wall clock and my eyes widened 12.pm afternoon..

Getting off from the bed I went to restroom and freshenup I went downstairs..

"Bhabhi are you fine now?" Diya asked as I descended the stairs..

"I am fine baby" I replied and my eyes travelled to zain he was sitting on the couch and another girl sitting beside him..

Now who is she?

And why the fuck she is sticking to manik?

"Bhabhi she is Nia dii our cousin and it's her marriage" diya answered my unasked question..

I was about to curse her but she is zain's cousin sister...

"Myra baccha (baby) are you fine?" Mihika aunty asked as she stepped out of the kitchen..

Zain looked at me and I royally ignored him..

"I am fine now" I replied..

"You must be hungry now just give me 5 mins I'll make aloo paratha (indian food) for you" she said and went inside the kitchen..

"Hiii Myra I am Nia Zain's cousin" she introduced herself...

"Hello" I shook hands with her..

"Don't be formal with me I am your sister in law" she winked at me and I smiled..

"Just a min" I excused myself and went inside the kitchen..

My blood boiled seeing the bitch in the kitchen with mihika aunty..

Is she really don't have her own house?

Grrrr I soo wanted to pull her hairs..

"You need something myra" bitch asked turning towards me..

Ignoring her I said to mihika aunty "aunty please don't add much spices I am allergic to spicy food" she nodded and i took out the bottle from refrigerator and went outside..

Few minutes later

"Myra aloo paratha is ready" aunty said and my stomach squealed..

I sat on the chair and she served me and went inside the kitchen..I took the first bite chewing it and everything went blank tears blurred my vision my breath stucked in my throat.. I started coughing badly like really badly..

"Myra are you ok what happen?" Zain rubbed back my back..

I was not able to speak anything I was just coughing badly..my mouth throat everything inside was burning as fuck..I literally saw stars infront of my eyes..That was the worst feeling..I was gasping for breath..

"Mom please get me a glass of water.. fast" zain shouted rubbing my back..

"Breathe myra" he said..I can feel that he is panicking..his hand move up down on my back as he was trying to soothe me but nothing helps..

"Bhabhi are you ok" diya asked I wasn't able to answer to her question also..

Mihika aunty give him a glass of water and he placed it near my lips.. gulping the water I calmed a little still I was coughing..

"Bhabhi have this" diya stuffed spoonful of ice-cream in my mouth and it did help..

"Mom what did you cook for her it's too spicy" zain said as he took a bite of aloo paratha..

"What are you saying zain I didn't even add a little bit of spices because she is allergic to it" mihika aunty replied and my eyes went to kriya the bitch she was smirking..

I know she did this..Bitch just wait I will take revenge from you very soon..

Diya stuffed another spoonful of ice cream in my mouth..

Zain wiped my tears with his handkerchief and even wiped my nose...

I palmed my face and started taking deep breathes to calm myself..

"Bhabhi don't eat this aloo paratha have this cake I made this when you were sleeping and it's eggless" diya said and passed me big piece of chocolate cake.

"Thank you diya" I took the plate from her and started having the cake as I was hungry..

"Myra I am so sorry beta I don't know from where this spices came in your food" aunty said apologetically she was looking guilty but she was not at fault..

"Aunty it's ok you don't need to say sorry I am fine" I said softly..

I started having the cake silently without talking with anyone but in inside I was burning in rage I was burning in anger..

"Are you fine now?" Zain asked caressing my hair.. I hummed and drink the water..

I wiped my lips and stood up but he pulled me back.."what are you doing zain? Everyone is here" I whispered yelled at him..

"Don't you think we need to talk?" He asked tucking my hair strands behind my ear..

"Yes we badly need to talk" I answered with a tight lipped smile..

He stood and hold my hand and took me upstairs to his room..

"Zain woh.." and here comes the bitch..

"We need some privacy so kindly get out" I shouted at her and slammed the door on her face..

"What was that?" Zain asked and i turned towards him..

Everything flashed infront of my eyes of him ignoring my calls to not answering to my texts and also uploading insta story with her..

I can't take this anymore..I went to him and stood close to him..

My right hand curled into fist and boom a solid punch landed on his jaw..his face turned other sure due to the impact..my eyes were red in anger..his corner lips were bleeding but I cared less..

I am not feeling pity on him..I am not even guilty at all..he deserved this no no actually he deserves more than this..

"You know what you are asshole you are male bitch you are witch you are ughhh everything" I shouted at him while he was just gaping at my face cupping his jaw..

"You Ignored me!! How could you? It was you who wanted chance right then what happened all off a sudden huh bolo" I yelled venting out my all frustration..

"You forgot everything right? Now tell me did you fucked your best friend was she opened.." he cut me off..

"What the fuck you are uttering Myra are you gone nuts" he shouted angrily but i didn't even flinch a bit..I wasn't scared of him..

"I am saying the right thing you have time to put stories with her but you don't have time for me.. you know what Zain I've never called a person twice but just because of you i put my self respect and everything aside and called you how many times I forgot the count" I said..

"What you think of me huh that I am some kind of roadside girl then let me just remind you I am The Myra Reddy" I shouted..I am soo fucking angry on him..

"And in morning you just took her side you.." he cutted me off once again..

"You are still stuck with the same thing myra why can't you understand that she is just my friend" he yelled at me..

"And who am I ? Tell me who am I?" I shouted..

"I know you won't believe me but let me tell you one thing it was your bestfriend who added spices in my breakfast knowing that I have allergic to it" I said the thing which was running in my head..

"She can't do this she knows that you are my fiance" he said and i just shook my head..

I went close to him and hold his collar jerking him towards myself I stated with gritted teeth "we are husband and wife fiance just to show the world" I pushed him making him stumbled..

"I went to the kitchen that time to tell mihika aunty that I am allergic to spices and spicy food and no one was there with her except your bestfriend" I stated the fact..

I went close to him and encircled my hands around his neck I mumbled "Zain Kapoor she is your bestfriend and I am your wife and I think you are mature enough to balanced the relationship between us.."

I pulled him more close and he bent on my level my lips was close to his right ear "just get that straight in your not so working mind that you are bounded with me forever and if I find something fishy between you and her then I swear I'll kill you right then there and you know I am capable of doing that" I whispered possessively in his ear..

"You are mine and always be"possessiveness was dripping in my tone as I placed an open mouth kiss on his ear and left the room leaving him shocked and baffled..

Part 21

Zain's pov..

Fuck fuck fucking fuck..she shouted at me without knowing the whole truth..

She is a gone case..indeed a gone case and her childish behaviour ughhh...

Yes it's true that I didn't reply to her text not I reply to her calls or anything because dad snatched my phone..

Did you all just believe dad snatched my phone..

The Zain Kapoor's phone..

I am 25 for God sake..

Madame is angry because we didn't talk for 10 days and what about those days when we used to talk like teenagers..

I used to wokeup early morning just to talk with her and she used to awake whole night sometimes I used to woke at night because of the timing problem.. the time distance is somewhat 22 hours..

So where I was? Ooh yeah so we used to talk like a teenager don't ask which topic..

Because our topics were weirdest of all..sometimes it's about super heroes or angels or devils, vampires or werewolves.. sometimes it's about doraemon and shinchan also..

I wasn't able to give time in my work because most of the time my mind is occupied with only one name that is Myra Reddy no no actually Myra Zain Kapoor..

So I wasn't able to give time in my work and I messed up my professional and personal life and that's where I disappointed my dad and what he did he shouted at me infront of whole staff at office.

Like seriously he shouted at the CEO of the office infront of everyone..okay I was a fault because I didn't complete the file on time because I was busy talking with Myra..he should have talked to me in personal but nooo..

And then he shouted at me once again when I was in my room and about to call her..

He said if I didn't complete this project then he will kick me out of the Malhotra Heights..

Is he serious? That was my reaction..

Well he can do that He is The Jayant Kapoor..

He snatched my phone while my expression was too shocked to react..

He then gave me 10 days to complete the files and assignment and also told me to handle the meetings...

So many works ughhh..

Flashback..

"I am 25 just 25 aur kitne zulm karoge zaalim (how much will you torcher me you cruel) Jayant Kapoor" I said stepping inside his cabin..

"Hogaya tera drama 30 mins mein meeting hai so be ready (if you are done with your drama then be ready we have meeting in 15mins)" He said looking at me..

"Dad" I whined and he glared at me..

"Sorry sir" I apologized..

"No go back to your cabin and complete the file" he said loudly..

"My phone" I said like a baby..

"Go" he ordered..

"Zaalim baap (cruel Father)" murmuring I went to my cabin..

"Just few more days Myra" I mumbled and started checking the files once again..

(The day when Myra sent voice recording to Zain..)

"You have done great Job Mr Zain Kapoor here is your reward" dad handed me my phone..and i just got my breathe back..

"And here is your new phone" he handed me another one..

"Thank you dad you are the best" I thanked him happily..

"Now just complete the last file and after that you don't need to come office from tomorrow" he said making shocked..

I stood on my table and started shouting "yeh zulm hai (this is a pure torchar) Jayant Kapoor you made me work day and night you snatched my phone and you even got the crore wali deal and now you are kicking me out of the office very bad Jayant Kapoor..I will go to court I want justice"

"Niche utarr (come down)" he shouted..I made a face and sat on the table..

I looked at samar he was controlling his laughter and I just showed middle finger to him..

"Zain behave" dad glared at me..

"Sorry sir" I mumbled..

"I am giving you holiday because there is not any important works..you can enjoy Nia's wedding" dad said.."if something important lined up then I will call you" and he left..

I was about to call myra when Kriya came with three boxes of pizza and samar was already present there.. and I can't call myra infront of these two jokers so I dropped the idea of calling myra and started checking the files while they were busy having pizza and clicking pictures..

Flashback end

I don't know what samar and kriya did with my phone but I get to know they uploaded story with me and then boom..

I also mentioned kriya and samar in my story and about to call myra but she didn't pick my call nor she replied to my messages..

And that voice recording... her voice was soo cute when she was scolding me..and her hindi ohh damn that was the cutest because most of the time she forgot the words and she called me Male Bitch a new invention by her..

Although in voice recording she also said some bad words and I know she was angry that's why she said all those.. how can she think of me fucking my bestfriend come on I haven't touched any other girl except Myra..

Okayy leave all this now I have to clear all the mess..

I stood up and went downstairs to found her sitting with Nia and Diya they were talking about something and laughing..

My phone started ringing..I took out my phone from my pocket and looked at the caller Id it was flashing Shweta aunty's name..

"Hello?" I picked the call..

"Hello zain how are you?" She asked..

"I am fine aunty.. how are you?" I asked

"I am fine!! actually zain I want to talk with myra and she is not picking up my calls" she said..

"Just a min aunty" I passed the phone to myra and she gave me a questioning look..

Pov end

"Your mom" he said and she took the phone from him..

"Hello mom"

"Where is your phone doll?" She asked..

"In my room" nandini replied..

"Anyways leave it listen to me I've ordered few indian outfits for you from the fashion house.. they will going to deliver anytime so just check the fittings ok and thank me later" shweta said from the other side..

"You know what mom you are the best and I love you thank you soo much" myra squealed all off a sudden like a baby and everyone looked at her with shocked expression..

She passed them a nervous smile and sat silently..

'she is indeed a kid..' thought zain

At evening..

Myra's pov

So tonight they have one small Mahendi function and tomorrow is engagement..

Mom is indeed a life saviour she sent me so many indian outfits and all are soo freaking beautiful..I love you momma murthy..

I got freshenup Now what to wear..I started checking the outfits all are nice..I found sarees also wow this green saree is beautiful..

But I don't know how to wear saree.. now what to do? Watching youtube video will be the worst option because I know I can't wore saree to myself..

Just then I heard a knock I looked towards the door to found mihika aunty..

"Myra get ready baccha it's function time everyone got ready" she said.. she was all ready in her pastel green saree..

"Aunty I want to wear this saree but I don't know how to wear it" I said shutting my eyes tightly this is so embarassing..

She chuckled and said lovingly"it's ok I'll help you there is no need to get embarassed"

First she told me to wore the blouse my blouse is somewhat like tube top and then the underskirt I also wore jeans inside for the emergency and then she draped the saree beautifully and also pinned it..

She is such a sweetheart and i am so lucky to got her as my mother-in-law..

"Thank you aunty" I thanked her twirling..

"Welcome now do your makeup and come fast" she caressed my cheek and left..

I sat infront of mirror and did normal makeup..i wore my diamond stud earrings and tied my hair in a ponytail..

I sprayed perfume and wore my new high heels.. I started clicking pictures..

"Bhabhi are you ready?" Diya knocked in my door..

"Come inside baby I am ready" I replied from inside..

She came inside and squealed "oh My God Bhabhi you are looking soo beautiful and hot"

"Thanks baby even you are looking pretty not only pretty very pretty" I said looking at her she was wearing a simple green lahenga..

"Let's go downstairs then?" She asked and i nodded picking my phone and clutched..

_____

Zain's pov..

Where is nandini yaar? How much time she will take to come down..

"Aajayegi apki wife bhai (your wife will come soon)" nia said in teasing manner and i slapped her forehead..

"Oucchh bro" she made a face and I pulled her cheeks..

She sat grumpily rubbing her cheeks..

"And there she is" samar whispered in my ear and i looked up.. she was descending the stairs with diya..my breath hitched seeing her in saree..she is looking like a fairy..

How can someone be so perfect?

And that smile on her face..she is indeed the most beautiful girl in this whole world..

She came and stood infront of me no actually she stood infront of Nia ignoring me royally..I mentally pouted..

"You are looking beautiful myra" nia complimented and she smiled..

That smile ouchhh hayee her killer smile..

"Wow all the gorgeous ladies are here today" dad said coming from behind..

"Hello uncle" myra wished him politely..

"Hello gorgeous how are you?" Dad patted her head while I was making faces just because of him myra is angry on me..

"I am fine" she replied and dad looked at me while I was already looking at him grumpily..

"What happen Mr Kapoor?" Dad asked sitting beside me..

"Just because of you she is angry on me" I whispered grumpily..

"Take her out for ice cream treats long drives her anger will flew away from the car window" dad said winking..

"Haa apko sab pata hai thank you, shukriya, dhanyawad (Thank you)" I said as I stood up as mom was gesturing me to come to her..

Part 22

Myra was sitting and talking with nia while diya was also sitting beside her and clicking pictures..

Myra was unaware of Zain's gaze on her she was fully concentrated in in talk with nia..

"Hiii beautiful ladies" myra heard the voice and her eyes snapped at the direction..

She was shocked seeing him here..she wasn't expecting this..

"Ohh My God bhai finally you are here" Nia squealed and stood up.. she hugged him tightly..

"Teri shadi hai aur main nahi aata (how can I miss this chance it's your Marriage)" he said patting her head..

"Hiii choti how are you?" He wished diya..

"I am fine bhai" diya also hugged him..

"Hello prettiness" he wished myra while she was too shocked to react..

"Oyeee where are you lost?" He clicked his fingers infront of her bringing her back to the reality..

"Oh My God Rohan" myra squealed and hugged him..

Zain's eyes were already on her which was widened with shock seeing her hugging his cousin..

"You both know each other?" Diya and nia asked in unison..

"Very well we met when I went to trip with my friends" myra said smiling..

"I also went there with my friends and coincidentally our friends were same" Rohan said and myra nodded chuckling..

"I don't know that you are Kapoor" myra said..

"Even i don't know that you are Kapoor and married to my cousin brother and you are my bhabhi" Rohan said looking at her..

"Please don't call me bhabhi it's soo annoying Myra is better" myra said making a bad face..

"Only I have the right to call her bhabhi" diya said batting her eyelashes making myra smile..

"Agar tu meri Bhai kii biwi na hoti toh main tujhe propose kardeta (I would've proposed you if you weren't my brother's wife)" rohan said dramatically making them laugh..

Zain's hand curled into fist and his jaw clenched as he saw her laughing with him and she also hugged him..he was burning in jealousy he just want to punch rohan on his face..he listened each and everything..he also listened that when rohan said he should've proposed myra if she is single and the thing irked him more that she was laughing listening all this and she also told Rohan not to call her bhabhi..

'Control Zain Kapoor control' he was chanting this in his mind..

"What happen zain?" Kriya asked him..

"Nothing" he mumbled his concentration was still on myra..

Kriya looked at the direction and her blood boiled..

"Zain let's click some pictures" Kriya said trying to divert his attention..

"I am not in mood kriya tu samar ke saath picture click karle (you can click with samar)" zain said being uninterested..

His whole concentration was on myra and the way she was laughing with rohan..

He looked at her as she was walking towards mihika and she bumped with the waiter and little bit of juice fell on her saree..

"I am so sorry mam it was by mistake" the waiter apologized..

"It's ok" myra uttered..

"Myra go and clean this" mihika said..she nodded and went upstairs..

"Zain where are you going?" Kriya asked.. zain didn't even reply as his concentration was on myra and he went upstairs behind her..

When myra came out of the restroom after cleaning the stain..she found zain standing in her room..

She can feel that he was angry as he was huffing like a bull but she cared less..she royally ignored him and started applying the compact powder which irked him more..

He went to her. turning her jerk he pulled her close to himself..his hands clutched her waist tightly..

"What the fuck you are doing leave me" She struggled to come out of his grip..

He pulled her more close and she gasped..

"Zain you.." before she could utter more his mouth hover overs hers taking her off guard..he started kissing her roughly yet passionately.. while she was slapping his chest and trying to push him but he was stronger than her..

She shut her mouth tightly not giving him entrance as she was very angry on him..he pinched her waist and she gasped and his tongue dived inside her..

His fingers making circles on her waist and she couldn't control anymore and started kissing him back her hands encircled around his neck..he broke the kiss and looked at her with a smirk playing on his lips..

She groaned "I fucking hate you"and slammed her lips on his kissing him with all her will after 3 months..she clutched fistful of his hair as he deepened the kiss..he pinned her to the wall and started biting her lips making her moaned..

Breaking the kiss he joined their forhead panting heavily..

"I am angry on you Zain Kapoor" he didn't care for her words..only the scene of her hugging rohan and laughing with him flashed infront of his eyes..

He lowered his face and pressed a kiss on her jaw..he dragged his lips little down and started placing open mouth kiss on her neck..she clutched his kurta tightly as her knees were giving up..

He gently hold the skin of her neck between his teeth grazing it little harshly marking her for the first time and "ahhhh zain"she moaned loudly evoking him..he sucked on the mark and licked it to soothe the pain...after placing few butterfly kisses on the mark he looked up to found her eyes closed and she was breathing heavily her hand were holding his kurta tightly...

"Myra" he called her huskily cupping her cheeks..

She looked at him there was a tinge of pink hue in her cheeks and he was confused whether it was a blush or she was red due to anger..

"You don't know how much hot and cute you are looking in this outfit" he whispered and gently sucked her lips..

"Because I am born cute and hot" she said with tight lipped smile and he looked at her with amused expression..

She pushed him "asshole" murmuring this she stood infront of mirror and started setting her hair..

"Zain Monster Kapoor I hate you" she shouted tracing the hickey to which he grinned shamelessly..

He went close to her wrapping his hands around her waist he placed his chin on her shoulder.."this mark is looking good on you"

"Oww" he winced in pain as she hit him on his stomach with her elbow..

"Suits you" she mumbled and started applying concealer on her neck to hide the mark..

"You are indeed a monster ughh I am not able to hide this mark" she said stomping her feet..

"Don't hide na it's looking good on you" he said and she glared at him in return..

"Do you want me to punch your not so handsome face once again?" She asked looking at him angrily after applying the lipstick..

"What is not so handsome huh? I am handsome" he said setting his hair..

"Handsome my foot" she rolled her eyes at him..

He turned her with a jerk and pulled her close "what the fuck" she cursed..

"You just love to curse don't you"he asked and she wriggled..

"So what were you saying that I am not handsome huh?" He asked leaning close to her..

"Answer me?" He whispered making her breath uneven because of his close proximity..

"Lea-ve me" she stuttered a little..

"First answer to my question why do you think that I am not handsome" he whispered rubbing his nose on her cheeks and she sucked in her breath..

He leaned close to her lips and his phone started ringing "shit" he murmured and pulled out the phone from his pocket.. Myra saw the caller id and her anger rose Zain was about to pick the call before that she snatched the phone and picked the call..

"Hello zain? Where are you?"

"Zain is with me and I am his fiance kindly stop disturbing us you bitch" myra shouted and cut the call without even listening her reply..

She handed the phone back to him and leaned closer to him she wiped his lips with her handkerchief as there was little bit of lipstick..

"Myra?" He called her softly.. and she hummed as if telling him to continue..

"I am sorry" he whispered and she looked at him.. she found his tone and even his expression cute but she maintained her stern look..

"For what?" She asked setting his hair her tone isn't soft at all..

"For not replying to your texts or calls but myra there is a reason behind it"he said softly tracing her cheek with his thumb..

"I don't want to listen to your excuse" she said jerking his hand.. he tried to say but she showed her palm to stop him..

"Let's go downstairs everyone must be looking for us" she said grabbing her clutch and phone she walked out of the room..

"Myra listen yaar please" he walked behind her..

"I don't want to" she replied descending the stairs..

"Bhabhi where were you see na everyone is dancing let's dance" diya said holding her hand..

She smiled and joined them..

Part 23

After party all the guests left and everyone slept except the younger clan..

"Zain can you please drop me to my home my car is at service?" Kriya said to zain .

Nandini was sitting with rohan, nia and diya they were having deserts but nandini's concentration was on kriya and manik..

Myra looked at zain while he was already looking at her.. she turned her gaze and continued to talk with rohan which irked zain like why she is soo much comfortable with rohan and not with him..

"Zain please mujhe ghar chorde (zain please drop me home)" kriya nudged him once again..

"Kriya I am not fine please go with the driver" zain said pressing his forhead..he is indeed not fine after doing day and night work in office for 10 days and from past 2 days he didn't sleep well nor he ate much because he was so into myra..

Myra looked at zain when he said those words to her.. she was actually doing dance in her mind..

"Zain are you ok?" Kriya asked showing concern and about to touch his forhead but he moved back..

"Yeah I am fine just little bit of headache main driver ko bol deta hu woh tujhe chor dega (I am telling driver to drop you home) " zain said and kriya nodded..

Myra stood up and went to them.."bye kriya" saying this she hugged her making zain's eyes widened...

Kriya faked a smile and hugged her back "don't waste your time on him kriya he is mine forever" she whispered in her ear and broke the hug..

She left with the driver..

"Guys I am going to sleep it's pretty late" diya said yawning..

"I am also going I need beauty sleep tomorrow is my engagement" nia said making them laughed..

"Drama queen" zain and rohan slapped her head and she made a face..

"I hate you both" she said.."anyways I am going I don't want fight tomorrow is my engagement so good night everyone" nia said and went upstairs to her room..

"I am also going good night bhabhi good night bros" diya also went upstairs..

Rohan stood up and hold Myra's hand "So beautiful it's pretty late see you tomorrow good night" he kissed back of her hand and zain's hand curled into a fist his jaw clenched..

Zain's pov

"Good night handsome" she wished him back with a sweet smile...

Why can't she smile like this for me?

"Good night bro" rohan patted my back and I forced a smile..he went to his room..

She ignored me and about to move upstairs but I hold loose end of her saree.."leave my saree zain" She glared turning towards me..

I nodded in no "what is your problem" she asked angrily..

"What is your problem? Why are you ignoring me?" I asked calmly..

"Because I don't want to waste my time on a person who doesn't care for me" she answered curtly

"I know I ignored your texts and calls myra but there is a reason my phone" she cut me off .

"Yeah you ignored my calls and texts because you were so busy with your bestfriend doing pizza party clicking pictures right" she said gritted her teeth..

"It's not like that please listen to me once" I tried to say but she showed her palm stopping me..

"I don't want to listen anything and i am not in a mood to fight right now so just leave my saree I want to sleep" she said her tone was harsh and cold..

Sighing I left her saree and she went upstairs..

Fuck I sat on the couch holding my head damnn it's paining so much...

Why why why? She is not letting me to speak to explain myself.. at the time of dinner she sat with aryaman and I lost my appetite...I am her husband for God sake she should've listened to me once..

Aahh my head..I stood up and went upstairs to my room and dumped myself on the bed with a thud without changing my outfit..

It feels like someone is hitting my head with hammer..

_____

Myra's pov..

Sleep Myra sleep that's what I am ranting from past 30 mins.. because I am not not able to sleep and my mind is occupied with only one name that is Zain Kapoor.. ughhh i hate you..

Is he fine? He was saying that time that he have headache..

Grrrrr he must be lying..

Stop just stop thinking about him..

'check on him once' my heart said and my mind also agreed..

'no I won't' I replied back to my heart and mind..

Ughhhh I sat on the bed with frustration..

'you saw him na myra he didn't even have his dinner' my mind said..

'yes I saw him skipping his meal then what will I do huh it's his mistake' I replied back angrily..

And this time neither my heart nor my mind asked or said anything..

My traitor legs made me stand and dragged me to zain's room.. the door wasn't locked so I opened it and went inside to found him sleeping in uncomfortable position..he didn't even change his outfit nor his footwear..

Wow Mr was sleeping peacefully and here I was getting tensed for him..

I walked closer to him and opened his footwear..I placed his legs comfortably on bed and covered him with duvet just then he hold my hand in sleep.. shittt his body is soo warm..he is burning.. I took my hands back slowly and touched his forhead..

How did he got fever? He was toh fine in the party..

Now what to do? Everyone is sleeping!!

I quickly took the a/c remote and turned it off.. I sat beside him and caressed his hair...

He opened his eyes and looked at me "damnn myra is everywhere Zain Kapoor you are getting mad" he murmured and closed his eyes..he thought he was hallucinating..

I have to do something..

I went to kitchen..I took a bowl and filled water in it..I found a packet of cookies taking it I went upstairs..

I opened his closet and with so much of difficulty I searched one of his t-shirt and tracks..

"Zain wakeup" I said softly caressing his hair..

"Wakeup please" I said once again.. he opened his eyes which were little red and looked at me..

"Tum sach me ho (are you really here)" he rubbed his eyes and gazed at my face..

"You have to change your outfit chalo utho" I said and he just stared at my face..

"If you are done staring at my face so get up" I literally shouted and he made a face..

I help him to stand up and took him inside the restroom.."change your outfit" I handed him the outfit..

"You can change my outfit afterall" he breathed out and leaned closer to me "you are my wife" he whispered in my ear..

"Zain" I shouted stomping my foot..he is having fever and now he is teasing me.. this guy

"Ok fine" he mumbled and I went out..

He came out after 5 mins changing his outfit..

"Now sit here" I made him sit and unwrapped the packet of cookies..

"Have it" I said..

"I won't" he nodded in no..

"Zain have this orelse I will shove all the cookies in your mouth" I said angrily..he was irritating the shit out of me..

"Feed me with your hand" he said like a baby.."please" he pouted..

I sighed and sat beside him and he started eating the cookies from my hand..

"Bas bas I am full" he said after chewing the 4th one..

"Atleast have one more" I said and he nodded in no..

I checked he still have fever.."where is paracetamol" I asked..

"There" he pointed towards the drawer..I opened the drawer and took the paracetamol..I gave him and he gulped it with a glass of water..

"Don't go" he said cutely holding my hand..

"I am not going anywhere now lie down" I said and he did..I sat beside him..I took his handkerchief and dipped it in water I placed it on his forhead...

I did it thrice and then he stopped me hold my hand "myra please message my head it's paining so much" he said his eyes were close..

"Who am I ? your slave" I grumbled.. why can't he take care of himself?

He opened his eyes then said"Naah your are my wife please message my forhead I will do yours tomorrow"

I muttered some curses and started messaging his hairs..I pressed his head..he shifted from his pillow to my lap..

"Zain" I was shocked by his move..

"Please myra" he whispered encircling his hands around my waist he hugged my belly his face pressed against my skin and my body erupted with goosebumps..

Control Myra control..

I took a deep breath and started messaging his hairs... when he slept I checked his forhead..Huff his temperature is normal now..

I checked the time and yawned I am not able to get up because of his hold on me.."sleep with me na" he mumbled and I wanted to punch his face but I controlled as he was not well..

"Zain let me go" he nodded in no hugging me more tightly.. he looked at me like a baby and said "I know you won't punch me because I am not well" he grinned and hug my belly once again..

"I will get fever from you zain" I said and he chuckled..

"So what you are wife we can share this fever na after all we are bound by marriage for next 7 births" he said and I made a face..

"Fuck you" I mumbled and laid down beside him and he immediately hugged me..

"We will do that very soon don't worry" he whispered in my ear and snuggled into my neck...I was tired l so I didn't protest this time and closed my eyes wrapping my arms around him..

Next morning..

Kriya or you can say bitch name given by our sassy myra stepped inside the Kapoor Mansion..she straightly went to kitchen..

"Good morning aunty" she wished mihika with fake sweetness..

"Good morning kriya" mihika wished her back doing her work..

"Mom my bournvita" diya said like a baby stepping inside the kitchen..

"Just a min diya I am making" mihika said to her..

"Aunty where is zain?" Kriya asked neonika who was busy making bournvita for diya..

"Bhai is still sleeping" diya replied on mihika's behalf..

"What he is still sleeping there is a function in our house today and he is sleeping wow" jayant said making faces..

"Jayant don't be so hard on him let him take rest for sometime" neonika said sternly..

"Aunty can I go to zain's room?" Kriya asked hesitantly looking at neonika..

"You can kriya and please wake him up" she nodded listening mihika and went upstairs..

She pushed the door and it got open as it wasn't locked from inside.. stepping inside the room the scene she saw was enough to shocked her to the core..

Zain and myra were sleeping together cuddling with each other under the same duvet..his head was on her neck and hand was on her waist.. anyone can say they are sleeping peacefully without caring for the damnnnn world..

Her blood boiled seeing them this close to each other..she left the room closing the door with a bang which broke myra's sleep..

Myra looked here and there founding an unfamiliar surrounding just then realisation hit her hard that she is in HIS room..

Turning her face to other side she found him sleeping like a baby hugging her tightly and his face was pressed against her neck which sending jitters to her body.. she checked his forhead and found that he don't have fever anymore..

Due to her continuous movement he stirred in sleep and pulled her more close..her eyes widened when she saw the time it's freaking 10.30 am

She tried to sat up but couldn't due to his death grip "sleep Myra and let me sleep too" he said in his sleepy husky voice..

"Zain you can sleep but atleast let me wakeup it's 10.30 am" she said and he woke up with a jerk..

"What it's 10.30 am shitt dad will kill me today is function and I am sleeping this late" he uttered hastily..

_____

"Mihika aunty one day I will kill your son" myra complained as she descended the stairs and straightly went to the kitchen..

"Mom myra is so stubborn" zain complained as he went behind her..

"What happened kids why you both are fighting?" Mihika asked them being confused...

"Previous night Zain had high fever and now I am telling him to get checked by the doctor but he is saying he is fine" myra said to mihika while zain made a face and sat on the kitchen counter beside diya and snatched the cupcake from her hand he took a bite while diya made a crying face..

"What zain had fever previous night?"myra nodded in yes listen mihika..

She checked manik's forhead.."mom I am fine.. just a normal fever" zain said..

"Fine right? Aunty he wasn't able to walk because of fever he didn't even have energy to take the medicine by himself and now he is saying that he is fine" mihika smiled looking at her as she was complaining like a little baby..and she was also happy listening that she took care of zain...

"Zain it's wrong you have fever you should get check by the doctor" mihika said turning towards zain who was busy snatching the other cupcake from diya..

"Mom bhai is so annoying ughhh I hate you" diya groaned in frustration jumping out of the kitchen counter she walked out of the kitchen..

"Zain " mihika looked at him sternly as he didn't reply to her words and busy eating the cupcake which he snatched from diya..

"Mom I am fine" he whined..

"No atleast talk with our family doctor and ask him to prescribed you some medicines" mihika said...

"Ok fine I will do it later I need to take a shower now" he said jumping off from the kitchen slab..

"No not later you will do it now come with me" myra said holding his hand..she dragged him upstairs..

"Mom myra is soo irritating" mihika chuckled at his statement..

While kriya was fuming..she was burning in jealousy as zain didn't even look at her once..he didn't even wish her good morning as he was so into nandini.. she couldn't accept the fact that her only love and bestfriend ignored him like she didn't exist in this world..

_____

At evening..

Zain's pov..

I walked towards myra's room after getting ready for engagement..

The door was already open and the scene infront of me was enough burn the shit out of me.. rohan was comfortably sitting on the bed and laughing and talking with her..my eyes travelled to myra she was standing infront of the mirror doing her makeup.. she was wearing a pink lahenga..damnn I was also wearing pink

"Ayeee bro come na" rohan said from inside as he saw me.. I stepped inside calming myself to not to punch rohan..

Myra looked at me for once and then turned towards the mirror continuing her makeup..my breath hitched seeing her.. she is looking soo sooo beautiful..

"Bro you here you need anything?" Rohan asked.. aahaa I can ask the same question to you like what the fuck you are doing in my wife's room...

"Rohan badimom is looking for you" I said trying to control my anger..he nodded..

"Bye beautiful will wait for you at the party" he said to Myra which irked me more..

why She is soo FREAKING comfortable with him and not with me? What is my mistake? Ohh yeah my mistake is to talk with her day and night that I disappointed my dad..

Aab toh maine usse baat bhi nahi Karna jo karna kare yeh..

Wow like wow she is still ignoring me doing her so called makeup not even for once she looked at me..madame and her attitude..

Comeon I am The Zain Kapoor this minor thing can't affect me like this..if she can ignore me then why not me? This time I won't explain myself..

Fuck it..

I left her room closing the door with bang sound..

Myra's pov..

I looked at zain as he was posing and samar was clicking his picture...what happen to him why his expression is so cold?

OBJ

Can I just admit that he is looking so hot and his expression ohh mann he is perfect but he is dumb..he came to my room but he left without talking to me ughhh what does he want?

I looked at him for more than a minute but he not for once looked at me now what happened to him? Is he pregnant? Why this sudden mood swings?

Nia dii and her fiance ishan changed the rings and my mind went to that day when we got engaged..

At the time of dance I thought zain will ask me for a dance but no rohan did and I can't deny him as he is one my good friend or you can say bestie..

I looked at zain and he was busy in his phone.. kriya went to him and said something and he gave his hand ohh she asked him for a dance bitch he is mine..

They started dancing while kriya was blabbering something and he was zoned out it it's seems like he was just present physically..

"What happen?" Roham asked I nodded in no passing him a smile..

Dinner time..

We all sat together..i was in the middle between zain and rohan while zain was in between me and kriya the bitch..and rohan was in between me and diya..

Rohan showed me and diya one meme in his phone and I laughed out loud..

"I am done" zain said as he stood up putting the spoon with a sound.. everyone in the dining table looked at him..

"Zain complete your dinner then you can go" jayant uncle said..

"I am not hungry" he said ..

"Zain atleast.." kriya tried to say but he cut her off..

"I am fine I am not hungry" he said to her..

"Zain you aren't fine you have to.." mihika aunty started but stopped listening zain's shout..

"I said I am fine I don't want to have anything why can't you all just understand" he shouted angrily.. I literally flinched at his tone..

What happen to him all of a sudden?

"Zain what type of behavior is this? How could you shout like this where is your manners" Jayant uncle shouted at him..

"Sorry sir but this is not your office" he said and went upstairs to his room..

What was that?

Part 25

Myra's pov

What the hell is his problem? Why can't he behave like mature person? He forgot that he have medicines to take and he didn't even have his dinner..

I ate a little as I lost my appetite.. everyone departed to their rooms as they all were hell tired..I hated the fact that kriya was staying here tonight with nia dii well they are good friends..

I was about to enter in my room but I stopped and turned I went to zain's room.. I knocked at the door and heard him groaning from inside "I am fine I don't want to have anything"

I barged in and found him balcony with a cigarette in his hand which he was puffing..

"Why the hell zain you left dinner in the middle did you forgot that you are having fever" I shouted at him..he crushed the cigarette putting it in ashtray..

"None of your concern now get out of my room" he shouted pointing towards the door..

"Are you in mood to fight?" I asked and he chuckled..

"It's you who came in my room and it's you who started everything now you are asking me damnn just leave woman I don't want to talk neither fight" he said his tone was rude and harsh he never talked with me like that..

"You aren't fine you have to take medicine..go down and have your dinner" I said sternly..he came to me clutching my arm tightly he dragged me out of the room..

"That one is your room now go and sleep" he said pointing towards the room he just freaking insulted me.

I pushed him and went inside his room "I am not going anywhere"

"Stop ignoring me zain" I shouted and he chuckled..

"I am ignoring you wow joke of the century" he laughed clapping his hand..

Why he is behaving like this?

"No no Myra I am not ignoring you it was you who is ignoring me behaving rudely with me so I just give you space I don't want to put you in any kind of pressure..you came here for somedays to attend wedding so just do that I will try to maintain distance with you afterall I am a desperate person I fucked my bestfriend" I was just looking at him shockingly as he was uttering those shits..

"Don't look at me like that it was you who said in the voice recording that I fucked my bestfriend so main kya karu it's your perspective I can't change that..you toh don't want to listen to my side of the story afterall I made some excuses and to be honest I don't want to explain because you are stubborn and you will not listen to my point of view so kindly leave" he said everything and I just gaped at his face..

Is he hurt?

Did I do something wrong?

Well he is at fault then what will I do?

"I didn't say anything wrong.. it's true you don't have time for me..you ignored my calls and texts you just took me for granted" I shouted as those ten days flashed infront of my eyes I was so hurt I used to wait for his calls and texts and atlast what he did he was busy doing pizza party and clicking pictures with his bestfriend..

"Ignore time ignore time damnn it.. you know what Myra Reddy you are soo stubborn and this attitude is yours ughhh when you don't know the full story then you shouldn't judge" he shouted..

"What shouldn't judge seeing your picture with her in every second day sometimes partying together or long drives together or having lunch dinner to main kya karu" I shouted back..

"That means I fucked her right? Did you find me that much low huh" I flinched at his tone..

"I know my limits she is just my friend damnn why the hell I am explaining myself" he ran fingers in his hairs in frustration..

"Go downstairs and have your dinner zain" I shouted..

"Stop ordering me" he shouted pointing his finger towards me..

I clutched his collar jerking him towards myself "what happen to you all of a sudden huh"

He jerked my hand and said "stop wasting your time on me go to Rohan afterall he is your bestfriend and I am just your useless jerkass husband go to him myra he is better than me atleast he will give you time unlike me I toh have time for everyone except you and I also took you for granted" what the hell was he saying ughhh..

"I am bad I know I am bad I am jerkass I am desperate I am so sorry because of my family you are bound with this forceful marriage"

"Zain calm down" I said softly holding his hand...

He pulled his hand back and said "I know you aren't happy with me but atleast you can smile a little for me right ohh yeahh you toh hate me and smiling for me will be the worst thing you force yourself to do anyways just go from here and leave me alone" he said turning to other side..

"Zain" I hold his hand and he turned towards me clutching my arm he jerked me towards himself "what is your problem? Why can't you just leave me alone? Go to arya.." I cut him off my placing my lips on his..I softly sucked his upper lip my hand caressed his back to calm him down..he didn't even kiss me back nor he stopped me..I gently tugged on his lower lip and break the kiss..

Cupping his face I pulled him little down as he is soo tall...I kissed his both eyes letting my lips linger their little more and he leaned on my touch..I kissed his cheek and moved to his jaw as I left few kisses.. he sighed audibly feeling my touch..

"Myra what are you doing? Go from here" He hold my hand as I was about to unbuttoned his waistcoat..

Pulling my hand back I jerked him towards myself "you speak so much so now just shut up" I mumbled holding his hand I placed it on my waist..I pressed my lips on his chin and continued to open the buttons of his waistcoat.. I threw it away and pulled him for another kiss ughh he is not kissing me back..

I unbuttoned his kurta and traced his adams apple his grip on my waist tightened.."kiss me back" I whispered in between the kiss and that was it for him..he pinned me on the wall and kissed me roughly yet passionately his hands caressed my bare waist and I carressed his shoulder going upwards to his nape..

His finger traced my collarbone and I sighed getting the chance his tongue dived inside me..he dominated the kiss and I let him do what he wanted..

He unpinned my duppata still kissing the hell out of me..I was breathless and tried to push him.. he broke the kiss and looked at me wiping his mouth with the back of his palm..

Holding his collar I jerked him towards myself "you know what you are dumb no actually you are dumbest.."

He didn't reply and throw my duppata away picking me on his arms..he literally threw me on the bed making me squeaked...

Locking the door he started walking towards me with a predator steps unfolding the kurta from his arm..I gulped then looked at him like a lost kid as he opened his kurta..he was so hot and this was the first time I was

seeing him like this..I moved back a little and in no second he pounced on me.. fisting my hair slightly he locked his lips with mine..

My hand went to his hair as I fisted it while kissing him back...he nibbled my upper lip and I played with his lower lip...I scratched his shoulder as he deepened the kiss sucking my tongue..damnnn he is indeed a good kisser.. his hand moved down to my waist as he pressed my waist causing me to moan in his mouth..his hard naked upper body slammed against mine giving some jittery feelings..

Breaking the kiss he dragged his lips little down placing his hot mouth on my jaw and I caressed his hair closing my eyes in pleasure...he moved little down kissing on my cleavage through the fabric then he stopped at my belly..

He looked up at my face with his desire filled eyes and I looked back at him biting my lips his eyes move little down and my chest heaved up and down due to my heavy breathing.. lowering his face he pressed a kiss on my belly and I arched my back fisting his hair in one hand and clutching the bedsheet from another..

"Aahh zainnnn" a loud painful moan escaped from my lips as he bit me on my belly..he licked it softly to soothe the pain..

He placed few more butterfly kisses on my belly making me feel bliss..

Cupping his cheeks I pulled him up and we went for another round of kissing sucking licking each others tongue and lips..

Breaking the kiss he licked my cheeks making me giggle..his lips moved to my ear as he bit my earlobe earning a small moan from me...my face nestled in his neck and I licked his neck making him groan..

He made me sat on the bed and he sat behind me..he opened the hairpins of my hair letting it fall on my back.. he placed it on one shoulder..my breath hitched as his finger touched the zip of my top I clutched my lahenga skirt in tight fist shutting my eyes he dragged the zip down slowly and his fingers came in contact with my back and my body erupted with goosebumps..

He caressed my back with his left hand and holding me firmly by my waist from his right hand and my heart started to beat erratically.."ummmm" his lips touched side of my neck to my ear and I tilt my head giving him access his fingers skillfully worked on my back and I leaned on his bare chest holding his other hand which was placed on my waist..his touch is soo pleasureable like so pleasureable..he left few hickeys on my nape and neck..

He dragged my top down and pressed a kiss on my shoulder and I moaned loudly as his fingers fiddled with my bra hooks..

He was about to open my top fully just then we heard a knock..shit shit shit..

I turned my face towards him and looked at him his expression was like he will kill the person who disturbed him in his private party.. he cleared his throat and zip up my top he get off from the bed and quickly wore his kurta and went to open the door..

As soon as he opened the door.. diya, rohan, nia dii, samar, kriya everyone barged in what the hell? Why all the jokers are here? And why the heck all are wearing party outfit?

"Bhabhi you here" diya smiled mischievously and I looked down this is soo embarrassing..I looked at my duppata while was lying the corner of the room with manik's pink waistcoat.. our messy state and wrinkled bedsheets anyone can say what deeds we were doing..

"Diya" zain just called her name bit loudly glaring at her and she shut her lips nodding her head innocently..

I looked at kriya her reaction was worth watching...I passed her a smirk as if telling her that this place is mine not hers..

"Okayy bhai and myra sorry for disturbing you both but yaar I just got engaged toh party toh banti haina (so party is must) " nia dii said apologetically.."okay I am giving you both 15 mins come to terrace after changing your outfit" and everyone left giving us teasing looks except kriya..

Myra's pov..

I got ready in tube top which diya gifted me teaming up with my black ripped jeans..I applied nude pink lipstick and compact and left my hair open..I hide those hickeys nope actually monster bites with concealer and clicked a picture..

I uploaded my Instagram story and went to terrace wearing my black pumps..

"Bhabhi you are looking sooo hot" diya squealed and I smiled..

"Thanks for this beautiful top baby even you are looking cutest of all" I said and she smiled cutely..she was also wearing the same top like mine but her colour is blue..

I looked at zain he was talking with nia dii and samar standing at the corner even kriya was there..

I was about to walked towards them but zain's all others cousin's came to me.. it's soo embarrassing to talk to the persons whom I didn't know..

Anyways I smiled and talked with them.. trying not to sound uninterested..okayy don't give me those looks I've never been comfortable with the person whom I just met and on top of that my hindi is soo freaking bad..

I looked at zain he was looking hot in blue shirt and black jeans..he looked at me for few seconds eyeing me from head to toe making me nervous then averted his gaze..

After sometime..

Zain was back again in the mission ignore

Myra..ohh yeah he was ignoring me.. party was on full swing everyone dancing drinking..I looked at zain he was engrossed in his phone standing in the corner..

He skipped his dinner I have to make him eat something I took a plate of pasta for him and turned to go just then..

Kriya walked towards him with a glass of drink in her hand..my anger rose how could she?I went towards them before zain could take a sip from it I snatched the glass from his hand and threw it away..

"Are you gone nuts kriya? Did you forgot that he is having fever and you are giving him alcohol" I shouted at her..

"Like how could you do this? He skipped his dinner and you are giving him alcohol ? You illiterate bitch don't you know alcohol have so many side effects you.." I stopped listening zain's shout..

"Shut up Myra Reddy just shut up" he shouted and everyone looked at us..

"What happen zain?" Samar asked zain just showed his palm to him..

"What you did you just call her? Illiterate bitch huh do you know the meaning of bitch that you always called her with that name haa bolo" he shouted angrily and I shivered..

"Zain she gave you alcohol and you are shouting at me" I shouted at him thou I was bit scared..

"The Dumb Myra Reddy that wasn't alcohol it was just a apple soda she is not illiterate but you are indeed a dumb" he shouted..I looked at kriya she was acting all innocent shedding tears..

"Myra I know Zain is not well that's why I took pizza and apple juice for him I know he didn't have dinner" she said showing the pizza which she placed in the table..

"I am so sorry if you didn't like my friendship with zain I.." she started crying aaahh her drama..

"You bitch just stop your drama ok" I shouted..

"I am sorry myra" kriya said looking down..

"Why are you saying sorry kriya? It's myra's fault" zain said and my eyes widened.."myra say sorry to her" zain commanded..

"I won't" I said..was he serious?

"Myra say sorry to her" zain repeated and I didn't reply..

"I said say sorry to her Myra Reddy" he shouted making me flinched..

"Zain leave it" kriya said..

"Zain end this matter here" Samad said..

"No samar today she have to say sorry she is soo stubborn and her ego is so big she always behave like a brat and this attitude of hers ughh" zain said looking at me with anger filled eyes..

"I said I won't say sorry'" I shouted glaring at him

"Aahh" I winced in sudden pain as zain clutched my arm tightly..

"Zain pagal hogaya hai (zain are you mad)" samar tried to stop him..

"Not now samar" he said and looked at me while I was busy struggling to freed my arm..

"Zain leave me it's hurting" I said but he tightened his grip digging his nails on my arm..

"Bhai please leave her" nia dii said..

"Don't you dare to come in our matter" zain angrily said to her..

"Zain leave me" I shouted as my eyes started to get wet it was soo soo painful..

"Say sorry to her myra" he yelled at me and I just looked at him with my teary eyes his expression was cold..

Is he the same boy who was behaving all lovey dovey with me just an hour back..we were so close I almost submit myself to him and now?

"Myra why are you behaving like this? I know we always fight.." he cut me off..

"I don't have time for your fake crying say sorry myra" he said coldly..

Fake crying? Seriously?

"Yeahh my tears are fake and what about this bitch her tears are real huh" I shouted looking at him..

"Stop calling her bitch" zain shouted angrily..

"She is a bitch zain she is doing all this purposely she wants to snatched you away from me she is not a good girl she want you she is bad she will take you away from me leave her zain she is a pathetic bitc.." my sentence was stucked in my throat as I saw zain raising his right hand I shut my eyes tightly..

"Myra"his anger filled shout reached my ears and I waited for his rough hand to touch my cheeks but it never happened..I opened my eyes and looked at him with my teary eyes.. his right hand curled into fist..

He was about to slap me

He was about to raised his hand on me..

"Say sorry" he said which was more like an order..

I am not in a mood to fight more I am tired of all this shits he want me to say sorry right? It's ok I am doing it... but one day he will regret all his actions..

"I am sorry" a sob escaped my lips and his grip loosened..I turned and ran out of terrace without replying to anyone's call..

He humiliated me infront of everyone..

I ran inside my room and locked the door..

"Bhabhi" I heard diya's voice as she knocked on the door..

"Myra" nia dii was also there..

I pressed my palm on my mouth to control my sob...no one has ever behaved with me like zain did..

They were constantly knocking on my door I wiped my overflowing tears and said after clearing my throat "guys I am fine please leave alone for sometime please"

They left as I didn't heard a knock..

I hugged my knees tightly and cried thinking about the drama which happened few minutes ago..I hate you zain I hate you..

I took my phone and dialled mom's number..

"Hello doll"mom wished cheerfully..

"Mom" my lips wobbled and I cried out loud..

"Doll what happen? Why are you crying baccha?" Mom asked panicked..

Shiitt

"Nothing mom i was just missing you" I said clearing throat..

"Awwee my jaan I missed you too" she said lovingly from the other side..

"You didn't sleep? It must me midnight there" she asked..

"I wasn't able to sleep so thought to call you as I know it's afternoon there may be" I said and she chuckled..

We talked little more and then I hung up the call..

My right arm hurts so damnn much and it's bruised now.. sighing I wiped my tears and went to restroom..

I changed my outfit and laid down on the bed..he first made me feel out of the world then he humiliated me infront of everyone..

What was my mistake?

Ohh yeah my mistake was to feel concerned about him as he was having fever..

I always fought with him.. throwing nasty words on him but still I've never behaved like he did to me today..he saw tears in kriya's eyes what about me? he just made The Myra Reddy cry..I won't forgive you easily manik..

Stop just stop thinking about him ughhh..

Why the heck my tears aren't stopping?

Come on I am The Myra Reddy I won't let this minor thing to affect me.. I am strong enough for this..I wiped my tears once again and close my eyes soon darkness engulfed me..

Myra's pov..

'Good morning Myra Reddy' I wished myself as I wokeup..

I went to restroom and started brushing my teeth..I looked at reflection in mirror duh I am looking like a zombie.. swollen eyes puffed cheeks..messy hairs ughhh.. and my arm still pained so much..

I took a nice shower and wore white frock..wohoo indian outfit looks good on me..I wore my earings and did normal makeup..I did my hairstyle..

Wohooooo you are looking Beautiful as always Myra Reddy..

OBJ

"Good morning everyone" I wished everyone cheerfully as I descended the stairs..

"Bhabhi are you ok?" Diya asked and I smiled seeing her concern..

"I am perfectly fit and fine" I replied happily..

"Come myra have breakfast with us" jayant uncle said..I nodded and sat beside zain because all the places were reserved..

"Previous night you guys did party right how's that?"Jayant uncle asked..

I looked at zain he was already looking at me.. averting my gaze from him I answered "it was awesome uncle I enjoyed very much I've never enjoyed party like this before"

Elder clan smile thinking I was actually happy at the party..that was one of the worst party I had ever been to..

Ignoring everything I started having my breakfast because previous night I didn't ate much..zain wasn't eating he was just playing with the fork..

Go to hell

I won't going to feed him..but he have medicines to take and previous night also he didn't ate nor he take the medicines..ughhh I need to stop myself to think about im..

After breakfast he went upstairs to his room..ughh what he wants? Why he is risking his health..

I sat there talking with his cousins..diya and nia dii were continuously asking that I was really fine or just pretending..well to be honest I am fine and I won't let this small thing to affect me..

"I am fine sacchi I forget everything" I said and they smiled..

"Diya I need your help please come with me" she nodded I stood up with her and went to kitchen after excusing myself..

No one was there except some butlers as mihika aunty and his badi mom went out for shopping.. Jayant uncle and Rohan weren't there they also went to office..

"Diya I need some veggies cheese and bread" I said and she nodded but her expression was confuse like why I need these things..

She gave me all the essential things and I quickly made sandwiches..

"You want?" I asked and she nodded in no..

"This is looking so tasty but I am not hungry right now" she said pouting and I giggled..

"Okay I'll make sandwiches for you later" I said and filled the glass with orange juice..

"Now it's your duty to make him eat these sandwiches and to give him medicines" I said and she nodded obidiently then looked at me smirking..now what's going in her mind?

"What will I get in return?" She asked and I looked at her with raised eyebrow..

"Okay tell me what you want?" I asked..

"We will go out together at evening for street foods" she said excitedly licking her lips..

"I haven't experienced Indian street foods" I said and she chuckled..

"Why to fear when diya kapoor is here" she said raising her invisible collar..

Diya knocked on the zain's door and went inside..

She put the plate with thud sound and he gave her questioning look..

"Have this and don't forget your medicine and don't you dare to waste this food" she is actually angry on her elder brother..

"I don't want to have anything now go" he said sternly..

She groaned in frustration and stood infront of him placing her hand on her waist "let me tell you one thing I am not scared of you Zain Kapoor I am also your sister..previous night you did wrong with bhabhi..very wrong but she still cares for you..she was concerned about you yesterday and what you did you shouted at her insulted her humiliated her infront of everyone like seriously bro? What was her mistake she was just concerned" diya shouted and zain was looking at her angry face..

Diya always respect zain and never raised her voice on him but today she was really angry on her elder brother..

"I promised her but promises are meant to be broken so let me just give you a piece of information these sandwiches were made by her she made this for you..you did worst with her still she is concerned for you..so don't just don't waste this and have these sandwiches and don't forget your medicine" she said angrily..

"And one more thing I am on bhabhi's side and she requested me not to tell you anything but still I did ughhh why I am saying all this I hate you soo much bro" and she left the room stomping her feet in anger..

Zain's pov..

I did bad nope actually worst with her and what she did she made breakfast for me..why are you so selfless myra?

'she is selfless and you are selfish' my heart screamed..

I closed my eyes and her crying face and her teary eyes flashed infront me..

'yeah her fake crying' my heart said in mocking in tone..

I shouldn't have behave like that to her..

'you are an animal' my heart said once again..

I started having the breakfast which she made for me and I also had my medicine..

I need to talk to talk her..I have to say sorry to her..I know she won't forgive me easily I indeed behave like an animal..

Shit shit shit what I did? I was about to slap her!! I've never behave like this with anyone then what happened with me yesterday?

'she submit herself to you previous night and what you did you humiliated her infront of everyone' my mind screamed..

We were so close previous night we were about to make love and then I did worst with her.. she trust me that much that she submitted herself to me and what I did I broke her trust I insulted her infront of everyone..

I am a monster I am indeed a monster..

I walked towards her room thinking to knock or not.. the door was already open still I knocked on the door..

"Come diya you don't need to knock" I heard her voice she was in the balcony..

"Myra" I called her stepping inside..I found her sitting on the balcony with her ipad..

She looked at me for second and then ignored me royally..

"Myra we need to talk" I said still she didn't respond her eyes were glued in her iPad..

"Myra I know I did wrong with you yesterday I shouldn't shout at you like that.." she stood up and went inside the room without letting me complete my sentence..

"Myra please listen yaar" I hold her right and she hissed thou she was wearing a full sleeves..

I softly touch her arm "let me see" she pushed me making me stumbled a little..

"Don't you dare to show your fake concern" she shouted angrily..

"Myra.." she stopped me by showing her palm..

"What myra myra huh? And what are you doing here? Go to your bestfriend she needs you she was crying yesterday afterall I called her ILLITERATE BITCH infront of everyone go to her na" she shouted she was badly hurt..

"I am sorry" I mentally slapped myself one sorry isn't enough after what I did with her..

"Sorry for what? Huh for manhandling me? for insulting me? for humiliating me? for raising your hand on me?" She shouted and i looked down..

"Why are you looking down huh ? Looked up you are The Zain Kapoor"

"Come on shout on me slap me afterall I said bad about your so called bestfriend"

"Myra I don't know why I behaved with you like that I am sorry I shouldn't have.." she cut me off..

"I am fake zain I have a big fat ego I am spoilt brat don't waste your precious time on me I have so much of attitude go to your bestfriend she will open her legs for you" she shouted and I just gaped at my face..

"I just said bad about your best friend right so why are you standing calmly come on hit me slap me" she paused "let me just tell you one thing you don't know how to handle the relationship between wife and friend... actually you don't know how to respect a women"

"Why are you looking at me like that I didn't say anything wrong you really don't know how to respect a women I know I am brat I shouted at you I said nasty words to you but atleast I didn't humiliate you like you did to me previous night why the hell I am saying all this to you ughhh go away manik I don't want to talk about anything I am fake I am brat I have attitude I have big fat ego and I don't want to change myself for a rascal like you" she shouted her expression was stern her eyes were cold..

I was zoned out for a second just then I felt her touch on my hand I looked down to found her placing the pendant in my hand which I gave her "I am not your property you didn't own me" she said looking into my eyes..

"I would love to open the engagement ring too but I don't want to create a scene infront of your parents" she stated..

"I know diya told you that I made breakfast for you don't think that I did because I cared for you to be honest all the concern and care for you just fly away previous night.. it's just that I don't want you to blame me for your health" she said jerking my hand..

"And yeah your bestfriend is indeed a BITCH and one day you will regret of being her friend..you saw her tears but not mine..she added spices in my food still you didn't say anything to her afterall you trust her and about you and me we are just namesake couple we don't have any trust and understanding between us we are just sexually attracted towards each other and nothing more" she said and turned to other side..

Zain's pov..

I was sitting in the corner of living room using my phone but my eyes were on myra she was smiling and laughing with everyone.. atleast she was happy with everyone I toh always hurt her and I didn't even made her smile..

I stood up and went to my room..I hated myself for behaving like an animal with her...I close my eyes and her crying face her tears her pain flashed infront of me..

"Zain please leave me it's hurting" her crying voice echoed in my ears when I clutched her arm with my left hand..

I am a monster indeed a monster..I can't take this anymore I stood up and punched the mirror hard which broke into pieces and my left hand started bleeding..I am sorry nandini..

I sat on the floor resting my head on the wall..her painful face was continuously flashing infront of mee..

"Aaahhh I am so sorry myra" I punched my hand on the floor once again..

I didn't even get to know when my eyes started to get wet and tears rolled down from my cheeks..

I pulled out the glass pieces from my right hand and hissed a little I stood up..I washed my hands and wrapped the bandage without applying any ointment and clean my room..

"ZAIN ZAIN" I heard dad's shout..

I wiped my tears and went downstairs to living room only to get rewarded by a slap..

I looked up palming my cheek to found dad looking at me angrily..

Myra's pov..

"You are an inhuman Mr Zain Kapoor" and second slap landed on his cheek..

Everyone gasped..

"What happened raj? Why are you slapping him?" Mihika aunty asked while Zain looked down..

"Ask your laadla (dearie) what he did" Uncle said angrily..

"Zain what happen baccha (baby)?" Mihika aunty asked and he didn't reply and looked down..

"Jayant aap bataye kya kiya isne? (Jayant you said what he did)"Mihika aunty asked him..

"Previous night your laadla humiliated Myra and hurted her and even raised his hand on her" I gasped placing my palm on my mouth..

Shittt how did he get to know about all this?

Kriya yes she was smirking means he send the vidoe to Jayant uncle

"My Zain can't do this" Mihika aunty said shaking her head..

"Your son did your laadla behaved worst with a girl see this" uncle showed her the video..

What the hell? Ughhh I hate you kriya..

"How could you zain?" Mihika aunty shouted shaking him by his shoulder..

"Bhai toh gone now dad will going to give him a tough punishment" diya said biting her nails..

He deserves this..

"This is how you should behave with a girl huh did you forgot how to respect a women" Mihika aunty shouted he didn't utter a word..

"Now why are you standing silently huh come on slap me ..slap your mother afterall I am shouting at you" Mihika aunty said and Zain looked her..

"Don't say like that mom I am so sorry" he said hastily...

"Sorry seriously Zain?" Mihika aunty uttered in disbelief..

"I can't believe that my son forgot how to respect a women" she said.

"This girl came from Los Angeles leaving her parents and you treated her so bad manik .. shame on you Zain" Jayant uncle said pointing towards me..

Jayant uncle came to me and joined his palm "I am sorry beta just because this jerk you've gone through so much I am apologizing on his behalf" Jayant uncle said..

"It's ok uncle please don't say sorry you are like my dad" I said softly holding his hand..

"I know zain your one sorry isn't enough but yeah say sorry to her" jayant uncle said..

"I am so sorry" he said in apologizing tone..

"Not like this" Jayant uncle said and zain looked at him..

"On your knees" jayant uncle said and my eyes widened..

"Why are you looking at me like that huh? Come on on your knees" jayant uncle said coldly...

"Uncle it's ok its fine" I said as I don't want him to bend on his knees infront of everyone even some guests are there..

"No myra wait today he have to say sorry he humiliated you infront of everyone right now it's his turn to beg for your forgiveness" he said to me.."I said on your knees Zain Kapoor"

He obeyed and bend on his knees "now join your hands" uncle said..

"Uncle it's.." he cut me off "no Zain let him do he deserve this much atleast"

Zain joined his hand and looked at me then looked down "I am sorry Myra please forgive me" he said softly and I just gaped at his face..

The humiliation he faced was more than mine and this was the first time I saw tears in his eyes..

"Zain Kapoor you aren't living here till Myra is here..you have your luxurious penthouse here in mumbai go there live..and about marriage function so it will start day after tomorrow you can come at the time of that but then you have to go back" Jayant uncle said loudly..

"Jayant what is this you can't-" mihika aunty tried to say but uncle cut her off..

"No mihika he have to leave from here and it's final" Jayant uncle said..

This is going too far..damnn ..

"Uncle please don't do this"I tried to say..

"No Myra he have to leave" he said and turned towards zain "go and pack your outfits as far as I know you have everything available there if you need anything go and pack it and left this mansion as soon as possible" Jayant uncle said and sat on the couch while zain just look down..

My eyes travelled to his left hand which was bandaged now what happen to his hand..

Zain's pov .

This isn't enough and I know one sorry sitting on knees isn't enough after what I did with her...and now dad was telling me to leave ughhh what to do?

'you can't do anything Kapoor now you have to leave' my mind said..

sighing I packed all the things I need there and left the room..

inside me that I behaved like a monster with her don't hate me please" I kissed her hand and she looked at me...

"What happen to your hand" she asked holding my left hand making me hissed..I pulled my hand back..

"Nothing just sma-ll injur-y" I suttered a little..

She looked at me shaking her head in disbelief..

"Zain you did --" I didn't let her speak.."mom it's fine just a small cut" I said..I know she got the hint of it afterall she knows me and my anger..

"Sorry dad" I mumbled and stood up..

I went to diya she was also angry on me..she was angry on her elder brother.."sorry choti I know I am bad I did wrong with your bhabhi..I know you are angry on me anyways take care of your bhabhi..you are the only person she is comfortable with" I said turned towards myra she was already looking at me..

"I know I did right and I don't want to justify my pov you may leave" he said and she shook her head in disbelief..

"Don't be so harsh on him Jayant woh hamara apna baccha hi hai (he is our son only) " Mihika shouted angrily..

Part 30

"Good morning aunty" myra wished stepping inside the kitchen..

"Morning myra" mihika wished her back..

"Aunty where is diya?" Myra asked looking here and there..

"College" she answered..

Myra stood infront of her and hold her hand "mihika aunty are you angry on me?" she asked looking at her..

Myra's pov..

She shook her head in no and caressed my cheek.."no baccha I am not angry on you..you aren't at fault my son is" she said..

"Aunty I wan- I want to me-.." and I stammered shittt..

"You want to meet zain" she asked and I bobbed my head..

"First have your breakfast then driver will drop you" she said..

"Aunty it's ok I'll go alone I have my car just give me the address" I said..

"But baccha you are new here you may.." I cut her off..

"Aunty nothing will happen just give me the address GPS will take me to the right location" I said and she sighed..

"Ok fine but breakfast" she mumbled .

"Aaha I will have it later" I said and she gave me the address..

I went to my room and took my phone bag car keys..I sprayed some perfumes and wore my sneakers..

On the way to his penthouse I tried to call zain but his phone was still switched off..I need to buy him a charger and power bank ughh..

I stepped out just then my phone started ringing..I stood there talking with my friend..

Okay right now i am standing outside the elevator debating with my heart and mind whether to go inside or not.. I was not really a claustrophobic still I have some weird Phobias of lift.. like what if

ghost aunty came all off a sudden what if elavator swallowed me.. ughh shut up Myra Reddy you were here to talk to Zain..

I stepped inside chanting God help me in my mind and pressed the button of his floor which was 42..

I shut my eyes tightly waiting for the elavator to open.. come on you are The Myra Reddy you couldn't get scared just by this mere thing..

And finally like finally the door the elavator got open and I stepped out sighing in relief..

Right now i am standing outside The Zain Kapoor's world..ohh that's what written there..I was to about rang the bell but the gate is partly open..

Can I just ran inside and hug him tightly?

Yes I can do this.. taking a deep breath I stepped nope actually ran inside like a kid and the scene infront of me was enough to shocked me to the core..

Ohh yeah zain was on the couch and kriya was hovering over her their position was so yukkkk..

Control yourself Myra.. control your anger you are here to talk not to shout or fight..

"What the fuck?" I literally shouted I was trying hard not to shout but I just can't help it..

"Ooh shit" it was Kriya's reaction.. bitch bitch bitch..she stood up..

"Myra it's not like that what--" I showed my palm to stop kriya..

I looked at Zain he was looking at me without any emotions..it was like he was waiting for me to curse and abuse the shit out of him..

I walked closer to zain placing my hands on his shoulder..I rubbed the place of his shoulder where kriya just touched....I look up to found zain looking at me with wide eyes..

I tiptoed and pressed a kiss on his cheek and turned towards kriya..

"Kriya you don't need to explain anything I know him he is my Man he can't touch another women" I said and her expression was worth watching..

"Kriya I am so sorry for what I did that night I shouldn't have called you with that name I know I am little impulsive so yeah" I said politely and she faked a smile..

"About the thing I saw right now i know it's just a misunderstanding I trust him..he is not typical indian boys" I said and turned towards zain his eyes were like it will come out of the socket anytime..

I smirked and my mind drifted into 15 mins back..

Flashback..

I stepped out of the car and my phone started ringing it was call from my friend.. I started talking just then my eyes fell on the car which stopped few steps away from mine...I talked like I didn't notice but I did notice that It was kriya's car..she stepped out and went inside..

'She was planning something' I thought and went inside..

Flashback end..

Now I know what she was planning..

"Kriya I know you are zain's bestfriend and I am his fiance I didn't get much time with him and even most the time we wasted by our fights only so can you please give us some alone time" geeezzz this forceful sugar coated talks..

"Yeah sure" she forced a smile.."bye zain will see you later" zain just nodded..

I hugged kriya "I will going to expose you bitch very soon now bye because it's US time" I whispered and then she left giving me a glare..

I locked the door and turned towards zain he was still in shock..

I pushed him on the couch and sat on his lap "what you did with your hand?" I asked holding his left hand..he looked at me his expression was soft..

"Zain" I called him softly and kissed his injured hand..

"Are you angry on me?" we both asked the same question to each other at same time..

"I am not angry on you because you aren't at fault it was me I was at fault just because of my impulsive behaviour all this shits happened" I said and he cupped my cheeks..

"It's mine fault I was about to slap you that night I didn't-" I cut him off by placing my fingers on his lips...

"Ssshh it's ok it's fine"I said softly looking at him..

"Are you crying?" He asked I shook my head in no..

"Then what is this?" he said pointing towards my eyes as tears rolled down from my cheeks..

I hugged him tightly my face nestled on his neck.."I don't want to cry still I am crying" he chuckled and caressed my hair softly..

"You know you are very cute" he said and pressed a kiss on my shoulder..

"Yeah I know I am born cute" I said looking at him wiping my tears with the back of my palm..he giggled and kissed the tip of my nose .

"I know I didn't call you neither text you in that 10 days because I was busy with office works and dad also snatched my phone and that day when I got my phone back all these disaster happened" he said and guilt washed over me once again..

"I didn't give a chance to explain anything" I whispered looking down..

Zain's pov..

"I am bad I know I am very bad I am egoist, self-centred, I am brat..will you leave me because of all this?" She asked like a baby her big doe eyes locked with mine as she was looking at me like a lost kid..

"I won't leave you" I breathed out my lips pressed against her forehead.."you are mine special one" I whispered and she passed me her beautiful smile then hugged me once again..

"You are mine only mine" she whispered against my neck her lips moved on my skin and her voice muffled..

"I am yours only" I whispered my palms gently caressed her back and she snuggled more into me...

"I am sorry" I whispered and she looked at me pouting..

"You don't need to say sorry.. it's my mistake I am sorry" she said brushing the hair from my forhead..

"So you think it's your mistake ok then let me give you punishment" saying I harshly changed the position and now she was lying flat on the couch and I was on her looking at her with a smirked on my face..

"Zain-" she tried to speak but I placed my finger on her lips..

"Do you know it's a crime to wear shorts" I whispered my thumb caressed her cheeks..

"Hein really? But it's not crime in Los Angeles" she said looking at me with a frown on her face..

I laughed out loud.. sometimes she indeed behave like a baby.."it's crime to wear shorts infront of me because I am having wild thoughts about you"

She pouted then looked into my eyes her arms encircled around my neck as she pulled me close her nose touched mine "what type to wild thoughts?" she whispered her warm breath fanned on my face and my eyes stuck on her lips..

"You want me to show you?" I asked my thumb gently caressed her lower lip..

Part 31

"You want me to show you?" I asked my thumb gently caressed her lower lip..

"Show me then" she whispered and next sec my lips were on hers..

Her hands went to my back and hair while my hands were busy feeling her body as I kissed her softly caressing her lips with my tongue..she opened her lips giving me an entrance..her tongue meets mine causing shiver ran down through my spine..

Breaking the kiss I kissed her forehead and then I bite her cheeks making her whine "zain" she slapped my shoulder..I chuckled licking her cheeks then move down to her jaw..

"I am hungry" she said all of a sudden as I moved down to her neck and collarbone showering passionate kisses..

I looked up and said "I am hungry too and I want to have you" she pouted grumpily..

"Accha I know you are hungry mom told me about it and I already ordered pizza for us it will be here anytime" I said snuggling into her neck and she caressed my hair..

"But your phone was switched off" she said..

"Landline number" I whispered kissing the area of her neck making her shudder..

The door bell rang and I got up so as she..

Myra's pov...

He went to open the door and I sat up and quickly typed a message in my phone and send it..

He put the two boxes on the table.."first put your phone on charge" I said to him and he nodded..

We sat together after washing our hands and had our pizza..

After sometime..

Zain's bedroom..

"Zain"

"Zain"

"Zain"

Ughh I am calling him but he wasn't listening to me..he was just lying on the bed keeping his head on my lap.

"Zain you aren't listening to me" I said angrily and he looked at me..

"I want to sleep" He mumbled and closed his eyes once again..

He was actually looking cute..an idea popped in my mind and I smirked and clicked his picture uploading it in my Instagram

I was checking insta feeds just then my phone was snatched away from my hand and I was pushed by the monster on the bed I looked up to found him hovering over me..

Before I could utter anything his mouth hover over mine and he pinned my hand on the either sides..he kissed me passionately yet roughly biting my lips and I wriggled underneath him...his tongue dived inside my mouth and I found myself drowned in him in his kisses..he left my hand and I encircled it around his neck pulling him closer to mine if it was possible and his fingers carressed my neck going downward to my cleavage making me moan loudly..

Breaking the kiss he moved towards my ear and whispered "are you liking it? Baby" I shivered this was the first time he was calling me baby thou I called him baby sometimes teasing him or making someone jealous I was zoned out for few seconds just then I felt his wet lips and teeth nibbling my earlobe..I caressed his back my nails scratched his skin..

He took the skin of my neck grazing at lightly with his teeth making me moan loudly his name.. he placed few wet kisses there licking it with his tongue...

I pushed him off and sat on him making him smirked..I traced my finger on his forhead to his nose and stopped at his lips.."irresistible" whispering I pulled his bottom lip with my teeth making him groan and his grip on my waist tightened..

My fingers moved to his Adam's apple and stopped at his chest..I pinched his abs and he moaned in pain..his hand travelled down to my back and he gave me my backside a slap making me gasped...

Leaning closer to him I breathed heavily on his lips my left hand went to back of his head and my lips locked with his..I kissed him slowly feeling his rough ones moved with mine..

My fingers traced his chest and he groaned changing the position he kissed me hard and fast.. pressing his body more into mine..

My phone started ringing which broke our oh-so-sexy moment..

"It's us time" zain said pouting and I smiled seeing his baby face..

"Just a min please" I whispered pecking his lips twice..

He rolled to other side of the bed and I grabbed my phone clearing my throat I picked the call and smirked as my work was done..

"You will get your reward thank you" i hung up the call and turned towards zain who was busy in his phone..

Why this Man is soo hot?

His body is indeed drool worthy..

"Like what you see" he whispered as he creeped towards me I was actually zoned out..

"Yes yes" I whispered pulling him close by his chain on the neck..

I gently sucked his lower lip and broke the kiss before he could respond.. he pulled me on his lap and I caressed his hair..

He came to hugging me from back he pressed a kiss on my cheek.. he made me turned towards him and about to kiss me but I stopped him by placing my palm on his lips "no hanky panky I don't want you to destroy my makeup and hairstyle"

He licked my palm and I pulled my hand back making an eww face "ewwwww zain" I rubbed my palm on his waistcoat and he chuckled pulling me closer by my waist...

He took out the same pendant from his packet and made me wear it "this time we won't fight and you won't open it ok" he whispered and pressed his lips on my ear making me shiver..

I hugged him tightly my face pressed on his chest as I enhaled his manly scent.. he wrapped his hands around my back and I felt him placing a kiss on my head..

Zain's penthouse..

After party everyone stayed at zain's penthouse as everyone were drunk except diya and they all didn't want to go home with their drunken state..

Diya and Nia went back to home with rohan as diya have college and today is nia's mehendi and sangeet while samar, zain and myra stayed at penthouse..

"Myra do you want any hindi teaching classes?" Samar asked laughing while nandini looked at him angrily..

"I know hindi ok" she said rolling her eyes at him..

"Kya aata hai sirf nalayak (the person who is not capable of doing anything) word jo internet se check kiya tha (what you know only nalayak which you searched from internet)" he mocked and laughed leaning back on the couch..

"Eres una perra" myra cursed and samar's eyes widened and his face was full of confusion..

(Translation: you are a bitch)

"Abe which language is this? Kaunsa junglee language hai? (What language is this? What type of animalistic language is this?)" Samar asked looking at myra..

"Spanish mein tujhe bitch bol rahi hai (she is calling you bitch in Spanish)" zain said as he walked out of the kitchen with three mugs of coffee..

"Hawww bitch I am not bitch I am human being" samar said myra just shrugged hearing him..

"no me importa" she said sipping her coffee..

(Translation: I don't care)

"No what is the meaning of this maatein (Godess)?" Samar asked joining his palm..

"It means I don't care" myra said and samar sighed..

"Madame tu english mein hi baatein karle yeh importa lota mat kar (it's better you speak in english only u can't understand this type of language) " samar said making faces and Myra and Zain laughed out loud..

"Ok I am leaving guys we'll see you both at night" samar said as he stood up..

And he left after bidding bye to them..

"Mrs Kapoor" he called her and pulled her on his lap..

"Yes Mr Kapoor" she looked at him caressing his jaw..

"Happy four months" he wished her once again..

"It's 57th you are wishing me" she said and he pouted..

"You look cute when you pout" she said and pecked his pout..

"Ayee I am handsome ok not cute" he made a bad face and she laughed..

"You are my cutieee" she said and he smirked..

"Accha I am cute ok let me show you what this cute boy can do" he said pulling her closer with the pendant on her neck..

"Show me then" she whispered her fingers caressed his Adam's apple..he bit his lips and looked at her face..

Cupping her face he was about to kiss her but his phone started ringing making him groaned..

He ignored the call and joined their lips.his hands caressed her back while she was busy caressing his nape and fisting his hairs..she unwantedly broke the kiss as his phone was ringing continuously..

"Zain check it once it must be something important" she said softly..

"Leave it" he said and about to kiss her but she stopped him by placing her palm on his lips..

"Check it once then we'll continue" she said and he nodded taking the phone..she get off from his lap and went to kitchen picking the coffee mugs..

"Say" my tone was stern and cold..

"I know you broke your friendship with me-" I cut her off.."cut the crap and come to the damned point" I said sternly not loudly because I didn't want myra to heard all this I didn't want to make her tense..

"Zain please meet me once please" she said from the other side..

"I don't have time" I answered..

"Please zain if you ever think of me as your bestfriend then meet me once I promise I won't trouble you after that" she literally begged..

"Fine" I mumbled..

"Ok at my place" she said sighing..

"I'll be there in an hour" I said and hung up the call..

"What happen?" Myra asked stepping out of the kitchen..I nodded in no..

"I need to go" I mumbled and stood up..

"Where?" She asked as she stood close to me encircling her hands around my neck..

"Something important" I said pecking her lips..

She placed her foot on mine and tiptoed to matched my height I hold her waist to balanced her.."we were doing something" she whispered in my ear..

I clutched her waist tightly slamming her body with mine "we'll continue it at night"I whispered tucking her hair strands behind her ear..

"Is it really important to go?" She asked like a baby..

I was feeling guilty but I can't say anything to her let's see why she was calling me I will tell everything to myra later..

"I am not going on a war I'll come back in an hour or two promise" I said kissing her forehead..

"Fine" she said pulling her hand back and turned..

I jerked her towards myself making her gasped "oyee Kudiye tu meri vohti hai bina kiss liye main nahi chodta tujhe (ayee girl you are my wife and I won't leave you without kissing you)" I said and she giggled..

"Okay I didn't understand much but I know you are asking for a kiss" she said and I chuckled..

"Kudiye means girl and vohti means wife and 'I was saying hey girl you are my wife and I won't leave you without kissing you" she nodded chuckling..

"I seriously need classes from you" she said and I smirked..

"Sure but I have some rules and I will punish you if you do any mistakes during classes" I said and she smirked back..

"I am ready for it" she whispered caressing my jaw with her thumb..

"Okay okay but first let me kiss you" I said before locking my lips with her..

Myra went to Kapoor Mansion and I was on my way to kriya's apartment I don't know why she was calling me..

I rang the doorbell and she opened the door..

"Come inside" I stepped in and turned towards her...

"Why did you call me here?" I asked and she looked at me..

"Zain you trust myra so much na?" she asked her eyes were on her phone..

"What type of question is this kriya? Ofcourse I trust her" I said confidently..

She looked at me then side "what if I say that she broke your trust very badly like very"

"I broke your trust huh I am blaming myra wow" she said clapping her hands "but you know what she did she banned me from Bollywood she hacked my phone she-" I cut her off..

"Stop lying just stop fucking lying" I shouted and she flinched..

"I am not lying I have a proof just wait a min" she said and went inside the room..

She came out after a minute and asked "previous night you all did party at Barrel Mansion right?" I nodded..

She showed me her picture where she was giving money to a boy backside of the Barrel Mansion..

"What the hell is this? I can't believe this she was with us all the time" I said throwing the pictures..

I can't believe this I trust her..

"Think zain koi toh time hoga that she went washroom or other place" she said and I started thinking..

Flashback..

We all went inside the club and straightly went to VIP section as I already planned everything for her..

We all sat and ordered drinks and foods just then she stood up "where are you going?" I asked..

"Washroom" she said her eyes were on her phone..

"Take diya or nia with you" I said and she looked at me and passed me her beautiful smile..

"I'll manage" she said and leaned closer to my ear "coming in few mins my boy don't take tension I am not a kid" she whispered and when everyone cleared their throat she straightened herself and left..

She came after 10 mins and sat beside me..

Part 34

But she went to washroom then how come she met with an unknown boy? She is lying right? She is trying to manipulate me!! No no this time I won't trust her..I trust my Myra..

"I trust her" I said fisting my hands to control my anger..

"She said that she don't know anything about bollywood right? She don't know anyone from that industry huh then see this?" She said showing me another photo..

"He is Prakash one of the richest director and producer of bollywood Tushar Reddy's one of the good friend and I know he helped her and he is behind banning me" she shouted as tears started to flow from her eyes...

"She destroyed me she destroyed my career you know right zain how much I struggled to reach at this place and in a sec she destroyed everything just because she was jealous of me" she cried as she said those words..

"She threatened me that she will kill my parents if I said something to you and I know you don't trust me still I am saying all this to you" she said..

No no I trust Myra she isn't evil like this..

"That day I added spices in aloo paratha" my eyes snapped at her and she continued "yes I added spices in aloo paratha because I was jealous of her and I am still jealous of her" I was trying hard to not to slap her right here because I promised dad that I won't raise my hand on any girl..

"You broke our friendship right? Now I can say anything to you afterall you aren't My Bestfriend Zain you are The Zain Kapoor " she said and looked at me wiping her tears..

"We met first time when we were in school I didn't have friends and you were my first friend then samar then aliya and mukti..we were together in school and college but you and me we shared an unbreakable bond-" I cut her off..

"And you broke it kriya" I said..

"I started loving you zain but you never think of me more than a friend" I was soo shocked..I was just rooted at my place listening this..

"You never been in relationship with any girl and then suddenly Myra came..you went to Los Angeles for business deal right but you got engaged to her" she said..

"Why are you saying all this to me now huh?" I asked..

"No zain today I won't stop today I will say everything" she said shaking her head..

"When you came back from Los Angeles after a month everything changed you spent most of the time in your phone earlier you used to spend most of the time with me or samar but when myra came you forget us you forget our friendship" she said..

"Zain I always love you but you never did and then Myra ughhh I soo hate her and yes I mixed spices in her food and I am accepting it" she paused "but she destroyed everything she snatched my love and then she snatched my passion.. she also threatened me that she will kill my parents" she completed..

"Then what will you do now huh? You want to punish me right? Then do it punish me the way you want but then let me tell you one thing Zain Kapoor you want to punish me for that liar right huh she lied she broke your trust and she is not as sweet as she is pretending atleast I am not double faced like her I am accepting that I mixed spices in her food atleast I am not pretending anything"

"I know you won't trust me then do the hell you want but yeah once ask her about this dekhna jhoot bolti hai hai ya sach (and see if she says the truth or lie)" she said..

"She is taking you for granted and she said you will trust her forever"

"When you will ask her about this na then she will say that I threatened her that I will kill her parents and little brother" she said.. "don't look at me like that she said all this things to me her face is innocent but from inside she is evil"

"Now I don't want to say anything I accept that I loved you and still loves you I accept that I added spices but that doesn't mean she is innocent..you may leave now" she said and sat on the couch holding her head..

"I will prove you wrong kriya and will punish you very soon" I said and left her house..

My mind was occupied with so many thoughts and going home right now would be the bad idea as anger was boiling inside me and I didn't want to shout or hurt anyone..

I won't act impulsively this time..this time I'll talk to her calmly and ask her everything..I trust her and I know she isn't wrong..I know kriya was trying to manipulate me but this time I won't let my anger overpower my senses..

I calmed myself by driving then checked the time shit it's already evening..I drove to Kapoor Mansion..

Few guests were there as mehndi function was going to start in sometimes...

"Zain where were you baccha?" Mom asked as she saw me stepping inside the mansion..

"I was bit busy mom" I said..

"Ok go to your room and freshenup I'll send something for you there as you skipped your lunch" she said lovingly..

"It's ok mom I am not hungry I just want to rest sometime" I said..

"But baccha-" I cut her off "I am fine mom"

"Ok go rest" I nodded and went upstairs..

As I soon as I stepped inside the room my eyes travelled to my bed where Myra was sitting..

"Hii husband" she wished as soon as she saw me stepping inside the room..

"Where were you?" She asked as she stood infront of me encircling her hands around my neck..

"I was busy" I mumbled..

"Busy where?" She asked one again her fingers carressed my nape..

"Babe I badly need a shower I talked to you later ok" I said cupping her cheeks..

ex-bestfriend already brainwashed you" I said looking at him and he didn't respond..

"Ok let me tell you everything" I said rubbing my palms together..

"Firstly I am not jealous of her neither with your friendship with her but she was actually a bitch well I can't help it I will call her with that name only" I said as I chuckled..

"She added spices in my food knowing that I have allergic to it anyways I know she was jealous of me because I got you"I paused "so I was ok with it then suddenly I got to know something that shocked me to the core"

"You know about that mom and dad's accident when we were in Los Angeles after our engagement..it wasn't an accident it was planned kriya planned everything..she tried to kill my parents" I said trying hard to control my tears..

"After that everything was fine as you came back but when I came here she was trying to attack my dad so I have to hired a bodyguards for them..I am not even there with them.. she said she will kill my parents and rishabh..such a psycho she is" I said while manik stood there rooted at his place..

I went to him and stood infront of him.. cupping his cheeks I made him looked at me "no baby you don't need to looked down and I am not telling you to trust me..but truth can't changed she tried to kill my parents"

"Don't trust me I know you are confuse if I was there at your place na then I should've act impulsively or shout at you.. I am trying to collect some proofs about all this I will show you the proofs very soon then we will talk ok" I said softly..

Zain's pov..

"I am not angry on you Myra I am just disappointed..you never share anything with me" I said jerking her hand slightly..

"You even lied about that bollywood thing you said you don't know anyone and that night you were giving money to a guy" I said trying to sound calm I didn't want to shout at her atleast..

"Yes I lied so? What will do I don't know what to share and whom to share all this and yeah that guy wasn't some roadside goons he was Abhimanyu Rana Yashvardhan Rana's son and one of my good friend he always treats me like his younger sister so he helped me to hack kriya's phone but I

didn't get any types of proof from there so I just deleted the call records of us and that packet doesn't contain money it was something important" she said clearing my doubt..

"Something important?" I looked at her with raised eyebrow..I was curious..

"Yes and I don't know what it was his girlfriend also lives in Los Angeles and she is my friend so she send something for him so yeah" she said shrugging her shoulder..

"If you still think that I banned her because I was jealous of her then baby you are wrong I banned her to show that I have more power than her and she is just a small mouse 🐁 infront of me and I am telling you Zain if she tried to harm my parents once again na then she will see worst of me" she said her eyes spitting fire..

"Kya karogi uske parents ka murder?(what will you gonna do? To murder her parents)" I asked..

"Wait what murder parents seriously?" She was confused first because of hindi but then she got my point..

"Zain Kapoor do you really think this low of me huh? I mean how can I kill someone's parents yaar..I have problem with her not with her family so if she did something bad with me then I will do worst with her not with her family" she said confidently and turned to leave..

I hold her hand and pulled her close to me.."I TRUST YOU" I whispered and kissed her forehead..

Her lips broke into smile and she hugged me tightly.."I thought you will going to shout at me like a monster" she said in between the hug and I chuckled..

"This time I won't behave impulsively aur waise bhi tu meri vohti hai tujh par hii trust karna hai maine kuch bhi hojaye (you are wife afterall so I have to trust you)" I said and she laughed..

She broke the hug and looked at me resting her hand on my chest "ayee I understand what you said" she said passing me a grin...

"What I said btw?" I asked pulling her close by her waist..

"You said that I am your wife and you will always trust me anyhow!! Am I right?" I nodded and laughed..

"Wah wah Mrs Kapoor" I praised and she raised her invisible collar making me chuckled..

I sat on the couch and pulled her in my lap "you know you are cutest thing ever happened to me" I said kissing her palm.. she looked down being shy..

Shy? Really?

That's my misconception..

"And you are best thing ever happened to me" she said and pressed a tight kiss on my cheek..

Next morning..

A dark room and girl was sitting on the chair which was placed in the middle.. her legs and hands were tied and she was unconscious.. the door of the room got opened and the light directly fell on unconscious girl's face..she opened her eyes slowly then closed it..one person came inside and stood infront of her..

That person smirked and laughed evilly seeing her.."poor you babygirl tch tch tch"

Now we can see the face of the smirking person who was none other than Our Myra Zain Kapoor..

She took the bottle of water and throw it on the girl's face who was half concious and she opened her eyes with a jerk..now we can see her face it's Kriya..

"How are you kriya?" She asked placing her hands on the either sides of her chair..

"You are doing wrong myra" she said and next second a tight slap landed on her cheek..

Myra's pov..

"You still have guts to talk infront of me you bitch" I shouted and slapped her once again..

Today I will show her hell .. how dare she harm my parents? She is taking this game so far.. she literally dragged family.. today I will teach her lesson.

"You fucking tried to harm my parents how dare you?" I pulled her hairs hardly literally scratching her scalp and she screamed in pain...

"Aaah leave me" she said wincing in pain.."I will complain to police myra you don't know me" I chuckled..

"Police?" I laughed loudly.."wait let me fulfill your wish by calling police here" I said..

"You all can come inside" I said and police came inside her eyes widened..

"Do you know who he is? " I asked pointing towards the police " he is commissioner and my dad's friend" I said..

"Thanks for coming uncle" I said to him..

"Please have a sit and enjoy the show" I said to them... 10 polices were there they sat comfortably on the chair..

The commissioner of Mumbai is my dad's friend so it won't create any problem I called him here with his staffs and also the money fame and power speaks

I clapped my hands two times and one men came inside "please serve them some refreshment" he nodded and walked out..

"So polices are already here you can complain about me to them" I said laughing and her face was worth watching..

"I will tell everything to zain and I know he will trust me" she said and I chuckled..

"Ok let me call manik then" I said and took out my phone..I was about to dialled his number just then I heard his voice "myra you there?"

"Just a min I am coming" I said and walked out..

I found zain standing there I smiled and went to him "why did you call me here myra?" He asked looking here and there..it was a old factory..

"Because I want to kidnapped you and then caged you forever..I want you to be on my captive" I said encircling my arms around his neck and he laughed..

Ohh Jesus his laugh.. everything about this guy is irresistible..and I am so lucky to get him.. He is Mine all Mine.. He is Myra's Zain..

"Accha listen you trust me right?" I asked..

He pulled me close by encircling his hands around my waist.."is that even a question to ask"

I smiled and freed myself from his grip.."okay okay come with me and don't freak out" He nodded obidiently..

I prayed to God as I was scared because it will just took him a second to changed into monster..

I hold his hand and took him inside.. when his eyes travelled to kriya..he rooted at his place..

"Zain help me please she will kill me.. she is torturing me from previous night she even bribe the police" and kriya started her drama..

"Zain you have to trust me today otherwise you will lose me forever" I said looking at him..

He took a deep breath then asked "what is happening here myra?"

'We are doing party zain' my mind screamed..

Now what to answer..

"Zain sit here and let nandini do her work" commissioner uncle said..

"Commissioner uncle you also" zain said shaking his head in disbelief..

"Zain please sit silently" I said this time he didn't reply and sat on the chair..

I walked towards kriya and stood infront her "so tell me kriya that you you were behind my mom dad's accident and you also tried to kill them once again few days back"

"Lying she is lying zain I didn't do anything like that" she said crying..

Grrrrr she and her low class drama..

"Stop lying bitch and spit the truth otherwise the consequences will be the worse" I shouted clutching her hair tighter..

"Zain please help me I am your bestfriend" she cried looking at zain..

"Stop lying bitch and spit the truth otherwise the consequences will be the worse" I shouted clutching her hair tighter..

"Zain please help me I am your bestfriend" she cried looking at zain..

"Stop this bestfriend thing and tell the truth already" I shouted angrily..

"You won't spit the truth right huh?"I asked and she looked at me angrily..

I dialled someone's number and said "take that thing inside"

"Myra" zain gasped seeing electric wires in my hand..

"Not a word zain if you are thinking that I am doing out of jealousy then you are wrong.. this time she has crossed all the limits by trying to kill my life my parents" I shouted and wrapped the electric wire around her.. she was wearing sleeveless top so it gave me better access to wrap it on her arm..

"Now you will get electric shock kriya" I said smirking and sat on the chair..

"Say the truth otherwise I will press the button" I said and she just cried making me frustrated..

I pressed the button of the remote and she screamed getting shock for 5 seconds..

"Myra don't do this" zain said helplessly..

"Shut up" I shouted "today you will see your bestfriend's truth"

"Kriya looked up and say the truth" I shouted but she didn't reply..I pressed the button once again and she got shock..

Damnn she was freaking wasting my time tonight is Nia dii's wedding...mom dad and rishabh flight must have landed by now..

"Kriya you are fucking wasting my time" I shouted and this time I pressed the button little more..

"Yes yes I did everything now please stop" she screamed making me smirked..

I went to her and made her looked at me by clutching her jaw tightly..

"Why you did this?" I shouted..

"I was jealous of you..my love got engaged with you and that news spread like a fire so I tried to kill your parents but they got save I tried once again but your dad was lucky enough" she shouted and I slapped her continuously with tears rolling down from my cheeks..

"I hope you got the answer zain" I said turning towards him..he was shocked..

"Zain please leave her na and be with me I promise I'll give you all the happiness" she said looking at my zain I curled my hand into tight fist my own nails dug on my palm..

"Zain we are bestfriends from childhood right? Please zain leave her na and be with me please I really love you" she said and while I was trying to control myself to not to shoot her right then and there..

I clutched her jaw once again "zain is mine get that straight in your not so working mind..zain is mine and always be he belongs to me" I shouted gritted my teeth..

"No zain is mine you snatched him from me" she said and that's where I lost my control..

I took the gun which was tucked at my Jean's waist and pointed on her head.."you bitch I will kill you if you said one more shit.."

"Myra" zain stopped me and tried to take the gun from my hand..

"No zain today I will kill her she is pathetic"I shouted and zain hugged me tightly..

"Ssshh it's ok police are there myra let them do their work don't do something impulsively" he said softly in my ear and rubbed my back soothingly..

I calmed myself enhaling his scent and broke the hug and she started uttering shits once again..

"You are bitch myra an evil minded devil you snatched my love,my bestfriend, my Career.. why can't you just die and let everyone live peacefully go and die you-" and then everything got blank and we all heard the sound of loud slap..

It was from Zain..

He slapped Kriya..

Zain slapped Kriya..

"Shut up just shut the fuck up dare you to speak a word against my myra..and one more thing you don't love me you are just Obsessed you are a pyscho kriya..and let me just tell you that I don't love you..I hate you I hate you soo much.. you tried to kill Myra's parents you are bloody murderer" zain shouted..his face was red in anger..

"Please arrest her I don't want to see her face" zain said and walked out..

I smirked and leaned closer to her "I won kriya now go and spend the best days of your life in jail all the best..I can assure you one thing you will going to get the best treatment in behind the bars" I said winking at her.

I walked out of the factory tucking the gun at my jeans and found zain standing leaning on his car..I went to him and stood infront of him..he instantly hugged me engulfed me in his arms..

I hugged him back..

THIS IS PEACE..HIS ARMS ARE MY PEACE..

"I will come back Myra I will make you suffer" we heard the voice and broke the hug..

I turned and saw police dragged Kriya.."we'll see that kriya first go and enjoy your best days in prison" I said laughing..

I went to commisioner uncle and thanked him for helping me then he left..

I looked at zain he was sitting inside the car silently.. sometimes he looked like a innocent baby..

I went to him and sat on the passenger seat and hold his hand.."what happen baby?" I asked..

"I am so sorry" he whispered.. he is cute and he is mine okay?

"Hey you don't need to say sorry you are now where at fault" I said cupping his cheeks..

"Still she was my friend but I didn't know about her bad intentions" he said and I sighed..

"Leave it na stop talking about her.. she was gone now she can't do anything like that" I said pulling him close..

"Now please smile.. this frown doesn't suits you" I said smiling and he smiled a bit..

"Thoda aur smile karle itna kanjoos na ban tu (smile wider)" I said with little difficulty and he looked at me with shocked expression..

"Yayyy I speak hindi" I said clapping my hands..

"Who taught you this line?" He asked..

"Diya and Nia dii" I said winking at him..

He chuckled and tucked my hair strands behind my ear "meri vohti toh multi-talented hai (my wife is Multi-talented" he said kissing my forhead.. this time he smiled genuinely..

This Boy is Soo adorable and handsome..

I pulled him close and before he could say anything my lips hover overs him..he pulled me on his lap and our lips fought for dominance his hands roamed on my back while I was busy fisting his hair and caressing his Adam's apple with my fingers..

He groaned pushing me on the backseat and in a sec he was on top of me sucking my neck hardly..I tilt my head giving him access..he entwined our hands and pinned them on the car window above my head..I arched my back as he left few hickeys on my neck...

His touches made me forget everything..

Am I falling for him?

Her game is over..now no one will come between us..I looked at zain as he was driving silently humming softly..

"Myra Reddy you are so shameless" mom said glaring at me..

"I am taking it as a compliment" I said winking at her and started wearing my earrings..

She pinned my duppata and I twirled "damnn I am looking so beautiful" I said happily..

She smiled and kissed my forhead "my daughter is the prettiest"

I smiled and kissed her cheek "thank you beautiful momma"

I quickly did my makeup and applied red lipstick..I applied concealer on my neck to hide the hickey nope actually monster bite..

She is the most beautiful girl in this whole world.. she looked at me and passed me a smile..her smile was enough to make my day..

She came to me and stood infront of me..I was looking at her face without blinking my eyes..

"Zain zain what happen?" She shake my shoulder bringing me back to the reality..

"Toh kya hua vohti hai tu meri (so what you are mine wife)" I said pulling her more close and she gasped..

"Mr Kapoor don't start your live porn here" samar said and I just showed my middle finger to him..

I took the little bit of kajal from her eyes and put it behind her ear "main nahi chahta kisi ki buri nazar lage tujhe" I said and I took her 20 seconds to understand what I said..

"Mera patidev bhi handsome la.g ra.raha ha.i (my husband is looking very handsome)" she said with little difficulty..I smiled and kissed her knuckles..

OBJ

"Zain dad" as soon those words escaped her lips I left her with a jerk..

"Where are you going?" Mom asked as she saw me descending the stairs..

"Don't expect an answer" I said with tightly lipped smile and grabbed my car keys from the counter..

I drove to Kapoor Mansion..

I stepped out of the car and took a deep breath I rang the doorbell...

And then the door got opened revealing manik..I looked at him and next moment I hugged him as tight as I can..

"I missed you so much zain" I said in between the hug..

"What are you doing here?" He asked his expression was hard and cold..

"I came to meet you" I said smiling and stepped inside pushing him slightly

He took two long strides and stood infront of me..he hold my arm and jerked me towards himself "love? No no myra I hate you I hate you so fucking damnnn much" he shouted and I shut my eyes tightly feeling pain in my arm..

"Ohh you are still wearing this pendant and ring nice" he said and his hand went to my neck.."let me free you from this relationship"

"Ohh you are still wearing this pendant and ring nice" he said and his hand went to my neck.."let me free you from this relationship"

"Zain no please don't" I pleaded but he didn't stop and opened the pendant harshly and threw it away..

It fell inside the fireplace making me gasped..I pushed him and ran towards the fireplace..I was about to put my hand inside but stopped feeling clutch in my hand..

"Are you out of your mind?" He shouted pulling me towards him with a jerk..I flinched at his tone..

"Why did you do this?" I asked looking at him with teary eyes..

"I am not answerable to you" he said and pushed me slightly..

My eyes widened seeing his hand no no no he can't do this "zain no please don't do this please" I hold his hand trying to stop him from opening the the engagement ring..

"Myra I am fed up from all this I don't want to caged myself with this ring it's suffocating I am not able to breath" he said breaking me bit by bit..

He tried to open the ring from his finger but it was stucked in his ring very badly "it won't open" I said smiling in tears..

"It will" he snapped back and finally opened the ring harshly..I placed my palm on my mouth to control my sobs..

He put the ring on table and let out a loud sigh and said "such a relief"

He came to me and hold my hand and I got to know about his intention "no no no he can't do this to me"

"Zain don't you dare to open my ring" this time I shouted trying to jerk my hand from his tight grip...

"I am freeing you Myra after this you can also breathe in fresh air" he said and tried to open my ring..

"Zain you are hurting me" I said crying because the ring was also stuck in my finger it was so tight..

"It won't hurt after this anymore" he said and finally sucessful in taking out the ring and a loud scream escaped my lips because of the pain in my finger and also in my heart..

I don't have anything to say now I just stared at his hard face and cold my eyes..He is not my Zain!! Where is my zain?

"Finally you are free from this relationship Myra wohoo" he clapped his hands..

I stood rooted at my place my eyes fixed on his face..why did you do this to me? I want to shout at him but nothing came out from my lips..

No no no what I was thinking? He is mine Zain only mine..

"It's been only 2 months our marriage is registered in the court so it will take 4 more months to filed a divorce after that we will be strangers well we are strangers only now the known strangers" he said looking at me..

Is he really think that I am acting? Can't he see my broken state?

He really wants to divorce me..

"Now please leave your presence is suffocating me" he said pointing towards the exit..

I clutched his collar jerking him towards me "you don't love me?"

"Do you still have doubt?" He asked looking at me with a bored look..

"Look into my eyes and say that you don't love me" I said and he chuckled..

"So filmy Myra" he said laughing like a evil person..

"Okay I will fulfill your this wish" he said and his arms slide into my waist as he pulled me more close..

I stared at his eyes trying to find a little bit of love for myself but it was cold there was nothing for me "I don't love you Myra Reddy" he said looking into my eyes..

My hold loosened on his collar and he also moved back.. now I have nothing to say everything is end..

I was speechless there is nothing left..I turned to leave but stopped listening his voice "I am here in LA for 1month so please try to maintain some distance with me and try not to show your not so innocent face"

I turned to reply but he threw his engagement ring on my face "I was wearing this ring it was gifted by your family so you can take it..after all it's waste for me.."

I ran out of the mansion as I can't take this anymore..I sat inside my car and wiped my overflowing tears.. no no I won't cry I am strong everything is end now there is nothing left..

I wiped my tears and took a deep breath I drove to Reddy Mansion..

"Doll what happened" mom asked seeing my messy state with dried tears and red eyes..

I looked into her eyes and found love and concern for me in her eyes..I said they murdered my unborn baby but no they just tried to save me they did for me because they love me and I behave so rudely with them..

I hugged her tightly and cried loudly "shit doll what happen" mom asked caressing my back..

I broke the hug and looked at her "hate me na mom I did worst with you and dad hate me na please" I said in between sobs..

"Ssshh just sshhh" she hold my hand and made me sat on the couch..

She ordered butler to give me a glass of water.."drink this"mom said making me drink the water..

"He broke me mom he snatched my engagement ring mom" I said looking at her with teary eyes..

"That bastard I'll kill him he is now crossing his limits" I heard dad's voice I turned and found him standing behind me..

I wiped my tears with back of my palm and said to dad "no dad don't do anything with him please he isn't at fault please leave him let him leave in peace"

"But he is behaving like a jerk myra" dad said angrily..

"Leave him dad he is just a stranger for me now I don't want to think about him because he took away my all rights on him" I said and dad sat beside me caressing my hair..

"I am sorry dad I am.." he cut me off "it's ok doll forget everything like a nightmare"

"Dad I don't want live here dad..I want to go somewhere I want to live alone" I said holding his palm..

"What are you saying princess no no you will live here with us" dad said shaking his head..

"Let her do what she wanted yash don't stop her" mom said making me smile a little..

"But where will you go nandini?" Dad asked...

"Seattle" I said "dad you know na I love that city I want to settle there I want to open my small cafe and leave peacefully please dad" I said pouting..

"I have a small apartment in Seattle which I bought for your mother when we went there you can live there and about the cafe I will arrange everything" dad said and I smiled and about to say that I don't need his help but he stopped me..

"Don't you dare to say you don't want my money and all because I won't let you suffer and struggle you are Millionaire's daughter and if you disagree then I promise Nandini I will lock you in your bedroom" dad said faking an anger..

In flight..

Myra's Pov..

Zain I love you I still love you...that night was the best night that night we become one..we gave in to our desires..that was the beautiful night of my life and I didn't regret anything..

Flashback..

After nia's wedding when Myra went to Zain's room..

(Chapter no 38)

Suddenly an idea clicked in my mind I smirked and said "shit zain your dad" he left me with a jerk he didn't know that I already locked the door..

"What where?" My baby got scared..

"Myra yaar" he stomped his feet in anger and I laughed..

"Bohot hassi aarahi hai (aren't you laughing too much)" he said and pushed me on the bed he started tickling me making me giggle..

"Aah zain no stop please" I said in between my giggles and trying to push him with my hands.. he held my hand and pinned it on the either sides of the bed..

"You know you are looking very beautiful today you are looking like new bride" he said huskily leaning close to me his breath fanned on my face and blood rushed to my cheeks causing it to heat up..

"Are you blushing?" He asked and I nodded in no making him chuckle..

"You are" he whispered and pressed his lips on my cheeks and stayed in that position making my heartbeat go wild..

What is happening with me?

I squirmed a little as his lips moved down to my jaw.."leave my hands zain" I whispered and he nibble the side of my jaw making me moan..

"Please zain leave my hands" I whispered biting my lips..

He left my hand and nestled his face on my neck..my heart was beating so fast..I pushed him and sat on the bed breathing heavily..

"Baby" he whispered and I clutched the side of my lahenga..he was sitting just behind me I felt his hot breath on my neck..

He hand slide it on my waist as he pulled me closer my back collided with his chest...a sigh escaped from my lips as his lips touched the side of my neck his fingers did wonders in my bare waist..

"What happen zain?" He asked huskily while I was tongue tied..

I clutched the side of lahenga more tightly "aren't you liking it myra say na" he whispered his lips moved in my skin and my body erupted with goosebumps..

"I will stop myra if you won't answer to my question" he whispered his nose rubbed on my neck..I arched my neck giving him access..

"Don't stop" I rasped out..

He opened the pin of my hair and hair accessories and untie my hair..

He chuckled and blew air on my neck without kissing there..I felt his fingers moving on my arms to my shoulder to my neck I was frustrated..

I turned towards him and pulled him close to me by cupping his jaw.."what are you doing to me Mr Kapoor" I whispered my lips touched his..

"You tell me what you are doing to me" he whispered his hand moved up on my shoulder he unpinned my duppata and threw it away..

My hand went to his sherwani as I started unbuttoning it "what are you doing wifey?" He whispered tracing my back his fingers fiddled with the chain of my blouse..

"I am not doing anything" I whispered and kissed his ear my fingers traced his well toned chest and abs..

Lowering my face I pressed my lips on his neck..he let out an audible sigh feeling my lips on his neck..I trailed numerous open mouth wet kisses on his neck and his hold tightened on my waist..

He clutched my hair in tight fist and jerked me towards his face before I could utter anything his mouth descended on mine for a harsh and rough kiss..aahh he's so dominating..my hand went to his hair as I fisted it while our lips moved in a rhythm..

We broke the kiss breathing heavily "that was harsh" I said controlling my erratic heartbeat..

He wiped his mouth with the back of his palm and smirked looking at me.."my man is so sexy" I whispered leaning close to him feeling his skin on my fingertips and he smiled..

"And my girl is the mixture of hot and cute" he whispered and I pecked his lips but he have other plans as he slammed his lips on mine once again and we went for another around of kissing..

He pushed me on the bed and in a blink he was on me sucking my neck hardly making me moan to the loudest..his tongue licked the side of my neck his warm breath gives butterflies to my stomach..

He looked up and cupped my cheeks "myra" he breathed out controlling himself..

"Myra.we can't.." I sushed him by placing my finger on his lips "sshhh take me" I whispered..he was about to say something but I stopped him by placing my lips on his for a slow yet passionate kiss..

When we broke the kiss I know and I realized that I love this Man and I can do anything for him.. I Love The Zain Kapoor My Husband..

His hand went to my back as he pulled the zipper of my blouse down..I breathed out feeling his fingers on my skin..he scratched my material from my body making me shy..he chuckled and pulled the duvet to cover us..

"be gentle it's my first" I whispered and he pecked my lips..

"It's my first time too wifey" he whispered caressing my hair..

Soon our dress scattered in the floor and we drowned in our own pleasureable world..

Now I Am His In Every Manner..

"Are you fine?" He asked after we done with our deeds..I hummed hugging him tightly I was tired I just wanted to sleep..

"I love you Myra" I heard him whispering in my ear but I was too tired to reply my eyelids felt heavy and I drifted into peaceful slumber in the arms of my man..

Part 43

On my way to the apartment I got so many messages from my family members..I sighed and smirked reading those messages..I put my phone in my backpack without replying to anyone..

After taking a deep breath I rang the doorbell of the apartment or you can say penthouse I know the caretaker was inside as dad told me..

The door got opened and I was pulled inside with the jerk before I could react one pair of lips descended on my mine kissing me with desperation.. tasting the familiar lips my hand rose up to his hard chest to his hair as I kissed him back biting his lips hardly.. tears started rolled down from my cheeks as we kissed after 2 months 15 days..

"Jesus stop you two I am here also" I heard Jane's voice and broke the kiss groaning..

"Jane this penthouse have other room also you can just go and fuck yourself" I shouted and pulled him for another kiss..

He closed the door and pushed me on the wall still kissing me his hold tightened around me.. In the need of oxygen we broke the kiss breathing heavily... he joined our forheads and our breathes mingled..

"I love you soo much my babylove" he whispered and moved back not before placing a hot kiss on my cheek..

I looked at him my anger rose and he gulped..

I opened my sneakers and he passed me a nervous smile.."love huh? You asshole I hate you so much" I punched on his back

"Ouchh myra that hurts" he said running and I ran behind him to the bedroom..

"Hurts? Seriously Zain Kapoor you hurted me more" I said and running and threw a cushion at him..

I picked the vase and he screamed "myra no yaar don't hit me with that, you will become widow"I placed it aside and sat on the couch palming my face...

"I hate you I hate you so much you don't know how much you've hurted me in these months" I said trying to control my tears..

He sat on his knees infront of me and hold my hand.."I was forced" he said and a drop of tear fell on my hand..

He was crying...

"Force what" I asked..

Zain's pov..

"I was forced myra I was forced to behave like a jerk with you..I know that was fake abortion papers I know that we lo..st o..ur ba..by" my voice broke at last and I cried digging my face on his lap..

I can't handle this pain anymore..

I was about to lost my first baby Diya and I already lost my baby our baby our symbol of love..

Why am I so unlucky?

"Zain please stop crying" I heard her soft voice as she caressed my hair..

She cupped my cheeks and made me looked at her..."stop crying" she wiped my overflowing tears..

She made me sat on the couch and passed me a glass of water..

I gulped it and looked down..

"Who forced you zain? Please tell me everything I will listen" she said softly..

Her eyes held love for me..she isn't angry at all..

"It was Kriya's brother" I said taking a deep breath..

"Kriya's brother kidnapped diya and he was about to rap.." I stopped in the middle unable to complete the word and cried palming my face..

"What are you saying zain?" She was shocked..

I wiped my tears and said "on my birthday I wanted to hug you myra I wanted to cry with you because I knew that we lost our baby but that day I got a message that day diya was kidnapped I panicked I wanted to go back to India that day only but the kidnapper told me to behave like a monster with you which I did..I know I broke you love but I was forced I was a fucking puppet of his hands I got to know later that it was Kriya's brother" I said and her eyes started to get wet..

"I almost lost diya..but atlast moment I saved her but you know what myra she isn't like a bubbly talkative girl like before she didn't talk with me she didn't fight with me like before.. her eyes used to held mischievousness and now it was just blank she forgot to smile she didn't snatched my ice cream anymore myra" I said and my traitor tears flowed like a waterfall..

She hugged me and carressed my back to calmed me down.."stop crying baby" she whispered my face nestled in her neck as I cried..

I broke the hug and said "3 days back I behaved like a jerk with you again that day you were at gunpoint that jerk's one person was there at my mansion"

"Why didn't you tell me all this before? Don't you trust me" she asked and I shook my head in no..

"It's not like that love..I don't want you to get hurt... That bastard was keeping his eyes on you" I said "but now everything is at control dad told me that finally he got arrested and I know I will going to kill him with my own hands as soon as I reached india" I further added..

"I can't believe that diya have gone through so much" She mumbled..

"He even tried to kill your parents and brother" I said and her eyes widened..

"Zain I want to go back to india" she said and I looked at her..

"No love please you stay here because I know you badly need a break and you are still weak" I denied cupping her cheek..

"No zain I don't want to stay here I want to go back to India I want to see my diya she is my baby too" I said shaking my head..

"Why are you so selfless myra? I behaved like a monster with you still-" she cut me off by placing her palm on my lips..

"Forget everything I love you so much zain and I knew something was wrong anyways everything is fine now and it's time to show that bastard his real place" she said and pressed her lips on my forhead..

"This tears doesn't suits you..you are my strong Man" she said wiping my tears..

I leaned closer to him pressing a kiss just beside his ear and whispered "we will make everything right baby" he squeezed my hand and kissed it..

_____

Finally after a hectic flight we reached india..we stepped out of the airport and jane was literally squealing as it's the first time she is visiting India..

We all sat inside the car and I told the driver the location and manik's eyes widened.. "Myra no it's not the right time" he said holding my hand..

"It's the right time only zain don't stop me please" I said softly.. he sighed and placed his head on my shoulder..

I dialled a number..

"Yeah we reached..I am sending you an address please come there as soon as possible" I said over the phone call..

"Yess please take her with you" I said and hung up the call..

"Dude where are we going?" And finally Jane asked..

"We are going to murder two Satans" I said and she squealed..

"Ohh my God really? Damnn I am so excited" damnn I can't believe that this crazy girl is my bestfriend..

"She is a gone case" zain said and I giggled..

"Ohh Hello Mr I am not a gone case okay it's just that I am soo excited" she replied to zain..

"Diii where are we going?" Rishabh asked..

"Do you trust your dii?" I asked and he bobbed his head..

"I won't let anything happen to you my baby bro just be with me" I said and he nodded..

_____

We reached the place the same old factory where I caged kriya.. It's actually true that money speaks.. polices were there waiting for us and That bastard and his sister the bitch kriya were tied on the chair..

"Oh My God" Jane exclaimed and I glared at her telling her to shut up..

"Zain calm down please" I said holding his hand..

"No myra today I will kill him" he said just then we heard a scream..

We turned to see diya jayant uncle and mihika aunty were standing there..

"Ho..me..I wa..nt.. to..go..ho..me" diya literally started shivering hiding behind Jayant uncle..

Ohh My poor baby she wasn't like old Diya anymore.. her face was pale there was dark circles in her eyes..she was scared seeing everything..

"Myra why did you call them here.. you know about diya's condition still" zain was getting angry..

"Sshhh zain let me handle this everything will be fine" I assured him and went to diya..

"I want to go home" she murmured hiding behind Jayant uncle..

"Diya baby look at me.. it's me your Myra bhabhi" I said and she looked at me with those Innocent eyes..

"Bhabhi please take me home please..he will harm me once again bhabhi" she pleaded softly..

I cupped her cheeks wiping her tears with my thumb "no one will harm you baby.. you see everyone is here with you he can't harm me" I said softly..

" He is bad bhabhi very bad.. He beat me with wooden stick he locked me in the dark room he burnt my skin and at last he tried to rap.." she cried out loudly..

My tears betrayed me seeing her in this state.. I looked at zain he was looking at us with a neutral expression I know he was controlling his emotions..

"Baccha you are fine ok? No one will harm you" I said..

"I am scared" she whispered..

"Why are you scared diya? He should be scared from you" Jane said and I nodded in affirmation..

"Diya he beat you right he tried to harm you don't you want to do the same with him huh?" I asked and she looked at me perplexed..

I gave the hockey stick to her..

She jerked it and moved back "no no no he will harm me again" she shivered..

She lit up the matchsticks and burnt his finger and the skin of his hand

"You bastard" and she kicked him where sun doesn't shine..

I smiled seeing her as she was taking it out everything which she buried deep inside her..

She turned towards kriya and slapped her hard "I always treat you like my elder sister but you don't deserve to be called as sister you are a selfish bitch" she shouted and slapped her once again..

She turned towards us and came running to me.. "I did it bhabhi I am not weak" she said crying..

Zain's pov..

Why our fate is so cruel to us? I am not fine but I can't fall weak infront of my family infront of my love.. they've gone through the same.. my own bestfriend betrayed me.. the girl whom I trusted more than anyone...she was my first friend in playschool and what she did?

She tried to harm Myra! I never thought that some day I would love Myra but now her tears hurted me.. it was painful..

My Diya my first baby...when I held her in my arms for the first time I was just 7..I promised her that I would protect her from all the evils but I failed.

Dad didn't even shout at me now..I know he was in pain.. it was like something was breaking..

Mom didn't even smile..she was silent all the time...

This home isn't home anymore it's just a mansion with all the luxurious things..

I failed..

Failed as a husband

Failed as a brother

Failed as a son

Failed as a fath--

Father huh what a cruel fate? I didn't even get a chance to feel my baby.

I didn't even get a chance to held his/her little fingers..

I wanted to hear my baby's first voice first walk.. everything was destroyed...

What mistakes I made that I was being punished like this..

God this pain was so unbearable..

I have to make everything all right..

I behaved like a monster to myra.. her face still haunts me..her cries when she begged for my love...

I wanted to hug her that time I wanted to kissed her forehead and assured her that everything would be alright..

She was so selfless that she forgive me so easily..

I have to be strong I have to protect my family give me strength God..

"Firstly everyone is beautiful in their own ways but now it's true you aren't beautiful because it seems like you didn't take a bath from past 2,3 days and with these messy hairs and dark circles you are looking like a witch" he joked making her eyes widened..

He took the handful of haldi and applied it on his cheek then leaned closer to her..he rubbed his cheek with hers and she bit her lower lip while her hands clutched his shirt as his stubble tickled her skin..

He took the haldi again and applied it on her neck, throat and arms. She was wearing sleeveless top so he got more access..

Next day..

It was their Mehndi Ceremony...he came out of his room after taking shower and his gaze travelled down.. where she was sitting wearing a floral print long skirt teaming up with white crop-shirt.. her hair left open.. her face was glowing as she was giggling and laughing with her bridesmaids and mehndi artists were drawing on her hands beautifully.. he smiled seeing her she was indeed the most beautiful girl in this whole world..

He never thought that he would fall for myra.. he went to LA just for a business deal he never cared that he had a wife but seeing her everything changed for good.. they had a fight at first and then their shocked moment when they get to know that they were married.. their attraction and giving mocking replies to each other they eventually fall in love.. he fall in love with her.. love and all wasn't his cup of coffee but myra his myra made him fall in love with her..

His lips broke into wide smile thinking about those days...

"Where are you lost Mr Kapoor?" hearing the voice he turned to found samar..

"Ofcourse lost in myra" aliya said from other side..

"It's not like that okay" zain replied shaking his head..

"It's ok zain tujhe jhoot bolne ki zarurat nahi hai teri hi biwi hai tu usse ghoor sakta hai (Zain you don't need to lie you can stared at her she is your wife only)" mukti said winking at him...

Zain's pov..

"I think I did a mistake of inviting you three in my wedding" I said making faces..

Shadi mein nahi bulata toh zyada accha hota(it would've been really great if I wouldn't invite them on my wedding)

"Well you already did a mistake now there is no looking back" mukti said and hi-fied at aliya..

"Ughhh you guys are very bad" I said and went inside the room while the other three devils followed me..

"Zain tu thik hai? (Zain you ok?)" Mukti asked all off a sudden and I looked at her..

"Yeah I am fine" I said casually..

"Chal jhoot na bol (huh don't lie)" samar and made me sat on the bed and he sat beside me while mukti sat on the other side and aliya on the bean bag..

"Guys why you'll become serious all off a sudden?" I asked as they looked at me with suspiciously..

"Spill the beans already" aliya said..

These three ughhh..

"You're disturbed about that kriya bitch right?" My eyes widened hearing mukti..I looked down..

" Zain she was our friend also but the bond you both shared..we know you both were bestest friend from the playschool she---" I cut her off..

"Mukti leave it na everything is fine now" I said cutting her off..

"Uski toh maa ki aankh" aliya said and we all laughed..

(It's a slang word in hindi)

"But you are thinking about her" samar said and I shook my head in no..

"Naah I am just thinking that how could I be so dumb that I did friendship with her.. I never saw her true face ..I am angry on myself that I did friendship with the cheap girl" I said angrily..

Damnn I never thought that I would going to hate kriya one day..

"Anyways guys forget about that kriya bitch and let's go down I want to apply mehndi" mukti said..

"Me too" aliya joined and we all went downstairs..

Myra's pov..

It's my mehndi.. the feeling was something I couldn't describe.. I looked at my mehndi as the artist were done applying it on my hand and legs..

They have hidden zain's name perfectly..I looked at mom and mihika aunty as they praised the mehndi design and then bless me..I smiled wholeheartedly..

Okay but where is my baby?

I looked here and there but he wasn't there.. frowning I looked up and found him descending the stairs with his friends..ohh My Handsome Baby..

He came and sat beside me pressing a kiss on my head..

"Umm zain what are you doing here?" Mihika Aunty asked..

"Not again mom.." he groaned and we laughed..

"What not again can't you just leave her alone?"Mihika aunty asked giggling and he pouted grumpily..

"It's been more than 25 days she was away from me and now I couldn't even sat beside her why" he complained..

"Ayee don't tease my brother please" and here comes diya..

"My Diya I love you so much" zain said pulling her cheeks and she grumpily rubbed her cheeks

"I mean don't tease him alone I want to tease him also" diya said and we all laughed while zain glared at her..

"I hate you diya" zain said he was sounding cute..

"I love you too bhai" she said passing him a flying kiss and went towards the kitchen while I giggled...

"Ahhh" I hissed all off a sudden as my Mr Monster Husband pinched my back..

"Don't laugh soo much wifey, it won't take me much time to make you moan infront of everyone" I glared at him angrily "no no don't try to hit me because if you do so then your mehndi will be destroyed" he further added..

"Asshole" I muttered angrily..

"You have sexy ass thou and I soo want too fu--" I glared at him angrily and his lips stick into thin line..

"Don't you dare to utter any shitty words Mr Kapoor otherwise the consequences won't be in your favour" I warned glaring at him..

"Why wifey are you getting turned on?" He asked smirking and leaned closer to my ear his hot breath fanned on my cheek on neck..

Control Myra you can't just can't punch him your hands were printed with Mehndi..

Just then we heard a coughing sound and he sat straightly..

"Damnn Kapoor control yourself we know she is your wife but atleast stop your PDA" it was samar who said after fake coughing..

"Samar please take him somewhere with you he is eating my head" I said being irritated..

"I am not going I will sit here with you" zain said shaking his head..

"Monster Zain changes into Majnu (Romeo) Zain" Mukti said laughing..

"Agreed mukti" aliya said..

"Guys please leave us alone" Zain said angrily..

"It's not your wedding night Mr Kapoor" Samar said..

"I will kill you someday cabir" Zain said glaring at him like an offended child..

After sometime..

I was feeling hungry but my mehndi hasn't dried yet and mom was too busy to made me eat.. and my bridesmaids hands were also printed with mehndi..

I pouted looking down.."what happen wifey" Zain walked towards me sipping cold drink..

"I am hungry" I said pouting..

"Who is stopping you go and eat" he said casually.. ughhhh I will kill him..

"I can't my mehndi hasn't dried yet" I said and he smiled..

"Ok then baad mein khalena let it dry first (ok you can eat later)" he said and I frowned..

I wanted to pull his hairs.. this boy..why God why he was like this? dumbooo!!!

"I am hungry and you have to feed me" I said frowning..

He grinned and sat beside me..

"What will I get in return?" He asked raising his left eyebrow..

"What you want?" I asked narrowing my eyes..

He leaned closer to my ear and whispered "I want you to kiss me on my lips two times"

My eyes widened and I shook my head in no..

"It's been more than 25 days we haven't did our jamming as you forbid me because of our wedding--" I cut him off

"but we kissed yesterday only in washroom remember" I said being frustrated..

"Bhuki baithi raho khana nahi milega (sit here hungry you won't be getting any food)" it took me 10 seconds to understand what he said..

Muttering some curses I looked here and there to spot someone who can feed me but everyone were busy in sangeet arrangements...

My stomach growled at hunger and I looked at my Monster Husband angrily "ok fine"

His lips broke into wide smile as he stood up "khana lekar aata hu (wait let me take out food for you)" he said and left winking at me..

He came back with a plate full of tasty dishes and I licked my lips..he started feeding me wiping my lips time to time with tissues..

"Hayee kya Jodi hai (wow whatta match)" rishabh said walking towards us with diya.

"Ram milayi Jodi (match made by God)" diya corrected..

"Diya don't you have any other work rather than teasing us" Zain asked her stuffing more food in my mouth..

"Well bro Diya Kapoor works in well known firm called TZM" she said professionally..

"And what is TZM?" Zain questioned and I keenly looked at the brother sister duo..

"Teasing Zain Myra" Rishabh answer in diya's behalf and hi-fied at her..

My eyes widened these two were indeed evil.. they were laughing seeing zain's poker face and I couldn't control anymore and laughed out loudly with them..

"What happen? What made you all laugh and bro what happen to you?" Nia asked as she came to us with Jane and Emma..

"Okay my all diii's tell me in which firm we all works in?" Rishabh asked my bridesmaids..

"TZM means Teasing Zain and Myra" all said in unison laughing loudly..

Thank you God for making everyone happy..

"Bad bad all are bad" Zain said getting up from his place after feeding me as he was enough of their teasing..

"Zain listen na" ignoring everyone he walked away..

After 2 mins my phone beeped with a message making Jane and Emma smirked as my Phone was in their hands as I was posing for the pictures the way my photographer telling me..

Sometimes showing my mehndi with a smile.. sometime this that ughh..

"Just a min" I said to the photographer and went to my two evil bestfriends..

"What happen why you both are smirking?" I questioned them..

They showed my phone there was message from Zain..

"No babe we aren't teasing you! You go your husband is calling you in private" emma said shaking her head..

"Maybe he need some HELP" Jane said emphasizing the word 'HELP'

"Fuck you both" I said angrily showing my middle finger..

"Fuck you both" I said angrily showing my middle finger..

"Help me to go upstairs I am not able to handle this heavy skirt" I said and they nodded and help to ascend the stairs..

"Thank you Jane and Emma for helping nandini to ascend the stairs and now don't you dare to say anything about all this to anyone" zain literally warned them and held my arm..

"We aren't cock blockers Jeejs (brother in law)" emma said with a tight lipped smile.. and zain rolled his eyes and dragged me inside the room locking the door behind..

"Why so desperate Mr Kapoor?" I questioned with raised eyebrow..

He didn't respond and jerked me towards himself by clutching my waist.."aahaa control Mr Kapoor" I said and he smirked pressing a kiss on my forhead..

"You are looking beautiful" he whispered smiling..

"I always look beautiful" I said with a tight lipped smile making him chuckled..

"Ok now kiss me" he said like a baby..

"Aahaa why?" I questioned...

"I fed you lunch and now it's reward time" he said and I chuckled.

"What if I say I don't want to give you reward?" as soon as I uttered those words he pouted like a baby..

"Ayee no cheating Mrs Kapoor" awweee he was sounding so cute..

"I am not cheating now leave me I don't want anyone to see us" I said and he smirked and pulled me more close..

"I won't leave you without taking the reward" before I could reply his mouth descended on mine taking me off guard..

My eyes widened as I stood rooted at my place his lips skillfully moved against mine sending shivers down my spine...I didn't realise when my lips started moving against his.. the frustrating thing was my mehndi because I couldn't able to hold him.. groaning I bit his lips hardly and he broke the kiss wiping his lips with the back of his palm..

He pushed me against the wall and I gasped then shouted at him "zain I will kill you for sure if something happens to my mehndi"

He smirked and leaned closer to my face "I am happy that your hands are printed with mehndi" his finger traced my chin going down to my throat and stopped at my shirt button..

"Zain no" I whispered being horrified..he just smirked and unbuttoned the first one then second making my heartbeat go wild..

"Zain I promise I will take revenge" I mumbled angrily..

He chuckled and nestled his face on my neck placing a kiss there making me shiver..his hand encircled around my waist as his lips did wonders in my neck throat and collarbone..

"Zain stop please" my plea sounded more like a moan...

"You want this wifey I know" his husky whisper reached my ears and next moment I moaned again as he nipped the skin of my collarbone..

He looked up and slammed his lips on mine kissing me again with all the love..I did the same caressing his lips with my tongue sucking his lower lip softly still I was frustrated..I wanted to hold him but ughh anyways..

He broke the kiss and joined our forheads as we both breathed heavily..

"I love you soo damnn much" he whispered breathing heavily making our warm breaths mingle..

"I love you more Mr Zain Kapoor" I whispered back and his lips curved into a big smile..he pecked my lips numerous times making me smile..

"But I will take revenge" I said and he chuckled..

"Okay sit here" he said and made me sat on the bed and knelt infront of me..

"Are you happy?" He asked looking at me and I raised my eyebrow..

"What type of question is this? Ofcourse I am happy nope actually more than happy" I said he smiled, getting up he pecked my forhead then my eyes just then we heard a knock on the door..

Myra smiled and stepped in and sat on the bed beside her while she passed her a nervous look..

"Diya what is happening?" Myra asked..

"Nothing bhabhi (sister in law)" she let out a nervous laugh..

"Do I look like a fool diya?" Myra's voice was stern..

"What are you talking bhabhi?" She tried to sound casual..

"Cut the crap diya and tell me what is happening between you and rishabh" diya's eyes widened hearing myra..She looked down being tongue tied..

"You and Rishabh are in relationship am I right?" Diya was about to say something but myra started again "don't you dare to lie diya I know that you both are in relationship I am not blind it's just that I didn't want to poke my nose in your personal life" she completed..

Myra's pov

It's already 12.am but our little Zyrah wasn't sleepy she was busy jumping on the bed and sometimes on zain's back as he was lying on his stomach..

"Zyrah sleep baby it's late" I made her lay down and patted her head but she was wide awake..

"Noo seep (sleep)" she nodded her head in no..

"Princess please be a good baby and sleep because your dadda wants to play with your mamma" zain said winking at me while I slapped his shoulder..

"Stop being so shameless zain" I glared at him angrily and he laughed..

"Pay pay (play play)" and Zyrah started again..

"We aren't playing jaana now please sleep" I said softly caressing her hair..

And finally after so much of difficulty I succeeded in making her sleep.."I love you my heart" I whispered as she snuggled closer to my chest..

"Wifey" I heard his voice as he was just behind me his breath on my ear and neck..

"Sssh zain zyrah just sleep" I whispered..

"I am horny" he whispered against my ear his fingers caressed my waist sending shivers down my spine..

I chuckled and asked"when you aren't?"

"Can't help it my wifey is so hot" he whispered.."she slept wifey let's start our personal workout" how can he be so shameless..

"No zain I don't want her to wakeup just because of us" I said sternly glaring at him..

"Ok fine"he muttered and turned to other side pulling the duvet..

Sometimes he behaved like a kid..

Zyrah was sleeping soundly I covered her with duvet slowly not wanting to wake her up and turned towards zain..

I wrapped my arms around him from back while he pretended to sleep "baby" I whispered in his ear my tongue stuck out to lick the skin of his ear I sensed him stiffened..

"I know you aren't sleeping so don't pretend" I whispered and kissed his ear again my hands caressed his chest..

He turned towards me and pulled me close with a jerk making me gasped before I could say he joined his lips with mine my hand made its way to his nape to his hair while he was busy caressing my neck and cheek..

He forced his tongue inside my mouth biting my lips my hand clutch his hairs tightly as I kissed him back more passionately he dominated the kiss and I surrendered myself..

In the need of oxygen we broke the kiss breathing heavily "fuck I want more" and his lips were on mine again sucking it more hardly grazing it with his teeth my mouth left a painful moan and he broke the kiss..

"I love this" he whispered intensely his thumb caressed my swollen lower lip while my breath was still uneven..

"What if Zyrah wakes up?" I asked in whispering tone as he unfastened my robe..

He looked at me grinning and next moment we were on the carpet floor..ohh yeah he rolled us and we fell down with me on top of him..

"Are you mad what if you got hurt huh?" I whispered yelled at him..

"We can fight later" he whispered and changed the position now I was under him..

"Just keep your voice low" whispering he dived into my neck rubbing his nose on my neck which was replaced by his lips his stubble jaw rubbed against my skin sending jitters..My hands made it's way to his shirt as I unbuttoned it scratching the material from his body..

His lips moved down as he stopped on my cleavage sucking it softly then hardly, I bit my lips stopping myself from moaning out loud my back arched and finally a needy moan left my mouth...

He looked up after marking me..His eyes were darkened with passion and desire while I panted hard.."I love my mark on you" he stated tracing it with his finger..

I pulled him close changing the position now I was on him my fingers caressed his chest lowering my face my lips met his neck.. I heard him sighing as I sucked his neck biting it softly it was enough to left a mark on it, his hands journeyed down to my hips and I gasped getting a sharp pain all off a sudden..He freaking spanked me..

I shot a glare at him while he grinned and in a second I was under him my hands were restrained by his..His lips descended on mine and we drowned in our world of love..

"Jayant uncle Mihika Aunty I am not kidding I love your daughter but I am not independent yet I need time because I want to make her my queen so please don't set her alliance with your friend's son" rishabh requested softly to them..

"Well my friend's son was you only" as soon as those words left Jayant's mouth diya and rishab's eyes shot up.. they weren't expecting this..

"Wait what?" Diya asked..

"Yeah diya your dad was talking about rishab only" Mihika answered as her lips broke into smile..

"So rishta pakka? (So alliance fixed)" Myra asked..

"Rishta is pakka but I want to become independent first" Rishabh said..

"Do anything you want rishabh I just don't want my sister to suffer not even a little bit" zain said like a big a brother..

He stepped inside the room locking the door behind..It was an hectic day from him he dumped his office bag and coat on the couch and strode towards the bed where his little princess was sleeping hugging her softie unicorn teddy..

His lips broke into wide smile all his tiredness flew away from the window seeing her..he pecked her forehead and get off from the bed..

Where was HIS WIFE? His eyes travelled down his lips curved into smirk as he found her top and jeans laying on tnt floor carelessly and the door of the washroom slightly open..

He opened the door and stepped in only to get rewarded by her lacy black lingerie which was there on the tiled floor..

"So late Mr Kapoor" her voice reached his ears and he looked up and his eyes widened and mouth open..

She chuckled seeing his reaction..

His eyes travelled on her form as she was inside the bathtub the foam was hiding her treasures only her legs were visible which was resting on the side..

Her hair tied in a messy bun with few strands teasing her wet face, she was holding a glass of red wine in her hand and the other glass was just beside her leg..She took a sip of the wine and his eyes locked on her lips as she licked it..

He started unbuttoning his shirt while she enjoyed the show sipping her wine.. stripping he settled just behind her and his lips moved against her ear as he whispered "you never felt to impress me" she smiled and tilt her head passing the another glass of wine to him..

"So our fight is over now?" She questioned he sipped the wine and pecked her lips "I actually FORGOT that we had a fight" he answered making her chuckled..

She turned towards him and he pulled her more close his lips attacked on her neck..

She placed the glass aside and caressed his hair as he left wet kisses on her neck..

"I LOVE YOU SO MUCH" he whispered cupping her cheeks..

"I know" she giggled and moved back as he was about to kiss her lips..

He tried again but she turned her face to other side and splashed water on him "very bad wifey" he frowned and she giggled blessing his ears..

"You want to kiss me?" She asked leaning close to him..

His arms slide it on her waist "I want to do more than that" he answered..

"Uhh ohh apke irata sui nahi lag raha hai (apke iradein sahi nahi lag rahe hai)(your expression doesn't seem good huh)" she said and he chuckled..

"Baby tum Hindi mat bolo it's not your thing" he said chuckling and she made a face..

"I know hindi okay!! Don't underestimate me" she glared pointing her finger towards him like a baby..

"Yeah yeah baby ofcourse" he shook his head in yes and then pulled her closer fisting her hair little harshly..

"Ain't we wasting our time?" He whispered "I don't want our little love to wake up and see us here in the washroom" she giggled hearing him and locked her lips with his..
